## Chapter 4281

**[The Man Decree] A Man Like None Other Chapter 4281** – “General Qian has done a great job. When he returns, he will be rewarded handsomely!”

“As for the Sealing Demon Alliance, ignore them. If they dare to touch anyone from our Xiao Dynasty, they will be killed without mercy...”

Xiao Yuanshan nodded with satisfaction!

It seems that General Qian has thought it through carefully. He is afraid that the people from the Demon Sealing League will attack Fox King City again!

However, Xiao Yuanshan knew that since he wanted to protect Chen Ping, he would definitely have conflicts with the Demon Sealing Alliance, but Xiao Yuanshan was not afraid!

The Demon Sealing Alliance was able to expand its influence to the entire heavenly world, so there must be masters supporting them behind the scenes!

Xiao Yuanshan is able to control such a huge Xiao Dynasty in the world of heaven and man. Is there no master behind him?

If a large-scale conflict really arises with the Demon Sealing Alliance, those people from the Heavenly Realm will definitely show up!

Boom boom...

At this moment, suddenly a bolt of lightning struck down fiercely!

The house where Chen Ping was was instantly smashed to pieces. The thunder struck Chen Ping, but he did not move at all!

At the same time, above Chen Ping's head, a vague figure slowly appeared. This was another Chen Ping. Chen Ping's true fire body slowly emerged from his sea of consciousness, also enduring the thunder tribulation of heaven and earth!

This kind of thunder tribulation can also make Chen Ping's True Fire Dharma Body more solid. When the True Fire Dharma Body is completely solid, Chen Ping will have a real clone!

Even if the physical body is destroyed, there is no need to worry, because the True Fire Dharma Body will solidify and become a body with flesh and blood!

Chen Ping can use his True Fire Dharma Body to revive at any time, which is equivalent to having an extra life!

Boom boom...

Another thunderbolt struck!

I don't know how much time had passed, and I don't know how many thunder strikes there were, but nothing caused any harm to Chen Ping!

You know, many cultivators have died in thunder tribulations. It is extremely dangerous to endure thunder tribulations. The stronger you are, the more severe the thunder tribulation will be!

But Chen Ping looked as if this thunder tribulation was just tickling him!

Chen Ping slowly opened his eyes, and the True Fire Dharma Body instantly entered Chen Ping's body!

"Huh, this thunder tribulation seems to be much easier than before!"

Chen Ping himself also felt that the thunder tribulation seemed not so powerful anymore!

"Your True Fire Dharma Body helped you block the lightning calamity, so of course you feel relieved."

The Red Cloud Demon Lord said!

"What? True Fire Dharma Body?" Chen Ping was slightly stunned, and hurriedly looked at the True Fire Dharma Body in his sea of consciousness. He found that the originally illusory True Fire Dharma Body had become much more solid at this moment, and he could clearly see some details of the body!

“Mr. Chen, congratulations, congratulations on reaching the seventh level of the Tribulation Realm!”

Xiao Yuanshan walked towards Chen Ping and congratulated him!

Chen Ping stood up and said with a smile: “I just reached the seventh level of the Tribulation Realm. There is nothing to brag about.”

“Fellow Daoist Chen, your seventh level of the Tribulation Realm is probably comparable to a first level cultivator in the Mahayana Realm.”

Zhen Yuandao also stepped forward and said at this time!

“Not only that, if Fellow Daoist Chen now encounters a first-grade Mahayana cultivator, he will probably beat the shit out of him!”

Zhong Qing actually started to flatter Chen Ping!

During this period, Zhong Qing has indeed become more familiar with Chen Ping and has also witnessed Chen Ping’s strength, so this cannot be considered flattery, but a fact!

“Emperor Xiao, how long have I been practicing?”

Chen Ping asked!

After all, when practicing, one has already forgotten the time. Some practitioners would go into seclusion for several years or even decades!

Chen Ping was afraid that he would spend too much time in cultivation and miss the time to compete with Mu Qing. If that happened, Mu Qing would definitely think that Chen Ping was a coward, and then the Mu family would cause trouble for Guanghan Palace!

“Mr. Chen, you have been practicing for five days. I didn’t expect that you could break through in such a short time.”

“General Qian has already taken care of the Fox King City matter, and the Feng family has been destroyed. Mr. Chen doesn’t need to worry.”

Xiao Yuanshan thought that Chen Ping was worried about the affairs of Fox King City!

# [The Man Decree] A Man Like None Other

## Chapter 4282

**[The Man Decree] A Man Like None Other Chapter 4282** – “Thank you, Emperor Xiao. Your spirit beast should be fine these days, right?”

Chen Ping asked!

“It’s all right. I wonder what method Mr. Chen used to make all the spirit beasts recover?”

Xiao Yuanshan asked curiously!

Zhen Yuandao and Zhong Qing also asked curiously: “Fellow Daoist Chen, have you found the cause of the disease? What is the disease?”

“In fact, these spirit beasts are just frightened, not sick, so we can’t find the cause of the disease at the beginning. We just need to find the reason for their fear.”

“I also discovered by accident that the moonlight at night would cause the ground in the spirit beast’s yard to move strangely, causing the spirit beast to feel fear.”

“I’ve already dealt with it, so the spirit beasts just need to recuperate and they’ll be fine!”

