

[The Man Decree] A Man Like None Other Chapter 4321

[The Man Decree] A Man Like None Other Chapter 4321 – The monsters are transformed from evil spirits, so even if Chen Ping takes out the divine beasts, these monsters will not be afraid, after all, they are not real monsters!

“Second Brother is so powerful...”

Seeing Tan Rongkun’s methods, Di Chongjing suddenly shouted excitedly!

The other disciples of the Blood Bone Sect were also overjoyed. They calmed down a lot and were filled with murderous aura!

You must know that this is the Blood Bone Sect, it is their territory, their home ground!

Here, there is an endless amount of evil energy!

Sect Master Jiang could no longer hold back at this moment, and the aura on his body continued to surge violently!

The moment the sect protection formation was broken by Chen Ping, he immediately rushed forward with the disciples of the Soul Demon Sect!

“kill.....”

Sect Master Jiang led the Soul Demon Sect’s disciples and charged directly!

Upon seeing this, the Palace Master of Guanghan Palace immediately took dozens of saint ladies to take action.

The people from the Blood and Bone Sect were also full of fighting spirit and charged forward with roars!

Especially the four strange monsters, they roared continuously, and the entire Blood Bone Sect seemed to be shaking!

A melee is about to break out, and all kinds of violent auras are surging between heaven and earth!

Strands of frost fell from the sky, causing the temperature in the Blood Bone Gate to drop sharply to an extreme point. This was because the people in the Guanghan Palace were using ice-based skills!

In the sky, snowflakes began to fall, and the snowflakes merged with the white bones, making it impossible to distinguish one from the other!

Chen Ping jumped up and started fighting with Tan Rongkun!

The Palace Master of Guanghan Palace also went straight to Di Chongjing, and they started fighting instantly!

The remaining disciples of the Blood Bone Sect, although helped by four strange monsters, were soon besieged by nearly a hundred cultivators and were at a disadvantage!

“Boy, you are the one who destroyed my fourth junior brother’s body. You also killed Mu Qing. Although Mu Qing is not a disciple of our Blood and Bone Sect, he also has a cooperative relationship with us.”

“Today, all the old and new hatreds have come together. I’m going to take care of you...”

Tan Rongkun glared at Chen Ping and said!

“Humph, you? You’ve seen what happened to Mu Qing. You’ll end up like him today!”

Chen Ping snorted coldly!

“What a joke! How can Mu Qing compare to me?”

“In the Blood Bone Sect, I can kill you even if I don’t do anything. Don’t forget that this is my territory.”

After Tan Rongkun finished speaking, he suddenly thrust his hands under his feet!

His hands were inserted directly into the white bones under his feet. You should know that the entire Blood Bone Gate is covered with bones, and there are even several bone mountains!

Every bone here represents a person's life!

"Come out, my dearest friend..."

Tan Rongkun shouted loudly!

I saw a blood-red aura continuously gushing out from Tan Rongkun's body, and then flowing through his palms into the white bones on the ground!

Boom boom...

Suddenly, the entire Blood and Bone Sect trembled as if there was a major earthquake!

This made everyone stop and look in surprise!

Boom boom...

The loud noise continued, the whole world was shaking, and the bone mountain not far away was also trembling, and white bones fell down with a crash!

Click, click, click...

Soon, under Tan Rongkun's feet, a crack appeared on the white bones!

From that gap, streams of sinister and cold aura continuously emanated, covering the surroundings!

This evil aura is much colder than the ice-based skills in Guanghan Palace!

boom!

A body dozens of meters in size, made of bones, crawled out from the crack!

The body of this white-bone giant reflected white light, and on the chest, there was actually an enormous gem inlaid. The gem was blood red and emitted a blood red light!

The head of this white-bone giant is also a skull, but there is a red light emanating from his eyes, and this red light contains a bloodthirsty murderous intent!

[The Man Decree] A Man Like None Other Chapter 4322

[The Man Decree] A Man Like None Other Chapter 4322 – Under those bloodthirsty eyes was a gaping bloody mouth, like a bottomless abyss.

Chen Ping is like an ant in front of this white-boned giant!

Boom boom...

Suddenly, lightning struck continuously from the sky, all striking the white bone giant!

However, the lightning did not cause any harm to the white-bone giant. Instead, it made the aura in his body stronger and stronger!

Looking at the terrifying giant that suddenly appeared, everyone around was panicked and kept retreating!

The disciples of the Blood and Bone Sect were all excited and cheered!

The aura of the bone giant continued to burst out, and the terrifying pressure made Sect Leader Jiang and the others feel suffocated!

“Chen Ping, this is a white bone giant cultivated by our Blood Bone Sect, and this white bone giant has the aura of three tribes.”

Tan Rongkun looked at Chen Ping with a sneer!

Because the bones on the body of this bone giant are made up of human cultivators, demon cultivators and beastmen. The Blood Bone Sect practices, no matter what the other party's identity is!

