

[The Man Decree] A Man Like None Other Chapter 4291

[The Man Decree] A Man Like None Other Chapter 4291 – They were afraid that if Jiang Yulian committed suicide, they would get nothing.

“Bah, even if I die, I will not let you succeed. Even when I become a ghost, I will remember you and will not let you go.”

Jiang Yulian opened her eyes wide and said viciously.

“Hahaha, as a monk, you actually said such a thing. Do you think we will let you become a ghost?”

“Once we are done with our pleasure, we will destroy your soul and spirit, and you will not even be able to be treated as a ghost!”

A disciple from the Blood Bone Sect laughed wildly and then pounced towards Jiang Yulian!

“stop.....”

Suddenly, an angry roar, like thunder in a clear sky, resounded throughout the sky above the Soul Demon Sect!

Di Chongjing and many disciples of the Blood Bone Sect all looked up and found an airship approaching quickly!

When he saw the airship, Di Chongjing’s face instantly turned a little ugly!

After all, an airship is not something that any cultivator can use, and it is not something that an ordinary sect can own!

Now such a huge airship suddenly appeared, and Di Chongjing didn’t know who was on it!

If he comes to the Soul Demon Sect to rebuild his body, then we will be in trouble!

Before Di Chongjing could react, the airship slowly descended, and then two people walked down from it!

“Mr. Chen...”

Seeing Chen Ping, Zhe Yan, Jiang Yulian and Sect Master Jiang getting off the airship, they immediately became excited.

When Di Chongjing saw this, he also laughed.

He originally thought that there would be quite a few people on this airship, but he didn't expect that there were only two people, and both of them were at the Tribulation Realm, and the highest was no more than the seventh level of the Tribulation Realm.

There is no need for Di Chongjing to take action against this kind of young cultivator; his own men can handle it.

Chen Ping walked up to Zhe Yan and pulled Zhe Yan up.

“Are you okay?” Chen Ping asked.

“It's okay, it's just that these guys from the Blood Bone Sect want to defile Yu Lian, Mr. Chen must help me.”

Zhe Yan said.

“People from the Blood Bone Sect?” Chen Ping was delighted, and then looked at Di Chongjing and the other people from the Blood Bone Sect.

“Are you really from the Blood Bone Sect?”

Chen Ping asked.

“Yes, we are from the Blood and Bone Sect. Who are you two? If you are not from the Soul Demon Sect, then get out of here immediately and don't bother us.”

Di Chongjing asked Chen Ping.

“You are quite arrogant. You even dared to tell me to get lost. Now I will let you know who I am.”

After Chen Ping finished speaking, he directly took out the token of the Xiao Dynasty!

Chen Ping knew that if these people from the Blood and Bone Sect had not been rescued by the Xiao Dynasty, they would have died long ago if they had lingered on in the Xiao Dynasty's territory.

Therefore, the people from the Blood Bone Sect should be grateful to the Xiao Dynasty.

Di Chongjing was shocked when he saw the token in Chen Ping's hand, and quickly became respectful and said, "So you are from the Xiao Dynasty. I wonder why you came to the Soul Demon Sect, my fellow Taoist? Is there someone from the Xiao Dynasty who wants to rebuild his body?"

Di Chongjing thought Chen Ping was a member of the Xiao Dynasty. After all, anyone who could obtain the Xiao Emperor's token was definitely not an ordinary person. He might even have a very high status in the Xiao Dynasty!

"I'm not here to find the Soul Demon Sect to rebuild my body. I'm just passing by here and want to see my friend."

Chen Ping said calmly!

When Di Chongjing heard this, his face became somewhat gloomy and uncertain.

Zhe Yan and the others were completely confused. They didn't understand how long it had been and yet Chen Ping had become a member of the Xiao Dynasty. And judging from the way he held the token, he probably had a high status in the Xiao Dynasty!

They all know about the Xiao Dynasty, which is the largest force in the Western Regions. Even in the Celestial Realm, the Xiao Dynasty is one of the most powerful forces!

Otherwise, when the Blood Bone Sect fled to the territory of the Xiao Dynasty, Sect Leader Jiang and his men would not dare to chase them!

"Fellow Daoist, I don't know who your friends are among those who follow the Soul Demon Sect?"

Di Chongjing asked!

[The Man Decree] A Man Like None Other Chapter 4292

[The Man Decree] A Man Like None Other Chapter 4292 – If Chen Ping was only good friends with someone from the Soul Demon Sect, then he could be gracious and spare the other person.

As for the others, Di Chongjing had no intention of letting them go!

“Everyone in the Soul Demon Sect is my friend, so you’d better get out of here. You can’t touch any of the Soul Demon Sect’s people.”

Chen Ping said coldly.

When Di Chongjing heard this, his eyes narrowed slightly, and there was a hint of murderous intent in his eyes.

Although Chen Ping is from the Xiao Dynasty and has a high status, it is impossible for him to ask Di Chongjing to release the Soul Demon Sect!

He must avenge what happened back then.

