

# [The Man Decree] A Man Like None Other

## Chapter 4341

Chen Ping was speechless when he heard what Liu Bo said. It was he who destroyed the Chuanyun Sect. Ji Yun also laughed secretly when he heard what Liu Bo said.

Chen Ping took a careful look at the map. The route on it was winding and the distance was obviously much longer. If he flew straight, it wouldn't take long to reach the Eastern Continent.

“That's too easy. Even if we use an airship, it will probably take three days...”

Chen Ping said with a frown!

“It's okay. There are people living and building on the islands along the way. We can stop the airship on an island to rest.”

Liu Bo said quickly!

“No need, just fly straight, that way it will take about a day. Going around in circles is a waste of time!”

Chen Ping just waved his hand!

“Absolutely not. If we go straight ahead, there might be a Mahayana cultivator in seclusion on some island. If he attacks us, it will be troublesome.”

When Liu Bo saw that Chen Ping was going to fly straight up, he was shocked!

Although Chen Ping is at the seventh level of the Tribulation Realm and his strength is not weak, he is still an ant when facing a master of the Mahayana Realm!

After all, Liu Bo, Zhu Qingyue and others had never seen Chen Ping's true strength. They still thought that the Blood Bone Sect was destroyed by Sect Leader Jiang and the Palace Master of Guanghan Palace!

After all, who would have thought that a seventh-grade cultivator in the Tribulation Realm could kill a second-grade cultivator in the Mahayana Realm!

“Don’t worry, our airship is fast and won’t be discovered easily. You were caught by the Blood Bone Sect and delayed for such a long time. Aren’t you afraid that the people from Qijia Town will start to make things difficult for you?”

Chen Ping said!

When Liu Bo heard this, he fell silent. They had indeed been arrested for quite some time and had no way of contacting their families. Perhaps the people in Qijia Town had already fallen out with them in Zhujia Town!

After thinking for a moment, Uncle Liu nodded and said, “Okay, let’s go straight. But if you encounter danger, don’t worry about anything else. Just run away as soon as possible. I will buy you some time. You just need to send the young lady back safely!”

“Uncle Liu...” Zhu Qingyue looked at Uncle Liu with shame!

She ran away selfishly, but didn’t want to put the entire Zhujia Town into danger!

Moreover, so many people from Zhujia Town died in order to find her, and now Uncle Liu is still protecting herself like this!

Zhu Qingyue felt very ashamed!

“Don’t worry, nothing will happen...”

Chen Ping smiled slightly, then asked Ji Yun to speed up and rush straight into the sky above the Dead Sea!

The airship was moving rapidly, and Chen Ping closed his eyes slightly, trying to rest. However, Liu Bo and Zhu Qingyue were extremely nervous, staring at the outside of the airship!

Before we knew it, the airship had been flying for more than half a day. Everything was very stable and nothing happened!

If we continue like this, we will reach the Eastern Continent in a few hours. As long as we cross the Dead Sea, it will be much safer!

Liu Bo and Zhu Qingyue also breathed a sigh of relief and were no longer so nervous!

But at this moment, the stable airship suddenly shook, and Chen Ping suddenly opened his eyes!

“Mr. Chen, what’s going on?”

Ji Yun hurriedly asked Chen Ping!

Before Chen Ping could answer, he discovered that the Fire Qilin actually ran out of the storage ring by itself!

The Fire Kirin seemed somewhat excited and kept attacking the airship in an attempt to get out.

Liu Bo and Zhu Qingyue were frightened when they saw the Fire Kirin suddenly appear.

“Are you crazy, little guy?”

Chen Ping wanted to put the Fire Kirin back into the storage ring, but the little Fire Kirin was very resistant!

“Mr. Chen, this little guy seems to be going out. Did he find anything?”

Ji Yun reminded!

After hearing Ji Yun’s reminder, Chen Ping opened the door of the airship. The Fire Kirin rushed out of the airship and headed towards a small island below!

## [The Man Decree] A Man Like None Other Chapter 4342

Seeing this, Chen Ping followed closely and said loudly to Ji Yun: “You go first, I will find you later...”

Chen Ping asked Ji Yun and the others to go first. After all, Ji Yun and the other two were not very strong. If they left and encountered danger, the three of them would not be able to cope with it at all!

Ji Yun nodded, and then the airship quickly headed towards the Eastern Continent!

