

# [The Man Decree] A Man Like None Other Chapter 4311

**[The Man Decree] A Man Like None Other Chapter 4311** – “You arrogant fellow, I will make you pay the price...”

Mu Qing roared, and endless blood mist appeared behind him. Terrifying power emanated from Mu Qing’s body!

Mu Qing’s face was extremely ugly. He was a first-grade cultivator in the Mahayana realm, but he was humiliated in public by Chen Ping, who was a seventh-grade cultivator in the Tribulation realm. This kind of humiliation was fatal!

His two attacks failed to cause any harm to Chen Ping. Mu Qing began to face up to Chen Ping’s true strength!

The aura of the first level of the Mahayana realm continued to burst out, and the blue veins on Mu Qing’s forehead bulged!

“The Dharmakaya...appears...”

Buzz!

Along with Mu Qing’s roar, a figure slowly appeared in the red blood mist behind him!

This figure supports the heaven and earth, standing between heaven and earth like a mountain!

The moment the Dharma body appeared, red light flowed, endless divine power emerged, and the heaven and earth trembled and the wind and clouds changed color!

Everyone who saw this scene was horrified!

The Dharma body behind Mu Qing is obviously much more solid than it was a month ago. This should be the result of Mu Qing’s hard work for a month!

Everyone looked up at the Dharmakaya, and everyone felt very small!

When Tan Rongkun saw this Dharmakaya, he couldn't help but open his mouth wide and said in amazement: "Where did Mu Qing learn this Dharmakaya from? It's too terrifying..."

No one in their Blood Bone Sect knows this technique, not even his senior brother!

Obviously, this is what Tan Rongkun learned from somewhere else, but this is normal. As the young master of the Mu family, he spent a lot of money to learn some skills and improve his strength. After all, Mu Qing is not a disciple of the Xuegu Sect and does not have to abide by any sect rules!

When the Palace Master of Guanghan Palace and others saw the Dharma body behind Mu Qing, they were also shocked and began to worry about Chen Ping!

Because at this time, the power in Mu Qing's body was obviously surging!

"Puro Dharmakaya is really good, but it's a pity that your Dharmakaya is not yet solid, it's too weak."

"I'll show you my Dharma body..."

After Chen Ping finished speaking, golden light burst out from his body, and a shadow slowly appeared behind him!

The shadow became clearer and clearer, and soon everyone was surprised to find that the shadow behind Chen Ping was actually himself!

And around this Dharma body, there was a blazing flame!

"How did this guy condense his own Dharma body? He is only at the Tribulation Crossing Stage, this is impossible!"

Manager Liu was shocked and said in disbelief!

Everyone looked at Chen Ping in shock!

The Dharma body condensed by Mu Qing is just the phantom of someone else, summoned by using the skills!

And Chen Ping's Dharma body turned out to be his real self!

It is simply unbelievable that a cultivator in the Tribulation Realm can actually condense a Dharma body!

“This... this is impossible. How could you condense your own Dharma body? This is definitely an illusion...”

Seeing this, Mu Qing didn't believe that Chen Ping could condense his own Dharma body!

“If it's an illusion, you'll know if you try it!”

After Chen Ping finished speaking, his body slowly floated up, and he stood in front of the huge Dharma body. He exuded endless majesty, which made people express endless admiration!

“True Fire Dharmakaya...open...”

boom!

With a loud bang, the space between heaven and earth was instantly filled with flames, as if the flames were erupting from the ground!

Terrifying power, accompanied by flames, gushed out from under Chen Ping's feet!

Mu Qing was instantly blown away by this force, and even the Poro body behind him began to shake!

Mu Qing's face was red, and blood was flowing from the corners of his mouth!

However, Chen Ping did not stop. He held the Dragon-Slaying Sword in his hand, and flames surrounded his body!

Endless flames and breath burst out from the True Fire Method, continuously impacting the void, causing the entire void to tremble as if it was about to collapse!

## [The Man Decree] A Man Like None Other Chapter 4312

**[The Man Decree] A Man Like None Other Chapter 4312** – Chen Ping did not hold back this time, but wanted to see how powerful his True Fire Dharma Body was.

The terrifying aura of fire enveloped Chen Ping entirely. Everyone could only see the huge true fire body and could no longer see Chen Ping's figure!

“Oh my god, is this the power that a cultivator in the Tribulation Realm can unleash?”

“Monster, this Chen Ping is a complete monster...”

“What a spectacle! It's really a spectacle. A first-grade cultivator in the Mahayana realm was actually injured by a cultivator in the Tribulation realm, and he has no power to fight back at all?”

Everyone looked at Chen Ping in shock. They never expected this would be the result!

Everyone originally thought that Mu Qing could knock Chen Ping down with just three punches and two kicks!

But now it seems that the result is completely the opposite!

Tan Rongkun's face couldn't be uglier. He would never have thought that Chen Ping had such powerful strength!

Although he also knew that the Demon Sealing Alliance used a hundred-year offering to hunt down Chen Ping, that did not mean that Chen Ping, who was at the Tribulation Realm, could display strength that exceeded that of the Mahayana Realm!