“Fellow Daoist, the Xiao Dynasty did me a favor back then, but that favor was also earned by my immortal bones, so it can only be regarded as a transaction.”

“Now my Blood Bone Sect is no longer in the territory of the Xiao Dynasty. If you still use the favor you showed me back then to pressure me, don’t blame me for not giving you face.”

“Since you are from the Xiao Dynasty, you can take one of the Soul Demon Sect’s people away. I will never pursue the matter.”

It is impossible for Di Chongjing to let go of all the people from the Soul Demon Sect, but it would be okay if he let go of one.

“Mr. Chen, take Yu Lian away, take Yu Lian away...”

Seeing this, Zhe Yan hurriedly spoke to Chen Ping.

“Mr. Chen, I hope you can take my daughter and Zhe Yan away. As for the grudges with the Blood Bone Sect, let me repay them alone.”

Sect Leader Jiang hopes that Chen Ping can take Jiang Yulian and Zhe Yan away!

“Master Jiang, what hatred do you have with the Blood and Bone Sect?”

Chen Ping asked in confusion!

“Why.....”

Sect Leader Jiang sighed, then began to speak slowly!

After listening to this, Chen Ping finally realized that the people who chased after the Blood Bone Sect back then were actually Sect Master Jiang and his men!

After the Xuegu Sect fled to the Xiao Dynasty, they gave up.

After so many years, the Blood Bone Sect grew and prospered in the Xiao Dynasty, and finally left the Xiao Dynasty.

Now he has a strong army and comes to seek revenge on the Soul Demon Sect.

“What if I want to save all the people from the Soul Demon Sect?”

Chen Ping looked at Di Chongjing and asked.

Di Chongjing frowned slightly, then said coldly: “Boy, I see that you are from the Xiao Dynasty, so I will give you some face, don’t be ungrateful.”

“You are only at the seventh level of the Tribulation Realm. If I kill you, it will only take a wave of my hand. Even if you are from the Xiao Dynasty, if I kill you now, who would know it was me?”

“You’d better do as I say and get out of here right now. If I change my mind, none of you will be able to leave.”

Di Chongjing's threat made Chen Ping's mouth curl up slightly, revealing a disdainful smile on his face.

A first-rank cultivator in the Mahayana realm is so arrogant and dares to talk to me like this!

"Since I told you to get out and you didn't, don't blame me..."

After Chen Ping finished speaking, the Dragon-Slaying Sword suddenly appeared in his hand!

Then the Dragon-Slaying Sword took advantage of the situation and slashed, and in an instant the hundred-foot-long sword light slashed towards the people of the Blood Bone Sect.

This sword shocked the world and made the gods and ghosts weep. The void trembled and the heaven and earth shook.

Di Chongjing frowned and suddenly retreated, while the other people from the Blood Bone Sect were unable to dodge. Some were cut in half, while others were seriously injured!

"How dare you! You are courting death..."

Di Chongjing was furious, and his aura suddenly exploded!

The remaining disciples of the Blood Bone Sect were also filled with murderous intent, glaring at Chen Ping one by one!

They didn't believe that Chen Ping, a mere seventh-grade cultivator in the Tribulation Realm, could defeat so many of them!

All the disciples of the Blood Bone Sect rushed towards Chen Ping. They didn't have time to react just now, so Chen Ping took the initiative!

This time, if they work together, they don't believe they can't take down Chen Ping!

No matter how awesome a seventh-grade cultivator in the Tribulation Realm is, how awesome can he be?

"Mr. Chen, be careful..."

Seeing these people attacking Chen Ping, Sect Master Jiang hurriedly reminded them!

[The Man Decree] A Man Like None Other Chapter 4293

[The Man Decree] A Man Like None Other Chapter 4293 – Chen Ping raised the corner of his mouth slightly, flipped his palm lightly, and a ball of fire ignited in his palm, and then he waved his hand casually!

The flames all over the sky directly blocked the disciples of the Blood and Bone Sect. Some of the disciples of the Blood and Bone Sect were contaminated by the fire and screamed in pain as they were burned!

Looking at the flames all over the sky, they had to retreat again!

“Who are you, kid?”

Looking at the fire all over the sky, Di Chongjing asked Chen Ping!

Because he knew that no one in the Xiao Dynasty could master this kind of ultimate fire. If Chen Ping could display the ultimate fire so easily, he definitely could not be a person from the Xiao Dynasty!

As for the token in Chen Ping’s hand, it might have been stolen!

“I am your father...”

Chen Ping smiled playfully at Di Chongjing!

“Boy, you are looking for death...”

Di Chongjing was furious. He was already old, but he was spoken to like that by a young boy like Chen Ping. How could he bear it?

Di Chongjing suddenly waved his hands, and a red blood mist enveloped Chen Ping!

The blood mist filled the air and the entire world turned red. In this red color, both vision and consciousness were affected.

It was pitch dark and they couldn't sense the other party with their spiritual sense. Chen Ping and his men were like blind people!