This frightened Uncle Liu and Zhu Qingyue, and they hurriedly said, "Stop quickly and call the people back. Don't go to that island. It's very dangerous."

"If there is no airship, even if you don't encounter bad guys, it will be difficult to reach the mainland by flying on your own."

Both of them asked Ji Yun to stop and called Chen Ping back, but Ji Yun did not listen and drove away in the airship!

Ji Yun believed in Chen Ping. If they really encountered any danger, Chen Ping would definitely be able to handle it. If they stayed, not only would they be unable to help, but they would also become a burden. Ji Yun had followed Chen Ping for such a long time, so he had some self-awareness!

Liu Bo and Zhu Qingyue didn't understand. Ji Yun was clearly with Chen Ping, so why did he just watch Chen Ping go to his death and remain indifferent?

The airship gradually went away, and Chen Ping chased the Fire Kirin and landed on a deserted island!

There are actually buildings on the deserted island, but they have long since turned into ruins, proving that someone has lived here!

There are also deep pits of various sizes on the island, which are obvious signs of fighting!

Chen Ping knew that this deserted island must have been inhabited by people, and a battle had taken place there later, so it should be a deserted island now!

But he didn't understand why the Fire Qilin suddenly became so excited and came to this deserted island?

Chen Ping watched the Fire Kirin land on the deserted island, and then quickly moved its claws, creating a black hole that led directly to the underground of the deserted island!

“How come you, a mythical beast Qilin, have become a rat thief now?”

Chen Ping felt very strange when he saw this!

But he still followed closely, following the black hole opened by the Fire Kirin, and slowly went towards the underground of the deserted island!

Soon, Chen Ping discovered some purple color appearing around the cave walls. After careful observation, he found that these were actually purple jade. Purple jade is also a kind of spiritual stone, and its quality is not low!

“Could it be that this Fire Qilin knows that there is purple jade under the deserted island, so it is so excited?”

Chen Ping picked up a piece of purple jade and held it in his hand, looking at the Fire Kirin in confusion!

But the Fire Kirin seemed to have no interest in the purple jade stone and was still desperately moving towards the depths!

“Deep beneath the deserted island, is there a spiritual ore of even better quality?”

Looking at the Fire Kirin that was still digging deeper into the ground, Chen Ping was very puzzled!

However, he still followed, and at the same time, he circulated the Concentration Heart Technique, generating a huge suction force, sucking all the aura of the surrounding purple jade stones into his body!

Chen Ping didn't know how long he had been digging with the Fire Kirin, but he only felt the air around him getting hotter and hotter, and then there was a sea of red in front of his eyes!

Chen Ping thought that the Fire Unicorn had dug up magma from the earth's core, but when he looked over, he found that they were actually some fiery red stones, and there seemed to be flames dancing on the surface of the stones!

The Fire Kirin opened its mouth wide and kept swallowing the fiery red stones in front of it!

It seemed like it was eating with great relish, and from time to time it would call out to Chen Ping, as if it was showing off to Chen Ping!

“There is actually such a spiritual stone under this deserted island, and the spiritual stone is full of the aura of fire...”

Chen Ping was very surprised!

“These stones should have been roasted by the fire in the earth’s core for many years, which is just right to replenish the fire aura of the fire unicorn.”

“The Fire Qilin is different from the Sky-Swallowing Beast. It is very picky about food and doesn’t eat everything.”

“It probably sensed the existence of this kind of flint under this deserted island, so it became restless.”

Demon Lord Chiyun said to Chen Ping!

## [The Man Decree] A Man Like None Other Chapter 4343

“Then it seems I have to collect more of these flints, otherwise the Fire Kirin will be hungry and I won’t have anything to feed it!”

After Chen Ping finished speaking, he began to collect the flints quickly!

The Fire Qilin was eating and digging at the same time, and unknowingly had left the bottom of the deserted island. At this moment, Chen Ping and his companions had actually arrived at the bottom of the Dead Sea!

Chen Ping discovered that a vacuum channel was formed around the flint, and there was a heat wave that prevented the sea water from coming into contact with the flint!

However, as Chen Ping and Huo Qilin took away the flint, the sea water continued to fall!

But the water was actually boiling. Although the surface of the Dead Sea was calm without any waves, the seabed was actually boiling!

This is also the reason why there is no living creature in the Dead Sea. If a monk falls into the Dead Sea, it would be difficult for him to resist this heat wave!

