## Chapter 4301

**[The Man Decree] A Man Like None Other Chapter 4301** – This is the base of the Blood and Bone Sect. After escaping, Di Chongjing's soul rushed here desperately!

“Second Brother, save me, Second Brother, save me...”

Di Chongjing shouted, with fear in his voice!

A man in a gray robe with a string of bones on his chest walked out from the hall!

The white bones on the man's chest turned out to be heads, which looked extremely scary!

This person is Di Chongjing's second senior brother Tan Rongkun. This guy is many times more ruthless than Di Chongjing!

It's just that when their master was still alive, this Tan Rongkun was very good at disguising himself, so much so that Sect Master Jiang couldn't believe that his second senior brother would actually do such a thing!

“Brother, what's going on? How come you only have a trace of soul left? Where's your body?”

“Didn't I tell you to destroy Third Junior Brother's Soul Demon Sect? How did it become like this?”

Tan Rongkun looked at Di Chongjing in surprise and asked!

While he was speaking, the skulls on Tan Rongkun's chest actually emitted a faint green light!

“Second Brother, I failed. All the people I brought with me died. I was able to escape only after I gave up my physical body.”

Di Chongjing said in horror!

Thinking of the way Chen Ping dealt with him, Di Chongjing trembled all over!

“How could this happen? Could it be that Third Junior Brother is stronger than you? This shouldn’t be possible.”

Tan Rongkun looked confused!

“No, I was about to succeed, but unfortunately Third Senior Brother came to help, a young man of unknown identity helped him.”

“That young man is very powerful. Although he only appears to be at the seventh level of the Tribulation Realm, his explosive power is no less than that of the second level of the Mahayana Realm.”

“Moreover, this young man has a magic whip in his hand and the token of the Xiao Dynasty. He is very extraordinary.”

Di Chongjing explained!

“The token of the Xiao Dynasty? Could it be the prince of the Xiao Dynasty? But I have never heard that the prince of the Xiao Dynasty has such strength.”

Tan Rongkun frowned slightly and said with a serious expression.

“No, I know Prince Xiao. This young man is definitely not Prince Xiao. I just don’t know what his relationship with the Xiao Dynasty is, and why he has the token of the Xiao Dynasty in his hand.”

Di Chongjing shook his head. After all, he had spent some time in the Xiao Dynasty and knew the prince of the Xiao Dynasty.

“Then why don’t you use the bone flute to summon monsters to fight them? There must be a lot of monsters in the dense forest near the Soul Demon Sect. It should be easy to summon hundreds of monsters at will, right?”

Tan Rongkun continued to ask.

“Oh, don’t mention it. I used the bone flute to summon the monsters, but unfortunately that kid actually had a beast with fire. Although the beast was small, it had a majestic aura and scared away the monsters.”

“My bone flute was also stolen. If I wasn’t smart, I would have been destroyed by now.”

Di Chongjing said with lingering fear.

“It’s really strange. I’ve never heard of such a powerful young man in the Heaven Realm. He has a magic whip and a divine beast in his hand. He is at the seventh level of the Tribulation Realm, but he can burst out with strength that is not weaker than the second level of the Mahayana Realm. Why do I feel that what you said is a little unrealistic?”

Tan Rongkun couldn’t understand why there were such young people in the world of heaven.

The Xiao Dynasty is considered a powerful force in the world of heaven and man, and it has countless resources. Even so, the princes of the Xiao Dynasty do not have this ability. Who in the world of heaven and man can cultivate such an awesome young man?

“Second Brother, I really didn’t lie to you. If I told a lie, I am willing to suffer the pain of the nine thunder tribulations!”

Seeing that Tan Rongkun didn’t quite believe it, Di Chongjing quickly raised his hand and swore!

“Fourth Junior Brother, you don’t have to swear. I was just saying it casually.”

“You should go and rebuild your body first. I still have some things to do. When I come back after I’m done, I’ll go with you to the Soul Demon Sect to seek justice.”

## [The Man Decree] A Man Like None Other Chapter 4302

**[The Man Decree] A Man Like None Other Chapter 4302** – “Don’t bother Senior Brother about this matter. He is in seclusion now. It won’t take long before he can break through to the third level of the Mahayana realm. Senior Brother, please capture some Mahayana cultivators for us to practice with.”

Tan Rongkun said to Di Chongjing!

Upon hearing this, Di Chongjing immediately became excited and said, “Big Brother is going to break through to the third level of the Tribulation Realm? That’s great. The cultivation method that Master taught us is really good. The speed of improvement is too fast. If we can use the blood and bones of Mahayana cultivators to cultivate, the speed will be even faster.”

“I don’t know what Second Brother is going to do, and why you need to go in person...”

“Do you know Mu Qing who learned skills from the senior brother?” asked Tan Rongkun!

“Of course I know. He is the son of the Mu family, and he followed the eldest senior brother to learn magic skills. It was this magic skill that allowed him to reach the Mahayana realm at a young age. But didn’t he leave?”

