

[The Man Decree] A Man Like None Other Chapter 4271

[The Man Decree] A Man Like None Other Chapter 4271 – “Come on, we’ll go with you!”

Zhong Qing stood up and said!

Grandma Zhen also stood up, and the three of them went towards the courtyard where Chen Ping was!

Now Chen Ping is in the room, playing games with Bai Qian and Huo Feng!

After so many days, as soon as Chen Ping came back, Bai Qian and Huo Feng pulled him into the room!

Chen Ping was helpless, but there was nothing he could do. He also knew that the two people were worried about him!

“Mr. Chen, the head of the Zhen family is here and is waiting for you in the living room...”

Ji Yun walked to the door, listened to the noisy sounds in the room, and shouted softly!

When Chen Ping heard this, he quickly put on his clothes and walked out of the room!

After all, this is the Zhen family, and Chen Ping is just staying there temporarily. Now that Zhen Yuandao has come in person, of course Chen Ping wants to meet him!

Following Ji Yun to the living room, he saw Zhen Yuandao, Granny Zhen, and Zhong Qing all there, so he hurriedly said, “Master Zhen, what do you want to talk to me about?”

“Fellow Daoist Chen is indeed young. He didn’t even take a rest after just coming back...”

Zhen Yuandao smiled slightly and said!

Granny Zhen and Zhong Qing also laughed. After all, with their abilities, they could hear the sounds inside the room if they paid a little attention!

Chen Ping said awkwardly: "Ah, there is nothing I can do, it's just routine..."

"Friend Chen, the Xiao Dynasty sent someone to look for you a few days ago. Since you were not here, they stayed at your house."

Zhen Yuandao said!

"Someone from the Xiao Dynasty is looking for me? Could it be that Prince Xiao's illness has relapsed?"

Chen Ping was slightly stunned!

"That's not the case. The Xiao Dynasty has raised a large number of spiritual beasts. It's just that some of the spiritual beasts have fallen ill recently, and their condition is serious. We would like to ask Fellow Daoist Chen to go and help take a look!"

Zhen Yuandao said!

"Oh, that's all. I was just about to go to Emperor Xiao's court. Emperor Xiao hasn't given me the immortal bone that he promised me yet!"

In fact, Chen Ping also planned to go to the Xiao Dynasty to get the immortal bone. He wanted to see if the immortal bone was the skeleton of the Red Cloud Demon Lord!

"In that case, I will take Fellow Daoist Chen to meet the people from the Xiao Dynasty."

Zhen Yuandao stood up and continued, "Fellow Daoist Chen, Xiao Dynasty only invited you. I wonder if you can take us with you? We also want to learn from you, Fellow Daoist Chen!"

"Of course I can, but I don't know what the people from the Xiao Dynasty mean, but I will tell them!"

Chen Ping nodded!

It would be good for Zhen Yuandao and the others to follow him. After all, Chen Ping is unfamiliar with the Xiao Dynasty. If there is anything, he can follow Zhen Yuandao and the others to ask for advice!

Seeing that Chen Ping agreed, Zhen Yuandao was very happy, and then took Chen Ping to meet the people from the Xiao Dynasty!

The person Xiao Yuanshan sent was a middle-aged man, a master in the Mahayana realm!

“Prime Minister Yu, this is the Chen Ping you are looking for!”

After Zhen Yuandao brought Chen Ping over, he immediately spoke respectfully to the middle-aged man!

Upon seeing this, the middle-aged man hurriedly saluted towards Chen Ping and said, “Hello, Mr. Chen. I am Yu Wenqiang, the Prime Minister of the Xiao Dynasty. I have come here on behalf of Emperor Xiao to invite Mr. Chen.”

Chen Ping glanced at Yu Wenqiang. Although he was not very old, he had already reached the second level of Mahayana realm. No wonder he could serve as the prime minister in the Xiao Dynasty!

“Prime Minister Yu, can I take Patriarch Zhen and others with me?”

Chen Ping asked!

“Of course, as long as Mr. Chen goes, it doesn’t matter how many people go...”

Yu Wenqiang said!

“Well, let me say goodbye, and we’ll leave soon!”

Chen Ping nodded, then went to tell Huo Feng and Bai Qian that they were going!

He couldn’t just leave quietly. When he came back, the two would probably be angry again and punish him. Chen Ping couldn’t bear it!

Chen Ping finally experienced the strength of these two women!

[The Man Decree] A Man Like None Other Chapter 4272

[The Man Decree] A Man Like None Other Chapter 4272 – After saying goodbye, Chen Ping followed Zhen Yuandao and others, and followed Yu Wenqiang to the Xiao Dynasty!

Chen Ping and his companions were sitting in the car, while outside eight spirit beasts were pulling the car forward!

These eight spiritual beasts all have huge wings, but their bodies are shaped like tigers, so they are called flying tiger beasts!

“Prime Minister Yu, does your Xiao Dynasty raise many spiritual beasts?”

Chen Ping asked!

You have to know that raising spirit beasts is very troublesome and expensive. Many people can't even get the resources for their own cultivation, let alone get resources for the spirit beasts to consume!