Chen Ping did not tell anyone that he had obtained the Fire Unicorn. After all, the fewer people who knew about this kind of thing, the better!

As the saying goes, an innocent man is guilty of possessing a treasure. Now Chen Ping doesn’t even dare to show off his Divine King Bow to the world. If everyone knew that he had the Fire Unicorn, I’m afraid there would be countless people who would want to kill him!

After listening to Chen Ping’s explanation, Xiao Yuanshan did not continue to ask questions. The spirit beast had been cured, and that was enough!

“Mr. Chen, you saved my son’s life, and now you have cured so many of my spirit beasts. I hope Mr. Chen can stay in this imperial city so that I can repay Mr. Chen!”

Xiao Yuanshan tried to persuade Chen Ping to stay again!

“Emperor Xiao, I’m really sorry, I still have a lot of things to deal with, I’m sorry I can’t stay in the Xiao Dynasty.”

“I have to hurry back. Goodbye...”

Chen Ping bowed to Xiao Yuanshan embarrassedly!

“Since Mr. Chen is determined to leave, I have ordered people to prepare a large number of resources, and Prime Minister Yu will personally escort you back!”

Xiao Yuanshan already knew that Chen Ping would not stay, and had already prepared a gift!

Chen Ping did not refuse. After all, he needed a lot of resources to practice, and the little fire unicorn and the little sky-swallowing beast also needed to eat!

“Thank you!” Chen Ping followed Xiao Yuanshan to express his gratitude, and then prepared to leave with Zhen Yuandao and others!

Just when Chen Ping was about to leave, Xiao Feng suddenly appeared and stopped Chen Ping!

“Mr. Chen, I have something to ask of you, and I hope you can help me.”

Xiao Feng said very respectfully!

“Prince Xiao, if you have anything to say, just tell me. As long as I can do it, I will definitely do it without hesitation!”

Chen Ping said!

“Mr. Chen, I know you often travel to various places in the Heaven Realm. I want you to help me keep an eye on Ah Zhu and see where she goes!”

Xiao Feng said!

“Azhu, is this the girl you like?”

Chen Ping asked!

“Yes, she has actually been living in the Western Regions all along, but she suddenly disappeared some time ago. I have been looking for her for many days.”

Xiao Feng’s face was filled with worry and disappointment!

“It’s all my fault. If I had sent someone to watch over Miss Ah Zhu earlier, she wouldn’t have suddenly disappeared.”

“Son, don’t worry. I have ordered all cities in the Xiao Dynasty to search for Miss Ah Zhu. I believe she will be found soon.”

Xiao Yuanshan came over and comforted Xiao Feng. He was probably afraid that Xiao Feng was having a seizure, which would be troublesome!

“Prince Xiao, I will keep an eye out for you. Once I get any information about Miss Ah Zhu, I will inform you immediately.”

After Chen Ping finished speaking, he took out some sound transmission jade slips and handed them to Xiao Feng!

Xiao Feng was shocked when he saw Chen Ping casually taking out a sound transmission jade slip!

After all, this thing is very expensive in the world of celestial beings. Even if he is a prince of the Xiao Dynasty, he would not dare to be so extravagant!

“Thank you, Mr. Chen!”

Xiao Feng took the jade slip and bowed deeply to Chen Ping!

After Chen Ping said goodbye to Xiao Yuanshan and his son, he was escorted back to Yongle City by Prime Minister Yu!

# [The Man Decree] A Man Like None Other

## Chapter 4283

**[The Man Decree] A Man Like None Other Chapter 4283** – After returning to Yongle City, Chen Ping did not stay long. Instead, he took Bai Qian, Huo Feng and others on an airship and rushed back to Fox King City!

When they parted, Grandma Zhen hugged Bai Qian and cried for a long time!

After all, the two have been together for decades. This time, Grandma Zhen reconciled with Zhong Qing and will not return to Fox King City, so she feels a little sad!

However, all good things must come to an end, and it is normal for people to break up and get back together!

On the way to Fox King City, Bai Qian was still in a low mood, and Huo Feng and Chen Ping kept persuading her!

After a day of formation, the airship slowly landed on the outskirts of Fox King City!

Looking at the Fox King City in front of her, Bai Qian felt a little better!

“Ah, I wonder what the Feng family has done to my imperial city during this period of time.”

“And I don’t know what happened to my former subordinates!”

Bai Qian sighed softly, worrying about her subordinates!

“Don’t worry. The Feng family occupies Fox King City. It’s impossible for them to kill everyone in Fox King City. We will know after we go in and take a look!”

Huo Feng whispered to comfort Bai Qian!

A group of four people walked towards Fox King City!

The guards at the door were all unfamiliar faces, and there was no beastman aura on them. They were obviously human monks!

Chen Ping knew that these guards should be soldiers of the Xiao Dynasty!

When Chen Ping and the other three walked into the city gate, the guards just took a look but did not stop them!

This made Chen Ping a little curious. These guards did not check or stop us. Could they be just for show?

Bai Qian frowned slightly, stopped and walked forward to question the guards, "You guys are guarding the city gate, why don't you check the people coming in and out?"

A guard looked at Bai Qian and said coldly, "Our general has ordered that people coming in and out do not need to be checked."

"If we don't investigate, what if someone plots something bad and causes trouble in Fox King City?"

