Chapter 4261

[The Man Decree] A Man Like None Other Chapter 4261 – These flames roared out crazily, densely packed like a torrential rain!

“This guy, he actually played the ultimate fire to this extent?”

Mu Qiufeng was shocked. He didn't expect Chen Ping to control the ultimate fire to this extent! As soon as

he made a move, it was actually a raging flame.

Mu Qiufeng was seen muttering something, and his hands instantly drew a formation pattern in front of him, and then a formation shield appeared in front of Mu Qiufeng!

As the leader of the Zhantian Sect, Mu Qiufeng's mastery of the formation is also extremely pure and handy!

The surging flames were blocked in front of him by the shield!

The huge impact force caused Mu Qiufeng's body to retreat rapidly!

“Break...”

Mu Qiufeng shouted, and the formation shield in front of him exploded instantly, following those flames, all scattered all over the sky, disappearing without a trace!

“Boy, you are only at the sixth level of the Tribulation Realm, but you have burst out with a strength that is not weaker than that of the Mahayana Realm. You are really a genius among geniuses.”

“If it were before, I might respectfully send you away, but now, no matter how capable you are, don't even think about leaving!”

Mu Qiufeng finished speaking, and bursts of red light appeared in his eyes!

With the red light flashing in Mu Qiufeng's eyes, the sea surface around the entire island began to surge with turbulent waves!

The waves rolled, and countless monsters jumped out of the sea and fled!

I saw a series of flashing array patterns rising slowly from the depths of the sea!

Countless array patterns filled the sea for dozens of miles, wrapping the entire island in it!

Seeing this, Chen Ping frowned!

Such a huge array, I don't know how many years it has been arranged in advance!

This should be the killer of the Zhantian Fa Sect, and the array was laid in the depths of the sea a long time ago!

Seeing the array that suddenly rose, Chen Wenliang and Gu Tianchao were all stunned!

The disciples of Zhan Tian Fa Zong raised their mouths, left the battle in an instant, and jumped into the air!

I saw that the people of Zhan Tian Fa Zong sacrificed their blood essence, which was instantly absorbed by the formation!

Soon, a formation with a radius of dozens of miles was formed, and everyone, including the people of Zhan Tian Fa Zong, was trapped in the formation!

However, these people of Zhan Tian Fa Zong did not seem to be afraid, on the contrary, they were extremely excited!

"Originally, I wanted to capture those pharmacists alive, but it seems that you are going to lose the resistance, so you all die!"

Mu Qiufeng was proud when he saw that the formation was completed!

As Mu Qiufeng waved his palm to form a formation pattern, the formation began to start!

In the air, on the sea, and even on the island, suddenly a series of spiritual lights shot out like dense arrow feathers!

Whoosh whoosh whoosh...

Ten thousand spiritual lights went towards Chen Wenliang and the others, and each spiritual light carried a terrifying aura.

At this moment, Chen Wenliang and the others were completely panicked. How could they dodge such dense spiritual lights?

“Hurry up and set up a defensive shield...”

Chen Ping saw this and hurriedly shouted to Gu Tianchao.

Chen Wenliang and other pharmacists could not withstand these spiritual lights at all, so they could only let Gu Tianchao and the people of Liangyi Sect to set up a defensive shield to resist it!

Gu Tianchao hurriedly led the people of Liangyi Sect to set up shields around everyone to resist the spiritual lights!

One after another, the spiritual lights hit the shields, and Gu Tianchao and other disciples of Liangyi Sect all showed extremely painful expressions!

It seemed that they could not hold on for long!

Chen Ping wanted to go over to help, but countless spiritual lights were also attacking him!

“Hahaha, don’t waste your energy. This formation was set up by our Zhantian Sect’s successive patriarchs over a thousand years.”

“You guys still want to resist? You are simply like ants. Even if you are at the peak of the Mahayana realm, you may not be able to withstand the attack of this formation.”

Mu Qiufeng said with a big laugh!

[The Man Decree] A Man Like None Other Chapter 4262

[The Man Decree] A Man Like None Other Chapter 4262 – Puff, puff, puff...

Gu Tianchao and the others couldn't bear it anymore. Some spiritual lights penetrated the shield and hit the pharmacist in an instant!

Soon, some pharmacists began to be injured or died tragically. Some wanted to escape, but as soon as they left the shield, they were pierced by the thousands of spiritual lights!

Chen Ping was anxious at this moment. Although the spiritual light of this big formation couldn't hurt him, if it went on like this, I'm afraid that Liangyi Sect and those pharmacists would be killed or injured!

"Boy, do you want me to help you? This kind of big formation, I'm afraid you can't break it with your current ability!"

At this time, the Red Cloud Demon Lord spoke!

"Senior, do you also understand the art of formation?"

Chen Ping asked curiously!

He didn't hear the Red Cloud Demon Lord say that he also understood the formation!

"I don't understand, but do I need to know any formation art to break this formation?"

"I broke this formation with a slap, but I don't know if your body can withstand it."