Therefore, many people do not know how to tame spirit beasts. Even in larger sects, not many people tame spirit beasts!

Now the Xiao Dynasty is still raising spiritual beasts and using them to pull carts for travel, which shows that the Xiao Dynasty is really wealthy!

“Not too many, considering the size of the Xiao Dynasty, there are many places that need spirit beasts.”

“There are probably several thousand spirit beasts now...”

Yu Wenqiang said!

“How many thousand?”

Chen Ping was shocked, and even Zhen Yuandao and others looked shocked!

Thousands of spirit beasts, this is a huge expense every day. Except for the top forces in the world of heaven and man like the Xiao Dynasty, I am afraid no one can afford to raise so many spirit beasts!

“Don’t worry, Mr. Chen. Only a few dozen spirit beasts are sick. Not all of them are sick.”

Seeing Chen Ping’s expression, Yu Wenqiang hurriedly explained!

He thought Chen Ping was frightened when he heard about the thousands of spirit beasts!

After all, there are thousands of spiritual beasts. Even if Chen Ping is very powerful, he probably won’t be able to treat them all. He would be exhausted to death but still not be able to finish watching them!

“Prime Minister Yu, may I ask what diseases these spirit beasts have?”

Chen Ping wanted to know in advance what diseases these spirit beasts had so that he would know how to deal with them when the time comes!

“Mr. Chen, these spirit beasts have different symptoms, so I can’t tell you in detail. When you get there, you can see for yourself!”

Yu Wenqiang said!

“Okay!” Chen Ping nodded and said nothing more!

The flying tiger beast pulled the cart and flew rapidly in the air. It took nearly a whole day before it opened a very grand and spectacular city!

This city is probably many times larger than the Demon King City!

“Is this the Xiao Dynasty?”

Chen Ping looked at the city below and said in shock!

“Mr. Chen, this is Wuhui City, the capital of the Xiao Dynasty. In fact, we have already entered the territory of the Xiao Dynasty.”

“The entire Xiao Dynasty has 172 capitals, covering an extremely vast area!”

Yu Wenqiang said!

Chen Ping then realized that they had already entered the Xiao Dynasty a long time ago, and this huge city was just the capital of the Xiao Dynasty!

Chen Ping had heard that the Xiao Dynasty was powerful, but he didn't expect it to be so powerful!

The flying tiger beast fell towards the No Regrets City. When it got closer, Chen Ping discovered that this huge No Regrets City was actually surrounded by formations!

It seems that the Xiao Dynasty also has formation masters, so there should be pharmacists as well. However, it seems that the pharmacists of the Xiao Dynasty cannot treat these sick spirit beasts!

The flying tiger beast pulled the cart and landed in front of the city gate. After seeing the flying tiger beast, several guards immediately opened the city gate respectfully!

Seeing this, many people in the city also moved out of the way and stopped. No one moved!

Chen Ping took a quick glance and found that the guard at the city gate was actually at the Tribulation Realm!

Zhen Yuandao and the others were also looking at him in shock. It seemed that they had never been to the City of No Regrets!

Even the people guarding the gate are at the Tribulation Crossing Realm, which shows how powerful the Xiao Dynasty has become!

Zhen Yuandao and the other four major families of Yongle City are really nothing in front of the Xiao Dynasty!

Even Chen Ping, who had traveled far and wide and seen a lot of the world, was now deeply shocked by the power of the Xiao Dynasty!

[The Man Decree] A Man Like None Other Chapter 4273

[The Man Decree] A Man Like None Other Chapter 4273 – Especially the Wuhui City, which is the largest city he has ever seen!

“Prime Minister Yu, why did everyone in the city stop moving after we entered the city?”

Chen Ping looked at the people standing still on both sides of the street and asked curiously!

“This is the rule of our Xiao Dynasty. It is also to prevent assassination attempts. After all, in such a large dynasty, there will always be people with ill intentions.”

Yu Wenqiang said bluntly!

When Chen Ping heard this, he was speechless. This kind of rule can really prevent assassinations. No one is allowed to move. Anyone who moves will be regarded as an assassin. Although this method is unethical, it is very effective!

Chen Ping knew that it was actually the same in the secular world. When high-level officials traveled, they would often impose martial law in advance and clear out all personnel.

It seems that this heavenly world is no different from the mundane world!

It’s just that everyone in the celestial world is a cultivator, but after everyone becomes a cultivator, cultivators are no longer valuable!

Soon, Chen Ping and his companions arrived at the imperial city in the center of the city. After arriving here, Chen Ping and his companions got off the car and could only enter on foot!

However, Xiao Yuanshan and Xiao Feng, father and son, were already waiting at the gate of the imperial city!

It can be seen how much Xiao Yuanshan values Chen Ping!

“Mr. Chen, thank you for your hard work after traveling so long...”

Xiao Yuanshan stepped forward very politely and greeted Chen Ping without any airs at all!

Xiao Feng bowed deeply to Chen Ping and said, “Mr. Chen, I will never forget your life-saving grace...”

“Emperor Xiao, Prince, you are too polite. It’s just a small favor for me.”

“Besides, you all paid for it. This is just a deal, not a life-saving favor!”