After all, not everyone can master the essence of fire and is not afraid of the fire at the earth's core!

The Fire Kirin eats along the way, and Chen Ping collects along the way!

It was unknown how long it had passed, the Fire Kirin was full, and Chen Ping had collected a lot of flint. However, looking around, the entire bottom of the Dead Sea was littered with these scattered flints. If Chen Ping wanted to collect them all, he would probably have to stay here for a year or two!

Chen Ping didn't have time to stay here, so after putting the Fire Qilin into the storage ring, Chen Ping started to rush out of the seabed!

However, when Chen Ping went up, he found that there was only rocks and soil all around him, and no sea water. It seemed that they had reached the bottom of another small island!

Without the Fire Kirin to dig a hole for Chen Ping, Chen Ping could only take out the Dragon Slaying Sword and keep spinning it in front of him. The sharp Dragon Slaying Sword was like a drill, constantly rushing upwards!

It was already dark outside, and the silent Dead Sea was free of any movement or sound!

On this small island, there is a stone house in the center. There is light flickering in the stone house. It is obvious that there are people living on this island!

In the stone house, a woman with fair skin and long hair was soaking in a pool of spring water!

The spring water is still steaming, it is obviously a hot spring, probably affected by the fire from the earth's core!

The hot spring was built directly inside the stone house. The woman had no scruples at all and was completely naked!

The moonlight shines on the woman, and her fair skin reflects the light.

However, when the woman turned her head slightly, the moonlight shone on her face, and it was discovered that half of her face was severely burned and covered with scars!

Such a graceful figure and skin, but with a somewhat scary face, this drastic contrast makes people feel very uncomfortable!

The woman closed her eyes slightly, feeling the temperature of the spring water!

There is only this small island within a hundred miles, and only this one woman, and no living creatures at all!

This kind of quiet place can really make people relax!

Boom boom...

Suddenly, the stone house shook violently!

The woman frowned and her eyes suddenly opened. She didn't understand what was going on.

But before she could react, a huge force suddenly came from the ground!

The woman jumped up instantly, and at the same time, she grabbed clothes and a mask with her hands!

Before the woman put on her clothes, she saw the stone house beneath her feet explode instantly and break into pieces!

A figure suddenly rushed out from underground!

The woman hurriedly put on a mask, holding a sword, and stabbed at the figure without any hesitation!

After rushing out of the underground, Chen Ping exhaled and took a deep breath!

But before he could see the surrounding environment clearly, Chen Ping only felt a cold light coming towards him!

“Fuck, what’s going on?”

Chen Ping was a little confused. He had just rushed out from underground, so why was someone attacking him?

## [The Man Decree] A Man Like None Other Chapter 4344

Chen Ping dodged in a hurry, and the sword energy passed by Chen Ping’s cheek closely, making Chen Ping feel a slight pain!

Just when Chen Ping was feeling lucky for having dodged the sword, another overwhelming sword energy came!

The sword energy was like a wave, carrying with it a terrifying momentum, as if it was going to tear Chen Ping to pieces!

“Why isn’t it over yet?”

Chen Ping frowned, swung the Dragon Slaying Sword in his hand, and a golden light shot out from the Dragon Slaying Sword!

Ding ding dong dong.....

With just this one sword, the opponent’s sword energy was instantly dissipated!

It was not until this time that Chen Ping saw clearly that in front of him, there was a masked man holding a long sword and attacking him!

It was impossible to tell the gender of the person because of the mask, but the person was not wearing any clothes, which allowed Chen Ping to realize at a glance that it was a woman!

“My dear female Taoist friend, I don’t know why you suddenly attacked me. I don’t think I provoked you.”

Chen Ping opened his mouth and asked the woman!

“How do you know I’m a woman?”

The woman deliberately lowered her voice and asked in a very hoarse voice!

“Actually, I don’t want to know, but your figure is so good that I can’t forget it after just one look...”

Chen Ping said helplessly!

However, while speaking, Chen Ping’s eyes were not idle. It was not his own initiative. Since the other party didn’t like to wear clothes, it would be a shame for him not to take a look!

“ah.....”

The woman realized then that she had not put on her clothes yet. She screamed and jumped to hide behind a huge rock!

A moment later, the woman put on her clothes and came out!

The long sword in his hand was pointed at Chen Ping, and his anger continued to rise!