Mu Qing gritted his teeth, wiped the blood from the corner of his mouth, and slowly merged into the Dharma body behind him. The long sword in his hand was instantly grasped in the hand of the Dharma body, and at the same time, the sword body increased by hundreds of times!

The huge blood sword slashed towards Chen Ping, and this time the sword light was obviously much brighter!

The power contained in the sword light made the road roar, with a force that could crush everything in its path. Although the speed was not fast, it could break everything with its force!

Boom boom...

Chen Ping's True Fire Dharma Body also took advantage of the situation and shot out a fire dragon, which instantly defeated the sword light, but Chen Ping's footsteps did not move at all!

"ah....."

Mu Qing was going crazy. He kept waving the sword in his hand, and sword beams fell towards Chen Ping like raindrops!

At this moment, Mu Qing's expression was distorted, and his whole body was filled with a brutal and murderous aura!

"You are no match for me. Why don't you kneel down and admit defeat? Now that ten moves have passed, I will take your head!"

After Chen Ping finished speaking, he suddenly rushed out of the flames and swung the Dragon-Slaying Sword in his hand!

boom!

Just this one sword is so powerful that it can swallow mountains and rivers and stir up a thousand-foot-long sword light!

The Dharma body, as big as a mountain, slowly disappeared under Chen Ping's sword!

Mu Qing's body appeared, but his eyes were wide open and his face was full of shock!

The blood-red sword in his hand instantly turned into blood mist and disappeared, and a thin blood-red line appeared from Mu Qing's neck!

Bang!

Mu Qing opened his mouth, but before he could say anything, his head fell directly onto the stage, and then his body fell heavily!

A ray of spiritual light flashed out from Mu Qing's body, but was shot out by Chen Ping with a ray of fire, which instantly enveloped the spiritual light!

“ah.....”

A shrill scream was heard. It was Mu Qing's soul!

He originally wanted to escape from his physical body. As long as a remnant soul was left behind, there was still hope that he could rebuild his physical body and survive.

But who would have thought that Chen Ping would not even let go of his soul. It was obvious that he wanted to kill him without any mercy!

“stop.....”

When Manager Liu saw this, he flew into a rage, and murderous intent instantly emerged!

The others also had looks of horror on their faces. No one noticed, but Mu Qing was killed, and even his remaining soul was not spared!

Manager Liu rushed towards the arena, but ran into the formation surrounding the arena, and his body was instantly blocked back!

Tan Rongkun was stunned on the spot and he didn't react at all.

He never expected that Mu Qing would die so quickly!

He was a first-grade master in the Mahayana realm, how could he die like this?

Even if he is defeated, he shouldn't be killed so easily, right?

This is totally off the mark.....

## [The Man Decree] A Man Like None Other Chapter 4313

**[The Man Decree] A Man Like None Other Chapter 4313** – “Mr. Chen is so majestic...”

When Ji Yun saw that Chen Ping won, he immediately shouted with joy!

The Palace Master of Guanghan Palace and others were also extremely excited. They were just worried about Chen Ping, but now they don't have to worry anymore!

“Mr. Chen is awesome, Mr. Chen 666...”

Shen Jizi was so excited that he was waving flags and shouting. He was going to win a lot of money this time!

Just as Shen Ji Zi was shouting, Manager Liu gave him a cold look, which scared Shen Ji Zi so much that he shut his mouth!

Pavilion Master Qian waved lightly towards a corner of the arena, and the formation around the arena disappeared instantly!

At the moment the formation disappeared, Manager Liu leaped up and attacked Chen Ping!

Everyone from the Mu family and Tan Rongkun also followed them onto the stage!

Upon seeing this, the Palace Master of Guanghan Palace hurriedly led many saint ladies of Guanghan Palace to rush forward!

The reason why she brought so many people here was to prevent the people from the Mu family from becoming desperate and then using their numbers to bully the minority!

Chen Ping faced Manager Liu who was attacking him, clenched his fists tightly, and punched out suddenly!

Thousands of golden lights burst out from Chen Ping's fist, and the terrifying power caused many monks around him to fly backwards!

Without the barrier of the formation, everyone could feel the power of Chen Ping's punch more clearly!

Manager Liu also frowned, waved his palms in front of his chest, and blocked Chen Ping's punch!

"Manager Liu, I said before the fight, it's a fight of life and death, leave it to fate, how can you ask for vengeance?"

Pavilion Master Qian also walked up to the stage and asked Manager Liu with a slightly frowned brow!

"He killed our young master. This Chen Ping must die. Otherwise, how can I explain to the head of the family?"

Manager Liu said with murderous eyes!

Now Mu Qing is the only child of the Mu family, and he has been killed by Chen Ping. Butler Liu doesn't know how to explain this to the Patriarch of the Mu family!

If Chen Ping is not left behind, when the head of the Mu family comes out of confinement, Steward Liu will definitely be punished!