The Red Cloud Demon Lord said!

After Chen Ping pondered for a moment, he nodded and said, "Come on, I can handle it..."

“But senior, you should also take it easy, don’t rush in without caring about anything, and hold back your strength!”

Chen Ping could only fight hard, but he still warned the Red Cloud Demon Lord!

If the Red Cloud Demon Lord went crazy and suddenly burst out the strength of the Heavenly Demon Lord, his body would not be able to handle it 100%!

“Don’t worry, I still need you to help me collect bones, I won’t let your soul fly away.”

After the Red Cloud Demon Lord finished speaking, he instantly controlled Chen Ping’s body!

In an instant, Chen Ping’s eyes began to become extremely dark, and the indestructible golden body on his body slowly dissipated, but was replaced by a layer of black mist that seemed to be there and not there! Chen Ping

was wrapped in black mist, and the whole person was like a bloody demon!

As Chen Ping gently raised his palm, the demonic energy in the sky began to diffuse out, and then surged towards the front!

Everyone was dumbfounded when they saw Chen Ping like this!

Especially Mu Qiufeng, his eyes widened and he said, “How come this guy is also a demon cultivator? Then he must not be the prince of the Xiao Dynasty.”

Countless spiritual lights hit Chen Ping, but Chen Ping did not react at all.

And the demonic energy that was stirred out turned into a huge fist and flew into the sky!

Boom!

The huge fist formed by the demonic energy hit the formation fiercely!

The formation was turbulent, and the spiritual light that radiated from all directions began to attack aimlessly!

Even the people of Zhantian Fazong were attacked by the spiritual light!

This time, the people of Zhantian Fazong had to use the formation shield to form protection!

Boom!

There was another loud noise, and the formation shattered directly, and countless formation patterns began to fall into the sea!

“What? It broke our formation so easily?”

Mu Qiufeng was going crazy. This was the formation that their successive masters of Zhantian Fazong had spent a thousand years to lay!

It was for the purpose of using this formation to directly turn the tide of the battle when Zhantian Fazong was facing life and death.

But the battle situation has not been reversed, and the formation was broken by a punch!

Just now he was still bragging, saying that it was useless to be at the peak of the Mahayana realm, and Chen Ping was only the sixth level of the Tribulation Realm, but he broke the formation!

Chen Wenliang and the others were also looking at Chen Ping in shock. They suddenly realized that the aura on Chen Ping's body had changed and became very strange!

Especially Liu Ruyan, she was very familiar with Chen Ping and often slept together, but the current Chen Ping made her feel scary and strange!

She was sure that the Chen Ping in front of her was definitely not the Chen Ping just now!

“You bunch of ignorant children, being able to die in the hands of this old man is the blessing you have cultivated for ten lifetimes!”

Chen Ping looked at Mu Qiufeng and others and shouted coldly!

Mu Qiufeng looked at Chen Ping, he could conclude that Chen Ping must have had his soul replaced by someone, or he was possessed by a demon soul!

[The Man Decree] A Man Like None Other Chapter 4263

[The Man Decree] A Man Like None Other Chapter 4263 – No matter how powerful Chen Ping is, he can't burst out such a breath!

This breath directly made Mu Qiufeng feel despair. This was a breath he had never felt before!

“Escape...”

Mu Qiufeng suddenly shouted, and then took the lead to run!

Since even the big formation was broken in the end, they had no chance of winning and no reliance. What are they waiting for now?

“Hahaha, no one has escaped from the palm of my hand yet. Do you ants want to escape too?”

Chen Ping laughed loudly, as if his palm gently pressed down!

The sky was filled with black fog, as if a big hand, instantly covering hundreds of miles!

No matter how fast Mu Qiufeng and his friends were, they couldn't escape hundreds of miles in an instant!

Mu Qiufeng was shocked. In an instant, the sky changed color. He felt as if he was being played with in Chen Ping's palm and couldn't escape at all!

“Senior, that's enough. My body can't stand your magical power!”

Chen Ping hurriedly persuaded the Red Cloud Demon Lord!

Just one palm can cover hundreds of miles. This kind of magical power cannot be seen in the entire heavenly world. Moreover, Chen Ping is only a sixth-grade cultivator in the Tribulation Realm. No matter how strong his body is, he can't stand it!

“Sorry, I almost forgot...”

The Red Cloud Demon Lord hurriedly smiled, and then took back the palm!

While taking it back, Chen Ping's body moved instantly, and those disciples of the Zhantian Law Sect who had already escaped far away screamed one by one!

The screams reached Mu Qiufeng's ears, making him tremble all over and grit his teeth to run for his life!

But soon, he found that no matter how he ran, he seemed to be in the same place, so he looked around, only to find that he was surrounded by a circle of black mist!

Mu Qiufeng's actions were restricted by this circle of black mist, and he couldn't run away at all!

No matter how Mu Qiufeng attacked or what formation he used, it was useless!