Chen Ping quickly waved his hands!

Xiao Yuanshan’s attitude of following Xiao Feng made Chen Ping feel flattered!

When Zhen Yuandao and the others saw this scene, they were filled with envy. If their Zhen family could receive such courtesy from Emperor Xiao, then their Zhen family would be very prosperous!

“Oh, I almost forgot, I still have the immortal bone that I haven’t given to Mr. Chen yet, I’ll send someone to get it now!”

After hearing what Chen Ping said, Xiao Yuanshan slapped his forehead and said!

“Emperor Xiao, that’s not what I meant. We can take the immortal bone anytime. Let’s go check on those sick spirit beasts!”

Chen Ping knew that Xiao Yuanshan had misunderstood his meaning!

“Okay, then I’ll take you to see...”

Xiao Yuanshan nodded and said!

From beginning to end, Xiao Yuanshan didn’t say a word to the Zhen family. From this, it can be seen that the Zhen family is like an ant in front of the Xiao Dynasty!

Xiao Yuanshan personally brought Chen Ping and the others to one side of the imperial city. There was a large area here where many spiritual beasts were kept in captivity!

“Mr. Chen, I don’t know what happened to the spirit beasts in this circle. They suddenly became what they are now. Take a look!”

Xiao Yuanshan pointed to one of the courtyards that was nurtured by a formation and said!

Chen Ping took a look and found that there were dozens of spirit beasts here, but these spirit beasts looked a little listless, and some of them had lost all five senses, and some were roaring and their eyes were red!

The symptoms of these spiritual beasts are actually different, which makes Chen Ping feel a little strange!

“Are there no problems with the other spirit beasts?”

Chen Ping asked!

“No, even the spirit beasts in the other courtyard right next to it are all normal, and the resources they get every day are the same.”

“I don’t know why, but suddenly something went wrong with the spirit beast in this courtyard. I asked all the pharmacists in the imperial city to check it out, but they couldn’t find the cause at all!”

Xiao Yuanshan said!

“This is strange. Since all these spirit beasts consume the same resources, why is it that only the spirit beasts in this yard have problems?”

“Could it be because of a virus? But these spirit beasts are not of the same species, so how could it be possible to be infected?”

“How strange!”

Chen Ping frowned slightly, then looked at Zhen Yuandao and Zhong Qing and said, “You two, do you see any problem?”

[The Man Decree] A Man Like None Other Chapter 4274

[The Man Decree] A Man Like None Other Chapter 4274 – Zhen Yuandao and Zhong Qing also shook their heads. They didn’t know why this happened!

If there is a problem with the various magical herbs that are fed, then why are the other spirit beasts fine?

“Emperor Xiao, can I go in and observe it up close?”

Chen Ping asked Xiao Yuanshan!

Xiao Yuanshan nodded and said, “Of course you can, but Mr. Chen should be more cautious. Many of these sick spirit beasts are disobedient and may attack you.”

“I’ll pay attention...”

Chen Ping nodded, then asked Xiao Yuanshan to open the formation and walked in!

While the others were watching outside, Xiao Yuanshan was ready to open the formation at any time to let Chen Ping out!

After Chen Ping walked in, these spirit beasts did not attack Chen Ping. They just glanced at Chen Ping and ignored him!

Chen Ping walked towards a spirit beast lying on the ground and gently touched the head of the spirit beast with his hand, but the spirit beast did not move at all, and was even unwilling to lift its eyelids!

Seeing this, Chen Ping knew that the spirit beast must be seriously ill. You know, spirit beasts are very vigilant. If any stranger approaches except their owners, they will definitely go crazy.

The aura from Chen Ping was not familiar to the spirit beast, but the spirit beast allowed Chen Ping to touch it without any reaction!

He sent out a stream of spiritual energy, which circulated around the spirit beast, but Chen Ping did not find anything special!

Then Chen Ping walked in front of a spotted leopard. Just when Chen Ping was about to reach out to the leopard, suddenly there was a gurgling sound from the leopard’s belly. This was a sign that the leopard was about to attack people!

Moreover, the spirit leopard opened its eyes, with a red light in its eyes, and its huge fangs were constantly exposed towards Chen Ping!

This is a warning to Chen Ping not to get any closer, otherwise he will attack!

Chen Ping looked at the spirit leopard in front of him. It had the strength of the Tribulation Realm, and at first glance it was a ferocious spirit beast. But now that Chen Ping was in front of it, the spirit leopard was only threatening him, not letting him get close, and did not launch an attack. This proved that the spirit leopard was also very sick!

Chen Ping ignored the threat from the spirit leopard and approached it again. This time, the spirit leopard stood up and made an attacking move!

“Mr. Chen, don’t get close to that leopard. It’s very ferocious and won’t listen to anyone except me!”

Upon seeing this, Emperor Xiao hurriedly reminded Chen Ping!

Although the leopard is sick and not as violent and ferocious as before, it does not mean that strangers can touch it at will!

Moreover, this spirit leopard has the strength of the Tribulation Realm. If it really attacks Chen Ping and attracts other spirit beasts to attack Chen Ping as well, that would be troublesome!