"Liu, if you want to use your numbers to bully the minority, I am not afraid of you in Guanghan Palace. Do you think that the saints in Guanghan Palace are all vegetarians?"

The Palace Master of Guanghan Palace held an ice sword in his hand and spoke with murderous intent!

"Humph, your Guanghan Palace is nothing. If you dare to stop me, I will destroy your Guanghan Palace as well!"

Steward Liu didn't take Guanghan Palace seriously at all!

"Okay, let's give it a try!"

After the Palace Master of Guanghan Palace finished speaking, all the saints under her command drew their weapons, and bursts of icy air burst out from their bodies!

"Everyone, don't be impulsive. If you start fighting, the entire Nanjin City will suffer."

“What’s more, the last time you had a fight, even the Territory Lord showed up and warned you. If you provoke the Territory Lord in a large-scale fight this time, you know the consequences.”

“By then, Guanghan Palace and the Mu family won’t be able to keep anyone alive. If the Domain Lord wants to annihilate both of you, it won’t be a matter of a second.”

Pavilion Master Qian knew that his words were insignificant, so he brought the Domain Lord out!

Others may not know that the Domain Lord has appeared, but as the leader of the Wantong Pavilion branch, Pavilion Master Qian is very clear about it!

Sure enough, as soon as Pavilion Master Qian finished speaking, the Palace Master of Guanghan Palace and Steward Liu all looked at him!

The murderous aura of both of them was also restrained a lot!

After all, no one dares to make the Domain Lord unhappy, because that would not only mean seeking death, but also the extermination of the entire family!

After hesitating for a moment, Manager Liu put away his aura, looked at Chen Ping coldly and said, “Boy, you’ll just have to wish for the best. When our master comes out of seclusion, he will make sure you die miserably!”

After saying that, Manager Liu took Mu Qing’s body and left!

He didn’t dare to anger the domain lord. If he did, the Mu family would be completely finished!

It’s not like the matter can be resolved by just killing Mu Qing!

Manager Liu left without paying any attention to Tan Rongkun.

## [The Man Decree] A Man Like None Other Chapter 4314

**[The Man Decree] A Man Like None Other Chapter 4314** – Tan Rongkun looked at Chen Ping, turned around and left with his men. As for asking the

Mu family to help send some monks, Tan Rongkun would not mention it again. Mu Qing was dead, so there was no relationship between the Mu family and their Xuegu Sect!

Seeing that everyone had left, the Palace Master of Guanghan Palace finally breathed a sigh of relief. If a fight had really broken out just now, both sides would have suffered losses!

“Master Qian, thank you very much...”

Chen Ping followed Pavilion Master Qian to express his gratitude!

If Pavilion Master Qian hadn't stepped in, a fight might have really broken out!

“Mr. Chen, why are you thanking me? You are capable, but you'd better leave Nanjin City as soon as possible. If you wait for the head of the Mu family to come out of seclusion, I'm afraid you will be in trouble!”

Pavilion Master Qian said to Chen Ping!

“I understand!” Chen Ping nodded!

Of course, he would not be stupid enough to wait here for the head of the Mu family to come out and cause trouble for him!

He also had to rush back to the Soul Demon Sect, and then follow Sect Master Jiang to find the location of the Blood Bone Sect!

If he could collect enough bones of Demon Lord Chiyun and wait for him to recover his body, Chen Ping could rely on him and become invincible in the world of heaven and man!

“Mr. Chen, where are you going next? I can escort you!”

The Palace Master of Guanghan Palace asked!

Chen Ping told the Palace Master of Guanghan Palace about his itinerary. When the Palace Master of Guanghan Palace heard that Chen Ping was going to the Soul Demon Sect and then to find the Blood Bone Sect, she decided to take dozens of saint ladies with her!

Chen Ping did not refuse. After all, he did not know the strength of Sect Master Jiang's eldest and second brothers. More people meant more strength!

After saying goodbye to Pavilion Master Qian, Chen Ping took the Palace Master of Guanghan Palace and others to the airship in the square, ready to leave Nanjin City!

"Mr. Chen, Mr. Chen....."

Just when Chen Ping was about to board the airship and leave, someone suddenly called him!

Chen Ping took a look and found that it was Shen Ji Zi!

Shen Jizi ran over breathlessly and said to Chen Ping, "Mr. Chen, you bet on yourself and won, why don't you exchange it for spirit coins? I have already exchanged it and won a lot!"

After saying that, Shen Jizi patted his bulging purse, then took out a dozen purple gold coins and threw them to Chen Ping: "These are what I'm returning to you. Thanks to you, I won so much money!"

Looking at Shen Ji Zi's expression, Chen Ping smiled and said, "Wantong Pavilion has branches everywhere. I can go to other places to exchange. It will be fine."

"As for the fact that you won the money, it's because you have a good eye for talent. You deserve to win the money."

Shen Jizi smiled awkwardly. If he had not spent some time with Chen Ping and knew Chen Ping's strength, Shen Jizi would never have bet on Chen Ping!

After chatting with Shen Ji Zi for a few words, Chen Ping asked Ji Yun to start the airship and head towards the Soul Demon Sect!