Bai Qian asked in confusion!

"We hope someone comes to cause trouble, and then we can clean it up."

"This will also allow our General Qian to gain more military merits. Our General Qian said that it is not worth it to mobilize a large army to come here just to deal with a small Feng family!"

The guard replied!

Bai Qian was confused by the guard's answer. She didn't understand what the guard meant!

Although Chen Ping had already told her that the Xiao Dynasty had destroyed the Feng family and recaptured Fox King City, what did this have to do with gaining military merit?

When Chen Ping heard it, he understood instantly!

It turns out that General Qian destroyed the Feng family and recaptured Fox King City. He felt that this contribution was too small, and he would not be able to ask Xiao Yuanshan for a reward when the time comes!

That's why they laxly guarded the city gate, allowing those who still had ideas about Fox King City to come and cause trouble!

In this way, General Qian can continue to suppress the rebellion. In this way, General Qian's contribution will be greater and his credit will be greater!

When the time comes to report the military achievements to Xiao Yuanshan, I will have something to say!

"Thank you very much..."

Bai Qian thanked the guard and prepared to go into the city!

"Stop!" At this time, a burly soldier wearing silver armor came over, with a dozen people behind him.

"Captain Zhang..."

When several guards saw the sergeant, they hurriedly shouted respectfully!

Captain Zhang walked up to Chen Ping and the others, looked them over, and said with a cold smile, "I have been observing you for a long time. Why did you ask my soldiers so many questions? Do you want to cause trouble in Fox King City?"

"I'm telling you, Fox King City is now completely under the control of our Xiao Dynasty. If you want to cause trouble, you'd better think twice..."

Bai Qian quickly explained, "I think you misunderstood. I am the Queen of Fox King City. I am very grateful to you for helping me take back Fox King City, but I did not agree to let you control it!"

## [The Man Decree] A Man Like None Other Chapter 4284

**[The Man Decree] A Man Like None Other Chapter 4284** – Bai Qian was very happy that Xiao Huangchao helped to retake the mansion, but now Xiao Huangchao wants to bring Fox King City under his control, and Bai Qian will never agree to it!

“Are you the queen of this Fox King City?”

Captain Zhang looked at Bai Qian again and said, “You said you are the queen here, so you are the queen? Even if you are the queen, you have to obey our orders now.”

“I suspect you guys want to cause trouble, so you are not allowed to enter the city. Get out now. You can only enter after we have the right identities!”

“Why? This is my territory?” Bai Qian was anxious!

“Just look at this Fox King City, now everyone is from my Xiao Dynasty.” Captain Zhang raised the corner of his mouth, and then licked his lips, “You can go in if you want, as long as you two women serve me well, you can enter this Fox King City as you like, and I can really make you the queen of this Fox King City!”

“you.....”

Bai Qian was immediately furious, but she didn't dare to take any action. After all, the other party was from the Xiao Dynasty!

“I didn't expect that among the soldiers of the Xiao Dynasty, there would be a scum like you?”

Chen Ping said with a cold face, he stepped forward and said!

“Who are you talking about? I think you guys want to come to Fox King City to cause trouble, right?”

“Our general is looking to arrest some troublemakers, and I think you guys are perfect for this!”

“Catch him for me...”

After Captain Zhang finished speaking, more than a dozen soldiers surrounded Chen Ping and his men in an instant!

Chen Ping just glanced at him, without any fear on his face!

“Do you believe it or not, we will be released in the same way we captured you?”

Chen Ping said calmly!

“Bah, if I don’t believe you, I won’t let you go. What else can I do?”

“I’m telling you, even if you have a high status or background, and you are from a noble family, don’t even think about showing off in front of me.”

“We in the Xiao Dynasty are not afraid of these things, and I, Zhang Longhu, am even less afraid...”

Zhang Longhu’s face was full of arrogance. As a sergeant captain of the Xiao Dynasty, he had to give some face wherever he went!

The Xiao Dynasty is the best backer!

Although it can be seen that Chen Ping and others may have some family background, but in Zhang Longhu’s eyes, any background is not worth mentioning!

“You’ll know whether you’re scared or not in a moment!”

Chen Ping smiled, then stretched out his hands and let the soldiers tie him up!

Seeing this, Ji Yun and the others did not resist and were tied up by the other party!

Just like that, the four people were escorted towards the main hall of Fox King City!

This used to be Bai Qian’s palace, but now, if you enter, you have to be escorted, like a prisoner!

In the main hall, a middle-aged man with a strong build and squinting eyes was lying on a chair in the hall to rest!

After hearing the noise, he slowly opened his eyes!

“General, there are four guys who wanted to cause trouble, and I caught them...”

Zhang Longhu said to General Qian!

General Qian just glanced at him, frowned slightly and said, “Zhang Longhu, you are getting worse and worse at doing things. I want to take this opportunity to gain some military merits and ask you to arrest some troublemakers. At least you have to arrest some capable people.”

“These guys are all junior cultivators in the Tribulation Realm. They haven’t even surpassed the seventh level of the Tribulation Realm. Can this be considered a military achievement?”

“Why don’t you capture some fusion realm cultivators for me so that I can claim the credit?”

“You useless thing! I asked you to capture some powerful people, especially those from the Demon Sealing League. Emperor Xiao has said that if you encounter people from the Demon Sealing League looking for trouble, kill them first and report later!”