“Don’t worry, Emperor Xiao. I just want to find out where the problem lies.”

Chen Ping said!

“Then I will use some tricks to make these spirit beasts fall asleep, so you can investigate without any worries!”

Emperor Xiao said to Chen Ping!

“No, if the spirit beasts are asleep, there is no way to detect abnormalities in their bodies. This spirit leopard will not hurt me.”

Chen Ping said very confidently!

Chen Ping walked towards the spirit leopard, which made Zhen Yuandao and the others nervous.

This is a spiritual beast. Although it has been tamed and is much more docile than those savage monsters, it does not mean that anyone can touch it casually!

Moreover, if this spirit leopard goes crazy, it will be no different from a monster. Plus there are other spirit beasts around, so Chen Ping is completely putting himself in danger!

“Emperor Xiao, please activate the formation quickly and let Mr. Chen come out...”

Upon seeing this, Grandma Zhen hurriedly said to Xiao Yuanshan!

Chen Ping is Bai Qian’s man. If anything happens to Chen Ping, Bai Qian will probably not want to live anymore. Grandma Zhen can’t let anything happen to Bai Qian!

[The Man Decree] A Man Like None Other Chapter 4275

[The Man Decree] A Man Like None Other Chapter 4275 – “If we activate the formation at this time, I’m afraid the spirit beast will go crazy and rush out.”

“Don’t worry, as long as Mr. Chen is in danger, I will kill all these spirit beasts immediately.”

Xiao Yuanshan said!

In order to comfort Chen Ping, Xiao Yuanshan did not hesitate to kill all these precious spiritual beasts, which shows the status of Chen Ping in Xiao Yuanshan!

You know, it is very difficult to tame a spiritual beast. It takes a long time and it takes a long time to tame it bit by bit!

All these spiritual beasts were killed, which was also a great loss for the Xiao Dynasty!

At this moment, Chen Ping had already arrived in front of the spirit leopard. The spirit leopard had scarlet eyes and opened its bloody mouth. When it was about to attack Chen Ping, suddenly fear appeared in its scarlet eyes!

He actually felt the pressure of the sacred beast from Chen Ping. The pressure from the king of beasts made the mad leopard become obedient in an instant!

You must know that Chen Ping is the true body of a golden dragon, with beast blood in his body, and he is a dragon, the king of all beasts!

Chen Ping released a little bit of dragon energy, which made the mad leopard become extremely obedient!

I saw the leopard lying on the ground like a pug, wagging its tail at Chen Ping!

Chen Ping stroked the spirit leopard's head, and a stream of spiritual energy flowed into the spirit leopard's body!

At this moment, Xiao Yuanshan and Zhen Yuandao were a little confused. They didn't understand why the leopard, which was originally mad, suddenly became so obedient.

They also did not feel that Chen Ping used the pressure of his physical strength to suppress the spirit leopard!

After checking it out, Chen Ping found nothing special about the leopard, which made him feel a little embarrassed!

If the cause of the disease cannot be found, there is no cure!

There is no problem with the feeding resources, the breeding environment, and even the people who raise these spirit beasts are carefully selected, and they are the same person as the other spirit beasts!

Now only the spirit beast in this courtyard showed symptoms, which made Chen Ping a little puzzled!

Chen Ping walked out of the formation and said awkwardly, "Emperor Xiao, I haven't found out the disease of the spirit beast yet, so there is no way to treat it. I need to observe it for a while to find out what the cause is."

“No problem, Mr. Chen, you guys stay here first and study slowly.”

“As for the immortal bone, I will personally take Mr. Chen to get it.”

“If possible, I hope Mr. Chen can stay in my Xiao Dynasty for a long time. I will treat Mr. Chen as a guest official and he can walk freely in the Xiao Dynasty. No one dares to stop him!”

Xiao Yuanshan wants to keep Chen Ping!

After all, in Xiao Yuanshan’s eyes, Chen Ping is a talent. If he could stay in the Xiao Dynasty, it would definitely be a huge profit for the Xiao Dynasty!

Chen Ping smiled and said, “Emperor Xiao, I appreciate your kindness, but I am used to being free, and I still have a lot of things to deal with.”

“You also know that I am still being hunted by the Demon Sealing Alliance. Staying in the Xiao Dynasty will only bring trouble to Emperor Xiao!”

“Mr. Chen, if you stay in the Xiao Dynasty, the Demon Sealing Alliance will not dare to hunt down Mr. Chen in the territory of my Xiao Dynasty even if they have the guts.”

When Xiao Yuanshan heard this, he immediately patted his chest and said!

“No, I am here to help Emperor Xiao heal the spirit beast, and I have to rush back to the Central Region as soon as possible. Now that the Feng family has occupied Fox King City, my woman is homeless, and I can’t just sit there and watch!”

Chen Ping shook his head and said!

“Feng Family?” Xiao Yuanshan frowned slightly, then looked at Yu Wenqiang beside him and said, “Prime Minister Yu, which city is closest to the Central Region?”

“Reporting to Emperor Xiao, it is Liefeng City where General Qian is stationed.”

Yu Wenqiang said!