Di Chongjing said!

“Yes, he left, but he has an appointment to fight with someone. The fight should be in the next few days. The eldest brother was worried before he went into seclusion, so he asked me to go to Nanjin City to check.”

“By the way, let the Mu family send some cultivators over for us. If it weren’t for the magic skills taught by the eldest brother, how could Mu Qing have cultivated so quickly?”

Tan Rongkun said!

“Someone actually wanted to compete with the young master of the Mu family. They are really bold. Moreover, Mu Qing is very talented. He has reached the first level of the Mahayana realm at a young age. How many young people can be his match?”

Di Chongjing didn’t understand who was so stupid as to follow Mu Qing in a duel, but as soon as he finished speaking, he thought of Chen Ping, and then continued: “But the guy I met today is stronger than Mu Qing, but I don’t know which family he is from.”

Seeing Di Chongjing like that, Tan Rongkun thought he was just frightened, so he waved his hand and said, “Fourth Junior Brother, go and have a rest, and then let someone help you rebuild your body. Fortunately, we have the

Heavenly Demon Stone, so it's not difficult for a soul of your strength to rebuild!"

"Well, Second Brother, you have to be careful. I'm leaving now!"

Di Chongjing nodded, then walked into the hall, ready to reshape his body!

He had no idea that the person fighting with Mu Qing was none other than Chen Ping, who almost took his life today!

Of course, Tan Rongkun didn't know that after settling Di Chongjing, he took two disciples and rushed to Nanjin City!

At this time, Chen Ping followed Ji Yun on the airship and slowly landed on the square of Nanjin City!

As soon as we landed, people from Wantong Pavilion came!

After all, all the airships in this place are controlled by Wantong Pavilion, and most of the airships from Wantong Pavilion carry people here!

When Chen Ping got off the airship, he saw that the person coming towards him was actually the Pavilion Master Qian of the Wantong Pavilion branch in Nanjin City!

Although he was not very familiar with Pavilion Master Qian, but with the introduction of Elder Sun of Wantong Pavilion, Chen Ping could be considered to have known Pavilion Master Qian!

Seeing Chen Ping coming down from the airship, Pavilion Master Qian laughed and said, "I was wondering who could come here on an airship. It turns out to be Mr. Chen."

"Recently, the news of your fight with Mu Qing, the son of the Mu family, has spread throughout the entire Southern Region. Many people have come here to see you two fight."

"We at Wantong Pavilion also benefited from Mr. Chen's help, and we made a lot of money again..."

After hearing this, Chen Ping just smiled slightly. He knew that this news must have been spread deliberately by Wantong Pavilion in order to attract people and make money!

But this is also the nature of businessmen. Wantong Pavilion makes money by relying on information!

“Master Qian, I’d like to ask if there are any gambling games open for fighting?”

Chen Ping asked!

“Of course there is. With something like this, how could there not be a bet? This time we are the banker at Wantong Pavilion. Does Mr. Chen also want to place the bet himself?”

Pavilion Master Qian asked.

## [The Man Decree] A Man Like None Other Chapter 4303

**[The Man Decree] A Man Like None Other Chapter 4303** – “I am somewhat interested. Pavilion Master Qian, please lead the way!”

Chen Ping really wanted to see how many people were betting on him to win!

“Mr. Chen, if you see the bet, don’t get angry!”

Pavilion Master Qian smiled slightly, then took Chen Ping and Ji Yun to the gambling house where Wantong Pavilion was the banker!

Chen Ping also knew that there would definitely be many people betting on Mu Qing’s victory. After all, the gap between his realm and Mu Qing’s was too big!

Just when Chen Ping and his friends arrived at the gambling house and just walked to the door, they heard noisy sounds inside!

“I’m putting all my clothes on the line now. I’m betting that Chen Ping will win. If any of you believe in me, then place a bet with me!”

Some people were shouting loudly and even putting their clothes on the table!

“Mr. Chen, there are still people who support you so much?”

After hearing what was said, Ji Yun couldn't help but look at Chen Ping curiously!

He didn't understand, who in Nanjin City would support Chen Ping so much?

Even Pavilion Master Qian was slightly stunned. He didn't expect that there would be someone who supported Chen Ping so firmly!

Chen Ping smiled slightly. He had already recognized that the voice was from that of Shen Ji Zi!

“Shenjizi, your tattered clothes are worth nothing, and you even pawned them.”

“That's right. It's not enough to bet all your money, you also bet your clothes. Chen Ping is your father, why do you support him so much?”

“Shenjizi, Master Mu Qing is now at the first level of the Mahayana realm, and I heard that he has reached the peak. He may soon break through to the second level of the Mahayana realm. How could that Chen Ping be his opponent?”

“You are just a money-swindler, and you are trying to get others to bet with you. Who is so stupid?”

Everyone mocked Shen Ji Zi!

Shen Jizi is considered a celebrity in Nanjin City. Many people know him, and knowing that this guy is a swindler, no one will believe him, let alone place a bet with him!