Di Chongjing had a sneer on his face. Chen Ping and the others were wrapped in blood mist and became lambs to be slaughtered!

But Di Chongjing didn't notice that Chen Ping's forehead began to flash, and an eye opened on Chen Ping's forehead.

Chen Ping opened his Heavenly Eyes, so even though he was wrapped in the blood mist, he could still clearly see what was happening around him!

Di Chongjing didn't know that Chen Ping could see it, but he walked towards Chen Ping with a swagger, intending to teach Chen Ping a lesson!

But just as Di Chongjing walked in front of Chen Ping and hadn't yet made a move, there was suddenly a loud noise!

Bang!

Immediately afterwards, a whip hit Di Chongjing hard!

Di Chongjing was stunned for a moment, and then he felt a splitting headache, as if there were thousands of ants gnawing at his sea of consciousness!

Di Chongjing retreated desperately, then fell to the ground and rolled continuously.

The pain of having his sea of consciousness attacked was too painful for him.

As Di Chongjing rolled on the ground, the blood mist slowly dissipated.

Zhe Yan and Sect Master Jiang were all confused when they saw Di Chongjing rolling on the ground, seemingly in great pain.

Because of the blood mist just now, they didn't notice what happened.

"You...you actually have a magic whip..."

Di Chongjing was helped up by his disciples, and then he looked at Chen Ping with horror in his eyes and said.

“You are quite knowledgeable. This magic whip is specially designed to deal with magic cultivators like you.”

“Does this taste good? Do you want to try it again?”

Chen Ping said with a sneer, holding the magic whip in his hand.

Di Chongjing didn't say anything, but from his expression it could be seen that he didn't want to be hit like this again!

“Boy, don't be so arrogant. As a master of the Mahayana realm, if I am subdued by a mere seventh-grade cultivator like you, I will have no need to live.”

After Di Chongjing finished speaking, he flipped his palm and a milky white bone flute emitting light appeared in his hand!

This bone flute is obviously made of sacral bone. It is white and smooth all over, more than half a meter long, and is obviously a human tibia.

Moreover, there seemed to be blood flowing on the bone flute, and there was a constant flashing red light!

“Since you want to die, I will grant your wish...”

Di Chongjing held the bone flute, with murderous intent in his eyes!

As Di Chongjing put the bone flute to his lips and started to blow, a humming sound emanated from the bone flute!

The voice was extremely low, like the growl of a hungry ghost from hell, and it made one's hair stand on end and one's heart tighten as well!

Soon, as the sound of the bone flute continued to ring out, some disciples of the Soul Demon Sect began to become manic, with bloodshot eyes!

[The Man Decree] A Man Like None Other Chapter 4294

[The Man Decree] A Man Like None Other Chapter 4294 – Seeing this, Chen Ping knew that the sound of the bone flute would affect people's consciousness, and then he began to go crazy!

Chen Ping opened his mouth slightly and the Heart Purifying Mantra kept coming out of his mouth!

As the Heart Purification Mantra echoed in everyone's ears, the symptoms of madness disappeared instantly!

Upon seeing this, Di Chongjing widened his eyes and blew the bone flute even louder.

However, it had no effect on the disciples of the Soul Demon Sect!

However, the sound of the bone flute spread in all directions and soon spread hundreds of miles away!

Boom boom...

In an instant, the mountains and forests surrounding the Soul Demon Sect seemed to be experiencing an earthquake, with loud noises one after another!

The entire earth was shaking, and it seemed as if countless monsters were rushing towards here from all directions!

In a moment, countless monsters, with red eyes, rushed over roaring!

These monsters were controlled by the bone flute and had lost their minds, so they rushed over like crazy!

"There are so many monsters, so scary..."

When Ji Yun saw this, his face suddenly changed!

Sect Leader Jiang and the others also had their eyes wide open, faces filled with panic!

There were hundreds of monsters, and many of them were at the Tribulation Realm, densely surrounding the entire Soul Demon Sect!

No wonder Di Chongjing dared to bring a few people to run around Tianmo Mountain and even dared to cause trouble for the Soul Demon Sect!

It turns out that this guy already has some tricks up his sleeve, and these monsters are his trump cards!

“Hahaha, weren’t you guys crazy? Why aren’t you crazy now?”

Seeing that Sect Master Jiang and others were all in a panic, Di Chongjing burst into laughter!

“Di Chongjing, did you steal this magic flute from your master?”

When Sect Leader Jiang saw that Di Chongjing had such a treasure in his hand, he questioned him!

“Bullshit, I made this myself. It’s made of top-grade fairy bones. It’s amazing.”

“And this piece of immortal bone should belong to a demon cultivator, because the sound carries magical power.”

“It’s a pity that you hunted me down and made me live in the Xiao Dynasty. I gave the Xiao Emperor a piece of immortal bone. Otherwise, I would have more than one bone flute in my hand.”

When Di Chongjing mentioned what happened that year, his eyes were filled with anger!