“Jiang family, I think these four guys are from the Demon Sealing Alliance...”

Zhang Longhu winked at General Qian and said!

General Qian understood what he meant, sat up instantly, straightened his body and said, “What are you four guys from the Demon Sealing Alliance doing in the Demon King City? Are you dissatisfied and want to avenge the Feng family?”

## [The Man Decree] A Man Like None Other Chapter 4285

**[The Man Decree] A Man Like None Other Chapter 4285** – “We are not members of the Demon Sealing Alliance. I am the queen of this Demon King City. How can I avenge the Feng family?”

When Bai Qian heard this, she quickly explained loudly!

“Empress?” General Qian stood up hastily and looked at Bai Qian. “You said you are the empress. Do you have any evidence?”

“I have evidence. Do you know me? Get those people from Fox King City here. They will definitely know me.”

Bai Qian planned to ask her former subordinates to identify him, and his identity would be confirmed!

“General, don’t listen to these guys’ nonsense. They are from the Demon Sealing Alliance. Now record it and hand these four people over to me for disposal.”

Zhang Longhu said to General Qian!

General Qian nodded: “Okay, I will report to Emperor Xiao right away and tell him that we have captured four more members of the Demon Sealing Alliance...”

When Bai Qian heard this, she was so angry that she almost burst into curses!

At this time, Chen Ping said: “I have a token here that can prove our identity.”

“What token?”

General Qian looked at Chen Ping and asked!

Chen Ping’s mind moved, and the token of the Xiao Dynasty flew out directly from the storage ring!

General Qian reached out and took the token directly in his hand!

The moment he saw the token, his whole body shook and he almost fell to his knees!

General Qian was trembling as he tried to untie Chen Ping and the others!

“Wait a minute!” Chen Ping immediately stopped General Qian, then glanced at Zhang Longhu, “Whoever tied us up should untie us!”

When General Qian heard this, he immediately understood what Chen Ping meant and said to Zhang Longhu, “Why don’t you untie them quickly...”

“General, you are...”

Zhang Longhu was completely confused and didn’t understand what was wrong with General Qian!

“I told you to untie me, are you deaf...”

General Qian kicked Zhang Longhu hard. The kick was so heavy that it sent Zhang Longhu flying!

Then Zhang Longhu got up and ran hurriedly to release Chen Ping and the others!

“I guess you are Mr. Chen, right? I’m really sorry, it’s our fault for being blind. I hope Mr. Chen won’t blame us!”

General Qian held the token in both hands respectfully and handed it back to Chen Ping!

He only knew that Emperor Xiao had granted a token to a Taoist named Chen, but he did not know Chen Ping.

At this moment, Zhang Longhu also saw the token. When he saw that the token was issued by Emperor Xiao himself, he knelt down with a thud!

He never imagined that such a small cultivator of the seventh rank in the Tribulation Realm would have such great power that Emperor Xiao would personally grant him a token!

“Mr. Chen, I was wrong. You are too tolerant of others’ mistakes, but I am too shortsighted to look down on others.”

Zhang Longhu kowtowed desperately!

Because he knew that if Chen Ping said one word now, General Qian would kill him without hesitation!

With the token in hand, it was as if Emperor Xiao was present in person. No matter how many heads General Qian had, he would not dare to go against Chen Ping’s wishes!

“Mr. Chen, this bastard actually dared to kidnap you. I will kill him right now to vent Mr. Chen’s anger...”

After General Qian finished speaking, he was about to slap the dragon and tiger!

Chen Ping took action and grabbed General Qian's wrist directly!

"Forget it, forgive him this time!"

Chen Ping said calmly!

General Qian looked at Chen Ping in shock, his face full of disbelief!

You should know that he is a peak cultivator of the first stage in the Mahayana realm and will be able to ascend to the second stage soon!

Any attack he makes will not be stopped by a cultivator in the Tribulation Realm!

But Chen Ping easily grabbed his wrist, making General Qian unable to move!

General Qian's eyes almost popped out of his head in shock!

At this moment, he finally understood why Emperor Xiao gave the token to Chen Ping. It turned out that Chen Ping was not as simple as they saw!

If Chen Ping was just an ordinary cultivator in the Tribulation Realm, how could he have caught Xiao Yuanshan's attention!

## [The Man Decree] A Man Like None Other Chapter 4286

**[The Man Decree] A Man Like None Other Chapter 4286** – "Thank you, Mr. Chen. Thank you, Mr. Chen..."

When Zhang Longhu heard this, he immediately kowtowed to Chen Ping!

General Qian also withdrew his hand. After all, he didn't want to kill Zhang Longhu, who was his brother who had followed him for many years!

"Mr. Chen, the Fox King City has been recaptured, the Feng family has been destroyed, and there have been no special personnel in the past two days. It should be safe!"

General Qian followed Chen Ping and said!

“Thank you, General Qian...” Chen Ping said calmly!

“It is my honor to work for Mr. Chen.”

General Qian wiped the cold sweat from his forehead and said!

“General Qian, where are my men from Fox King City? Why are all of them your soldiers along the way?”

Bai Qian asked General Qian!

“Oh, when we captured Fox King City, there weren’t many beastmen in the entire city. Most of them were from the Feng Family, and some were from the Demon Sealing Alliance.”