“You rascal, you actually sneaked in here to spy on me. I must kill you!”

After the woman finished speaking, she attacked Chen Ping with her sword again!

The woman’s sword energy became more and more sharp, and countless sword beams covered the sky, as if they would never stop!

Chen Ping was a little dumbfounded, and hurriedly explained: “Miss, I think you misunderstood, I am not here to spy on you.”

“You were the one without clothes on and I accidentally saw you. You can’t blame me...”

Chen Ping explained loudly, but the woman didn’t listen at all!

Chen Ping was speechless. He was not peeping at all. He just stumbled upon it by accident. He did not expect that there would be a woman living here, and she was not wearing any clothes!

This is not my fault. It is such a huge injustice, even more so than Dou E.

But no matter how Chen Ping explained, the woman's attacks became faster and faster, and her attacks were ruthless. It was obvious that she wanted to kill Chen Ping!

Moreover, the woman's cultivation level was at the first level of the Mahayana realm, and her strength was not weak. Chen Ping had been dodging and did not dare to fight back, for fear of hurting the other party. It was even more difficult to explain!

"I saw it accidentally. If you continue to be so rude and unreasonable, don't blame me for being rude."

Chen Ping warned the woman!

"Humph, you are a minor cultivator of the seventh rank in the Tribulation Realm, yet you dare to speak so arrogantly? Don't think that you can ignore me just because you have dodged my attacks a few times!"

The woman snorted coldly, and the long sword in her hand instantly swung out a bunch of sword flowers. Each sword flower bloomed and then enveloped Chen Ping!

Chen Ping frowned. This woman's swordsmanship was indeed good, so he burst out with spiritual energy and said, "Since you keep forcing me, don't blame me. This is all because of you..."

Chen Ping held the Dragon Slaying Sword in his hand and jumped up, trying to dodge the sword flowers and then attack the woman!

But just as he jumped up, the woman shouted: "Sword will follow..."

I saw the sword flowers suddenly gathered together, and then turned into a ferocious beast, opening its bloody mouth and biting towards Chen Ping!

## [The Man Decree] A Man Like None Other Chapter 4345-4346

## [The Man Decree] A Man Like None Other Chapter 4345

Chen Ping was shocked. He didn't expect that the sword light that had been swung out could be gathered together and then transformed into a ferocious beast!

"Your sword energy can actually change shape at will?"

Chen Ping was a little surprised.

You should know that it is not difficult to use sword energy to change your shape. As long as you control the sword in your hand, after swinging the sword energy, and follow the sword's intention, you can transform into what you want!

Chen Ping's Dragon-Slaying Sword, which cuts out the shape of a dragon with one strike, looks the same!

However, the sword energy of this woman clearly turned into sword flowers that attacked, but she was able to make those sword flowers gather halfway and then turn into ferocious beasts!

This surprised Chen Ping a little. After all, it was impossible to control the sword energy after it was released!

But this woman's sword energy can be controlled at will, just like spiritual energy, demonic energy and the like. It is a little incredible!

"Humph, do you think our Wanjian Sect's strength is just a reputation?"

The woman snorted coldly!

"Ten Thousand Swords Sect?" Chen Ping had never heard of this sect, but upon hearing it he knew it was a sect that specialized in using swords!

“Although your swordsmanship is indeed good, in the face of absolute strength, all your moves are just fancy moves!”

Chen Ping smiled coldly, then raised the Dragon-Slaying Sword in his hand!

The Dragon-Slaying Sword shone brightly, and the sword intent enveloped Chen Ping’s entire body!

“I’ll show you real swordsmanship...”

“Nine Shadow Sword Technique...”

Chen Ping used the Nine Shadow Sword Technique!

He hasn’t used the Nine Shadows Sword Technique for some time. After all, the spirit of the Dragon Slaying Sword, Zhongli, was injured and couldn’t leave the sword body, let alone communicate with Chen Ping’s mind. So Chen Ping rarely used the Nine Shadows Sword Technique!

As the Nine Shadow Sword Technique was performed, one figure of Chen Ping appeared after another, and each figure possessed the aura of Chen Ping!

There were six figures in total, standing neatly in front of the woman!

The woman was stunned when she saw this. Even the ferocious beast transformed by the sword energy disappeared without a trace in the moment the woman was stunned!

“You...what kind of swordsmanship is this? How come there are so many clones?”