The other disciples of the Blood Bone Sect were all excited when they saw the monsters around them, and they were waiting to watch the fun!

“Damn, this guy made a flute out of my bones.”

“Boy, give me your body right now. I’m going to chop this grandson into pieces!”

The Red Cloud Demon Lord roared in Chen Ping’s sea of consciousness!

When he took out the bone flute just now, Demon Lord Chiyun was a little skeptical. Now that Di Chongjing said this, this bone flute must be made of his own bones!

“Senior, don’t worry. I can deal with this guy. You are not needed.”

“Even if the bones are made into a flute, it won’t prevent you from regaining your physical body. Don’t be angry. Being angry can easily hurt your mind.”

Chen Ping hurriedly persuaded Chen Ping!

“Boy, you must not let this grandson die too easily, torture him for me...”

“How dare you use my bones to make a flute? This is outrageous!”

The Scarlet Cloud Demon Lord roared!

“No problem, senior, just take care of it!”

Chen Ping comforted the Red Cloud Demon Lord. If this guy really went crazy and fought with him for control of his body, then Di Chongjing would find an opportunity!

After pacifying the Red Cloud Demon Lord, Chen Ping looked at Di Chongjing calmly and said, “Do you expect these monsters to be able to deal with us? What a joke!”

“Boy, your magic whip may be useful to us demons, but if you want to deal with these monsters, that’s wishful thinking!”

After Di Chongjing finished speaking, he blew the bone flute again!

Under the stimulation of the bone flute, these monsters roared like crazy, and bursts of red light continued to emanate from the bone flute!

[The Man Decree] A Man Like None Other Chapter 4295

[The Man Decree] A Man Like None Other Chapter 4295 – There are more and more monsters, densely packed and dark!

With Di Chongjing’s urging, all these monsters rushed towards Chen Ping!

This scared Sect Leader Jiang and the others, and they all got ready, ready to fight to the death with these monsters!

Chen Ping said, "Master Jiang, don't be afraid. Don't do anything. Let me handle all the monsters."

After Chen Ping finished speaking, his body began to radiate golden light!

Chen Ping wanted to use the power of the dragon to make the golden dragon appear, so that he could suppress these monsters!

But just as he was about to perform it, Chen Ping suddenly thought of the Fire Kirin he had subdued!

Even though the Fire Qilin is still very weak now, it is a divine beast from heaven after all. It is simply incomparable to the monster beasts from the heavenly realm!

Thinking of this, Chen Ping waved his hand, and the little fire Qilin instantly appeared from the storage ring!

With the appearance of the little fire unicorn, a strange pressure suddenly erupted!

The aura that burst out from the little fire unicorn directly caused those violent monsters to stop!

You have to know that the Little Fire Qilin is a divine beast, and the fear of the demon beasts towards divine beasts is engraved in their bones!

The aura of the little fire unicorn instantly spread out and surged in all directions!

All the violent monsters sensed the breath of the little fire unicorn and stopped moving forward. The blood-red color in their eyes had long since disappeared, but was replaced by fear!

Di Chongjing and others were all stunned when they saw this scene, looking at the little fire unicorn in disbelief!

Sect Leader Jiang and the others were all completely bewildered, because they had never seen this kind of creature before!

“Ji Yun, what kind of creature is this?”

Zhe Yan asked Ji Yun!

“I don’t know either!” Ji Yun shook his head!

Although the little Fire Qilin was very small, its body was burning with flames. Then it began to walk slowly in front of hundreds of monsters leisurely!

Every time the little fire Qilin took a step forward, the monsters would tremble and take a step back unconsciously!

Soon, the little fire unicorn appeared in front of a bear monster. This bear monster was several meters tall and weighed thousands of pounds. Even its sole alone was bigger than the little fire unicorn!

But when the little fire unicorn walked in front of the bear monster, the bear monster’s legs went soft and he fell to his knees with a thud, then lowered his head and stuck it tightly to the ground!

The little fire unicorn raised its foot and kicked the bear monster on the head a few times, and then urinated on the bear monster’s face!

The bear monster was so frightened that he didn’t even dare to breathe!

When everyone saw this scene, besides being shocked, they couldn’t help but want to laugh!

Di Chongjing widened his eyes, his face full of disbelief, and then he blew the bone flute desperately, but the sound of the bone flute had no effect on those monsters!

“This is the monster you summoned. How come it’s just as cowardly as you are?”

Chen Ping said jokingly!

“This...what’s going on? What kind of creature are you, a creature that’s on fire?”

Di Chongjing asked Chen Ping!

“You want to know what this is, but I won’t tell you...”

After Chen Ping finished speaking, he winked at the little fire unicorn!

The little fire unicorn has already recognized its master and is in tune with Chen Ping’s thoughts, so it knows what Chen Ping means with just one glance!

The little fire unicorn raised its head and roared, and a flame shot up into the sky!

Boom boom...

Hundreds of monsters, no matter their size or strength, were all frightened and turned around and ran away!

There were also many monsters that were so frightened that they peed themselves, and the entire area around the Soul Demon Sect was filled with the smell of urine!