“Second Brother, don't waste your words on him. Let the Skeleton Giant tear him apart right now!”

Di Chongjing spoke loudly to Tan Rongkun!

Tan Rongkun nodded, then waved his hand and said, “Kill them...”

As soon as Tan Rongkun gave the order, the white bone giant looked at Chen Ping, and the red light in his eyes shot straight at Chen Ping!

“Mr. Chen...”

Upon seeing this, Sect Leader Jiang and Palace Master of Guanghan Palace immediately became panicked!

“Don’t make a move, any of you. If I can’t take down the Blood and Bone Sect, you can forget about staying in the Heavenly Realm anymore!”

Chen Ping told Sect Leader Jiang and the others not to allow anyone to help him, as he wanted to deal with the bone giant himself!

boom!

The bone giant took action, and a stream of icy evil energy spewed out from his mouth, heading straight for Chen Ping!

whoosh!

Chen Ping instantly turned into a golden light and flashed away!

The icy evil spirit did not hit Chen Ping, but directly froze the place where Chen Ping was standing!

The cold air continued to envelope the surroundings. This icy evil spirit was much more powerful than the cold air emitted by the Guanghan Palace’s ice-based skills!

Looking at the frozen place, Chen Ping raised his lips slightly: “Ice cold evil spirit, I am not afraid of these...”

After Chen Ping finished speaking, he instantly turned into a meteor and rushed towards the white bone giant!

Chen Ping held the Dragon-Slaying Sword in his hand, and the sound of breaking through the air continued to ring!

Facing Chen Ping, the white bone giant raised his right palm, and icy arrows shot out from his right palm!

Seeing this, Chen Ping did not dodge, but instantly swung the Dragon-Slaying Sword in his hand!

boom!

The golden sword energy whizzed out and collided directly with the ice arrows!

The two auras collided with each other, causing a violent explosion!

White ice mist began to spread continuously amid the explosion, directly obscuring Chen Ping's figure!

Chen Ping took advantage of this and dodged to the side in an instant, swinging the Dragon-Slaying Sword in his hand again!

This sword is even more powerful than the previous one.

The sword energy slashed towards the right palm of the white bone giant, as fast as lightning!

Swish!

Everyone saw a flash of golden light, and then the right palm of the bone giant was chopped off!

The bony palm fell heavily to the ground!

The bone giant roared and slapped Chen Ping with his left palm, but Chen Ping dodged it nimbly!

“Humph, this white-bone giant is nothing more than this...”

Chen Ping snorted coldly!

But when Tan Rongkun saw that the white-bone giant had one of his hands cut off by Chen Ping, he was not surprised or panicked at all, but had a mocking sneer on his face!

When Chen Ping saw Tan Rongkun's expression, his brows couldn't help but frown, and then he saw the white-bone giant thrust the broken arm straight into the ground!

The ground was covered with piles of white bones, and the bone giant inserted his broken arm into the bones!

There was a flash of red light, and the broken palm of the bone giant was instantly restored!

[The Man Decree] A Man Like None Other Chapter 4323

[The Man Decree] A Man Like None Other Chapter 4323 – “Chen Ping, I forgot to tell you that as long as our bone giant has bones, you can’t kill him. He can be reborn.”

Tan Rongkun said to Chen Ping proudly!

Chen Ping did not say anything, but there was no surprise or shock in his eyes. Even if this bone giant could be reborn, Chen Ping seemed to be absolutely sure!

As if sensing Chen Ping’s disdain, the bone giant let out a huge roar!

“roar.....”

The bone giant roared towards the sky, and his huge body made up of countless bones exuded a terrifying aura.

A faint green flame flickered in its empty eye sockets, and its right claw swung towards Chen Ping fiercely.

“Whoosh!”

Chen Ping’s figure shuttled across the ground like a ghost, but the range of the bone giant’s attack was too large, and he was unable to avoid it completely.

He turned sideways, clenched his left fist, and struck hard at the bone giant’s claw arm.

“boom!”

A powerful force burst out from Chen Ping's fist, colliding with the claw arm of the bone giant, making an earth-shaking sound.

The bone giant's claw arm trembled slightly from the punch, and some small bone fragments fell from it.

"Humph! Today, you, the bone giant, will die here."

Chen Ping said in a cold voice, holding the Dragon-Slaying Sword in his right hand, the sword body flashing with a sharp cold light, and he stabbed hard at the leg of the bone giant.

"Crack!"

The Dragon-Slaying Sword pierced into the leg bones of the white-bone giant, and cracks instantly appeared on the leg bones.

"Ahh..."

The bone giant felt the pain and roared angrily.

It raised its other foot and stomped hard at Chen Ping.

"Bang, bang, bang..."

Chen Ping jumped backwards quickly, leaving a deep footprint on the ground every time he landed.

He pushed hard with his feet, jumped high, grasped the hilt of the sword with both hands, and stabbed straight at the head of the skeleton giant.

"boom!"