The Palace Master of Guanghan Palace and those saints, almost none of them had ever ridden on an airship, so they were all very curious and kept looking around on the airship!

You can see the scenery outside through the porthole, and there are rooms for rest, sleep and practice!

I don't have to waste any of my spiritual energy, it's so comfortable!

"No wonder Wantong Pavilion is so financially strong, and no one dares to provoke it. It turns out that riding an airship is so comfortable."

"This Wantong Pavilion has many airships. Many cultivators want to ride on the Wantong Pavilion's airships. It costs a lot of money to ride once."

"Now we can ride on the airship without spending any money, it's really great..."

Lan Yingying said in shock!

"This airship is indeed very comfortable..." The Palace Master of Guanghan Palace said in shock!

"Ji Yun's family has quite a few of these airships. His family also uses airships to attract passengers and make money."

Chen Ping smiled slightly and said!

Upon hearing that Ji Yun had many such airships at home, many saints looked at Ji Yun in shock!

If it weren't for the rules of Guanghan Palace, many saints would have thrown themselves into Ji Yun's arms. Such rich second-generations are rare!

## [The Man Decree] A Man Like None Other Chapter 4315

**[The Man Decree] A Man Like None Other Chapter 4315** – After arriving at the Soul Demon Sect, Chen Ping introduced the Palace Master of Guanghan Palace to Sect Master Jiang!

After a few days of recuperation, Sect Master Jiang and the Soul Demon Sect's disciples are no longer in danger, and this is all thanks to Chen Ping's medicine!

Chen Ping and his companions did not stay in the Soul Demon Sect for too long, but were led by Sect Master Jiang to look for the Blood Bone Sect's base!

After all, Sect Master Jiang is from the same sect as them, so he knows everything about them, whether it is their aura or some of their habits!

Therefore, finding the Blood Bone Sect's base is not particularly difficult, it is just a matter of time!

While Chen Ping was leading everyone to look for the Blood Bone Sect's headquarters, Tan Rongkun gathered all the disciples inside the Blood Bone Sect!

Di Chongjing's body has also recovered, and he is sitting upright in the hall!

This time, Tan Rongkun was unable to bring back any monks, which caused the resources within the Blood Bone Sect to become seriously insufficient!

You have to know that these people practice by sucking human blood and gnawing on human bones!

"Second Brother, weren't you going to bring back some monks this time? Why did you come back alone?"

Di Chongjing asked!

"Oh, don't mention it. Mu Qing was killed in one second by a sword in the ring. How can I ask the Mu family for cultivators?"

"It seems that we can only rely on ourselves from now on, but once Senior Brother breaks through, we will have an easy time in the future!"

Tan Rongkun said!

"What? Killed in one blow? What kind of strength is the one competing with Mu Qing? How could he kill a first-grade Mahayana cultivator in one blow?"

Di Chongjing's face was full of disbelief!

"The seventh level of the Tribulation Realm, that is Chen Ping that the Demon Sealing Alliance is hunting down. This guy is really weird. He is clearly at the

seventh level of the Tribulation Realm, but his explosive power is terrifyingly high!”

“This guy is not only very powerful, but he has also condensed a Dharma body. That’s his true Dharma body. How strange!”

Tan Rongkun still felt a lingering fear when he recalled the duel between Chen Ping and Mu Qing. It was unbelievable!

“Seventh level of the Tribulation Realm? Killed Mu Qing in one strike?”

Di Chongjing frowned, and he also thought of Chen Ping, who had fought with him when he was in the Soul Demon Sect!

But he had never seen Chen Ping, didn’t know him, and didn’t know Chen Ping’s identity!

However, they are all at the seventh level of the Tribulation Realm. In the entire world of heaven and man, there are probably not many people at the seventh level of the Tribulation Realm who can kill a first level of the Mahayana Realm!

“Second Senior Brother, tell me what Chen Ping looks like. Could he be the young man I met in the Soul Demon Sect?”

“He was also at the seventh level of the Tribulation Realm, but I was no match for him at all. In the end, even his physical body was destroyed.”

Di Chongjing asked!

Upon seeing this, Tan Rongkun quickly described Chen Ping’s appearance in detail. When Di Chongjing heard it, he immediately widened his eyes and said, “Yes, it’s him. It turns out that this guy is Chen Ping. I was defeated by this guy.”

“No wonder he could kill Mu Qing in one blow. It turns out he has a lot of secrets.”

Di Chongjing frowned, his eyes full of anger!

“Damn it, this guy is the one who ruined the good thing. When I have the chance to meet him, I will kill him.”

“Right now we must practice as quickly as possible to improve our own strength, and the training resources provided to Senior Brother must not be cut off at this time.”

After Tan Rongkun finished speaking, he turned around and looked at the Blood Bone Sect disciple beside him and said, “How many cultivators do we have locked up now? Are they enough for Senior Brother to practice?”