In just a moment, those monsters disappeared without a trace!

The little fire Qilin held its head high and chest out, looking very proud, and returned to Chen Ping’s storage ring!

Di Chongjing is going crazy, and the disciples of the Blood Bone Sect are going crazy too!

These monsters are their support and their trump card!

[The Man Decree] A Man Like None Other Chapter 4296

[The Man Decree] A Man Like None Other Chapter 4296 – Now, in the blink of an eye, they all ran away, leaving not a single one behind, and they were so scared that they peed their pants!

What is going on?

You have to know that any one of those monsters is many times larger than the little fire unicorn, but they were scared and ran away!

“Mr. Chen, you are so awesome. Was that the pet you recently captured?”

Zhe Yan asked with great admiration!

“I guess so. It’s just a small beast. There’s nothing to brag about!”

Chen Ping said calmly!

Divine beast?

boom.....

These words were like a bolt from the blue, bombarding everyone present!

Is this a divine beast?

Chen Ping actually said it so lightly?

Di Chongjing widened his eyes. He finally understood why those monsters turned around and ran away in fear!

This is a divine beast. Even if its body is small, it is still a divine beast and these monsters cannot contend with it!

This is like a young immortal coming down from heaven. Even though he is young, he is not someone the cultivators in the heavenly realm can contend against!

You have to know that many people are born in Rome, while many people struggle all their lives to find a way to go to Rome. This is the gap!

That little fire Qilin was a divine beast from birth and possessed magical skills!

They are simply not comparable to the monsters in the heavenly world. Even if these monsters have practiced for many years, they cannot compete with the divine beasts!

“Fellow Daoist, you have a divine beast and the token of the Xiao Dynasty. Although I don’t know your identity, you are definitely not simple.”

“That’s all for today. I’ll take my people away right away. I hope you can show some mercy!”

Di Chongjing gave in!

If we can’t destroy the Soul Demon Sect and take revenge this time, we’ll have to wait until the next time when Chen Ping is not around!

He knew that if they continued, all of them might die here!

“You can fight me if you want, and leave me if you want. What do you think of the Soul Demon Sect?”

“I’m not happy with you right now, so I need to vent my anger.”

Chen Ping said coldly!

“Fellow Daoist, please leave some space for us so that we can meet again in the future...”

Di Chongjing narrowed his eyes slightly, revealing a fierce look!

“Go see your mother. Do you still have a future? With the way you dealt with the Soul Demon Sect today, there is no way I can let you live.”

Chen Ping spat and said!

“You want to kill me?” Di Chongjing’s aura exploded, and he was ready to respond at any time!

“Not just you, everyone you bring must die.”

Chen Ping said coldly that from the moment he took out the Little Fire Qilin, Di Chongjing and others were destined to die!

Chen Ping couldn’t let outsiders know that he had a divine beast on him, otherwise he would become the target of public criticism in the celestial world!

“Brother, do you have to kill me today?”

Di Chongjing turned his gaze towards Sect Master Jiang!

He knew that as long as Sect Master Jiang said a word, he would be able to leave!

After all, this is a grudge between him and Sect Leader Jiang, and it has nothing to do with Chen Ping!

“Di Chongjing, you have committed many evil deeds, and today you even wanted to kill my entire clan, and even more so my daughter. If I don’t kill you, it would be unjust.”

Sect Leader Jiang will not let Di Chongjing go just for the sake of his fellow disciples!

“Brother, you said I have done many evil things, but among us brothers, who doesn’t do anything for his own benefit?”

“I’ll tell you the truth. It was the idea of my senior and second senior brothers that I came to you today. I’m going to share some of the resources I got from you with them.”

Di Chongjing said to Sect Master Jiang!

Sect Master Jiang’s body trembled slightly, and then he said with a ferocious face: “You are talking nonsense, the eldest and second brothers would never do that. They have been in seclusion for many years and don’t ask about anything.”

“Hahaha, among the four of us brothers, you are the only one who still abides by those broken rules. That’s why your strength is so low.”

[The Man Decree] A Man Like None Other Chapter 4297

[The Man Decree] A Man Like None Other Chapter 4297 – “But I see blood and energy overflowing from your body, so you must be cultivating by sucking human blood, otherwise your strength would not have reached the ninth level of the Tribulation Realm.”

“So you don’t need to be so sanctimonious and accuse me, and don’t laugh at me when I am only fifty steps away!”

Di Chongjing laughed!

After Di Chongjing finished speaking, Sect Leader Jiang's expression instantly became extremely ugly!

Jiang Yulian and Zhe Yan looked at Sect Master Jiang at the same time. After all, after Sect Master Jiang went into seclusion, no one knew how he practiced!

Even Chen Ping looked at Sect Master Jiang. He also felt that Sect Master Jiang's strength was indeed improving too fast. It has only been a short time, but he has reached the ninth level of the Tribulation Realm!