“Don't be complacent. I tell you, you can't judge a person by his appearance, and you can't measure the depth of the ocean. Chen Ping will definitely win.”

“He and I have a life-long friendship. I know his strength best. Believe it or not!”

Shen Jizi was only wearing a pair of big shorts and said nonchalantly!

You know, this is Nanjin City, an extremely cold place, and now Shenjizi is only wearing a pair of shorts!

Although monks can use spiritual energy to resist the severe cold, it can only be used for a short time. If they consume spiritual energy for a long time to resist the severe cold, they will feel reluctant!

Therefore, many monks wear animal skins, so that even if they do not use spiritual energy, their bodies still do not feel cold!

Moreover, animal skins can also be considered as resources for cultivation, which is why Shen Jizi wanted to stake his clothes as well!

The fur of monsters is also valuable!

“I’ll bet with you...”

At this time, Chen Ping walked into the gambling house and said loudly!

Shen Jizi looked in the direction of the voice, and when he saw Chen Ping, his eyes suddenly lit up and he was about to shout out in joy, but a look from Chen Ping stopped him!

Chen Ping didn’t want to let everyone know about the competition, as that would probably cause a lot of trouble!

Although many people in Nanjin City have heard of Chen Ping’s name, not many people have actually seen Chen Ping!

When Shenjizi saw Chen Ping’s look at him, he immediately understood and said, “Young man, you have good vision. Bet with me and I will guarantee you wealth and glory!”

Chen Ping took out a bag of purple gold spirit coins from his pocket and threw them all onto the gambling table!

“I also bet that Chen Ping can win...”

Chen Ping said slowly!

Everyone stared with their eyes wide open, looking at the bag of purple gold spirit coins with surprise!

When Pavilion Master Qian saw this scene, he just smiled slightly and did not expose Chen Ping's identity. No matter how much Chen Ping bet, Pavilion Master Qian would not stop him. After all, their Wantong Pavilion was the banker. No matter who won or lost, they would take a commission, which was a guaranteed profit!

## [The Man Decree] A Man Like None Other Chapter 4304

**[The Man Decree] A Man Like None Other Chapter 4304** – “Young man, are you crazy? You actually bet on Chen Ping and placed so much bets.”

“I heard that Chen Ping is only at the Tribulation Crossing Stage. Even if he is at the peak of the Tribulation Crossing Stage, he cannot be a match for Master Mu.”

An old monk with a white beard said to Chen Ping!

“No, I heard that Chen Ping is only at the seventh level of the Tribulation Realm. But even if he is at the seventh level of the Tribulation Realm, it is enough to beat Mu Qing.”

Chen Ping smiled slightly and said!

After hearing Chen Ping's words, all the monks were in an uproar and mocked Chen Ping, thinking that Chen Ping was talking nonsense!

A seventh-grade cultivator in the Tribulation Realm can defeat a first-grade cultivator at the peak of the Mahayana Realm. Isn't that a joke?

“Who said that a seventh-level Tribulation Realm cultivator could defeat a first-level Mahayana Realm cultivator? I want to see who is so arrogant!”

At this time, a cold voice was heard, and then Tan Rongkun and his men walked in!

Seeing Tan Rongkun appear, all the cultivators in the gambling house were slightly startled and retreated involuntarily!

The aura naturally emanating from a second-grade Mahayana cultivator is enough to scare these cultivators!

This is the Mahayana realm, the realm closest to becoming an immortal. How many people have practiced hard, but in the end, all got stuck in the Tribulation Realm!

Although it seems that there are many Mahayana cultivators, but if we really look at the proportion of cultivators in the celestial world, cultivators in the Mahayana realm are extremely rare!

When Pavilion Master Qian saw Tan Rongkun bringing people here, his brows slightly frowned. The bloody smell on Tan Rongkun made it obvious that he was a demon cultivator, and the kind who often killed people!

Chen Ping frowned as he looked at Tan Rongkun, because he felt that the aura of Tan Rongkun was somewhat similar to that of Di Chongjing and Sect Leader Jiang!

“Fellow Daoist, this is a gambling house, a place for everyone to have fun, so don’t take some of the words seriously.”

Pavilion Master Qian stepped forward and said to Tan Rongkun with a smile on his face!

Pavilion Master Qian was afraid that Tan Rongkun would get angry because of what Chen Ping had just said and start a fight!

After all, Chen Ping said that a cultivator of the seventh level of the Tribulation Realm could defeat a cultivator of the first level of the Mahayana Realm. If a cultivator of the Mahayana Realm heard this, he would definitely feel bad!

To be able to cultivate to the Mahayana realm, one must have extraordinary qualities and have gone through a lot of hardships. Now that it has been denied so lightly, one must be feeling unhappy!

“Don’t worry, this is Wantong Pavilion. I won’t bully the weak. But since someone thinks so highly of Chen Ping and has bet a lot of money on him, I’ll also place a bet, but I’m betting on Mu Qing to win.”