“In reply to Second Uncle, we only have a dozen cultivators now, and many of them are in the Fusion Realm. There are only a few cultivators in the Tribulation Realm, and they are all second or third rank. Their strength is too low, and I’m afraid they won’t be able to hold on for long.”

The disciple told the truth!

When Tan Rongkun heard this, he frowned and said, “Come on, take me to see it...”

Soon, Tan Rongkun and his group walked towards the back of the Blood Bone Gate Hall!

## [The Man Decree] A Man Like None Other Chapter 4316

**[The Man Decree] A Man Like None Other Chapter 4316** – In a very strange formation, more than a dozen monks were imprisoned. These monks, both male and female, had fear on their faces!

Because there were hundreds of monks imprisoned with them at the beginning, but as time went on, the number became fewer and fewer, and in the end there were only a dozen or so left!

During this period of time, they also knew that the evil cultivators who captured them were all those who sucked human blood and gnawed human bones to practice, and were extremely cruel!

So when they saw Tan Rongkun bringing people here, these monks were all panicked. Some of them kept kneeling on the ground begging for mercy, pleading bitterly!

Some people tried to escape, but there was no way because their strength was too low!

Tan Rongkun looked at the monks in front of him without any expression in his eyes. He did not feel pity for these people at all!

The world of heaven and man is a world where strength is respected!

The weak are destined to be slaughtered!

“There are too few of these monks, and their cultivation is too weak. We must capture some more monks and bring them back. Otherwise, if we affect our senior brother’s retreat, we will be guilty of a great sin!”

Tan Rongkun said with a worried look on his face!

“Second Brother, I will take people to capture some monks and bring them back. If that doesn’t work, I will go to the foot of the mountain and destroy some small sects. This way, I can get a large number of monks.”

Di Chongjing said!

“No, unless it is absolutely necessary, we must not go to the foot of the mountain to arrest people. If we do this and cause panic, many sects will unite to deal with us. Wouldn’t that mean we will repeat the mistakes we made many years ago?”

“You should take people to the deep mountains of Tianmo Mountain to capture some monks. There will be a competition in Nanjin City this time, and many monks will go to Nanjin City to watch the battle and place bets.”

“It is estimated that many cultivators have begun to return. Some of them should go deep into the Demon Mountain. You can lead people to intercept and kill them halfway!”

Tan Rongkun instructed Di Chongjing!

If they go on arresting people on a large scale, it will definitely cause panic, and will also cause many sects to unite against them!

Tan Rongkun doesn't want this to happen, which is why Tan Rongkun has to go to the Mu family and ask them to help trick a group of monks into going up the mountain!

As long as they get here, these monks will be lambs to be slaughtered!

But who knew that something like this would happen? From then on, the Mu family would no longer be able to send monks to the Blood Bone Sect!

"I understand. I'll lead my men to set up an ambush right now!"

Di Chongjing nodded, then led his men away!

Chen Ping and his companions were being led by Sect Master Jiang to the location of the Blood Bone Sect!

"Mr. Chen, I think the Blood Bone Gate is not far away. I can clearly sense the evil aura."

"These guys must have killed a lot of people and piled up the bones everywhere!"

Sect Leader Jiang knew people like Di Chongjing, so he followed Chen Ping and said!

"I noticed it too. Although the evil aura is very faint, I can still feel it clearly."

"The direction we are looking for should be correct, but it's probably still quite far away!"

Chen Ping also sensed that evil aura!

But just after Chen Ping finished speaking, his brows suddenly frowned slightly, because he sensed that more than a dozen auras were coming towards him!

Moreover, these auras are not weak, and there are even masters in the Mahayana realm!

Chen Ping didn't understand why so many cultivators suddenly appeared in the depths of Tianmo Mountain?

As Chen Ping's spiritual awareness continued to spread, he soon discovered that Di Chongjing was among them!

He had fought with Di Chongjing before, so of course he knew this guy's aura!

"People from the Blood Bone Sect are coming this way!"

Chen Ping said!

"Mr. Chen, is that Di Chongjing? I didn't expect him to escape. Instead of hiding himself, he dared to wander around in Tianmo Mountain!"

Sect Leader Jiang was a little confused. Di Chongjing was too bold. He almost died, but he didn't even stop for a moment!

## [The Man Decree] A Man Like None Other Chapter 4317

**[The Man Decree] A Man Like None Other Chapter 4317** – "That's him!"  
Chen Ping nodded: "Let's hide first and see what this guy is going to do!"

"Palace Master, you take the Guanghan Palace Saintess and continue forward, pretending that you know nothing. Sect Master Jiang and I will hide."

"If Di Chongjing finds us, he will probably run away..."

Chen Ping decided to let the people from Guanghan Palace lure Di Chongjing to show up. He wanted to see what Di Chongjing was going to do!

"Okay." The Palace Master of Guanghan Palace nodded!

Chen Ping used a formation to block the aura of him, Sect Master Jiang and others to prevent them from being detected by Di Chongjing and others. Then he asked the Palace Master of Guanghan Palace to lead many saints to continue moving forward!

"Master, there seem to be people ahead, and quite a few..."

At this time, a disciple beside Di Chongjing said!