If one is not a super genius, and does not have a large amount of resources piled up, it would be difficult to break through to the ninth level of the Tribulation Realm in such a short time!

It is obvious that Sect Master Jiang is not a genius, and the Soul Demon Sect does not have a large amount of resources!

Sect Leader Jiang found that everyone was looking at him. His expression became very unnatural and his eyes were a little evasive!

"Father, this... is this true? Do you really drink human blood to cultivate?"

Jiang Yulian asked in disbelief!

"Master Jiang, what's going on? Tell me the truth."

Chen Ping also said to Sect Master Jiang!

Sect Leader Jiang looked at Chen Ping, hesitating and stammering, and finally sighed helplessly: "Hey, actually, what I sucked was not human blood, but beast blood. I secretly raised monster beasts and sucked their blood when I was in seclusion."

"I broke my promise to my master. I shouldn't have absorbed blood for cultivation..."

Sect Master Jiang looked extremely painful, his entire body was shaking slightly!

Looking at Sect Master Jiang's expression, Chen Ping really wanted to know how many things Sect Master Jiang had going on!

"Go to hell, kid..."

Just when Chen Ping focused his attention on Sect Master Jiang, Di Chongjing suddenly attacked him!

Di Chongjing was seen holding a bone flute in his hand and pointing it at Chen Ping!

The cold red rays suddenly turned into wisps of red spiritual light, covering the sky and the earth!

Puff puff puff...

The spiritual light was extremely fast and hit Chen Ping in the blink of an eye, sealing Chen Ping's body directly!

Chen Ping was seen wrapped in red mist, motionless!

"Hahaha, you're too young to fight me..."

Seeing that he had succeeded, Di Chongjing couldn't help but burst out laughing!

"Mr. Chen..."

Ji Yun and Sect Master Jiang were all shocked when they saw this!

They didn't expect that Di Chongjing would launch a sneak attack and let him succeed directly!

"Di Chongjing, I'm going to fight you..."

Upon seeing this, Sect Leader Jiang roared and rushed towards Di Chongjing!

Chen Ping was under control, and none of them could be a match for Di Chongjing!

The reason why Sect Leader Jiang did this was to delay Di Chongjing and give Jiang Yulian and the others a chance to escape!

“Huh, with this little ability of yours, you still want to fight me to death?”

Di Chongjing’s face was full of disdain. After a cold snort, he swung out with a palm and directly knocked Sect Master Jiang away!

This is a huge gap in realm, an insurmountable chasm!

Sect Master Jiang fell heavily to the ground with an extremely ugly look on his face!

“Boy, it’s your turn...”

After Di Chongjing defeated Sect Master Jiang, he swung the bone flute in his hand directly towards Chen Ping!

Chen Ping was controlled and couldn’t move at all, and couldn’t dodge at all!

“Mr. Chen...”

Jiang Yulian and Ji Yun rushed towards Di Chongjing together!

Now they are the only two who are not injured. Although they know that they are like moths flying into a flame, they don’t hesitate at all!

But before the two of them could rush to Chen Ping, Di Chongjing’s bone flute had already arrived!

The bone flute flew straight to Chen Ping’s chest, as if to pierce Chen Ping directly!

But at the moment when the bone flute reached Chen Ping’s chest, Di Chongjing was suddenly stunned!

Chen Ping just grabbed the bone flute with one hand, with a playful smile on his face!

[The Man Decree] A Man Like None Other Chapter 4298

[The Man Decree] A Man Like None Other Chapter 4298 – “You...you can still move?”

The Mahayana realm’s face was full of surprise!

He tried hard to snatch the bone flute, but no matter how hard he tried, the flute did not move. He, a first-grade Mahayana cultivator, was completely powerless in front of Chen Ping, who was at the seventh-grade Tribulation Realm!

“You bastard, you still want to control me, isn’t that too good to be true?”

Chen Ping smiled faintly!

The red mist that originally surrounded Chen Ping’s body dissipated in an instant, disappearing without a trace!

Now Chen Ping has reached the seventh level of the Tribulation Realm, and dealing with a first-level cultivator in the Mahayana Realm is just a matter of a flick of his hand!

Di Chongjing still wants to control Chen Ping, which is simply wishful thinking!

Chen Ping exerted a little force and took the bone flute in his hand, then kicked it out!

boom!

At such a close distance, Di Chongjing had no time to dodge and was kicked away!

If Demon Lord Chiyun hadn’t wanted Di Chongjing to die slowly, Chen Ping would have kicked him to death with that kick just now!

As Di Chongjing flew backwards, Chen Ping’s body also moved rapidly!

Before Di Chongjing’s body hit the ground, Chen Ping’s fist hit him again!

Bang, bang, bang...

Chen Ping punched and kicked Di Chongjing, and Di Chongjing had no ability to fight back at all!

A master in the Mahayana realm was beaten to a pulp by a cultivator in the Tribulation realm, and he had no power to fight back!

This kind of wonder can probably only be seen on Chen Ping!

Upon seeing this, several disciples of the Xuegu Sect turned pale with fright, and no one dared to step forward to help Di Chongjing!