When the tip of the sword touched the skull of the bone giant, a dazzling light burst out. The light contained powerful force, which blasted a big hole in the skull of the bone giant.

"Since you are so durable, I will give you something more powerful."

Chen Ping's eyes flashed, and the spiritual power in his body began to circulate wildly, and a faint golden light appeared on his body.

“cut!”

Chen Ping swung the Dragon-Slaying Sword, and a golden wave of spiritual power surged towards the bone giant.

“boom!”

The wave blade slashed fiercely on the bone giant, knocking its huge body back several steps.

“Second Brother, if you don’t attack now, when will you attack?” Di Chongjing on the side shouted coldly.

Di Chongjing formed seals with his hands and muttered something. A black shadow flew out from his hands and shot rapidly towards Chen Ping’s back.

At the same time, Tan Rongkun also moved. He flashed like a black lightning, holding a black dagger in his hand, and stabbed towards Chen Ping’s side.

“Mr. Chen, be careful...”

Sect Leader Jiang and Palace Master of Guanghan Palace were immediately shocked and reminded Chen Ping!

They didn’t expect that Di Chongjing and Tan Rongkun would actually launch a sneak attack. They were simply shameless!

Sect Leader Jiang and the others also wanted to jump up and help Chen Ping, but were stopped by Chen Ping with a wave of his hand!

“Humph! Do they think they can sneak attack me like this?”

Chen Ping snorted coldly. Although his attention was on the bone giant, he was prepared.

His body suddenly spun in the air like a top.

“Dangdangdang!”

Di Chongjing’s shadow attack and Tan Rongkun’s dagger attack were both blocked by Chen Ping.

Di Chongjing and Tan Rongkun were both very surprised. They didn't expect Chen Ping to react so quickly!

At this time, the bone giant took advantage of this opportunity and launched another attack.

It opened its huge mouth, and a black ball of energy condensed in its mouth.

[The Man Decree] A Man Like None Other Chapter 4324

[The Man Decree] A Man Like None Other Chapter 4324 – “roar!”

The bone giant roared, and the black energy ball blasted towards Chen Ping.

“It's not easy to hurt me.” Chen Ping crossed his hands in front of his chest, and the golden light on his body became more intense.

“Indestructible golden body!”

Layers of golden scales covered Chen Ping's entire body. The black energy ball hit the indestructible gold body, causing a violent explosion.

“Boom boom boom...”

Although the indestructible golden body blocked the energy ball, it was also shaken and some cracks appeared.

“You two, since you dare to attack me, I will deal with you first.” A hint of murderous intent flashed in Chen Ping's eyes.

He flashed and rushed towards Di Chongjing and Tan Rongkun.

Di Chongjing and Tan Rongkun were shocked. They didn't expect that Chen Ping would dare to attack them while facing the bone giant.

“Get out of here!” Di Chongjing shouted, and he and Tan Rongkun quickly retreated.

At the same time, he ordered the bone giant to stop Chen Ping.

“roar!”

The bone giant roared again, and its body began to change.

The already huge body became even bigger, and the white bones became even thicker.

Seeing this, Chen Ping actually put away the Dragon-Slaying Sword and clenched his fists.

“I will use my fists to beat this bone monster of yours into pieces.”

“boom!”

The bone giant rushed towards Chen Ping, and every step it took caused the earth to shake violently.

Chen Ping also rushed towards the bone giant. Although his body was much smaller than the bone giant, the aura he exuded was not weaker at all.

“Bang, bang, bang...”

The fists and claws of the two men collided again, making bursts of loud noises.

Chen Ping’s fists fell on the skeleton giant like raindrops. The skeleton giant was not to be outdone and kept waving its claws at Chen Ping.

“Ka-ka-ka...”

Chen Ping’s fist was so powerful that some of the bones of the skeleton giant began to break.

“Holy Light Fist!” Chen Ping shouted, and all the spiritual power in his body gathered in his right fist, and he hit the skeleton giant’s chest hard.

“boom!”

This punch directly blasted a big hole in the chest of the skeleton giant.

“Ahh...”

The bone giant roared in pain and its body began to shake.

“It’s not over yet!” Chen Ping took advantage of the victory and pursued the opponent. He flashed and jumped behind the skeleton giant.

He grabbed the skeleton giant’s spine with both hands and twisted it hard.

“Crack!”

The spine of the bone giant was twisted by Chen Ping, and its huge body collapsed with a loud bang.

As he collapsed, gusts of wind blades suddenly rolled up around Chen Ping’s body, turning all the white bones into powder.

In this case, no matter how capable Tan Rongkun is, even if this bone giant can be reborn, he will not be able to recover!

The bone giant fell down, but the red spirit stone on his chest was still flickering in the air!

Tan Rongkun jumped high, opened his mouth wide, and suddenly sucked the red spirit stone into his body!

“Second Brother.....”

When Di Chongjing saw this, he was shocked, because he was the only one who knew the function of this red spirit stone!