“Notify General Qian immediately and take people to Fox King City to destroy the Feng family and help Mr. Chen take back Fox King City!”

Xiao Yuanshan ordered!

[The Man Decree] A Man Like None Other Chapter 4276

[The Man Decree] A Man Like None Other Chapter 4276 – Yu Wenqiang was stunned for a moment, then whispered: “Emperor Xiao, this Feng family is a member of the Demon Sealing Alliance, they...”

“I don’t care about the alliance. This is an order. Tell General Qian that if I don’t hear the news of the Feng family’s demise in five days, have him come to the imperial city in person to apologize!”

Xiao Yuanshan’s face was cold and his voice was unquestionable.

Yu Wenqiang shuddered slightly, then quickly nodded and said, “I understand, I’ll give the order right away!”

Yu Wenqiang left, and Xiao Yuanshan looked at Chen Ping and said, “Mr. Chen, you can stay here for a while without any worries. It’s just a Feng family, you don’t have to take it to heart!”

Chen Ping, Zhen Yuandao and others were all shocked to see that Xiao Yuanshan could destroy an entire family with just one sentence!

But this is strength. As long as you have enough strength, no difficulty will be a difficulty!

“Emperor Xiao, thank you very much!” Chen Ping bowed towards Xiao Yuanshan!

Chen Ping also planned to join forces with Chen Wenliang and the people from the Central Region Pharmacist Association to go with him to take back Hu Huang City and destroy the Feng family!

Now, it seems it is of no use.

Xiao Yuanshan personally made arrangements for Chen Ping and the others, and then brought the immortal bone himself!

This is a leg bone. It is obvious that the bone is very old and has turned into jade!

The crystal clear leg bones look like white jade!

The moment Chen Ping took over the immortal bone, he knew that this was the skeleton of the Red Cloud Demon Lord!

Demon Lord Chiyun was also extremely excited at this moment. As long as his bones could be gathered together, he could be reborn and no longer have to be trapped in Chen Ping's sea of consciousness!

Now if the Scarlet Cloud Demon Lord wants to move around, he still needs the help of Chen Ping's body. However, Chen Ping's body cannot satisfy the Scarlet Cloud Demon Lord, and he can only control him to perform two moves!

If he could be resurrected, Demon Lord Chiyun would definitely find someone to fight with!

"Emperor Xiao, may I ask where did you get this... this immortal bone?"

Chen Ping really wanted to know where Xiao Yuanshan got the immortal bone. If he knew the address, he could go there and try his luck!

"This was given to me by the Blood and Bone Sect after they asked me to do something for them. As for where they got it from, I have no idea."

Xiao Yuanshan said truthfully!

"Blood Bone Sect?"

Chen Ping was slightly stunned. He seemed to have never heard of this sect!

"The Blood and Bone Sect is a group of demonic cultivators who use human bones and blood to cultivate. They have been active in the Demon Mountain area of the Southern Region."

“Moreover, the people of the Blood Bone Sect will also collect the many immortal bones left behind during the war between gods and demons and use them as resources for cultivation.”

“Later, when they were being hunted, the Blood Bone Sect had no choice but to flee to the territory of our Xiao Dynasty to seek refuge, and they specially gave us this Immortal Bone.”

Xiao Yuanshan followed Chen Ping to explain!

“Then is this Blood Bone Sect still in the Xiao Dynasty?”

When Chen Ping heard this, he seemed a little excited!

It is estimated that the Blood and Bone Sect still has the bones of the Red Cloud Demon Lord. If I can collect the bones of the Red Cloud Demon Lord from the Blood and Bone Sect, and wait for the Red Cloud Demon Lord to be reborn, wouldn't I become the overlord of the Heaven and Human Realm?

What is the Demon Sealing Alliance, what is the Mu family, what is the Flame Demon.....

Let the Red Cloud Demon Lord urinate on them and kill them all!

“No longer. They left the Xiao Dynasty a long time ago and only protected us for a few decades.”

“I guess he went back to Tianmo Mountain. After all, many immortals died there.”

Xiao Yuanshan said!

“Oh!” Chen Ping looked depressed!

“Mr. Chen, you are looking for the Blood Bone Sect, do you also want the Immortal Bone? Although this thing is good, it is not so easy to practice with the Immortal Bone. It can only be used as a weapon!”

When Xiao Yuanshan saw Chen Ping's expression, he hurriedly spoke!

“I'm just asking casually.” Chen Ping said with a smile!

After chatting for a while, Xiao Yuanshan left and sent someone to bring a large amount of cultivation resources to Chen Ping!

[The Man Decree] A Man Like None Other Chapter 4277

[The Man Decree] A Man Like None Other Chapter 4277 – Looking at the piles of resources, Chen Ping was not in the mood to practice. Now that he couldn't find the cause of the spirit beast's illness, Chen Ping always felt uneasy!

Lying on the bed and looking at the bright moonlight outside, Chen Ping didn't understand why these spiritual beasts were sick!

He has already examined the bodies of these spirit beasts and found nothing lesion inside them!

Just when Chen Ping was tossing and turning, feeling a little depressed, he suddenly heard a series of low voices!

The sound was light but low, as if it came from underground!