In the end, Mu Qiufeng gasped and surrendered helplessly!

"Who are you? This is definitely not something that a sixth-rank cultivator in the Tribulation Realm can do. What kind of immortal are you, possessing this guy!"

Mu Qiufeng knew that Chen Ping must have been deprived of his physical body, otherwise he would not have suddenly become so powerful!

It was simply a massacre. The people of Zhantian Fazong were really not as good as ants in front of Chen Ping!

"Humph, you want to know me..."

"It doesn't matter who I am. The important thing is that you are finished now..."

Chen Ping returned to his original appearance and looked at Mu Qiufeng with a sneer!

Just now, the Red Cloud Demon Lord wanted to brag, but Chen Ping quickly took his body back!

Since the formation was broken, the people of Zhantian Fazong were all dead, and only Mu Qiufeng was left, Chen Ping didn't need the Red Cloud Demon Lord!

Mu Qiufeng was slightly stunned. He could clearly perceive the changes in Chen Ping's aura!

But even if the demon soul in Chen Ping disappeared, Mu Qiufeng would have no chance of winning!

With so many pharmacists and a pervert like Chen Ping, he had no way to escape!

What's more, this is the vast ocean, far away from the mainland, and there is no way to escape!

Now Mu Qiufeng can only accept his fate!

At this time, Chen Wenliang and others also gathered around, especially the pharmacists like Bao Longxing. Seeing that Mu Qiufeng had become a prisoner, they were indignant and wanted to beat Mu Qiufeng to death!

Mu Qiufeng locked them up in the dungeon. If Chen Ping and others hadn't come, then they, the pharmacists, would become slaves in the future, and would be enslaved without day and night.

"Kill him, beat this beast to death..."

"You dare to look down on us pharmacists, today we will use the strongest poison to make you die in pain!" "

Yes, poison him to death, use the Heart-Eating Pill, let him die in pain!"

Many pharmacists shouted!

[The Man Decree] A Man Like None Other Chapter 4264

[The Man Decree] A Man Like None Other Chapter 4264 – “Don’t kill me, don’t kill me, as long as you let me go, I can give you all the resources of Zhantian Fazong!”

Mu Qiufeng saw that these pharmacists were filled with righteous indignation and wanted to poison themselves to death, and hurriedly said!

“Who are you kidding? We have searched this island inside and out several times, and there is nothing.”

“The hall of your Zhantian Fazong is also empty, where are the resources!”

Chen Wenliang said coldly!

“Yes, there must be, but it is hidden with formations, and you can’t find it!”

“Our Zhantian Fazong has been here for a thousand years, how could there be no resources!”

Mu Qiufeng hurriedly said!

When everyone heard it, they also felt that what Mu Qiufeng said was right. After all, Zhantian Fazong has been here for a long time!

Moreover, when searching, it was Chen Wenliang who led those pharmacists to search. Chen Ping led Gu Tianchao to set up the formation. If there is a hidden formation, the resources are hidden, and Chen Wenliang and others will not be able to find it!

“Take us there. If you dare to play tricks, you will die miserably!”

Chen Ping decided to let Mu Qiufeng take him to see what resources Zhantian Fazong has!

“No, no...”

Mu Qiufeng nodded hurriedly.

Then, under the escort of everyone, Mu Qiufeng went to the main hall of Zhantian Fazong!

The main hall of Zhantian Fazong is not particularly luxurious. After all, it is far away from the mainland, and all materials are self-sufficient on the island. So it is very good to be able to make the main hall like this!

After entering the main hall, Chen Ping instantly sensed the fluctuation of the formation. It seems that there is really a formation in this hall!

Mu Qiufeng muttered something in his mouth, and waved his hand gently. A door appeared on a wall that originally had nothing!

And there are many restrictions around the door!

Mu Qiufeng opened the restrictions one by one, and with the opening of the last restriction, the door slowly opened!

Seeing the door opened, many pharmacists rushed in!

After all, those who rushed in first can get more resources!

“Stop right there, no one is allowed to move, let Fellow Daoist Chen go in first...”

“We are alive now, all thanks to Fellow Daoist Chen and the people from Liangyi Sect. Even if there are supplies, they should take them first!”

Chen Wenliang roared, and the pharmacists who were about to rush in stopped instantly, and retreated with embarrassment on their faces!

Chen Ping couldn't do that either, so he walked in with Mu Qiufeng, followed by Gu Tianchao and the others!

When they walked into the room, they found that there were actually a lot of beast pills stored in it, as well as a lot of fairy grass and spirit stones!

The huge room was piled up full. To be able to accumulate so many resources on such a barren island, the Zhantian Sect must have accumulated them for many years! However,

among these resources, a three-meter-high statue seemed out of place with these resources!

Chen Ping didn't understand why this statue was placed here and not in the main hall?

"Who is this statue?"

Chen Ping asked Mu Qiufeng!

"It is said that he is our first sect master, but I am not very clear. Since I took over the Zhantian Sect, this statue has been placed here."