There was a bright red glow on Tan Rongkun’s chest, and he looked extremely ferocious!

“Chen Ping, you destroyed our Skeleton Giant. I will make you pay the price...”

Tan Rongkun raised his hand high and swung it downward with all his strength!

A red light flew out from Tan Rongkun’s palm, and the light became bigger and bigger, finally covering Chen Ping completely!

The terrifying pressure continued to approach Chen Ping!

Chen Ping had no expression on his face and slowly raised his right hand!

“I can destroy your Skeleton Giant, and I can also destroy you...”

Chen Ping’s fist was wrapped in golden light!

“Holy Light Fist...”

Chen Ping once again used the Holy Light Fist, which is Fengmo’s unique skill. Its power is constantly increasing with Chen Ping’s strength!

[The Man Decree] A Man Like None Other Chapter 4325

[The Man Decree] A Man Like None Other Chapter 4325 – boom!

When Chen Ping threw this punch, the sky and the earth were filled with golden light, and the golden light and the red light collided with each other!

The red light that Tan Rongkun burst out also instantly became dim and colorless under Chen Ping’s Holy Light Fist, and was finally completely swallowed up by the golden light!

Chen Ping jumped up from the ground and quickly went towards Tan Rongkun!

“I don’t care what evil skills you use, everything is in vain in front of me!”

Chen Ping was in mid-air, golden light blooming on his body, and the Dragon-Slaying Sword appeared in his hand again!

This time, the Dragon Slaying Sword not only emitted golden light, but also burned with raging flames!

Spiritual power, original power, and dragon power were all injected into the Dragon-Slaying Sword by Chen Ping!

The Dragon-Slaying Sword made a buzzing sound, as if it could not contain its own bloodthirsty aura!

The Dragon-Slaying Sword chopped down on the head, and the terrifying sword energy turned into a golden dragon, roaring and rushing towards Tan Rongkun!

Feeling Chen Ping's sword, Tan Rongkun widened his eyes and his pupils suddenly contracted!

Because the power of this sword is so terrifying, it is much more powerful than when Chen Ping faced Mu Qing on the ring!

“Blood Spirit Escape...”

Although Tan Rongkun was at the second level of the Mahayana realm, he did not dare to take Chen Ping's sword head-on!

I saw a red light coming out of his chest, and then his whole body turned into a ball of blood mist and disappeared!

Swish!

Chen Ping's sword slashed directly into the air, and the void in front of him was cracked by the sword!

Everyone present could feel the power of Chen Ping's sword and the murderous intent.

Di Chongjing and others were even more tense, and those disciples of the Blood Bone Sect were all shocked at this moment!

They could never have imagined that a seventh-grade cultivator in the Tribulation Realm would not take a second-grade Mahayana Realm expert seriously at all!

He even beat the opponent so hard that he dared not to fight back. This was too outrageous and deeply shocked the cognition of the disciples of the Blood Bone Sect!

He even beat the opponent so hard that he dared not to fight back. This was too outrageous and deeply shocked the cognition of the disciples of the Blood Bone Sect!

Chen Ping ignored the reactions of the crowd, but turned around and looked around, looking for any trace of Tan Rongkun!

No one knows what the red spirit stone that this guy swallowed is, but it can actually make people disappear instantly!

However, Chen Ping knew that Tan Rongkun definitely did not have the ability to teleport, and he must have used some kind of skill to make his body disappear!

Chen Ping tried to use his spiritual sense to detect Tan Rongkun's aura, but after the detection, Chen Ping was a little surprised, because the entire Blood Bone Sect was filled with Tan Rongkun's aura.

It was as if Tan Rongkun and the white bones of the Blood and Bone Sect had merged into one, and it was impossible to find Tan Rongkun's exact location!

"Chen Ping, I've told you before, this Blood and Bone Sect is my territory, you can never defeat me."

"The entire Blood Bone Sect is me, and I am the entire Blood Bone Sect..."

Tan Rongkun's voice came from all directions, his tone full of ridicule and disdain!

Chen Ping held the Dragon Slaying Sword in his hand and suddenly swung it to the left and right. The sword energy was running wild and flying through the Blood Bone Gate at a high speed!

When the sword energy disappeared, Tan Rongkun did not show up.

"Hahaha, I've already said it, I am the entire Blood Bone Sect. How can you hurt me with your sword energy..."

Tan Rongkun sneered!

This time, Chen Ping really felt a little tricky. This Tan Rongkun did not use a shielding array to hide himself!

If it was a magic circle, Chen Ping could easily discover it and break it!

But now Tan Rongkun is not using a magic circle or space jump to escape, and his aura is spread throughout the entire Blood Bone Sect. It is impossible to find him by relying on the aura!

“This guy is using the Blood Spirit Escape, which is also a technique from the heavens.”

“After the great war between gods and demons, it seems that there are many celestial arts techniques left in this world of celestial beings.”

At this time, Demon Lord Chiyun spoke!