After beating Di Chongjing, Chen Ping grabbed Di Chongjing by the collar!

Di Chongjing hung his head, his face was bruised and swollen, and he no longer had the arrogance he had just had!

Sect Leader Jiang and the others were all shocked when they saw this scene!

This doesn't look like a fight between Mahayana monks at all, it's just like a fight with gangsters!

Di Chongjing actually didn't want to be beaten like this, but when Chen Ping attacked, he couldn't stop him at all!

He also knew in his heart that Chen Ping did not kill him, and probably did not want to kill him!

Otherwise, with that kick just now, Di Chongjing's life might be in danger!

"Let me ask you, where did you get these immortal bones in your hand?"

Chen Ping, holding a bone flute in his hand, asked Di Chongjing!

"I found it at Tianmo Mountain..."

Di Chongjing said!

"Then do you still have fairy bones in your hand?"

Chen Ping continued to ask!

"No more. One part of the bone was given to Xiao Huangchao, and the other part was made into a bone flute by me."

Di Chongjing answered every question and did not dare to be clever.

“Then do you know where the immortal bones are?” Chen Ping continued to ask!

“No...I don't know!”

Di Chongjing shook his head, but from the tone and look in his answer, Chen Ping knew that this guy must be lying!

However, Chen Ping did not expose him, but directly injected a ray of spiritual light into Di Chongjing's body!

“You...what did you put inside me?”

Di Chongjing asked with some fear!

“It's nothing, it's just a lie detector test. If you tell a lie, it will be very painful.”

Chen Ping smiled slightly and let Di Chongjing go!

When Di Chongjing heard this, he was a little panicked, but he didn't feel anything unusual in his body, so he breathed a sigh of relief!

But just when I breathed a sigh of relief, I suddenly felt as if my body was being tormented by hundreds of claws, and my whole body was shrinking.

“It seems that you just lied, think about it carefully...”

When Chen Ping saw Di Chongjing's expression, he said jokingly!

Di Chongjing only felt extreme pain, with blue veins bulging on his forehead!

After gritting his teeth and holding on for a while, Di Chongjing quickly said, “I know, I know, the eldest and second brothers still have a few pieces of immortal bones.”

As soon as Di Chongjing finished speaking, the feeling of pain disappeared instantly!

[The Man Decree] A Man Like None Other Chapter 4299

[The Man Decree] A Man Like None Other Chapter 4299 – After hearing what Di Chongjing said, Chen Ping did not continue asking. Some things only needed to be asked to Sect Master Jiang!

“Master Jiang, how to deal with this guy is up to you!”

Chen Ping looked at Sect Master Jiang and said!

Di Chongjing is the junior fellow of Sect Master Jiang, and he has injured so many disciples of the Soul Demon Sect. Sect Master Jiang has the final say on how to deal with Di Chongjing.

Sect Leader Jiang walked towards Di Chongjing, and Di Chongjing, seeing this, immediately knelt on the ground, weeping and saying, “Brother, please forgive me, please forgive me, these are what the eldest and second brothers told me to do.”

“Among the four of us, Master likes you the most, and I am the least favored one.”

“My strength is the worst, and my talent is the worst. If I don’t rely on sucking blood and gnawing bones to practice, I will never be able to reach this level in my lifetime.”

“Brother, I know I was wrong, please forgive me this time...”

Di Chongjing had a look of regret on her face and was crying loudly!

When Sect Leader Jiang looked at Di Chongjing, his expression became very complicated, and there was pity in his eyes!

But just when Sect Master Jiang was hesitating, a fierce look suddenly flashed in Di Chongjing’s eyes, and then his whole body swelled instantly, and spiritual energy madly impacted the meridians throughout his body!

This guy is actually going to self-destruct. If a first-grade Mahayana cultivator self-destructs, the power would be so great that the entire Soul Demon Sect would disappear!

“He wants to self-destruct...”

Chen Ping's pupils shrank. He didn't expect that Di Chongjing was so courageous that he even dared to self-destruct!

It seems that kneeling down and begging for mercy just now was all a fake!

Sect Master Jiang was also shocked and panicked. After all, he had no ability to stop a Mahayana cultivator from self-destructing!

If the self-destruction is successful, then his Soul Demon Sect will be completely finished!

But just when Chen Ping rushed towards Di Chongjing, he saw a stream of light suddenly flying out from Di Chongjing's body!

It turns out that this guy didn't intend to self-destruct, but to abandon his physical body in order to get a chance to escape!

As long as the soul is still there, the body can be reshaped!

After all, he and Sect Master Jiang are fellow disciples. If Sect Master Jiang can reshape his body, then Di Chongjing will have no problem doing so too!

What's more, the eldest and second brothers are there, as long as he can escape back, it will be fine!

After Di Chongjing's soul left his body, it flew away instantly!

And that body was swelled like a ball, and finally made a deafening sound!

boom!