Di Chongjing closed his eyes slightly, then slowly opened them and said, "This group of cultivators are quite strong, and there is even a Mahayana master among them. Everyone, please be alert. If we capture these people, we will have the resources for our cultivation!"

After saying that, Di Chongjing led his men to quickly approach the Palace Master of Guanghai Palace and the others!

The aura of the Palace Master of Guanghai Palace has never been restrained. She deliberately let Di Chongjing and others notice it!

"Stop, who are you? Why are you here?"

Soon, Di Chongjing and his men met the Palace Master of Guanghai Palace and the others head-on, and then questioned them loudly!

When the Palace Master of Guanghai Palace saw Di Chongjing and the others, he was slightly stunned and said, "Who are you? This Tianmo Mountain is not your home. I can go wherever I want..."

The Palace Master of Guanghai Palace knew the background of Di Chongjing and others, so he was not polite at all!

"Hey, you're a female cultivator, but you're so arrogant..."

Di Chongjing didn't expect the Palace Master of Guanghai Palace to be so arrogant and seemed a little surprised!

"Master, these female cultivators are so pretty, don't waste your time talking to them, just capture them and let us have some fun."

"When we have enough fun, we will send him to practice. It won't affect anything anyway..."

A disciple of the Blood Bone Sect licked his lips and said!

Many people were drooling. They, the Blood and Bone Sect, used to hide here and there, and now they are based deep in the Demon Mountain and rarely move around!

I have met very few female cultivators, let alone slept with them!

“You useless thing, all you can think about is women!”

Di Chongjing glared at him, then looked at the Palace Master of Guanghan Palace and said with a smile: “Sister, since you have met us, it is fate. Let me tell you, this is our territory. If you want to pass through here, you will have to pay a price.”

“Your territory? Is it written with your family’s name?”

The Palace Master of Guanghan Palace snorted coldly!

“Little girl, why are you talking to our sect leader? Let me tell you, this area of hundreds of miles is our Blood Bone Sect’s territory.”

“This is the leader of our Blood Bone Sect. If you don’t behave yourself, I’ll eat you all...”

A disciple of the Blood Bone Sect said grimly!

“Blood Bone Sect?” The Palace Master of Guanghan Palace was stunned, then shook his head and said, “I’ve never heard of it. I guess it’s some kind of chicken-stealing and dog-stealing sect, not very famous!”

“What? You dare to say that our Blood Bone Sect has no reputation?”

Di Chongjing was instantly furious. In order to hunt down their Blood Bone Sect, the cultivators of the Tianmo Mountain generation had joined forces with many people!

Who didn’t know about the Blood and Bone Sect back then? Everyone would tremble all over when talking about the Blood and Bone Sect!

Although the Blood Bone Sect is much more low-key now, it is still possible that it is not famous!

However, what the Palace Master of Guanghan Palace said was indeed true, she didn’t know anything about the Blood Bone Sect!

After all, Guanghan Palace has existed for many times longer than the Xuegu Sect!

# [The Man Decree] A Man Like None Other Chapter 4318

**[The Man Decree] A Man Like None Other Chapter 4318** – “I’m not famous, I’m not famous, why can’t I say it?”

The Palace Master of Guanghai Palace said jokingly!

Di Chongjing was furious, frowning, staring at the Palace Master of Guanghai Palace and asking, “Who are you? How could you not know about our Blood Bone Sect?”

“Have you heard of Guanghai Palace?”

The Palace Master of Guanghai Palace asked!

“Guanghai Palace?” Di Chongjing was stunned, then nodded: “I’ve heard of it. It’s the sect that was established not long ago at the southernmost part of Tianmo Mountain.”

“Are you from Guanghai Palace?”

“Yes, I am the Palace Master of Guanghai Palace.” The Palace Master of Guanghai Palace nodded!

“Guanghai Palace is thousands of miles away from here, and it’s mostly mountainous terrain with monsters roaming around. What are you doing here?”

Di Chongjing didn’t understand. Guanghai Palace was at the southernmost part of Tianmo Mountain, so how did it end up here?

“That’s none of your business. I’ll go wherever I want...”

The Palace Master of Guanghai Palace said with a sneer!

Looking at Guanghai Palace’s fearless face, Di Chongjing hesitated for a moment, then waved his hand and said, “Okay, you guys go ahead...”

The Palace Master of Guanghan Palace was stunned and asked, "Didn't you say this is your territory? Are you not going to stop us?"

"I won't stop you. Just go!" Di Chongjing shook his head!

"Master, they..."

The Xuegu Sect disciple standing by was anxious!

If we let so many beautiful female cultivators go, it will be difficult to find them in the future!

"Shut up!" Di Chongjing glared at him, then lowered his voice and said, "I've heard about Guanghan Palace a long time ago. They are very powerful, and everyone in them knows ice-related skills. They might be able to freeze us all into little ice men."

"And I think the strength of the Palace Master of Guanghan Palace is not worse than mine. If we really fight, we don't know who will win or lose. Let them go first, and we will make plans after we go back to find Second Senior Brother!"