Chen Ping quickly stood up, then walked out of the room, pricked up his ears and listened carefully.

Following the direction of the sound, Chen Ping actually came to the courtyard of the sick spirit beast!

Chen Ping saw that the sick spirit beasts, under the moonlight, looked panicked, curled up in the corner, and kept making low howls.

Chen Ping was very puzzled. There was nothing in the yard, and these spirit beasts became frightened as if they saw something terrible!

Chen Ping walked towards the yard. Although there was a formation blocking him, it was child's play for Chen Ping. He easily passed through the formation and walked in!

After seeing Chen Ping, those spirit beasts had no reaction. They curled up their bodies and kept rubbing their claws on the ground!

Chen Ping frowned slightly, then slowly squatted down and gently touched the ground with his hand!

Just as Chen Ping's hand touched the ground, he suddenly felt a burning sensation, and the ground seemed to shake twice!

Chen Ping suddenly stood up and stared at the ground. He knew that there must be something under the ground, but his spiritual sense could not penetrate the ground to find out what was inside!

Chen Ping tried to wave his palms towards the ground, but the ground did not react at all, which made the spirit beasts even more panicked!

This time, Chen Ping was even more certain that there was something under the ground. With Chen Ping's current strength, if he slapped it down with one palm, a deep pit would definitely appear on the ordinary ground!

"Is there a formation on the ground?"

Chen Ping tried to find out if there was a formation carved on the ground, but after searching for several times, Chen Ping did not find any traces of a formation, not even a single formation pattern on the ground!

"How strange..."

Chen Ping fell into deep thought!

Just as Chen Ping was deep in thought, the moonlight slowly shone into the yard. Under the illumination of the full moon, Chen Ping actually discovered that faint lines of array patterns appeared on the ground!

The array pattern was very faint, so faint that it was almost unnoticeable. If it weren't for the moonlight, Chen Ping would not have been able to discover that there was an array pattern on the ground!

But just when Chen Ping was about to take a closer look at what this formation was and how to break it, the moonlight suddenly dimmed, and the looming formation pattern disappeared in an instant!

Chen Ping looked up at the full moon. He knew that only when the full moon was at the highest point in the sky would the array pattern be revealed!

But the time is very short, it is impossible for anyone to crack it!

Not to mention cracking it, if no one pays attention, no one will notice the existence of the array pattern on the ground!

I guess Xiao Yuanshan didn't know there were formation patterns on the ground in this yard after all these years!

It seems that the spiritual beasts in this yard are getting sick one by one, and it must be related to the things underground!

I just don't know what is hidden under this formation?

But now the formation pattern has disappeared, and no matter how Chen Ping uses his spiritual sense to perceive it, he can't find it!

If we can't find the formation pattern, it will be impossible to crack it. If we can't crack it, we don't know what's underground. If we don't know what's there, the spirit beast's disease cannot be cured!

If there is really no other option, we can only move these spiritual beasts away and raise them somewhere else. Maybe the disease will gradually heal!

[The Man Decree] A Man Like None Other Chapter 4278

[The Man Decree] A Man Like None Other Chapter 4278 – “Boy, don't you already understand the divine runes? You can lay down the divine runes on the ground. This will definitely conflict with the original formation, and the original formation will then appear!”

Demon Lord Chiyun said to Chen Ping!

When Chen Ping heard this, his eyes suddenly brightened and he said, “Yes, why didn't I think of that? I didn't expect that you also know something about the art of formation.”

“I've been staying in your sea of consciousness all day, and I've learned a little bit from what I've seen and heard!” said the Scarlet Cloud Demon Lord with a smile!

Chen Ping hurriedly laid down a divine pattern. Although he didn't know the level of the formation laid down by the opponent, Chen Ping tried his best to lay down the divine pattern!

If the divine pattern is too simple and poses no threat, there is no way to disrupt the existing formation!

As the divine patterns laid down by Chen Ping slowly fell, the ground soon began to shake slightly, and those spirit beasts continued to grow!

Sure enough, when the divine pattern laid by Chen Ping was about to fall to the ground, lines of array patterns suddenly flashed on the ground. This time the array patterns were obviously much brighter, and the entire picture of the array could be clearly seen!

Chen Ping did not dare to delay for even a second and immediately started to crack the formation!

It only took a quarter of an hour for Chen Ping to crack the formation. This also shows that although the formation is highly concealed, it is not an advanced formation!

When the formation pattern was cracked, the ground suddenly collapsed, and then a dark hole pointing downwards appeared in front of Chen Ping!

At the entrance of the cave, heat waves kept coming towards them, and the spirit beasts became even more frightened!

After taking two looks, Chen Ping walked towards the cave entrance!

After walking in, Chen Ping found that the space was distorted and he actually entered another space!

It seems that this is not underground, but a separate space!

Those array patterns are the key to open this space!

This space is not very big, but it is extremely hot inside, just like being inside a fire!

Fortunately, Chen Ping possesses the origin of ultimate fire and the extremely cold ice flame, so he is not afraid of heat at all, let alone being burned to death!

Chen Ping looked around, wondering where the heat wave came from!