“I guess Fox King City was occupied, and those people ran away, or were killed by the Feng family!”

General Qian said!

When Bai Qian heard this, she immediately became depressed. As the queen, she ran away, leaving behind her subordinates and people in the city. She didn’t know what was happening to them now!

If they ran away, that would be better. If they were all killed, Bai Qian would probably not be able to forgive herself!

“Don’t be sad, take your time, I believe Fox King City will continue to develop...”

Looking at Bai Qian’s expression, Chen Ping quickly put his arm around her shoulders and comforted her softly!

General Qian, who was standing by, looked at Chen Ping and Bai Qian and instantly understood their relationship. He quickly said, “Queen, if the person is missing, we can look for him. I believe there will be many beastmen who want to find a place to rest.”

“Before Fox King City develops and stabilizes, I will send people to stay in Fox King City as guards to protect the safety of Fox King City!”

Now General Qian is trying desperately to curry favor with Chen Ping!

No matter how great his military achievements are, it is better to coax Chen Ping at this moment and make Chen Ping's words count in front of Emperor Xiao!

"I will also order Liangyi Sect and Ziyang Sect to help. I believe Fox King City will soon return to its peak."

Chen Ping gently stroked Bai Qian's hair!

Now Bai Qian is Chen Ping's woman, and they have feelings for each other. It is no longer the transaction it was at the beginning!

Chen Ping is now at the seventh level of the Tribulation Realm, so he doesn't need Bai Qian to protect him at all!

Bai Qian's bloodline has also merged with Chen Ping's, so she doesn't need to sleep with Chen Ping anymore!

But now the two people still maintain a relationship, that is affection, not an exchange of interests!

Bai Qian looked at Chen Ping and nodded vigorously!

Chen Ping only stayed in Fox King City for two days and then headed towards Demon Mountain!

Ji Yun followed Chen Ping, and Huo Feng was left in Fox King City!

After all, it is very difficult for Bai Qian to develop Fox King City slowly by herself, and Chen Ping is not very reassured!

Chen Ping felt more at ease with the Fire Phoenix accompanying him. After all, the Fire Phoenix enjoyed great prestige among the beastmen!

The airship sped through the air, crossing mountains and rivers, all the way towards Tianmo Mountain!

Chen Ping was sitting on the airship, calculating the time for his fight with Mu Qing!

"Ji Yun, we are on our way to Nanjin City and passing by the Soul Demon Sect. Let's stop at the Soul Demon Sect to see how Zhe Yan is doing!"

Seeing that he still had plenty of time after competing with Mu Qing, Chen Ping decided to go see Zhe Yan in the Soul Demon Sect!

There is another thing, that is, Chen Ping wants to follow the Soul Demon Sect's Sect Master Jiang to inquire about the news about the Blood Bone Sect!

The Soul Demon Sect is a sect that specializes in souls and can help people rebuild their bodies!

The Blood and Bone Sect specializes in practicing with human bones. There are more or less some connections between the two sects. Maybe Sect Master Jiang knows something about the Blood and Bone Sect!

With the news about the Blood and Bone Sect, Chen Ping can inquire about the skeleton of the Red Cloud Demon Lord from the Blood and Bone Sect. Maybe the Blood and Bone Sect still has the skeleton of the Red Cloud Demon Lord!

Ji Yun nodded, then controlled the airship and slowly entered the Southern Region.

## [The Man Decree] A Man Like None Other Chapter 4287

**[The Man Decree] A Man Like None Other Chapter 4287** – Soul Demon Sect!

Zhe Yan and Jiang Yulian have become a dual cultivation partner, and most of the affairs of the Soul Demon Sect are handled by Zhe Yan and Jiang Yulian!

Sect Master Jiang, on the other hand, had a rare moment of free time, and he practiced in seclusion the entire day!

“Miss, there are several monks outside who want to see the sect master.”

A disciple of the Soul Demon Sect walked into the hall and said to Jiang Yulian!

“They are here to reshape their bodies again, let them in!”

Jiang Yulian said!

The Soul Demon Sect is well-known for its ability to rebuild the body, so many sects and families, if they have disciples whose bodies have been destroyed, will come with their remaining souls and rebuild their bodies!

Soon, a red-haired old man walked in with several disciples!

Zhe Yan only took a glance and knew that these people were not here to rebuild their bodies, because they did not have any residual souls!

Zhe Yan himself has been a residual soul for such a long time, so he can tell at a glance whether there is a residual soul in the other person!

Jiang Yulian also frowned and asked, “Fellow Daoists, are you here to reshape your bodies?”

“Niece, it seems you don’t remember me. No wonder. When I left, you seemed to be still holding me in your arms!”

The red-haired old man spoke to Jiang Yulian!

When Jiang Yulian heard this, she asked with a puzzled look on her face: “You are.....”

“My name is Di Chongjing, and I am your father’s junior fellow apprentice. We were apprentices together.”

“I wonder if your father has ever told you about me?”

Di Chongjing asked with a smile!

When Jiang Yulian heard this, her face instantly turned ugly, but she quickly recovered and shook her head: “I’m so sorry, my father didn’t tell me.”

“But since you are my father’s junior fellow apprentice, please take a rest for a while. My father is in seclusion. Allow me to wake him up and reminisce with Uncle Di!”