[The Man Decree] A Man Like None Other Chapter 4326

[The Man Decree] A Man Like None Other Chapter 4326 – “Senior, do you know what this Blood Spirit Escape is?”

Chen Ping asked in surprise!

“I know something!” Chiyun Demon Lord nodded, and then continued: “This Blood Spirit Escape is not to make people invisible, but to turn this guy’s body into countless tiny blood drops.”

“These tiny blood drops are all around, so you will find that this guy’s breath is everywhere.”

“But this guy’s Blood Spirit Escape has not been practiced to the home, only the body is divided, and the soul is still a whole.”

After Chiyun Demon Lord finished speaking, Chen Ping immediately thought of a way!

So this is the case. This is the first time Chen Ping has encountered this kind of skill!

I saw Chen Ping’s forehead suddenly flashing red, and then an extra eye appeared!

Soon, the entire Blood Bone Gate turned into a gray piece in Chen Ping's eyes!

The Tianming Eye was opened by Chen Ping. As long as the Tianming Eye was opened, Tan Rongkun's soul would never hide!

At this moment, Chen Ping could see countless tiny blood drops floating in the air in his eyes!

Tan Rongkun's soul was hiding on the bone mountain not far away!

Chen Ping hadn't thought of this at all, so he was fooled by this guy. If Chen Ping's consciousness spread over a larger area and searched more carefully, it's not that he couldn't find this guy's soul!

At that time, he found that the world was full of Tan Rongkun's breath, and he was a little confused, and let this guy pretend!

At this time, Tan Rongkun saw that Chen Ping's forehead suddenly had an extra eye, and he felt very strange!

But he didn't know what the Tianming Eye was! He

just felt that the place where he was hiding seemed to be stared at, and he felt a little uncomfortable!

Before Tan Rongkun figured it out, a sword energy suddenly attacked!

Boom!

The whole bone mountain exploded instantly, and Tan Rongkun was also instantly blown away by the sword energy!

At the moment when Tan Rongkun was bounced away, countless tiny blood drops around him began to condense! In an

instant, he became Tan Rongkun's appearance, and Tan Rongkun's soul quickly returned to the flesh!

Without the flesh, if only the soul was left, the strength would be greatly reduced, and then Tan Rongkun would be even less able to fight with Chen Ping!

“What kind of magic did you use to discover my existence?”

Tan Rongkun stared at Chen Ping and asked incredulously!

The eyes that appeared on Chen Ping’s forehead gave people a breathtaking feeling!

“With your little trick, it’s okay to deceive others, but it’s not that easy to deceive me!”

Chen Ping sneered!

Tan Rongkun stared at Chen Ping, then opened his hands, and the entire Blood Bone Gate shook!

Then the broken bones began to condense into a big ball between Tan Rongkun’s palms!

At the same time, Tan Rongkun’s chest flashed red, and then he threw the ball in his hand fiercely towards Chen Ping!

Chen Ping raised the corner of his mouth and clenched his right fist!

Boom!

Chen Ping’s fist flashed with golden light, and he punched out!

The huge golden fist shadow smashed towards the big ball!

The fist shadow rapidly enlarged in the air, and finally became as big as the big ball!

With a deafening roar, the big ball exploded directly and turned into powder and scattered!

Whoosh!

In the midst of the powder, Chen Ping suddenly rushed towards Tan Rongkun!

Chen Ping was so fast that he was in front of Tan Rongkun in the blink of an eye!

Bang!

Tan Rongkun had no time to react and was hit hard by Chen Ping's punch!

Tan Rongkun's body quickly flew backwards, and a bowl-sized wound appeared on his chest!

However, the wound was recovering at a speed visible to the naked eye!

"Hahaha, you can't kill me, my body can turn into thousands of blood mists, so no matter how you attack, you can't hurt me!"

Tan Rongkun laughed!

"Really?"

Chen Ping saw that Tan Rongkun's body could turn into blood mist at any time, and could condense at any time. If he wanted to kill Tan Rongkun, he must first prevent him from turning into blood mist!

[The Man Decree] A Man Like None Other Chapter 4327

[The Man Decree] A Man Like None Other Chapter 4327 – Suddenly, a flame flickered in Chen Ping's palm, but the flame was not red, nor blue, but white!

Seeing that Chen Ping was actually planning to use the Ultimate Fire to attack him, Tan Rongkun said with a smile: "Even if it is the Ultimate Fire, don't think you can hurt me at all."

Chen Ping ignored him, but the flame in his palm grew stronger and stronger!

But what was strange was that Chen Ping's flames were rising, but the temperature around him was dropping rapidly!

The sky and the earth seemed to be frozen. Even the falling snowflakes were frozen in mid-air, motionless!

So people felt the cold and had to burst out the spiritual power in their bodies to resist the severe cold!

“What’s going on? This breath is even colder than the evil spirit?”

Di Chongjing asked in great confusion!