After Tan Rongkun finished speaking, he threw out a bag of purple gold spirit coins and bet on Mu Qing’s side!

After the betting, Tan Rongkun looked at Chen Ping coldly and said, “Boy, when the day of the fight comes, I hope to see you there. Don’t run away!”

As he spoke, the aura of Tan Rongkun suddenly burst out and went straight towards Chen Ping!

Chen Ping is only at the seventh level of the Tribulation Realm. A little bit of pressure is enough to make Chen Ping fall to his knees!

But when Tan Rongkun’s breath pressed towards Chen Ping, Chen Ping stood there motionless, as if he didn’t feel anything at all!

Tan Rongkun couldn’t help but frown, and his aura increased a little bit!

But Chen Ping remained motionless. Although Chen Ping did not move, the people around him could not bear it anymore!

Many people gritted their teeth and tried their best to hold on, while some even fell directly to the ground!

“Fellow Daoist, I hope you can give us at Wantong Pavilion some face and stop causing trouble here!”

Pavilion Master Qian’s face flushed as he said to Tan Rongkun!

At this moment, Pavilion Master Qian could hardly bear it anymore and could only use Wantong Pavilion to threaten Tan Rongkun!

Tan Rongkun retracted his breath, looked at Chen Ping in surprise, then turned around and led his men away!

## [The Man Decree] A Man Like None Other Chapter 4305

**[The Man Decree] A Man Like None Other Chapter 4305** – After Tan Rongkun left, everyone breathed a sigh of relief!

Chen Ping followed Pavilion Master Qian, bowed and said goodbye, then turned and left!

Upon seeing this, Shen Ji Zi hurriedly chased after him, following Chen Ping happily!

To him, Chen Ping is the God of Wealth!

Chen Ping looked at Shen Jizi wearing big shorts, and helplessly took out a purple gold spirit coin and said: "Go buy some clothes, and keep the rest for yourself..."

"Thank you, Mr. Chen. Don't worry, I will definitely be able to pay you back because I know you will win, and then I will become rich."

"The betting ratio between you and Mu Qing is ten to one. As long as you win, our bet will increase tenfold..."

Shen Jizi was very excited, he was sure that Chen Ping could win!

"Then if I can't win, won't you lose everything?"

Chen Ping looked at Shen Ji Zi with interest and asked!

"Impossible! Even if Mr. Chen really lost, with your personality, you would never watch me penniless. You would definitely return my bet to me!"

Shen Ji Zi said!

When Chen Ping heard this, he was speechless. It turned out that this guy had already planned it out. If he won, he would make a fortune.

If I lose, with my personality, I will never let him watch me without even having clothes to wear. I will definitely give him money. After all, Chen Ping is not short of money!

Shen Jizi's calculations are really shrewd!

"Okay, go buy some clothes. If I really lose, I'll give you all the money I have. By then, I'll be dead, so you don't need the money right away!"

Chen Ping smiled faintly!

When Shen Jizi heard this, he hurriedly said awkwardly: "Mr. Chen can't lose, he definitely won't lose..."

After saying that, Shenjizi hurried off to buy clothes. After all, this was not very elegant!

Just after Shen Jizi left, someone suddenly called Chen Ping.

“Mr. Chen...”

Two graceful figures came towards Chen Ping!

“Palace Master...”

Chen Ping looked over and found that it was the Palace Master of Guanghan Palace who came with Lan Yingying!

“Mr. Chen, I thought you would come to Nanjin City soon, so I went down the mountain to try my luck. I didn’t expect to meet you.”

“It’s only been less than a month, and you’ve actually reached the seventh level of the Tribulation Realm. That’s really amazing!”

“With your cultivation speed, it won’t take long before you can ascend to become an immortal!”

The Palace Master of Guanghan Palace said!

“Palace Master, you are joking. It is not easy to become an immortal...” Chen Ping said with a smile!

“Palace Master, let’s find a place to chat. This street with so many people coming and going is not the place to chat!”

Lan Yingying said!

“Yes, let’s find a place to talk!”

The Palace Master of Guanghan Palace nodded and took Chen Ping and the others to find a place to stay!

Chen Ping will not leave Nanjin City before the competition, so the Palace Master of Guanghan Palace will not return to Guanghan Palace either. It is necessary to find a place to live!

Just when Chen Ping was settling down in Nanjin City, in the Northern Territory, hundreds of thousands of miles away, at the headquarters of the Demon Sealing Alliance!

Zuo Tianzheng sat upright in his seat, his face extremely pale!

Elder Chu was covered in wounds, and said with a wandering look in his eyes: “Alliance leader, the Xiao Dynasty blatantly attacked us and openly supported Chen Ping. This is simply too much.”

“I think we should find a way to warn the Xiao Dynasty and stop interfering in Chen Ping’s affairs.”

“Knock? How do you knock?” Zuo Tianzheng said with a cold face and eyes wide open: “How about you take people to the Xiao Dynasty to knock?”

“I... I don’t have that strength!” Elder Chu shook his head in fear!