It turned out that when Di Chongjing heard that it was someone from Guanghan Palace, he felt a little scared. He was afraid that he would end up losing more than he gained, which would be troublesome!

Just let those people from Guanghan Palace go, and discuss what to do after contacting Tan Rongkun!

When the Palace Master of Guanghan Palace saw that Di Chongjing was going to let them go, she was a little at a loss for a moment. She thought that these guys would take action, and then Chen Ping and the others would rush out and catch the other side off guard!

But who would have thought that when he heard that they were from Guanghan Palace, he immediately became timid and wanted to let them pass!

"You guys from the Blood Bone Sect are just a bunch of cowards. We are all female cultivators, yet you don't even dare to take action."

"Are you scared by the reputation of our Guanghan Palace?"

The Palace Master of Guanghan Palace deliberately provoked Di Chongjing!

“You fucking...”

The Xue Gu Sect disciple nearby became anxious and was about to take action, but was stopped by Di Chongjing!

The more the Palace Master of Guanghan Palace provoked him, the more guilty Di Chongjing felt. He always felt that the other party was deliberately looking for trouble!

Di Chongjing, who had just had his body explode and almost died, is now much more cautious!

“A good man doesn’t fight with a woman, you guys go...”

Di Chongjing asked his men to make way!

The Palace Master of Guanghan Palace saw such provocation, but this guy did not take any action and even endured it!

“You are such a coward. You didn’t even dare to take action when provoked. Are you scared because you died once before?”

Seeing that Di Chongjing was too cautious, Chen Ping stopped hiding and walked out!

“Di Chongjing, your body has recovered very quickly? After dying once, you didn’t repent and even started robbing people on the road. You really bring shame to Master!”

Sect Leader Jiang looked at Di Chongjing and said with disgust!

When Di Chongjing saw Chen Ping, Sect Master Jiang and others, his face changed instantly!

He didn’t expect that the people from Guanghan Palace were actually together with the people from Soul Demon Sect!

“So it’s you guys, no wonder you want to provoke me to take action...”

After Di Chongjing finished speaking, he turned around and ran away, not caring at all about the disciples who were following him!

## [The Man Decree] A Man Like None Other Chapter 4319

**[The Man Decree] A Man Like None Other Chapter 4319** – When the disciples of the Blood Bone Sect saw Di Chongjing turn around and run away without paying any attention to them, they all looked confused!

They didn't know what was going on, and Di Chongjing ran away!

When the Blood Bone Sect disciples reacted and thought about escaping, they found it was too late. They had already been surrounded by people from the Soul Demon Sect and Guanghan Palace!

Sect Leader Jiang shouted angrily at Di Chongjing, "Di Chongjing, don't even think about escaping this time!"

Sect Leader Jiang was about to chase after him, but was stopped by Chen Ping!

"Master Jiang, let him run. We will follow him and find their lair!"

"This is more convenient, saving us from searching bit by bit ourselves!"

Chen Ping said to Sect Master Jiang!

"Okay!" Sect Master Jiang nodded, then looked at the Blood Bone Sect disciples and asked, "What should we do with these people?"

Chen Ping glanced at him, then said coldly: "Kill..."

As soon as Chen Ping uttered the word "kill", the people from Guanghan Palace and Soul Demon Sect took action!

The disciples of the Blood Bone Sect were howling like ghosts and wolves, without any fighting spirit at all!

They were few in number, and their leader had run away, so how could they have the morale to fight?

In just a few minutes, these dozen or so disciples of the Blood Bone Sect had their heads and bodies separated, deader than dead!

Chen Ping took the lead in chasing after Di Chongjing, and using the Fire Control Step, Chen Ping's body flashed away as if crossing time and space!

Sect Master Jiang and his men followed closely behind, chasing after Chen Ping along the marks left behind!

After running for a distance, Di Chongjing saw that no one was catching up with him, so he breathed a sigh of relief!

However, he also heard the screams of the disciples of the Blood Bone Sect, but at this time, no one could care about anyone else!

Di Chongjing didn't want to die again. He was lucky to escape last time. If he was caught again this time, there would be no way he could escape again!

But just when Di Chongjing had just breathed a sigh of relief, suddenly a breath of air was approaching rapidly from behind!

Di Chongjing was shocked and looked over suddenly, only to find that Chen Ping was coming towards him as if jumping through space!

That speed was extremely fast, much faster than his flying!

"Oh my god..."

Di Chongjing's face changed and he used all his strength to run away!

Soon, Di Chongjing fled back to the Blood Bone Sect, and then shouted at the top of his voice: "Second Brother, help, help..."

When Tan Rongkun heard the noise, he immediately led his men out of the hall, just in time to see Di Chongjing, whose face was ashen, coming back in a hurry!

"Junior brother, what's going on?" Tan Rongkun asked!

“Second Brother, it’s bad. Third Brother has brought people to kill us, and Chen Ping is among them, as well as a large number of people from Guanghai Palace.”

“These people are coming over soon, so we need to think of a solution quickly...”