Mu Qiufeng said truthfully!

"Chairman Chen, take these resources away and distribute them to everyone, and then treat the injured Taoist friends!"

Chen Ping said to Chen Wenliang!

"Daoyou Chen, you have contributed the most, and these resources should be taken by you first."

Chen Wenliang said embarrassedly!

"Chairman Chen, don't be polite to me, just do as I say!"

Chen Ping said!

Seeing this, Chen Wenliang nodded, took people to clear all the resources, and then began to distribute them!

But Chen Ping did not leave the room, but took Mu Qiufeng with him, looking at the three-meter-high statue!

[The Man Decree] A Man Like None Other Chapter 4265

[The Man Decree] A Man Like None Other Chapter 4265 – Chen Ping's forehead actually began to flash red, and soon an eye appeared!

The Tianming Eye was opened, and Chen Ping wanted to see what was so strange about this statue!

Zhan Tian Fa Zong couldn't put an ordinary statue here!

At the moment when the Tianming Eye was opened, Mu Qiufeng's body trembled slightly, and there was a bit of panic in his eyes!

Then a trace of black mist appeared in his palm, and he slapped it directly on the statue!

At the moment of contact with the statue, the statue suddenly emitted golden light, and the whole statue was flashing with array patterns!

And Mu Qiufeng was actually sucked into the body of the statue!

"Hahaha, hahaha..."

"You've been fooled, there are array patterns in this statue. Now I am integrated with the statue and can be immortal."

Mu Qiufeng laughed crazily!

Now he has merged with the statue, and with a light wave of his hand, a huge force came towards Chen Ping!

Chen Ping's body was instantly blown away by a huge force!

Mu Qiufeng flew into the sky and collapsed the entire hall!

The huge noise made Chen Wenliang and others all look over here in shock!

They saw that the huge statue had come alive at this moment, and it flew into the sky, collapsing the hall!

"Chen Ping..."

Liu Ruyan was the first to discover Chen Ping who was knocked away, so she rushed over!

Seeing this, the others didn't care about dividing any resources, and hurried towards Chen Ping!

They didn't know what happened!

“Chen Ping, are you okay?”

Liu Ruyan helped Chen Ping up!

Chen Ping had blood flowing from the corner of his mouth, and he shook his head and said, “I’m fine. I didn’t expect this guy to have a trick up his sleeve!”

“Fellow Daoist Chen, where is Mu Qiufeng?”

Chen Wenliang asked!

Chen Ping pointed to the statue and said, “Mu Qiufeng has merged with the statue, and now the statue is Mu Qiufeng.”

“What?”

All the pharmacists became nervous!

“You guys destroyed my sect and killed my disciples. Today I will let you die here, all of you die here!”

Mu Qiufeng was in the air, overlooking Chen Ping and the others, and said extremely arrogantly!

“Do you think you can kill us with just a small statue?”

Chen Ping pushed everyone aside, jumped up, looked at Mu Qiufeng and said!

“You know shit, this statue is made of ancient array patterns, and this statue contains tens of thousands of arrays.”

“As long as I don’t leave this statue, no one can hurt me!”

Mu Qiufeng snorted coldly!

“I don’t believe it!” After Chen Ping finished speaking, the ultimate fire rose from his palm, and then he waved it vigorously!

The flames all over the sky wrapped Mu Qiufeng in it!

The flames formed by the fusion of several ultimate fires were so powerful that the whole sky was reflected red by the flames!

“Hahaha, I said it a long time ago, as long as I don’t leave this statue, no one can hurt me.”

“Now I am immortal, so you don’t have to waste your energy!”

Mu Qiufeng laughed, not afraid of the ultimate fire

at all! Seeing that Mu Qiufeng was not afraid of his ultimate fire, Chen Ping frowned slightly!

Mu Qiufeng waved his palms, and a formation pattern suddenly appeared out of thin air, forming a cage, covering Chen Ping!

This formation cage that suddenly appeared, Chen Ping actually felt a familiar taste!

But he couldn’t remember who had used this formation for a while!

Chen Ping’s body quickly retreated, and at the same time, he punched out with a holy light fist, breaking the formation cage!

“Since you are not afraid of the fire, then try the power of the magic whip!”

Chen Ping took out the magic whip. He knew that the magic cultivator was most afraid of the magic whip!

And the attack of the magic whip is not a physical attack, but a magic attack!

[The Man Decree] A Man Like None Other Chapter 4266

[The Man Decree] A Man Like None Other Chapter 4266 – The attack is on the opponent’s sea of consciousness, so even if this statue is strong, it cannot withstand the attack of the magic whip!

“I didn’t expect you to have a magic whip, but even if it’s a magic whip, I’m not afraid!”

Mu Qiufeng said without any fear!

Chen Ping raised his hand and whipped him!

Bang!

A whip hit Mu Qiufeng, but Mu Qiufeng was not hurt at all!

I saw array patterns all over the statue, which actually blocked the attack of the magic whip!