A general of the Xiao Dynasty wiped out the Feng family. If it weren’t for Elder Chu’s cleverness and escaping in advance, the family would have been reduced to ashes by now!

How could he have the ability to bring people to the Xiao Dynasty to cause trouble!

## [The Man Decree] A Man Like None Other Chapter 4306

**[The Man Decree] A Man Like None Other Chapter 4306** – Looking at Elder Chu’s expression, Zuo Tianzheng couldn’t help but sneer, and then said: “Okay, I know you don’t have the ability to defeat the Xiao Dynasty, and I won’t let you die, but right now there is an important thing that needs to be entrusted to you to do!”

Elder Chu heaved a sigh of relief upon hearing this, and hurriedly asked, “Alliance Master, if you have anything to say, just tell me, I will do my best...”

“Recently, many of our Demon Sealing Alliance’s demon cultivators have been ready to make moves. Even those who have cooperated with us have begun to rebel.”

“I have received reliable information that someone is secretly hiding a large number of demon cultivators, and these demon cultivators are all locked up in secluded places. You take people to investigate carefully.”

“We in the Northern Territory will never allow such people to exist, let alone the existence of demon cultivators who are not under the control of our Demon Sealing Alliance. Only by handling the affairs of the Northern Territory well can we have the strength to fight with the Xiao Dynasty.”

“As for Chen Ping, don’t worry about him anymore. A hundred years of offerings is tempting enough, someone will definitely make a move on him!”

Zuo Tianzheng said to Elder Chu!

“What? There are actually demon cultivators in our Northern Territory, and they are hidden by someone? Who on earth has the guts to do such a thing?”

“Don’t worry, leader. I will investigate this matter. All the demon cultivators who don’t submit to our Demon Sealing Alliance will be killed...”

Elder Chu said with confidence!

At this time, he felt that he was able to do it again. He was completely different from the state that had just allowed him to deal with Xiao Huangchao!

After all, after so many years, there should not be many magic cultivators in the Northern Territory, and their strength cannot be too high. After all, the headquarters of the Demon Sealing Alliance is in the Northern Territory, and the living space for magic cultivators in the Northern Territory is very small!

“Go ahead...”

Zuo Tianzheng waved his hand!

Elder Chu slowly retreated and immediately took people to investigate the matter!

.....

Southern Region, Mu Family!

Tan Rongkun brought his men here, but were stopped by the Mu family's guards!

"Who are you? What's the matter with coming to our Mu family?"

A guard asked Tan Rongkun!

"We are here to look for your Young Master Mu Qing. Please let him know."

Tan Rongkun said very politely!

The guard took a look at Tan Rongkun, then shook his head and said, "No, our young master will have a duel in two days, and he is now concentrating his energy. Manager Liu has already told him not to see anyone."

"You guys go ahead. Our Mu family has closed its doors to visitors these days and won't entertain anyone..."

"How dare you, a mere guard of the Mu family, speak like that..."

A disciple brought by Tan Rongkun became angry when he saw that the Mu family guards were so powerful, and wanted to teach them a lesson!

However, he was stopped by Tan Rongkun. After all, this time he came, not only to see Mu Qing, but also needed the help of the Mu family to send a group of monks!

It would not be good if things got badly awry with the Mu family!

"Little brother, to be honest, I am a friend of your Master Mu Qing, and I hope you can tell him."

As Tan Rongkun spoke, he took out some purple gold spirit coins and handed them to the guard!

But who would have thought that the guard would actually knock the purple gold spirit coin out of Tan Rongkun's hand and said indifferently: "Leave immediately, otherwise don't blame us for being rude."

At this moment, Tan Rongkun also got angry. After all, he was a master in the Mahayana realm. It was too embarrassing to be stopped by two gatekeepers!

Tan Rongkun's internal aura trembled slightly, and the two Mu family guards had no time to move. They all fell to the ground in an instant, with fear in their eyes!

Tan Rongkun did not kill them. After all, it was okay to teach these Mu family members a lesson, but if he killed them, it would be difficult to deal with!

“Walk.....”

Tan Rongkun and his men walked straight into the Mu family!

## [The Man Decree] A Man Like None Other Chapter 4307

**[The Man Decree] A Man Like None Other Chapter 4307** – But just as I walked into the Mu family, a terrifying aura suddenly hit me!

“Who dares to trespass into our Mu family...”

A figure flashed by, followed by an overwhelming aura!

Seeing this, Tan Rongkun frowned slightly, waved his hand suddenly, and blocked the breath in an instant!

“Who are you? How dare you break into our Mu family?”

Manager Liu appeared, and a large number of Mu family members also poured out from all directions!

Tan Rongkun and his men were surrounded in an instant!

However, seeing Tan Rongkun's cultivation level of the second level of the Mahayana realm, the people from the Mu family did not take any action!

“I came here to look for your Master Mu Qing, but your guards wouldn't let me in!”

“I had no choice but to barge in...”

Tan Rongkun said!