“Hahaha, I didn’t expect that Senior Brother is still so hardworking after all these years. Then I will wait for him!”

Di Chongjing laughed!

“Take Uncle Di to have some rest and make sure to treat him well!” Jiang Yulian ordered a Soul Demon Sect disciple!

Di Chongjing and the others were taken away to rest, and after seeing Di Chongjing leave, Jiang Yulian collapsed into a chair!

At this moment, Jiang Yulian was sweating profusely, and there was panic in her eyes!

“Yulian, what’s going on?”

Seeing this, Zhe Yan hurried forward and asked!

“The man just now turned out to be my father’s junior fellow apprentice. My father mentioned this junior fellow apprentice to me.”

“His junior brother is very cruel. He practices with human bones and seems to have founded a blood-bone sect. He sucks human blood and eats human bones.”

“And my father used what he learned to build the Soul Demon Sect. In addition to helping others, he was also able to earn some resources for himself.”

“Because the two of them have different philosophies, my father never interacted with this junior fellow apprentice. I didn’t expect that he would come to our house.”

“I don’t know what his intentions are. My father is in seclusion at this time, and I’m afraid we can’t handle it!”

Jiang Yulian explained in detail to Zhe Yan!

When Zhe Yan heard this, he was also shocked!

Just now, Di Chongjing could tell at a glance that he was a master in the Mahayana realm. Such a master would be very difficult for their Soul Demon Sect to deal with!

Even if Sect Master Jiang came out of seclusion, with the help of many disciples from the Soul Demon Sect, it would not be an easy task to defeat Di Chongjing and the other cultivators!

“We should wake up father first. We can’t let him stay in seclusion any longer. If the Soul Demon Sect is gone by then, there will be no point for father to stay in seclusion.”

Zhe Yan also thought about waking up Sect Leader Jiang first and then discussing countermeasures!

Zhe Yan and Jiang Yulian have become a dual cultivation partner, so their names have also changed!

“Okay, let’s go wake up father and see what he has in mind.”

Jiang Yulian followed Zhe Yan to the place where Sect Master Jiang was practicing!

## [The Man Decree] A Man Like None Other Chapter 4287

**[The Man Decree] A Man Like None Other Chapter 4287 – Soul Demon Sect!**

Zhe Yan and Jiang Yulian have become a dual cultivation partner, and most of the affairs of the Soul Demon Sect are handled by Zhe Yan and Jiang Yulian!

Seeing this, Zhe Yan hurried forward and asked!

“The man just now turned out to be my father’s junior fellow apprentice. My father mentioned this junior fellow apprentice to me.”

“His junior brother is very cruel. He practices with human bones and seems to have founded a blood-bone sect. He sucks human blood and eats human bones.”

“And my father used what he learned to build the Soul Demon Sect. In addition to helping others, he was also able to earn some resources for himself.”

“Because the two of them have different philosophies, my father never interacted with this junior fellow apprentice. I didn’t expect that he would come to our house.”

“I don’t know what his intentions are. My father is in seclusion at this time, and I’m afraid we can’t handle it!”

Jiang Yulian explained in detail to Zhe Yan!

When Zhe Yan heard this, he was also shocked!

Just now, Di Chongjing could tell at a glance that he was a master in the Mahayana realm. Such a master would be very difficult for their Soul Demon Sect to deal with!

Even if Sect Master Jiang came out of seclusion, with the help of many disciples from the Soul Demon Sect, it would not be an easy task to defeat Di Chongjing and the other cultivators!

“We should wake up father first. We can’t let him stay in seclusion any longer. If the Soul Demon Sect is gone by then, there will be no point for father to stay in seclusion.”

Zhe Yan also thought about waking up Sect Leader Jiang first and then discussing countermeasures!

Zhe Yan and Jiang Yulian have become a dual cultivation partner, so their names have also changed!

“Okay, let’s go wake up father and see what he has in mind.”

Jiang Yulian followed Zhe Yan to the place where Sect Master Jiang was practicing!

## [The Man Decree] A Man Like None Other Chapter 4288

**[The Man Decree] A Man Like None Other Chapter 4288** – After waking up Sect Master Jiang, Jiang Yulian told Sect Master Jiang what happened when Di Chongjing came to her house!

Upon hearing that his junior fellow apprentice had come to visit him, Sect Master Jiang’s brows instantly frowned!

The expression on his face became gloomy, and there was a hint of panic in his eyes!

Seeing this, Zhe Yan said, “Father-in-law, even if your junior brother is cruel and ruthless, you are his senior brother after all. He can’t do anything to you, right? You don’t have to worry so much.”

“Hey... you don’t know, this guy is definitely here to cause trouble. Back then, his Blood Bone Sect killed living beings, which angered many cultivators, so they came together to attack him, including me!”

“We chased the people from the Blood Bone Sect all the way, and finally these guys fled to the territory of the Xiao Dynasty in the Western Regions, and that’s how we escaped!”

“He suddenly came to me now, he must be here to seek revenge, in his eyes there is no such thing as a senior brother.”

“It seems that this battle is inevitable. Gather all the disciples first. If a fight really breaks out and the situation is not right, you two should run away. The farther you run, the better!”

Sect Master Jiang gave instructions to Zhe Yan and Jiang Yulian!

“Father, there are only a few of them. There are many of us, so there is no need to be afraid.”