Tan Rongkun also didn’t understand where this cold air came from. There was clearly a flame dancing on Chen Ping’s palm, but he didn’t feel a trace of heat. Instead, he felt a breath that was colder than the evil energy!

Before Tan Rongkun could react, the flame in Chen Ping’s hand had already flew out of his hand!

“Since you said you’re not afraid of fire, let’s give it a try. I hope you won’t be scared away!”

Chen Ping mocked Tan Rongkun!

“Humph, just a fire, how could I be scared away!”

Tan Rongkun snorted coldly, red light flashed on his body, and his aura continued to surge!

Chen Ping was deliberately provoking this guy. As long as Tan Rongkun dared to touch the extremely cold ice flame, he would definitely be frozen!

By then Chen Ping will be able to kill Tan Rongkun easily!

The frozen body has no way of splitting into thousands of blood mists!

As expected, Tan Rongkun was fooled. He gathered spiritual energy in his palm and then suddenly swung it towards Chen Ping’s extremely cold ice flame!

He planned to stop the fire with just one palm!

But just as the extremely cold ice flame was getting closer and closer to Tan Rongkun, Tan Rongkun always felt that something was not right!

Because the cold was getting stronger and stronger, the ground under his feet was already frozen, and his feet were frozen to the ground!

But at this point, it was too late for Tan Rongkun to escape, and he could only block the extremely cold ice flame in front of him!

boom!

The spiritual energy released by Tan Rongkun's palm instantly collided with the extremely cold ice flame!

The spiritual energy released by Tan Rongkun's palm instantly collided with the extremely cold ice flame!

At the moment of contact, Tan Rongkun's spiritual energy suddenly condensed into ice, and it could be clearly seen that it turned into an icy mist in mid-air!

And this icy breath, along with Tan Rongkun's spiritual energy, went directly into his body!

Tan Rongkun trembled all over, and then his palms began to freeze!

"My hand, my hand..."

Tan Rongkun looked at his palm in surprise!

Soon, the frost spread from the palms to the body, then to the feet, and finally to the head!

Until the end when Tan Rongkun was frozen in the ice, his eyes were still wide open, his mouth was open, and his eyes were filled with fear!

Amid the incredulous gazes of the crowd, Chen Ping slowly walked in front of Tan Rongkun and then gave him a gentle push!

Boom.....

Tan Rongkun's frozen body fell down, and then shattered into many pieces!

And at the moment the body shattered, a black shadow rushed out quickly!

This is Tan Rongkun's soul. His physical body is completely finished now. Tan Rongkun's soul is planning to escape!

Looking at the soul of Tan Rongkun that was about to escape, Chen Ping waved his hand again, and this time it was a ball of red fire!

The fierce flames instantly devoured Tan Rongkun's soul!

Tan Rongkun screamed, and soon his voice gradually faded away!

Di Chongjing and the people from the Blood Bone Sect stared blankly at the scene in front of them!

These people were dumbfounded. They never expected that Chen Ping would kill Tan Rongkun so quickly!

He is a cultivator of the second stage of Mahayana realm!

“Escape back to the palace...”

Di Chongjing reacted quickly, then swung his sword with all his might, creating gusts of wind!

Then he took the remaining disciples of the Blood and Bone Sect and fled desperately towards the Blood and Bone Sect's main hall!

[The Man Decree] A Man Like None Other Chapter 4328

[The Man Decree] A Man Like None Other Chapter 4328 – “Don't let them escape, kill them...”

Upon seeing this, Sect Master Jiang roared and led the Soul Demon Sect's people to kill the Blood Bone Sect's disciples!

The Palace Master of Guanghai Palace also brought the Holy Maiden of Guanghai Palace to chase after him!

Chen Ping frowned slightly, looking carefully at the fleeing Di Chongjing. This guy was only at the first level of the Mahayana realm, and he was defeated by him. It was obvious that he was no match for him. But he did not run away, but fled towards the main hall!

Isn't this a trap for them? Is there something strange in the hall, or some secret passage or teleportation array?

While Chen Ping was hesitating, Di Chongjing had already led his men into the hall, and Sect Master Jiang and his men also led their men to chase after them!

"Don't chase me, don't enter that hall..."

Seeing this, Chen Ping hurriedly gave a loud reminder!

But Chen Ping's reminder was too late, Sect Master Jiang had already led the Soul Demon Sect's people into the hall!

When Di Chongjing saw Sect Master Jiang and his men rushing in, the corners of his mouth suddenly raised, his eyes full of pride!

"Brother, you are so stupid. You dare to chase me. Since you want me to die so much, I won't be polite!"

After Di Chongjing finished speaking, he actually took out a token from his arms and crushed it!

As the token shattered, a blood-red atmosphere suddenly filled the hall!

"Di Chongjing, don't forget that we are from the same sect. It is impossible for you to use this blood mist against me!"

Sect Master Jiang was not afraid at all. After all, he also had a way to break through the blood mist!