“Our Young Master Mu Qing is not seeing anyone. Get out of here right now before I lose my temper. Otherwise, don’t blame me for being rude!”

Manager Liu said with a cold face!

“What if I don’t leave?”

Tan Rongkun smiled coldly!

“If you don’t leave, then you will leave your life behind...” After Butler Liu finished speaking, his aura continued to swell, and he was ready to take action at any time!

“Manager Liu, please don’t be rude!”

At this time, Mu Qing rushed out and shouted loudly to Manager Liu!

After running to Tan Rongkun, Mu Qing said respectfully: “Uncle Master, why are you here?”

“Mu Qing, please don’t call me uncle. When my senior brother taught you the technique, it was also an exchange of benefits, not a discipleship.”

“My eldest senior brother is in seclusion, but he is worried about your fight, so he asked me to come over to take a look and bring some monks to the Blood Bone Sect!”

Tan Rongkun said to Mu Qing!

“Master, who is this person?”

Manager Liu looked at Tan Rongkun and asked in confusion!

“Manager Liu, I have been studying martial arts outside these years, and I learned from the people of the Blood Bone Sect. Otherwise, my strength would not have increased so quickly.”

“And the monks that my father prepares every year are also sent to the Blood Bone Sect...”

Mu Qing introduced!

When Manager Liu heard this, he quickly put on a smiling face and said to Tan Rongkun, "Fellow Daoist, I'm really sorry for offending you just now!"

Tan Rongkun waved his hand and said generously: "It's okay, ignorance is not a crime."

"Uncle Master, you have never been to the Mu family before. Have fun here for two days. After I finish fighting with Chen Ping, I will go back with you."

"I'll let Chief Steward Liu take care of the monks' affairs and make sure you bring enough monks when you leave!"

Mu Qing followed Tan Rongkun and said respectfully!

"Okay, then I'll have some fun for two days and see what's so special about that guy named Chen Ping!"

Tan Rongkun nodded!

After all, he seldom left the Blood and Bone Sect, and living among dead bones all day long was very boring!

Two days later, the arena in Nanjin City was packed with people!

Today is the day when Chen Ping competes with Mu Qing. Although not many people knew about the competition between the two at the beginning, after the publicity from Wantong Pavilion, many people from the entire Southern Region have come to watch the fun!

Wantong Pavilion took advantage of this opportunity to make a fortune. This is the thinking of a businessman. They did not consider the feelings of Chen Ping and Mu Qing!

Since things have come to this, Chen Ping and Mu Qing just accepted it. After all, whether anyone is watching or not, it is a fight to the death between the two of them, and one of them will definitely die on the ring!

"Get out of the way, everyone..."

With a loud shout, the crowd around the ring slowly parted to make way for each other.

Mu Qing was seen walking towards the arena with a proud look on his face. Behind him were dozens of Mu family members, and Tan Rongkun was also following on his left and right!

Seeing Mu Qing appear, many people began to shout excitedly!

## [The Man Decree] A Man Like None Other Chapter 4308

**[The Man Decree] A Man Like None Other Chapter 4308** – “Master Mu, you must win. I’ve staked my entire fortune on you!”

“Master Mu will definitely be invincible, come on!”

“Mr. Mu will surely win...”

Many of the onlookers bet on Mu Qing to win, so they were all shouting excitedly!

Mu Qing felt the cheers from the people around him, strode onto the stage with a proud look on his face, and then waved to the people around him!

Looking at Mu Qing’s expression, it was obvious that he had absolute confidence!

Just as everyone was cheering, dozens of people came from the other side of the ring!

It’s just that these people are all female cultivators, each of them is as beautiful as a fairy, with an extraordinary temperament!

These female cultivators are all the Holy Maidens of Guanghai Palace. The appearance of the Holy Maidens instantly attracted the attention of many people!

In front of these saints was Chen Ping, who was dressed in cloth and looked very simple.

The Palace Master of Guanghai Palace was beside Chen Ping, and they were heading towards the arena together!

The Palace Master of Guanghan Palace has a majesty that emanates from within, and is intimidating without even getting angry!

Everyone automatically made way for it!

“Mr. Chen will definitely win. You will definitely win...”

After Chen Ping walked to the bottom of the ring, a shout suddenly came from the crowd!

You don't need to look, you can tell just by listening to the sound, this is a magical machine!

Shen Ji Zi also placed all his fortune on Chen Ping, and he hoped that Chen Ping could win!

Seeing that only one person was cheering for Chen Ping, Mu Qing on the ring sneered!

“I thought you didn't dare to come, but I didn't expect you to really come!”

Mu Qing looked at Chen Ping and said in a cold voice!

“Why shouldn't I dare? I can beat someone like you with just one hand. I was afraid that you wouldn't dare to come!”

Chen Ping raised the corner of his mouth slightly!

“You don't have to deliberately provoke me to make me lose my mind. Stop talking nonsense and get on stage. I have other things to do after I kill you.”

Mu Qing waved towards Chen Ping!