But just as Chen Ping was looking around, suddenly a flame attacked Chen Ping!

Chen Ping frowned, waved his hand, and a beam of fire came out instantly, colliding violently with the flame!

boom!

Accompanied by a loud bang, heat waves rolled, and the entire space was filled with flames!

It was only then that Chen Ping discovered that in the corner of the space, a little guy was staring at him hungrily!

This little guy has horns on his head, looks like a lion, and has flames burning all around his body!

At first glance, this little guy actually looks similar to the little Sky-Swallowing Beast in Chen Ping's storage ring!

"Is this another little Sky-Swallowing Beast?"

Chen Ping looked at the little guy in front of him and said in confusion!

"What a bullshit Sky-Swallowing Beast! This is a Fire Kirin. It is no match for my Sky-Swallowing Beast. It is the mount of the Fire Spirit Star Lord. I didn't expect that this stupid mount would also perish in the Heavenly Realm."

"It looks like this little fire unicorn was just hatched not long ago. No wonder those spirit beasts got sick and couldn't find the cause. I think they were just scared."

The Red Cloud Demon Lord said with a smile!

In this way, not only his mount will fall in the world of heaven and man, but the Fire Spirit Star Lord's will also fall. Then no one will laugh at anyone else!

“The mount of the Fire Spirit Star Lord?”

Chen Ping looked at the little fire unicorn in front of him and suddenly remembered that the Fire Spirit Star Lord insisted on seeing the Sky-Devouring Beast in his storage ring.

When he took it out and said it was a Qilin beast, the Fire Spirit Star Lord was obviously unhappy and said that it was a Sky-Devouring Beast, the mount of the Red Cloud Demon Lord!

It seems that the Fire Spirit Star Lord at that time was also hoping that his mount could be reborn or give birth to offspring!

[The Man Decree] A Man Like None Other Chapter 4279

[The Man Decree] A Man Like None Other Chapter 4279 – “Catch this little fire unicorn. It can be used as a mount for you. When it grows up, it can serve as your bodyguard.”

“I guess no one in the Heavenly Realm can deal with this Fire Qilin...”

Demon Lord Chiyun instigated Chen Ping to capture the little fire unicorn!

When Chen Ping heard this, he also wanted to catch it, but just as he got close, the little fire unicorn suddenly opened its mouth and sprayed thick flames towards Chen Ping!

Chen Ping hurriedly dodged and looked at the little fire Qilin. He didn't expect that this little guy had such a bad temper!

“It's too hard to catch. Even if I catch it, it will probably be hard to tame it...”

Chen Ping said with a headache!

“It doesn't matter. Let my Sky Devouring Beast take care of it. My Sky Devouring Beast is a rare magical beast that can scare this Fire Kirin to death!”

The Red Cloud Demon Lord said!

“Senior, the Sky-Swallowing Beast is awesome, but it does nothing but eat and sleep. It is disobedient and I have no way to wake it up.”

Chen Ping was speechless. This Sky-Devouring Beast was indeed powerful, but Chen Ping had no control over when it would wake up!

But as soon as Chen Ping finished speaking, accompanied by a vibration of the storage ring, the little Sky-Swallowing Beast actually woke up and appeared directly in front of him!

It seemed to have sensed the presence of the little fire unicorn, so it woke up!

When the Fire Qilin saw the Sky-Devouring Beast in front of him, there was suddenly fear in his eyes!

I saw the little Sky-Swallowing Beast swaggering towards the little Fire Qilin!

The little fire unicorn tucked its tail between its legs and never dared to spit fire again!

Let the little Sky-Swallowing Beast pass by and hit its head with its claws, but the little Fire Qilin did not move!

Seeing this, Chen Ping also walked over and stroked the little fire Qilin. The little fire Qilin stopped moving and no longer looked hostile to Chen Ping!

“It’s true that one thing conquers another...”

Seeing this, Chen Ping couldn’t help but sigh!

“The Fire Unicorn of the Fire Spirit Star Lord is just trash. This guy is just boastful and has a bad temper. He always thinks he is great.”

The Scarlet Cloud Demon Lord taunted the Fire Spirit Star Lord!

After hearing this, Chen Ping didn’t dare to say much. No matter whether the Fire Spirit Star Lord was trash or not, he was afraid that he would be killed instantly by a single look from the Fire Spirit Star Lord!

But speaking of bad temper, it seems that all the immortals in the heavens have bad tempers...

“Boy, why don’t you hurry up and recognize the master while the little fire unicorn has just hatched? Once it recognizes the master, it will be your mount.”

“Otherwise, when it grows up, it will be difficult for it to recognize its master. It might even be snatched away by that guy, Fire Spirit Star Lord!”

Demon Lord Chiyun reminded Chen Ping!

“Senior, how can you recognize your master?”

Chen Ping had no idea how to follow these auspicious beasts and learn to recognize their masters!

“Blood essence, just use your blood essence to feed this little fire unicorn. Once it drinks your blood essence, it will be considered as the master successfully!”

The Red Cloud Demon Lord said!

Upon hearing this, Chen Ping forced out dozens of drops of blood from his eyebrows without hesitation. These drops of blood floated in the air and drifted in front of the little fire unicorn!