Chen Ping's face was filled with shock. He had not expected that the array pattern on the statue could even block the attack from the magic whip!

“Since the magic whip doesn't work, I'll try my dragon-slaying sword...”

Chen Ping shouted angrily, took the Dragon Slaying Sword in his hand, and slashed out with the sword!

The dragon roared and a sword beam slashed towards Mu Qiufeng!

However, the sword light dissipated instantly when it touched the statue, and was actually defeated by the formation pattern on the statue!

“Holy Light Fist...”

“Thunder Palm...”

.....

Chen Ping used all his skills but failed to cause any harm to Mu Qiufeng!

The array pattern on the statue was so powerful that Chen Ping was a little at a loss!

Chen Wenliang and the others were also very frightened when they saw this!

The various moves that Chen Ping just displayed were all extremely powerful, powerful enough to reach the Mahayana realm, but they could not shake Mu Qiufeng at all!

In this case, even if all of them were added together, they wouldn't be able to hurt Mu Qiufeng at all!

“Hahaha, you ants, I can kill you all with just a stomp of my feet!”

Mu Qiufeng was so proud at this moment!

“Fellow Daoist Chen, why don't you lead your men to escape? I will lead the pharmacists to hold back Mu Qiufeng!”

Chen Wenliang jumped to Chen Ping's side, intending to let Chen Ping escape while he would cover his rear!

The lives of all these people were saved by Chen Ping. Now that it has come to this, Chen Wenliang is willing to sacrifice himself to give Chen Ping a chance to survive!

The lives of all these people were saved by Chen Ping. Now that it has come to this, Chen Wenliang is willing to sacrifice himself to give Chen Ping a chance to survive!

Chen Ping shook his head and said, “None of us can escape. This place is too far from the mainland. The only way to survive is to kill Mu Qiufeng!”

When Chen Wenliang heard this, he sighed: “Oh, it would have been better if I had killed this guy at the beginning!”

“President Chen, you don't have to worry too much. We will always find a way to deal with Mu Qiufeng!”

Chen Ping comforted Chen Wenliang!

Chen Ping's methods have not yet been fully utilized!

He also has the God King Bow and the Dragon Patterned Bell in his hands, which Chen Ping has not used yet!

Even the God King Bow and the Dragon Patterned Bell can't control Mu Qiufeng. There is also a little Sky-Swallowing Beast in Chen Ping's storage ring!

If the little Sky-Swallowing Beast could wake up, maybe it could also swallow Mu Qiufeng!

If it really doesn't work, let the Red Cloud Demon Lord possess the body again. Chen Ping believes that the Red Cloud Demon Lord can definitely deal with this statue!

"Boy, if you have any tricks, just use them. If you don't have any tricks, then I won't play with you anymore. I will kill you all and feed you to the fish!"

Mu Qiufeng shouted proudly!

"Senior, if you possess me again, are you sure you can break this statue and kill this guy?"

Chen Ping asked the Demon Lord Chiyun!

"Of course I'm sure. I can kill him with just one slap."

"But if I beat him to death, your body will definitely be destroyed. Your body simply can't bear it."

"Your body is destroyed, and my residual soul will also dissipate. You will only have a remnant soul left."

"You can afford this price, but I can't..."

The Red Cloud Demon Lord said!

When Chen Ping heard this, he was speechless. He could not afford the cost of having his body destroyed!

Demon Lord Scarlet Cloud can deal with this statue, but the stronger the opponent the Demon Lord faces, the greater the power he will unleash!

However, Chen Ping's body could not withstand such force at all and would definitely explode!

All of a sudden, Chen Ping was in a difficult situation!

[The Man Decree] A Man Like None Other Chapter 4267

[The Man Decree] A Man Like None Other Chapter 4267 – “The array pattern that this guy just used also feels familiar to me. It seems that I have encountered it somewhere. Otherwise, you can use the Heavenly Eye to observe it carefully!”

“Maybe you can find a way to crack the array pattern. This statue is composed of tens of thousands of array patterns. As long as the array pattern is broken, the statue will be useless!”

said the Red Cloud Demon Lord!

“Yes, I also felt a little familiar just now, but I can’t remember it for a while.”

After Chen Ping finished speaking, he opened the Heavenly Eye. In Chen Ping’s eyes, the world instantly turned gray!

Seeing Chen Ping’s look, Mu Qiufeng snorted coldly and said, “Do you want to find out the array pattern on the statue and then crack it?”

“I tell you, you don’t have to waste your energy. This is composed of tens of thousands of array patterns. Even if you break an array pattern by chance, what can you do?”

“And you can’t break a single array pattern, because these array patterns are all handed down by the ancestors of the array demon.”

Mu Qiufeng looked arrogant, not afraid of Chen Ping’s investigation at all, and did not stop it.

Upon hearing this, Chen Ping instantly retracted his Sky Eyes!

“Fuck... I was wondering why I had a familiar feeling, but this can’t be taught by the Formation Demon himself, it’s obviously not right, these formation patterns are not even one-tenth of that of the Formation Demon.”