“Since you want to die so much, I will grant your wish!”

Chen Ping leapt slightly and landed directly on the stage!

“Is it him?” Tan Rongkun was stunned after seeing Chen Ping!

“Fellow Daoist Tan knows this Chen Ping?”

Manager Liu on the side asked!

“I have seen this guy in the gambling house of Wantong Pavilion. He was boasting a lot at that time. It turns out that he is Chen Ping.”

“You are only at the seventh level of the Tribulation Realm, and you still want to defeat Mu Qing? It’s simply a foolish dream!”

A sneer appeared on Tan Rongkun’s lips!

He can rest assured now, Mu Qing will definitely win!

“Friend Tan, don’t underestimate Chen Ping. This guy is improving very quickly, and he has the ability to fight against opponents of higher levels.”

“I’d better inform the young master to be careful. This Chen Ping is probably now at least as strong as the first level of the Mahayana realm!”

When Manager Liu saw Chen Ping coming on stage, he immediately realized it!

At that time, Chen Ping was only at the fourth level of the Tribulation Realm, but he was able to fight with Mu Qing.

Although not lower than Mu Qing, it is not much different either!

Now, in just one month, Chen Ping has actually reached the seventh level of the Tribulation Realm. I’m afraid his strength will not be lower than the first level of the Mahayana Realm!

“Butler Liu, aren’t you too cautious? How can a mere seventh-grade Crossing Tribulation Realm cultivator defeat a first-grade Mahayana cultivator? Why don’t I believe it?”

Tan Rongkun looked at Manager Liu with disdain and said!

Manager Liu ignored him. After all, no one would believe it if they had never seen it with their own eyes!

“Master, this Chen Ping has actually reached the seventh level of the Tribulation Realm. You have to be careful!”

Manager Liu used the art of voice transmission to instruct Mu Qing!

“Don’t worry, I will make him die on this stage today!”

Mu Qing responded, with a hint of ruthlessness in the depths of his eyes!

At this time, Pavilion Master Qian of Wantong Pavilion also stepped onto the stage. Nanjin City, as a small city at the foot of a mountain at the southernmost tip of the Southern Region, did not have a city lord!

## [The Man Decree] A Man Like None Other Chapter 4309

**[The Man Decree] A Man Like None Other Chapter 4309** – Pavilion Master Qian of Wantong Pavilion also plays the role of the city lord. After all, Wantong Pavilion is the most powerful one in Nanjin City!

“You two, since you’ve already stepped onto the stage, this is a life-and-death battle. No matter who lives or dies, you must not retaliate after you leave the stage!”

After Pavilion Master Qian finished speaking, he gently waved the corner of the arena!

Soon, rays of light appeared around the ring, covering the entire ring!

Buzz!

As the light enveloped the arena, there was a space tremor. The entire arena was surrounded by formations to prevent innocent people from being harmed!

“Chen Ping, I didn’t expect that in just one month, you have reached the seventh level of the Tribulation Realm. However, no matter how fast you improve, you can never defeat me!”

Mu Qing’s face was full of confidence, the aura in his body was slowly condensing, and immense power burst out!

Behind Mu Qing, a blood-red color appeared faintly, and a terrifying pressure instantly came towards Chen Ping!

This pressure was like an invisible thug, locking Chen Ping firmly. Before he could make a move, Mu Qing had already given Chen Ping a warning!

But Chen Ping stood there motionless, without any fear on his face!

Mu Qing raised his lips slightly, a hint of sarcasm appeared on his face as he said, "Within ten moves, I will make you bleed to death..."

After saying that, Mu Qing grabbed with his big hand, and the blood mist behind him instantly condensed into a long sword!

The long sword was swung out, and a sword light came towards Chen Ping at a swift and sharp speed!

Chen Ping took advantage of the situation to block, and he didn't know when the Dragon Slaying Sword appeared in Chen Ping's hand!

The Dragon-Slaying Sword blocked directly in front of him, making a dragon roar and shattering the sword light!

Everyone looked on in shock, some of them unbelievable!

You know, Mu Qing's sword was powerful, but I didn't expect that Chen Ping could block it so easily!

Moreover, no one felt any burst of aura from Chen Ping!

"Could this fellow block the attack of a first-grade Mahayana cultivator with just his physical strength?"

Manager Liu's face was full of surprise!

Although he knew that Chen Ping's true strength was very strong and not what was reflected in his realm, he had tried his best to overestimate Chen Ping's strength, but he did not expect it to be so terrifying!

He actually blocked Mu Qing's attack with just his physical strength. He looked very relaxed and at ease. It didn't look like he was fighting a life-and-death battle at all!

Chen Ping looked at Mu Qing calmly without any expression, and the Dragon-Slaying Sword in his hand kept making the sound of a dragon's roar!

Mu Qing frowned slightly, and was extremely shocked in his heart!

He didn't expect that Chen Ping didn't even have any energy, but just relied on the strength of his body to block his attack!