“If you want to escape, we will escape together. We will never leave you alone!”

Jiang Yulian shook her head and said!

“Yes, we will not leave you alone, father-in-law. If you want to go, we will go together!” Zhe Yan also said!

“Di Chongjing is coming for me. If I leave, he will never give up. If I stay, you will have a chance to escape!”

Sect Master Jiang said!

“Father-in-law, how about I contact Mr. Chen? As long as Mr. Chen comes, he will definitely have a way to deal with this Blood Bone Sect!”

As Zhe Yan said this, he was about to take out the jade slip to contact Chen Ping!

“No need. Even if we contact Mr. Chen, he is a long way away. By the time we get there, Di Chongjing will have already run away.”

“You two should act according to circumstances...”

After Sect Leader Jiang finished speaking, he walked out of the room to meet Di Chongjing!

Zhe Yan and Jiang Yulian followed behind, and the other disciples of the Soul Demon Sect were also called together!

Before Sect Leader Jiang and his men arrived at Di Chongjing’s resting room, Di Chongjing had already noticed it and came out with his men!

“Brother, I haven’t seen you for many years. I hope you are doing well...”

Di Chongjing looked at Sect Master Jiang and said with a forced smile!

“Junior brother, I’m afraid you are the strongest among all the brothers in the sect now!”

Seeing Di Chongjing’s strength, Sect Leader Jiang became even more panicked!

He was only at the ninth level of the Tribulation Realm, while the other party was already at the peak of the first level of the Mahayana Realm. This huge gap in realm could not be made up by numbers!

What’s more, the people brought by Di Chongjing are all in the Tribulation Realm. Their strength is much higher than that of the disciples of the Soul Demon Sect!

“Brother, you don’t have to flatter me like that. If you hadn’t joined forces with everyone to hunt me down, I’m afraid my strength would be even higher than it is now.”

“It’s just that after all these years, you still haven’t made any progress and are still in the Tribulation Realm. You really bring shame to our master!”

As soon as Di Chongjing opened his mouth, he directly brought up what happened in the past. Sect Leader Jiang knew that today would not end well!

“Junior brother, when we left our master, he told us not to kill innocent people.”

“Although we are demon cultivators, many people are prejudiced against us, and even have ill will towards us, but we cannot give up on ourselves. We must regain the dignity of demon cultivators.”

“We follow other cultivators, but our training methods are different. There is no essential difference.”

“But you suck human blood and gnaw on human bones. You are just like a devil. I have no other choice but to enforce justice on behalf of God!”

Sect Leader Jiang could only express his own difficulties!

## [The Man Decree] A Man Like None Other Chapter 4289

**[The Man Decree] A Man Like None Other Chapter 4289** – If Di Chongjing hadn't done this, Sect Leader Jiang wouldn't have been able to unite everyone to hunt him down!

“Shut up! You keep saying you're acting on behalf of Heaven, but do you know what Heaven's Way is?”

“Don't pretend to be merciful to me. Have you never killed anyone or plundered resources?”

“In a place like the Heaven Realm, you're telling me to enforce justice on behalf of the heavens? That's simply a joke.”

“Is there a way of heaven in the world of heaven and man? This is hell, a hell that makes us kill each other!”

“I'm telling you the truth. I'm here today to avenge what happened last year. I want to use your blood and bones to improve my strength.”

Di Chongjing stopped pretending and yelled at Sect Master Jiang in anger!

“Junior brother, I can offer my blood and bones, as long as you are willing to bypass the people of my Soul Demon Sect!”

Sect Master Jiang knew that if a fight broke out, their Soul Demon Sect would probably be destroyed!

If he could be sacrificed now to save the Soul Demon Sect, he would be willing to do so!

“Father.....”

“father in law.....”

“metropolitan.....”

Jiang Yulian, Zhe Yan and many other disciples of the Soul Demon Sect all looked at Sect Master Jiang in shock!

Everyone was deeply moved by Sect Leader Jiang’s selfless spirit!

“Brother, since we are from the same sect, I should agree to your request.”

“It’s a pity that all my subordinates also need to practice and need resources, and your Soul Demon Sect’s disciples are the best resources.”

“So I can’t promise you that no one from the Soul Demon Sect can stay. You all must die...”

There was indifference and cruelty in Di Chongjing’s eyes!

“you.....”

Sect Master Jiang was stunned, his eyes full of anger. “Di Chongjing, if you push me to the limit, we Soul Demon Sect will fight to the death, but we are not easy to mess with.”

“Hahaha, I’m going to force you, what can you do? I can crush you to death with just one finger!”

Di Chongjing smiled coldly, he looked down on Sect Master Jiang from beginning to end!

Sect Master Jiang looked at Di Chongjing and knew that there was no room for negotiation with this guy, so he gritted his teeth and said, “Everyone from the Soul Demon Sect, listen to my order. Fight with these people from the

Blood Bone Sect. Even if you die, you can't let them suck your blood and gnaw your bones.”

Sect Leader Jiang roared and attacked Di Chongjing directly!

To deal with someone like Di Chongjing who is stronger than you, you must strike first and catch him by surprise!

As soon as he made a move, Sect Leader Jiang used all his strength and astonishing spiritual energy and rushed towards Di Chongjing!

Other members of the Soul Demon Sect also took action at the same time!