“It’s obvious that it has been passed down for who knows how many generations, and you treat it as a treasure, and you say it’s taught by the Formation Demon himself, you’re so fucking shameless.”

“I’ll show you what the formation pattern is that was taught by the Formation Demon himself...”

Upon hearing that it was the formation pattern of the Formation Demon, Chen Ping laughed immediately!

Whether it was the divine pattern of the ancestor of the divine pattern or the formation pattern of the formation demon, Chen Ping learned from them personally!

And he also fused the various divine patterns of the two. Now this statue of Mu Qiufeng is just a broken thing made by the disciples of the Formation Demon!

If Chen Ping had realized that it was the formation pattern of the Formation Demon at that time, how could Mu Qiufeng have pretended for so long!

“Stop your fucking bragging. How could you possibly know the formation pattern that was taught by the Array Demon Ancestor? And the Array Demon Ancestor is from the Heaven Realm. How can you, a mere sixth-grade guy in the Crossing Tribulation Realm, go to heaven!”

Mu Qiufeng didn’t believe that Chen Ping knew the formation pattern taught by the Array Demon himself!

He didn’t even know that the Array Demon was not in the Heaven Realm, but had been trapped in the Heavenly Realm!

“Believe it or not, you’ll know after you see it!”

Chen Ping smiled faintly and drew a line in the air with his fingers!

A formation pattern slowly appeared and then went towards Mu Qiufeng!

Mu Qiufeng looked at the floating formation pattern and didn’t want to dodge it at all!

He didn't believe that the formation pattern that Chen Ping drew casually could unlock the tens of thousands of formation patterns on his statue!

The formation pattern carved by Chen Ping slowly fell on Mu Qiufeng!

Mu Qiufeng didn't feel anything at all, and the huge statue didn't change at all!

"Hahaha, is this what you said, the true array pattern personally passed down by the ancestor of the array demon?"

Mu Qiufeng laughed wildly, his eyes full of contempt and disdain!

Chen Ping just smiled and didn't say anything!

But soon, Mu Qiufeng's laughter stopped!

The array patterns on the statue began to flicker, and then they began to dissipate one by one!

As the array patterns dissipated, the huge statue was slowly collapsing!

Mu Qiufeng's body was slowly revealed as the statue collapsed!

"This...what's going on?"

"Impossible, this is impossible, how could you personally pass down the array pattern of the ancestor of the array demon?"

Mu Qiufeng desperately used various means to prevent the collapse of the statue and the dissipation of the array pattern!

But it was useless. In just a few breaths, all the tens of thousands of array patterns on the statue were unlocked and slowly dissipated!

And the huge statue also slowly disappeared, without even a trace of debris left!

[The Man Decree] A Man Like None Other Chapter 4268

[The Man Decree] A Man Like None Other Chapter 4268 – Mu Qiufeng’s body was completely exposed in front of everyone. At this moment, Mu Qiufeng’s eyes were wide open and his face was full of fear!

He really didn’t understand how Chen Ping had managed to unlock all the tens of thousands of array patterns on the statue!

Could it be that this guy is really the disciple of the Zhenmo Ancestor?

Mu Qiufeng obviously didn’t believe it. How old was Chen Ping? How could he have been taught by the Zhenmo Ancestor himself?

What’s more, the ancestor of the Demon Formation is in the heaven!

Even the first leader of the Zhantian Sect was just the great-grandson of the great-grandson of the Zhenmo Patriarch, and this tradition has been passed down for countless generations.

It was just that Mu Qiufeng said that the tens of thousands of array patterns on the statue were all taught by the Array Demon Ancestor himself in order to show off the awesomeness of the statue!

The first leader of the Zhantian Sect may have never even seen the Zhenmo, let alone taught him personally!

“How...how on earth did you do that?”

Mu Qiufeng asked Chen Ping with disbelief on his face!

“I’ve already said that this is the formation pattern taught by the formation demon himself. You are just showing off your sword in front of Guan Gong. Not only do I have the formation pattern taught by the formation demon himself, I also have the divine pattern!”

After Chen Ping finished speaking, he drew a line in the air with his finger, and a divine pattern appeared!

The divine pattern that could be seen slowly moved towards Mu Qiufeng, forming a silk net-like formation in mid-air!

Mu Qiufeng was horrified when he saw this, and he jumped up to escape, but he found that the divine pattern formation was following him like a shadow. No matter how he ran, the divine pattern formation was chasing him from behind!

Soon, Mu Qiufeng was wrapped in the formation, and his body seemed to have fallen into the flames of magma. The burning sensation was no less than that of fire!

ah.....

Mu Qiufeng roared and his body shook violently!

“Please, please forgive me, I can be your slave...”

Mu Qiufeng desperately begged for mercy from Chen Ping!

But Chen Ping remained indifferent. Having been fooled once, how could Chen Ping fall in the same place twice!