"Hahaha, Brother, you are too naive. Can you break through this blood mist?"

Di Chongjing laughed loudly, and soon some dark green aura emerged from the blood mist, and soon Sect Master Jiang and the others were enveloped!

Upon seeing this, Sect Leader Jiang hurriedly took out a token and crushed it. These were all passed down by their master!

But after Sect Master Jiang crushed the token, the blood mist mixed with dark green aura did not dissipate!

When Sect Leader Jiang saw this, his expression suddenly changed!

“It’s so cold, so cold...”

“It’s so cold, so cold...”

Some disciples of the Soul Demon Sect began to tremble!

The temperature of the entire hall was dropping rapidly, and the evil aura was rising all around!

Di Chongjing and the people from the Blood Bone Sect had long disappeared. One could only hear their voices but could not see them at all!

“Everyone, don’t panic, let’s get out...”

Sect Master Jiang knew that he could only retreat first. Perhaps Chen Ping could break through the blood mist!

But Sect Leader Jiang led his men to retreat continuously, only to find that they could not find the exit at all!

“Brother, don’t waste your energy. You can’t get out at all. This is the evil ghost array set up by the eldest and second brothers. It is perfect with the blood evil token given by the master. Don’t even think about escaping!”

After Di Chongjing sneered, a cold wind blew past!

The blood mist around it rolled violently, like boiling water, and began to shake continuously, and the entire void trembled along with it!

Sect Leader Jiang and his companions felt the fear and pressure of hell!

At this moment, they all felt like they were in hell, with countless evil spirits surrounding them!

Soon, the dark green aura in the blood mist began to condense and then turned into huge monsters!

There were dozens of ghosts, all covered with hair, like green-haired men!

The appearance of these ghosts instantly made everyone in the Soul Demon Sect nervous!

But there is no escape, so I can only face it!

“Don’t be afraid, these are just bluffs. Mr. Chen must be out there trying to save us!”

After Sect Leader Jiang finished speaking, he led the people of the Soul Demon Sect to kill those green-haired monsters!

But after the fight, everyone found out that these ghosts were not only powerful, but also very difficult to deal with!

[The Man Decree] A Man Like None Other Chapter 4329 – When attacked, these ghosts will instantly disappear, hidden in the blood mist, and then launch an unexpected attack!

In just a few rounds, several disciples of the Soul Demon Sect died at the hands of these monsters!

“Come together, stop attacking...”

Sect Leader Jiang knew that they had no way of dealing with these ghosts and monsters, so he asked many disciples to gather together and confront those ghosts and monsters in a stalemate!

As long as he is given some time, he believes that Chen Ping will definitely be able to rescue them!

At this time, Chen Ping was looking carefully at the hall in front of him. The whole hall was quiet, no sound could be heard, and even when he looked inside, it was empty!

However, Chen Ping knew that there must be a formation in this hall. The reason why he could not hear or see anything was entirely because of the formation!

But they have to find the core of the formation and slowly break it. Chen Ping is afraid that Sect Master Jiang and the others can't hold on!

So for now he could only break the formation by force. Chen Ping released his spiritual sense, constantly exploring the type of formation in the hall in front of him!

Even if you want to break the formation by force, you must understand the formation. Otherwise, you will not be able to break the formation and will easily suffer backlash!

“Such a strong evil spirit. These demon cultivators are good at using ghost formations, and ghosts are afraid of fire...”

Chen Ping was thinking, and then flames rose up around his body!

The colorful flames turned Chen Ping into a fire man!

Several kinds of supreme fire have been fused together, and their power is much greater than that of a single supreme fire!

Slowly raising his fist, Chen Ping's fist was also wrapped in flames!

“Holy Light Fist...”

Chen Ping threw a punch!

But what burst out from this punch was not spiritual power, but endless flames!

The flames engulfed the entire hall, and the entire Blood and Bone Gate was roasting in the flames!

“ah.....”

At this time, Sect Master Jiang and others were struggling to hold on, but suddenly a flame broke out. These dark green ghosts were born afraid of fire, and under the scorching flames, they screamed one by one, and a lot of smoke and dust came out of their bodies!

Then these ghosts retreated rapidly and their bodies slowly melted away!

Then these ghosts retreated rapidly and their bodies slowly melted away!

“It’s Mr. Chen. It must be Mr. Chen who is helping us. Come with me and kill...”

Upon seeing this, Sect Leader Jiang shouted excitedly!

This evil ghost formation is nothing under Chen Ping’s ultimate fire!

Everyone in the Soul Demon Sect gained confidence and began to rush towards those ghosts and monsters, each one bravely taking the lead!

“This...how is this possible?”

When Di Chongjing saw this scene, he was completely dumbfounded!

You must know that this evil ghost formation is combined with the blood evil token. Even if you are a formation master, it will take at least three to five days to break this formation!

But Chen Ping actually caused the evil ghost formation to collapse so quickly, and all the evil ghosts tried their best to escape!