They were going to die anyway, so everyone from the Soul Demon Sect unleashed their strongest fighting power!

Boom boom boom.....

For a moment, there was a constant roar in the Soul Demon Sect, and the earth was shaking!

The spiritual energy spreads around like waves, one after another!

However, the Soul Demon Sect's disciples were weaker after all, and soon one of them fell to the ground seriously injured!

The people from the Blood Bone Sect did not kill them, because if these people died, they could no longer be used as resources for cultivation!

Only when you are alive will your blood and bones be of most use!

However, it is different for those fallen immortals. Even if they have been dead for a long time, their immortal bones are still of extremely high value!

Sect Leader Jiang opened his eyes wide and kept attacking Di Chongjing, each attack was extremely ruthless!

Unfortunately, Di Chongjing easily dodged every time!

Di Chongjing was just teasing Sect Leader Jiang at the moment and had no intention of killing him. He just kept dodging, making Sect Leader Jiang be teased like a monkey and confused!

However, those Soul Demon Sect disciples died one by one and were seriously injured!

Zhe Yan tried his best, and flames flew towards the disciples of the Blood Bone Sect!

It's a pity that Zhe Yan's strength is too low. Even if the flames hit the people from the Blood Bone Sect, they can't cause too much damage!

## [The Man Decree] A Man Like None Other Chapter 4290

**[The Man Decree] A Man Like None Other Chapter 4290** – In just over ten minutes, there were only a few Soul Demon Sect disciples who could stand. The rest all fell to the ground, groaning in pain!

Upon seeing this, Sect Leader Jiang gasped for breath and felt extremely painful!

The severe consumption made it difficult for Sect Leader Jiang to muster up a terrifying attack at this moment. With so many disciples injured, Sect Leader Jiang was extremely anxious!

puff!

A mouthful of blood spurted out, and Sect Master Jiang's aura instantly weakened!

“Father.....”

“father in law.....”

Zhe Yan and Jiang Yulian hurried over and supported Sect Master Jiang!

At this moment, Sect Master Jiang's aura became weak, and his face was covered with wrinkles, as if he had aged a lot!

The anger and rapid consumption of energy made Sect Master Jiang's body unable to bear it and he collapsed directly.

Di Chongjing was so proud watching this scene!

“Brother, you are such a rookie. I didn’t even fight back, so why can’t you do it?”

“If you don’t kill me, then I can do something to your daughter. I have so many people under my command, and they haven’t tasted the taste of dual cultivation yet.”

Di Chongjing deliberately provoked Sect Leader Jiang.

“you.....”

puff.....

Sect Leader Jiang spat out another mouthful of blood, and his breath became even weaker.

“Hahahaha...” Di Chongjing laughed wildly upon seeing this!

“I rely on your grandma...”

Zhe Yan was angry. Jiang Yulian was his woman, and Di Chongjing dared to humiliate her like this. As a man, how could he not be anxious!

Flames burst out from Zhe Yan’s whole body, and he looked like a fire man.

The sky was filled with red flames, and then Zhe Yan rushed towards Di Chongjing desperately!

Zhe Yan wants to use his body as a weapon and die together with Di Chongjing!

Di Chongjing was stunned for a moment, then sneered: “With your strength, even if you self-destruct, you can’t hurt me at all. In my eyes, you are nothing but an ant.”

Di Chongjing just waved his hand, and a blood mist spread out, instantly wrapping up Zhe Yan!

The flames on Zhe Yan’s body went out instantly, and then he seemed to have hit a wall, and flew backwards, falling heavily at Jiang Yulian’s feet!

“Zheyan...” Jiang Yulian wanted to help him up, but she failed after trying several times.

Zhe Yan was injured, and seriously.

After all, Di Chongjing is a master in the Mahayana realm, so it would be easy for him to deal with Zhe Yan!

“Yulian, I’m sorry, I don’t have the ability to protect you...”

Zhe Yan’s face was full of guilt!

As a man, being unable to protect your woman is the most incompetent behavior!

“Stop talking, stop talking. If God really wants us to die, then we will die together.”

Jiang Yulian said with tears in her eyes.

“Niece, I won’t stop you from dying if you want to, but you have to make sure my men are comfortable before you die.”

After Di Chongjing finished speaking, he winked at his men and said, “Go ahead, don’t rush, line up one by one...”

“Thank you, Sect Master!”

The guys from the Blood Bone Sect had gleaming eyes and then headed towards Jiang Yulian.

“Di Chongjing, you beast, if you have anything to do, come to me alone. I will handle it alone. Don’t lay a hand on my daughter.”

Sect Leader Jiang roared, but his body couldn’t move at all.

Zhe Yan’s eyes were also spitting fire, but he was completely helpless.

Jiang Yulian held a long sword in her hand and looked at the guys from the Blood Bone Sect with gleaming eyes, her eyes revealing determination.

Even if I die, I can’t let these guys from the Blood Bone Sect succeed.

“Little girl, don’t think about resisting. Just be obedient and close your eyes. It will be over soon.”

“We promise to be gentle with you. Besides, you are not a virgin anymore, so don’t pretend to be a loyal heroine.”

“If you serve us well, we can ask the Sect Master to release you.”

Several guys from the Blood Bone Sect were trying to persuade Jiang Yulian.