Even Tan Rongkun, who had always looked down on Chen Ping and believed that Chen Ping was bound to lose, now widened his eyes with an expression of disbelief!

At this moment, everyone began to re-evaluate and define Chen Ping's strength!

However, only Chen Ping himself knew that he did not simply rely on his physical strength to block Mu Qing's attack. His physical body was not strong enough to that extent yet!

Chen Ping utilized the power of his True Fire Dharma Body. You should know that Chen Ping's current True Fire Dharma Body is no longer an illusory thing, it is already solidifying!

Because this True Fire Dharma Body is equivalent to Chen Ping's clone, the power and aura of the two bodies are exactly the same, so no one can notice it!

Everyone thought that Chen Ping simply relied on his physical strength to block Mu Qing's attack!

This was the first time that Chen Ping used the power of the True Fire Dharma Body. Once the True Fire Dharma Body was completely solidified, Chen Ping's physical body would be twice as strong.

"Boy, take my sword again..."

Mu Qing shouted coldly, and suddenly leaped into the air, slashing down with the sword in his hand.

This time, the sword light surged wildly into the sky, and when the sword slashed down, the void was torn apart!

# [The Man Decree] A Man Like None Other Chapter 4310

**[The Man Decree] A Man Like None Other Chapter 4310 – boom!**

When Mu Qing swung his sword, the entire void exploded, the huge arena also shook, air waves scattered, and even the formations around the arena couldn't help but distort!

Everyone around was shocked, and many of them retreated. If the formation couldn't hold up and the aftermath spread, many cultivators would probably suffer!

Just when the air wave dissipated and everyone's attention returned to the arena, they were surprised to find that Chen Ping was still standing there motionless, holding the Dragon Slaying Sword without any change!

Even the expression on his face didn't change at all, as if nothing had happened!

It seemed as if Mu Qing's sword didn't even hit Chen Ping at all!

Before the sharp sword energy reached Chen Ping, it completely dissipated and disappeared without a trace!

"This...how is this possible?"

Many cultivators were inevitably shocked when they saw this scene. You know, Mu Qing is a first-grade cultivator in the Mahayana realm, and Chen Ping is a seventh-grade cultivator in the Tribulation realm. Even if he can fight against opponents of higher levels, it can't be so outrageous!

In front of Chen Ping, Mu Qing, who was at the first level of the Mahayana realm, seemed to be worthless!

"Is Mr. Chen so strong? Even the first level of the Mahayana realm can't shake him at all?"

The Palace Master of Guanghai Palace looked at Chen Ping's figure and was shocked!

You know, a month ago, Chen Ping was the one who needed her protection!

But in just one month, Chen Ping's strength had become unfathomable, and even the Palace Master of Guanghai Palace was no match for him!

This made the Palace Master of Guanghai Palace a little excited. If it weren't for her status as the Palace Master of Guanghai Palace, she might have thrown herself into Chen Ping's arms long ago!

Chen Ping is the most talented person she has ever met, and he also saved her life, so it is normal for the Palace Master of Guanghai Palace to have a secret crush on him!

At this time, Manager Liu's face had become extremely ugly. Mu Qing's two attacks were stronger than the last, but they did not shake Chen Ping at all!

This was the case when Chen Ping did not fight back. If the situation continued like this, he couldn't imagine whether Mu Qing could walk off the ring alive!

Tan Rongkun's face was also solemn at this moment, and he no longer had the contempt he had at the beginning. The strength displayed by Chen Ping was indeed inconsistent with his realm!

At this moment, he finally understood why Chen Ping dared to say such big words in the gambling house!

"Mr. Chen, that's awesome, so awesome..."

"Mr. Chen will win..."

Upon seeing this, Shen Jizi shouted excitedly, and even got a flag from somewhere, waving it vigorously to cheer for Chen Ping!

The monks around had solemn and helpless expressions on their faces. If they had known that Chen Ping was so awesome, they would have just bet on Chen Ping!

Many people have bet their entire fortune on Mu Qing. If Mu Qing loses, they will lose everything!

Mu Qing was on the stage, looking at Chen Ping with gritted teeth. The confidence he had at the beginning was now gone.

Chen Ping raised the corner of his mouth slightly, and a faint spiritual power emanated from his body. This spiritual power slowly spread, causing the space to begin to fluctuate, and it became more and more intense!

The Indestructible Golden Body was activated, and golden scales emitting golden light began to cover Chen Ping's entire body!

Although the True Fire Dharma Body is very useful, it is impossible for Chen Ping to use the power of the True Fire Dharma Body all the time. After all, the True Fire Dharma Body has not yet reached the point of being completely solid!

In the two attacks just now, the True Fire Dharma Body also suffered a considerable blow, but in the eyes of everyone, Chen Ping was fine and unharmed!

"If this is all you have, it's unlikely that you can kill me within ten moves, right?"

Chen Ping looked at Mu Qing with a joking expression and said!

Looking at Chen Ping's joking look, Mu Qing almost got angry to death, and in front of everyone!