The power of the Mahayana realm's self-detonation is very great, but without the soul, only the physical body can self-detonate, so the power is much less!

At the moment of self-explosion, Chen Ping held up a shield to directly block the aftermath of the explosion!

But when the aftermath of the explosion subsided, Di Chongjing's soul had disappeared without a trace!

"Damn it, this guy is so insidious, he actually let him escape..."

Seeing this, Chen Ping couldn't help but curse!

Then he looked at the remaining disciples of the Blood Bone Sect, and Chen Ping took advantage of the situation and slashed them directly to death!

"Mr. Chen, it's all my fault. It was my indecision that gave Di Chongjing the opportunity!"

Sect Leader Jiang said with great self-blame!

"Master Jiang, this is not your fault. No one expected this guy to be so sinister."

"You should arrange for the Soul Demon Sect disciples, and I will refine some pills to heal their injuries!"

Chen Ping did not blame Master Jiang. He was also responsible for Di Chongjing's escape!

The most urgent task now is to heal the many disciples of the Soul Demon Sect!

Chen Ping doesn't have much time to stay here, so he has to hurry up!

Upon seeing this, Sect Leader Jiang nodded hurriedly, and then settled all the seriously injured disciples!

Chen Ping treated the injured disciples of the Soul Demon Sect and made medicine!

It took Chen Ping a whole day to heal all the injured disciples of the Soul Demon Sect. As long as they take the medicine on time, they will recover in no time!

[The Man Decree] A Man Like None Other Chapter 4300

[The Man Decree] A Man Like None Other Chapter 4300 – "Master Jiang, the Soul Demon Sect's disciples are all fine now. They just need to rest!"

Chen Ping said to Sect Master Jiang!

“Mr. Chen, thank you so much. If it weren’t for you, my Soul Demon Sect would have been destroyed.”

Sect Leader Jiang said with great gratitude.

“Master Jiang, it was just a piece of cake. I just couldn’t kill Di Chongjing. I’m afraid he will come to trouble you again in the future.”

Chen Ping said!

After hearing this, Sect Master Jiang looked a little lonely, and sighed softly, “I never thought that the eldest and second brothers would follow Di Chongjing into this evil trap. They broke their oath to the master.”

“I am also sorry to Master. In the end, I couldn’t resist the desire for the realm...”

“Master Jiang, what is going on? How did you two brothers become enemies?” Chen Ping asked curiously.

“Mr. Chen, it’s a long story. We used to be disciples of the same master, and our master was a well-known demon in the world of heaven and man.”

“It’s a pity that when he was promoted to the Immortal Realm, he was injured by the thunder tribulation and failed to survive. In the end, he had no choice but to die...”

“But before he died, Master told us not to practice the evil skills we learned. Although sucking blood and gnawing bones can quickly improve our cultivation, this method of practice makes our foundation unstable. The more we advance, the greater the chance of failure in overcoming the tribulation.”

“We all promised our master that we would never practice evil skills, but later Di Chongjing disobeyed our master and founded the Blood and Bone Sect. He constantly sucked human blood and ate human bones to practice, causing many cultivators in Tianmo Mountain to complain.”

“I had no choice but to join forces with other cultivators to hunt down Di Chongjing, but unfortunately he escaped to the Xiao Dynasty in the Western Regions and hid there.”

“He came back this time for revenge, but I never expected that the eldest and second brothers would also break their oath to the master and become the same people as Di Chongjing.”

Sect Leader Jiang looked extremely depressed. It was obvious that he was extremely shocked and saddened by what his eldest and second senior brothers had done!

“Master Jiang, everyone has their own aspirations. We cannot influence others on how they practice.”

“But do you know where your eldest and second brothers are?”

Chen Ping asked!

“I’m not sure, but they should still be in the place where we practiced together before. After all, they are most familiar with that place.”

After Sect Leader Jiang finished speaking, he looked at Chen Ping and asked, “Mr. Chen, are you going to look for them?”

“Not now. I have to go to Nanjin City. The time I agreed with Mu Qing is coming soon. After I deal with Mu Qing, I will come to find Sect Master Jiang. Take me to find your two brothers.”

Chen Ping doesn’t have time to go now, he still has to compete with Mu Qing!

“No problem, Mr. Chen should be heading for the Immortal Bone Institute, right?”

Sect Leader Jiang could see that Chen Ping was definitely going for the immortal bone. When he captured Di Chongjing, Chen Ping kept asking about the immortal bone!

Chen Ping just nodded and didn’t say anything!

After explaining a few things to Zhe Yan, Chen Ping followed Ji Yun on an airship to leave the Soul Demon Sect and head to Nanjin City!

.....

In a dense forest in Tianmo Mountain!

There is a large piece of white land, but when you get closer, you will find that the white is not land, but white bones!

This area is surrounded by dense jungle and covers an area of dozens of miles!

The evil aura filled the entire area. There were no monsters or beasts within a hundred miles around the area!

Looking down from the sky, a hall was actually built up with piles of white bones. It was very creepy and made people's hair stand on end!