“Drink, drink. As long as you drink my blood, you will be mine.”

Chen Ping kept talking to the little fire Qilin!

The little fire unicorn looked at Chen Ping’s blood and essence, as if it knew what Chen Ping wanted to do. It didn’t open its mouth at all, nor did it lick Chen Ping’s blood and essence!

“This...what’s going on?”

Seeing that the little fire unicorn did not drink his own blood essence, Chen Ping was very puzzled!

“Hahaha, I think they think you are too weak to be its master. You are a little cultivator in the Tribulation Realm, and you want the Qilin to recognize you as your master. You are probably the first one in the world!”

The Scarlet Cloud Demon Lord laughed loudly!

“What shall we do?”

Chen Ping looked embarrassed.

At this moment, the little Sky-Swallowing Beast suddenly raised its claws and slapped the little Fire Qilin on the head twice!

Then he signaled the little fire unicorn to drink the essence and blood!

Under the tyranny of the little Sky-Swallowing Beast, the little Fire Qilin had no choice but to open its mouth wide, stick out its tongue, and lick Chen Ping’s blood clean!

At the moment when the little fire Qilin swallowed Chen Ping’s essence and blood, Chen Ping suddenly felt that he seemed to have some kind of telepathy with the little fire Qilin!

[The Man Decree] A Man Like None Other Chapter 4280

[The Man Decree] A Man Like None Other Chapter 4280 – The little fire unicorn also stared at Chen Ping blankly. Although there was disdain in its eyes, it moved closer to Chen Ping helplessly and rubbed Chen Ping gently!

The little Fire Qilin must be unhappy to have a young cultivator in the Tribulation Realm as his master, but with the Sky-Devouring Beast watching him covetously, he can only accept it!

Chen Ping gently stroked the little fire Qilin, feeling very happy. With this mount, he would have an extra helper in the future!

Even if there is no airship, Chen Ping can ride the Fire Qilin everywhere without wasting his spiritual energy!

However, this little fire unicorn is still too small, and Chen Ping doesn’t know how many resources are needed to raise it!

A Sky-Devouring Beast alone was enough to torture Chen Ping. Many things were swallowed by this guy, and now there is a little Fire Qilin!

Chen Ping's own cultivation also requires a lot of resources. The resources he needs are many times more than those of other people in the Tribulation Realm!

With these three huge consumptions together, where will the huge resources come from?

However, things have come to this point, Chen Ping can only take one step at a time, and if all else fails, he can only seize resources!

There are no rules in the world of celestial beings. It's all about the survival of the fittest. It's still possible to find some sects and families and snatch some resources!

But Chen Ping still can't get over the hurdle in his heart!

After putting the little fire Qilin and the little Sky-Swallowing Beast into the storage ring, Chen Ping left that space!

After leaving, the space shattered instantly and then disappeared, and even the formation patterns on the ground disappeared with it!

After Chen Ping put the little fire unicorn into the storage ring, the spirit beasts in the yard became noticeably gentler and no longer fearful or aggressive!

It seems that it was this little fire unicorn that caused these spiritual beasts to be frightened and then become ill!

After a few days of recuperation, these spirit beasts will definitely recover!

Chen Ping returned to his room and looked at the piles of resources. Only then did he feel like practicing!

He closed his eyes slightly, practiced the Concentration Technique, and a large amount of spiritual energy rushed into Chen Ping's body!

I don't know how much time has passed, nor whether it is day or night!

Chen Ping only felt his body trembling slightly, and golden light shot out from the room. The sky was covered with dark clouds, as if it was the end of the world!

“This means that Fellow Daoist Chen is about to break through...”

Looking at the dense thunder clouds in the sky, Zhen Yuandao said in surprise!

“The Tribulation Realm, a breakthrough in a small realm, actually caused such a thunder tribulation. No wonder Chen Ping, a mere sixth-grade Tribulation Realm, can fight against a Mahayana Realm master alone.”

Zhong Qing was also shocked as he looked at the thunder clouds in the sky and said!

“How many days?”

Xiao Yuanshan asked!

“Emperor Xiao, it’s been five days...”

Yu Wenqiang said from the side.

“In just five days, he actually broke through. Although it is only a small realm, this movement is not weaker than the breakthrough to the peak of the Tribulation Realm.”

Xiao Yuanshan sighed!

“Emperor Xiao, General Qian reported that Fox King City has been recaptured and the Feng family has been destroyed. However, this incident has alarmed the Demon Sealing League. I guess the Demon Sealing League may take action against us in the future.”

“General Qian was afraid that the people from the Demon Sealing League would attack Fox King City, so he personally led people to guard there, waiting for Mr. Chen to go there before returning.”

Yu Wenqiang knew that the reason Xiao Yuanshan asked him about the time was not just to talk about Chen Ping’s cultivation speed!

Since the order has been issued to destroy the Feng family within five days, it must be done!

If you fail to do so, the consequences will be serious!

Although Xiao Yuanshan looks harmless, very kind and polite to others!

But he was clear about rewards and punishments for his subordinates,
otherwise how could he be in charge of such a huge Xiao Dynasty!