Di Chongjing said anxiously!

“What?”

Tan Rongkun was startled, and then ordered loudly: “Go and activate the sect protection formation, don’t let these guys in!”

“Yes, sir!”

The disciples of the Blood and Bone Sect will soon start the sect protection formation!

At this moment, Chen Ping and his companions also arrived at the Blood and Bone Gate. Many people were shocked when they saw the white bones all over the ground!

How many people must have been killed to have so many skeletons?

At this moment, whether it was the Soul Demon Sect or the people from Guanghai Palace, they were all filled with anger and wished they could kill the people from the Blood Bone Sect immediately!

“I must kill these damn guys with my own hands, so as not to tarnish Master’s wisdom...”

When Sect Master Jiang saw this scene, he gnashed his teeth in hatred and wanted to rush in immediately!

However, the sect protection formation was activated, and they had no way of getting in. They could only enter the Blood Bone Gate after breaking the formation!

At this time, Tan Rongkun had already arrived with everyone, and they were facing each other across the sect protection formation!

# [The Man Decree] A Man Like None Other Chapter 4320

**[The Man Decree] A Man Like None Other Chapter 4320** – Chen Ping and his fellow Soul Demon Sect, together with the Holy Maiden of Guanghan Palace, have nearly a hundred people in total, and they are all very powerful!

Especially since the Palace Master of Guanghan Palace is also at the Mahayana realm. Although Chen Ping is only at the seventh level of the Tribulation Realm, his strength is obvious to all.

Sect Master Jiang has the strength of the ninth level of the Tribulation Realm, which makes him a master!

It seems that the strength of the Blood Bone Sect is a little weak.

There are only more than thirty disciples of the Blood Bone Sect now. The rest of the disciples were taken away by Di Chongjing, and none of them have returned.

Looking at the lineup of Chen Ping and his group, many disciples of the Blood Bone Sect began to change their expressions, and some of them even began to back down!

If Tan Rongkun and Di Chongjing were not still there, these disciples of the Blood Bone Sect would have run away long ago!

“Second Senior Brother, you followed Senior Senior Brother and actually colluded with Di Chongjing to do such a heinous thing.”

“When our master passed away, he warned us not to practice this kind of evil art anymore, but you didn’t listen at all.”

When Sect Leader Jiang saw Tan Rongkun, he immediately became furious and asked.

“Third Junior Brother, stop pretending to be so noble. You were the most favored by Master back then, and you had the highest talent and strength. You looked down on us.”

“But what about now? You are only at the ninth level of the Tribulation Realm. You can’t even beat Fourth Junior Brother, let alone me and Senior Junior Brother.”

“I’m telling you, the eldest brother is striving to reach the third level of the Mahayana realm. When that happens, he can kill you with just a flick of his finger.”

“I advise you to take your people and leave immediately. We don’t interfere with each other, and I don’t want to see my fellow disciples killing each other.”

Tan Rongkun wants Sect Leader Jiang to take his men away!

If a fight really breaks out, the Blood Bone Sect will be in danger, and their eldest brother’s retreat and practice will also be disturbed and stopped!

“Humph, I will never leave. You have killed so many people. I must kill you to comfort Master’s spirit in heaven.”

Sect Leader Jiang snorted coldly. He would never leave!

“You guys are so ridiculous that you want to kill us. You can’t even think of breaking this protective formation!”

Tan Rongkun knew that with the sect protection formation in place, it would not be easy for Chen Ping and the others to break into the Blood Bone Sect!

Sect Leader Jiang stopped talking, because he could also see that this mountain protection formation was indeed not easy to break. Now that they were isolated outside, it was impossible for them to kill the people from the Blood Bone Sect!

“You think you can stop us with this formation-breaking method?”

Chen Ping raised the corner of his mouth slightly!

“What? We are...”

Tan Rongkun was about to mock Chen Ping, but he saw Chen Ping slowly step forward and gently press one hand on the protective formation!

The originally solid protective sect formation actually began to tremble slightly under Chen Ping's palm, and then spider-web-like cracks formed visible to the naked eye!

Seeing that the sect protection formation was about to be broken, Tan Rongkun and others were completely stunned!

They had spent a large sum of money to hire a formation master to set up this protective formation, so how come it was broken so easily by Chen Ping?

Could it be that this guy also understands the formation?

Seeing that the sect protection formation was about to be broken, Di Chongjing became a little panicked!

“Second Brother, what should we do?”

Di Chongjing asked!

“What else can we do? We have to fight them. We must hold on. As long as our eldest brother breaks through to the third level of the Mahayana realm and comes out of retreat, none of these people will survive!”

Tan Rongkun's eyes were full of ruthlessness, and then he suddenly jumped up!

Seeing this, Di Chongjing and others also rushed forward!

Tan Rongkun was seen waving his hands, and blood mist filled the air all around. From the white bones of the Blood and Bone Sect, evil energy continued to gather!

Soon, these evil spirits turned into four strange monsters.

These monsters are huge in size and exude an extremely violent aura!