Originally, Di Chongjing thought that he could rely on the evil ghost formation in this hall to subdue Chen Ping and his people. Even if he couldn’t subdue them, he could always delay them for a while!

As long as his senior brother comes out of seclusion, there will be nothing to be afraid of. When the time comes, his senior brother will definitely be able to kill Chen Ping and the others!

But now, this evil ghost formation is about to be broken in the blink of an eye!

boom!

With a loud roar and a large array of evil spirits, the entire hall collapsed, and the figures of Sect Leader Jiang and others appeared instantly!

“kill.....”

Upon seeing this, the Palace Master of Guanghan Palace led many saint ladies of Guanghan Palace and rushed towards the people of Xuegumen!

“kill.....”

Sect Master Jiang also led the Soul Demon Sect’s disciples to attack the Blood Bone Sect’s people!

“Master, what should we do?”

Many disciples of the Xuegu Sect were stunned. They looked at Di Chongjing with horror on their faces!

They are no match for Sect Master Jiang and his men. Even on their own territory, they have no advantage at all!

[The Man Decree] A Man Like None Other Chapter 4330 – Before Di Chongjing could come up with a solution, people from both sides had already started fighting!

Soon, many disciples of the Blood Bone Sect were killed one by one!

They will never understand until their death why things turned out like this!

I joined the Blood Bone Sect to improve my cultivation and grow my strength rapidly, but now he has been killed like this!

The people from the Soul Demon Sect and Guanghai Palace were in high spirits and excited about killing!

Especially the disciples of Soul Demon Sect, all of them had bloodshot eyes and were filled with murderous intent, not giving the disciples of Blood Bone Sect any chance to survive!

Many of their brothers died at the hands of the Blood and Bone Sect, and now it is finally time for revenge!

Chen Ping did not take action, but stared at Di Chongjing closely. This time he would not let Di Chongjing escape!

Di Chongjing looked ashen at this moment, watching his disciples die one by one, but he had no way to do anything!

Now, he can only place his hope on his senior brother!

“Big Brother, Big Brother.....”

Di Chongjing gathered all his strength and suddenly shouted loudly!

Along with Di Chongjing’s roar, the largest bone mountain behind the Blood Bone Gate suddenly began to shake violently!

Countless skeletons began to fly everywhere, and a thick evil aura emerged from the mountain of bones!

Feeling this evil aura, Sect Leader Jiang and the others all stopped and stared blankly!

Di Chongjing was pleasantly surprised and quickly shouted, “Hahaha, Senior Brother, it’s Senior Brother who has come out of seclusion...”

Boom boom...

The bone mountain collapsed, a figure flew into the sky, and then landed next to Di Chongjing!

This person was dressed in a black python robe, and his whole body was shrouded in a special aura!

Furthermore, underneath the black robe, this person’s body had already decayed and emitted a foul smell.

“Big Brother, these people killed Big Brother Two and destroyed the Blood Bone Sect. You must not let them go!”

Di Chongjing pointed at Chen Ping and others and said!

Di Chongjing pointed at Chen Ping and others and said!

“Big Brother, why did you become like this?”

Sect Master Jiang stepped forward and looked at the eldest senior brother in front of him and asked!

“Junior Brother Jiang, I didn’t want to get involved at first, but you disturbed my practice and caused me to fail. You must take responsibility for this!”

Sect Leader Jiang’s eldest senior brother said in a cold voice!

“Big Brother, have you forgotten the Master’s teachings before he died? Look at your current state. Even if you really cultivate to the Immortal Transformation Realm, it will be difficult for you to truly ascend to become an immortal.”

Sect Master Jiang said!

“Shut up, I will definitely become an immortal, I will definitely...”

“You destroyed the Blood Bone Sect and caused me to fail in my attempt to reach the third level of the Mahayana realm. Today I must kill you!”

After the eldest brother finished speaking, the black python robe on his body shattered!

Seeing the rotting body and the exposed bones, everyone was shocked.

Even Di Chongjing who was standing by was shocked. He didn’t expect that his senior brother would become like this!

The eldest senior brother suddenly opened his mouth and inhaled, and all the Blood Bone Sect monks who had just died had a cloud of black mist coming out of their bodies, which was sucked into his body!

“Death energy, this guy actually absorbed death energy to practice...”

At this time, Demon Lord Chiyun spoke!

“Dead air?” Chen Ping was slightly stunned.

“Even in the demon world, there are very few people who use death energy to practice, because practicing with death energy is a practice that kills one thousand enemies but injures eight hundred of your own.”

“It seems that this guy is really cruel to himself. It’s not enough to suck blood and gnaw bones. He even wants to absorb the last breath of death in the dead body.”

The Scarlet Cloud Demon Lord exclaimed in amazement!

At this time, the rotten flesh on the eldest brother’s body began to grow rapidly, and then black lines appeared on his body. Two horns grew on his head, and his mouth was full of fangs. He looked extremely ugly and no longer looked human at all!