“Illusion, this must be an illusion, right?”

After being shocked, the woman seemed to have thought of something and her eyes suddenly widened!

She didn’t think that Chen Ping’s swordsmanship was some kind of illusion. It must be an illusion!

“No matter how many clones you create, you can’t escape from my grasp!”

“Ten Thousand Swords Cage...”

The woman let out a low roar, then swung the sword in her hand vigorously towards the sky!

Under the moonlight, countless spots of light suddenly appeared in the black night sky, followed by sword beams that came towards the six Chen Pings in front of them like rain!

Ten thousand sword beams, even if there are more clones, they can't resist it!

There was confidence in the woman's eyes and the corners of her mouth were slightly raised!

“It's so beautiful, just like the brilliant fireworks...”

Just when the woman thought that Chen Ping was doomed to die, a voice came from behind her!

The woman was frightened and looked back quickly, only to find that Chen Ping had appeared behind her without her noticing!

“You...why are you here?”

The woman's face was full of shock, and then she turned around to look at the six figures of Chen Ping facing her!

It turned out that these six figures were not Chen Ping's real body, and Chen Ping's real body had appeared behind the woman at some point!

The woman never expected that her so-called Ten Thousand Swords Cage posed no threat or harm to Chen Ping at all!

Is this something a seventh-grade cultivator in the Tribulation Realm can do?

The woman's eyes were filled with doubt about Chen Ping's realm at this moment. It was impossible for a seventh-level Tribulation Realm cultivator to do this!

You have to know that he is a cultivator of the first rank in the Mahayana realm, and is proficient in swordsmanship. Yet, at this moment, he is made so

embarrassed by Chen Ping, a small cultivator of the seventh rank in the Tribulation realm, and the other party is also using a sword!

This is too outrageous!

## [The Man Decree] A Man Like None Other Chapter 4346

Chen Ping walked towards the woman and reached out to take off her mask!

After all, she has such a great figure and fair and smooth skin, I believe she will look very attractive too!

Seeing that Chen Ping was about to take off his mask, the woman was horrified. The long sword in her hand swept through the air, and instantly intertwined into a sharp sword net, directly blocking Chen Ping's way, and at the same time quickly retreated!

She must not let Chen Ping take off her mask. This was her secret and no one knew it. If she kept the mask on, it would give everyone something to fantasize about. But if the mask was taken off, she knew Chen Ping would be shocked!

But just as the woman retreated, Chen Ping just waved his sword lightly, and the intertwined sword net was instantly shattered by Chen Ping, without bringing any obstruction to Chen Ping, and Chen Ping's body was still getting closer!

"If you come any closer, I will kill you..."

The woman said with some shock, holding a long sword!

But Chen Ping seemed not to have heard it and insisted on taking off the woman's mask!

The woman could only swing her sword towards Chen Ping, while Chen Ping used the Dragon-Slaying Sword to block it!

clang!

There was a crisp sound, and the long sword in the woman's hand broke!

At this moment, the woman was completely dumbfounded. You know, the long sword in her hand was a precious sword that could cut through iron like mud, but now it was broken?

While the woman was stunned, Chen Ping was already in front of her!

Chen Ping grabbed the woman's mask!

The woman reacted, dropped the broken sword in her hand, and wanted to slap Chen Ping, but Chen Ping grabbed her wrist and controlled her!

The woman twisted her body, but found that she couldn't get free at all!

Chen Ping controlled the woman, held her in his arms, and then reached for the woman's mask with his other hand!

"No, please, don't..."

The woman started to panic and kept begging Chen Ping for mercy, asking Chen Ping not to take off her mask!

Chen Ping stopped and asked coldly, "You care so much about the mask on your face. Are you afraid of being seen because you are ugly?"

When the woman heard this, she immediately became angry and yelled, "You are the ugly one. Although my appearance is not as good as that of a fairy, I can still charm thousands of men."

As soon as the woman finished speaking, Chen Ping suddenly took off his mask!

The moment the mask was taken off, Chen Ping was stunned!

I only saw half of the woman's face, which was extremely hideous and covered with scars, obviously from burns!

But the other half of her cheek is delicate and smooth, and you can tell she is a beauty!

"Wuwuwu..."

The moment the mask was taken off, the woman actually started crying!

Upon seeing this, Chen Ping quickly let the girl go. He didn't expect things to turn out like this, and he didn't expect that under such a graceful figure, there would be such a face!