No matter how Mu Qiufeng shouted, Chen Ping remained indifferent!

In the end, Mu Qiufeng was actually burned to death by the divine pattern formation, and his entire body turned into a mummy!

With a wave of Chen Ping’s hand, the formation was lifted, and Mu Qiufeng’s body fell into the sea and was instantly swallowed by the monsters in the sea!

The leader of the Zhantian Sect died just like that!

There will no longer be the Zhantian Sect in the world of heaven and man in the future!

After killing Mu Qiufeng, Chen Ping slowly landed back on the island. Looking at the many injured pharmacists, Chen Ping said, “President Chen, let’s rest on this island for a few days. When everyone’s injuries are stable, we can set off on the spirit boat!”

“Okay, I’ll follow your instructions in everything!”

Chen Wenliang nodded!

The group rested on the island for three days, and then rode the spirit boat through the wind and waves back to the Western Regions!

The journey was calm and the storm in the storm sea disappeared!

During the few days on the island, plus the time it took to return to the Western Regions, Chen Ping used the gold-replenishing stone to improve his gold essence a lot!

After returning to the Western Region, everyone breathed a sigh of relief after stepping onto the land.

After this life-and-death experience, many pharmacists may never dare to go to the deep sea again in their lifetime!

“Fellow Daoist Chen, thank you for saving my life this time. We are about to return to the Central Region. If you need me for anything, just let me know!”

Chen Wenliang said to Chen Ping with great gratitude!

If it weren't for Chen Ping, none of these pharmacists would be able to come back!

“Yes, if Fellow Daoist Chen can use us, just ask, and we will do our best.”

All the pharmacists showed great respect to Chen Ping!

“Everyone, we are all pharmacists, so it is only natural for us to help each other.”

“But there is one thing I really need President Chen's help with!”

Chen Ping said!

[The Man Decree] A Man Like None Other Chapter 4269 – “Fellow Daoist Chen, if you have anything to say, just tell me!”

Chen Wenliang asked!

“I hope that after returning to the Central Region, President Chen can take care of the Yuding Sect. After all, Ruyan and Nie Heng have already joined the Central Region Pharmacist Association.”

Chen Ping hopes that in the medical field, Chen Wenliang can take care of Yuding Sect!

It is impossible for Chen Ping to be with Liu Ruyan all day long, and it is even more impossible for him to stay in Yuding Sect for a long time, so it is very necessary for someone in the medical field to take care of Yuding Sect!

Chen Wenliang glanced at Liu Ruyan, and then assured Chen Ping: “Don’t worry, Fellow Daoist Chen, the Northern Territory Pharmacist Association is now in name only. I will definitely unite with the presidents of the various associations and recommend Miss Liu to become the president of the Northern Territory Pharmacist Association.”

“I, Chen Wenliang, will be your guarantor. If anyone is dissatisfied, they can ask the pharmacists in the Northern Territory to come to me, Chen Wenliang...”

Chen Wenliang is also very famous in the pharmacist world, otherwise he would not have been able to become the president of the Central Region Pharmacists Association!

“I can also be a guarantor...”

At this time, Bao Longxing also stood up!

As one of the four great families in Yongle City, the Bao family also holds a very important position in the medical field!

Bao Longxing was trying to curry favor with Chen Ping at the moment. Along the way he had truly witnessed how powerful Chen Ping was!

“Thank you very much!”

Chen Ping thanked him and then looked at Liu Ruyan!

“Ruyan, follow President Chen and the others back to the Central Region first, and then go back to Yuding Sect. When I finish dealing with things, I will go to Yuding Sect to find you!”

Chen Ping asked Liu Ruyan to go back to Yuding Sect. He couldn't let Liu Ruyan follow him because Chen Ping still had a lot of things to do!

With Liu Ruyan's strength, it's too dangerous to follow him!

Especially since the time for the duel he had agreed with Mu Qing was approaching. Although he had no fear at all for the first-grade Mahayana cultivators, it did not mean that Chen Ping could now compete with the Mu family!

Chen Ping must now continue to improve his realm of strength. Only when he is strong enough can he protect the woman around him!

Especially with the Demon Sealing League eyeing him covetously, Chen Ping didn't dare to let Liu Ruyan stay with him!

“Chen Ping, I know you have a lot of things to do now. I can't help you much and will become a burden. But don't worry, I will work hard to improve myself and become your good wife!”

Liu Ruyan grabbed Chen Ping's hand, and it was obvious that she was very reluctant to let go!

After all, after this separation, I don't know how long it will take before I can see Chen Ping again!

“Nie Heng, you have to take good care of the young lady along the way, understand?”

Chen Ping instructed Nie Heng!

“Don't worry, Mr. Chen. Even if I lose my life, I won't let the young lady get hurt at all.”

Nie Heng promised!

“The two of us can also protect Miss Liu along the way. We hope to join the Yuding Sect!”

At this time, brother and sister Nie Lei and Nie Hong stepped forward and said!