Chen Ping was a little panicked and didn't know how to comfort the woman in front of him!

But when he looked at half of the woman's face, he found it somewhat familiar!

But Chen Ping couldn't remember where he had seen this woman before!

"I'm sorry, I didn't mean to do that. I really didn't know it would turn out like this."

"And I definitely wasn't spying on you. I didn't even know there were people on this island, let alone not wearing clothes."

"This is a complete misunderstanding. Don't cry. I won't tell anyone about your affairs."

Chen Ping could only try his best to explain!

The woman squatted on the ground, still covering her face and crying, ignoring Chen Ping completely!

Seeing this, Chen Ping had no choice but to jump and leave the island. He didn't have time to waste here with a woman!

He also had to hurry to Zhujia Town to help Zhu Qingyue deal with things, and then send Zhu Qingyue back to the Xiao Dynasty!

But just when Chen Ping was about to leave, the woman suddenly stopped him and said, "You have seen my naked body, and now you have seen my ugly appearance. Do you want to just leave like this?"

## [The Man Decree] A Man Like None Other Chapter 4347

“So what do you say we should do?”

Chen Ping looked at the woman speechlessly: “Do you still want me to stay here forever and pledge my love to you?”

“Bah, who asked you to pledge yourself to me? I just asked you to swear that you would never tell anyone about this.”

“Besides, what’s your name? You can’t take advantage of me when I don’t even know your name!”

The woman asked Chen Ping!

“My name is Chen Ping. I won’t tell anyone about what happened today. Is that ok now?”

Chen Ping said helplessly!

“No, you destroyed my sword, you must compensate me...”

The woman shook her head and said!

“How can I compensate you? Besides, you were the one who attacked me and almost killed me. And you still want me to compensate you for your sword?”

Chen Ping was speechless. This woman was a little unreasonable!

It was clearly she who attacked me first, and I had no choice but to fight back. Now she is shamelessly asking me to compensate her for the sword.

“Then give me the sword you have. I think your sword is pretty good!”

The woman said!

“Get lost...” Chen Ping suddenly cursed: “My sword is equivalent to my life, how can I compensate you?”

“You are talking nonsense. I will kill you with one sword. Stop talking nonsense...”

Chen Ping was angry, but the woman was not afraid. She glared at Chen Ping and said, "My sword was forged by the Weapon Refining Sect. It is the 58th-ranked sword in our Wanjian Sect."

"If you don't compensate me, I will fight you to the death..."

"Is your sword forged by a weapon refiner?" Chen Ping was stunned!

"Yes, most of the swords in our Wanjian Sect were supplied and forged by the Refining Sect. They are not ordinary swords, so you must compensate me!"

The woman started crying again!

"I didn't expect that your Wanjian Sect actually had relations with the Weapon Refining Sect. However, the Weapon Refining Sect has long been in name only and in tatters. How can it forge swords for your Wanjian Sect?"

Chen Ping knew that the leader of the Weapon Refining Sect was captured by the Fire Sect and the Weapon Refining Sect was also destroyed!

"How do you know this?"

The woman was slightly stunned, and then said: "The Refining Sect was indeed destroyed by the Fire Sect more than ten years ago, and the leader of the Refining Sect and many elders were captured. This also caused our Wanjian Sect to not update the sword for more than ten years."

"However, some time ago, many elders of the Weapon Refining Sect suddenly returned to the Weapon Refining Sect and began to recruit disciples again. Although the scale of the Weapon Refining Sect is much smaller now, it has come back to life."

Chen Ping listened to the woman's story and suddenly remembered that when he came to the Heavenly Realm, he rescued the elders of the Weapon Refining Sect from the dungeon of the Demon Heart Sect!

Moreover, Master Tiechui also said at that time that he wanted to revitalize the Weapon Refining Sect!

Now it seems that the Weapon Refining Sect should be revitalized.

“To tell you the truth, I am actually the benefactor of the Weapon Refining Sect. I have made an indelible contribution to the revival of the Weapon Refining Sect.”

Chen Ping said to the woman!

“Bullshit, how can you, a mere cultivator of the seventh level of the Tribulation Realm, be the benefactor of the Weapon Refining Sect? Even if you have some strength, you are nothing but an ant in front of a large sect like the Weapon Refining Sect.”