They plan to join the Yuding Sect and follow Liu Ruyan!

In fact, what they are eyeing is not the Yuding Sect, but Chen Ping. Since the Yuding Sect has Chen Ping's protection, its future is definitely limitless!

Chen Ping glanced at Liu Ruyan. After all, it was not easy for him to make the decision on such matters, as Liu Ruyan was the leader of the Yuding Sect!

Before Liu Ruyan could say anything, Nie Heng said, "Miss, I think we should let the two siblings follow. After all, it's not easy for them, and they are not bad people by nature."

After Nie Heng finished speaking, he secretly glanced at Nie Hong. Nie Hong suddenly lowered her head and bit her lips!

Chen Ping could tell at a glance that Nie Heng was probably having an affair with Nie Hong, but he didn't know when these two had secretly become together!

No wonder Nie Heng would speak up for the brother and sister, but Chen Ping could also see that the brother and sister were indeed not bad people!

[The Man Decree] A Man Like None Other Chapter 4270 – "Since Nie Heng has spoken, let the two of them follow."

Chen Ping spoke!

Liu Ruyan nodded and said, "Okay, let them follow!"

Chen Ping personally watched Chen Wenliang and the others leave on the teleportation array. Although Liu Ruyan was reluctant, she still left!

The other pharmacists also went back to their homes, while Chen Ping followed Grandma Zhen and Zhong Qing back to the Zhen family!

Bai Qian, Huo Feng and Ji Yun are anxiously waiting for Chen Ping!

They didn't know whether Chen Ping would be in danger, so Zhen Yuandao and others ran back halfway, while Chen Ping and others went to chase Su Tianshuo!

There has been no news for several days, and even the jade slips for transmitting sound cannot be used. Of course, everyone is worried!

However, seeing that Chen Ping returned safe and sound, several people instantly became happy!

In the main hall of the Zhen family, Zhen Yuandao was talking with Grandma Zhen and Zhong Qing!

He also learned from the two people about the risks that everyone would encounter during this trip to the deep sea!

However, benefits are often accompanied by risks. This time, Granny Zhen and Zhong Qing also obtained a lot of resources from the Zhantian Sect!

Especially the beast pills, Zhongqing's storage bag is almost full!

"It seems that this Chen Ping is really not simple. Not only is he an excellent doctor, he also knows divine runes and formations, and possesses various supreme fires and magical powers."

After listening to what Grandma Zhen and Zhong Qing said, Zhen Yuandao was shocked!

"Not only that, every weapon on him is a treasure. Chen Ping must have some unknown secrets!"

Zhong Qing kept observing Chen Ping along the way. He knew that Chen Ping was definitely not as simple as everyone saw!

"Now that Su Tianshuo is dead, the position of president of the Western Region Pharmacist Association is vacant. We have to personally select someone to take the position. We must not let something like this happen again."

Zhen Yuandao felt scared when he thought of Su Tianshuo's conspiracy. All of their pharmacists almost couldn't come back!

"We really need to find a reliable person, and he cannot be from one of the four major families, otherwise it will easily lead to disputes."

Zhong Qing nodded and said!

"Zhong Yaozun, I think you are the most suitable for this position. Who in the entire Western Region pharmacist world dares not to obey you?"

"Even the four major families in Yongle City dare not disobey!"

Zhen Yuandao wants Zhong Qing to be the president of the Western Region Pharmacists Association. After all, Zhong Qing is one of his own!

"No, no, no, I'm used to being lazy and I don't want to be the president!"

Zhong Qing waved her hands quickly!

"It has to be you. I will hold a meeting in two days to propose it." Zhen Yuandao must let Zhong Qing be the president!

Just as the two were trying to refuse, Granny Zhen said impatiently, "Alright, alright, let's talk about the president's matter later."

"Brother, when I came back just now, I heard that someone from the Xiao Dynasty came to our house. What did they come for?"

When Granny Zhen and the others came back, they heard from Zhen Huan that people from the Xiao Dynasty had been living in the Zhen family for several days!

"Oh, it was Emperor Xiao who sent someone to invite Chen Ping."

Zhen Yuandao said!

"Is it because he cured Prince Xiao?"

Grandma Zhen asked!

“No, many of the spirit beasts raised by the Xiao Dynasty suddenly fell seriously ill, so we wanted to ask the pharmacist to diagnose and treat them.”

“We specifically asked Chen Ping to go, but Chen Ping is not here, so he can only stay in our house temporarily.”

“Now that you are back, I will send someone to invite Chen Ping over in a moment!”

Zhen Yuandao said!

“The spirit beast is seriously ill, so it’s no different if you go. It seems that Emperor Xiao only trusts Chen Ping now.”

“But Chen Ping’s medical skills are definitely not comparable to ours...”

Zhong Qing said!

“Indeed, we must acknowledge the gap.” Zhen Yuandao nodded, “I will personally ask Chen Ping to take us to the Xiao Dynasty. It would be good for him to gain some knowledge and improve his medical skills.”