“Don’t even think about saying that. I can let you go. If you don’t compensate me for my sword today, I will never forgive you.”

The woman didn’t believe what Chen Ping said at all!

“It doesn’t matter if you don’t believe me, but I’m telling you, the Dragon Slaying Sword in my hand is the treasured sword of the Weapon Refining Sect, and this Dragon Slaying Sword has been repaired by Master Jian.”

Chen Ping waved the Dragon-Slaying Sword in his hand and said!

When the woman heard this, she stared at the Dragon Slaying Sword in Chen Ping’s hand, then sneered and said, “Who are you trying to fool? How can I give you the treasured sword of the Weapon Refining Sect? Besides, I have never heard of the Sword Master you are talking about.”

## [The Man Decree] A Man Like None Other Chapter 4348

Chen Ping found that this woman was unreasonable, so he didn’t plan to waste time talking to her. He jumped up and planned to leave the island!

There was no way he would give his Dragon Slaying Sword to this woman!

“Don’t leave...”

The woman also jumped up and planned to chase after Chen Ping!

But as soon as the woman jumped up, her expression changed slightly, and then she looked at the void behind her, with a hint of panic in her eyes!

Then the woman landed back on the island, hurriedly took out a pill and swallowed it!

Chen Ping was a little puzzled. What happened to this woman? Why didn't she pursue him anymore?

Just when Chen Ping was still wondering, suddenly, several auras came rapidly from a distance!

"Zhu Qingxiu, I want to see where you can escape to this time."

"You, you turned out to be hiding on this deserted island. No wonder I couldn't find you for so long."

"Hand over the secret manual of your Wanjian Sect, and we may consider letting you go..."

whoosh whoosh whoosh!

In the void in the distance, several figures rushed over rapidly!

These people are all very strong. There are five of them in total, and one of them is at the first level of Mahayana realm, and the remaining four are at the ninth level of Tribulation realm!

These five people rushed towards this side while shouting!

The woman's face was filled with panic, and she glared at Chen Ping fiercely: "It's all your fault. If I hadn't fought with you and exposed my presence, how could they have found me..."

The woman looked at Chen Ping with resentment, then jumped up and planned to escape!

Chen Ping was also speechless. It was clearly the woman who started the fight first, but now she was blaming him!

What is this?

Women, it's unreasonable...

When the five men saw that the woman was trying to escape, they quickened their speed and chased after her. They passed directly by Chen Ping, pretending that they saw nothing and simply ignored Chen Ping!

The little cultivator at the seventh level of the Tribulation Realm can indeed be ignored!

Just after the five people passed by Chen Ping, Chen Ping looked at their backs and frowned slightly!

Because he clearly felt the aura of the devil from these five people!

These five people were able to openly expose their demonic aura, and it seems like they are not afraid at all!

“Zhu Qingxiu?”

Suddenly, Chen Ping seemed to remember something. He remembered that someone had just called this woman Zhu Qingxiu?

What is the relationship with Zhu Qingyue from Zhujia Town who came with me?

boom!

Chen Ping suddenly remembered that although only half of this woman's face was intact, the appearance of that half of her face was exactly the same as Zhu Qingyue!

No wonder I felt familiar when I saw this woman, but I just didn't remember her for a moment!

“I will not give you the secret manual of the Ten Thousand Swords Sect, even if I dive into the Dead Sea and turn into bones, I will not give you the secret manual.”

Zhu Qingxiu fled desperately, and the direction of his escape was exactly the deserted island where Chen Ping landed at the beginning!

Chen Ping leaped up and followed him!

Putting aside whether this woman has any relationship with Zhu Qingyue, even if she is an unrelated female cultivator being hunted by so many demonic cultivators, Chen Ping has to get to the bottom of it!

What's more, this woman is from the Wanjian Sect, and the Wanjian Sect has a good relationship with the Lianqi Sect!

Actually, it was my fault that the woman's whereabouts were exposed. If I hadn't collected those flints and rushed out from the island where the woman was hiding, what happened later wouldn't have happened.

Chen Ping convinced himself from the bottom of his heart, then quickened his pace, intending to help Zhu Qingxiu!

If this Zhu Qingxiu is really from Zhujia Town, then I will help him even more!

After all, Zhujia Town and Xiao Dynasty will be relatives in the future!

## [The Man Decree] A Man Like None Other Chapter 4349

Zhu Qingxiu in front was running away desperately, and the five demon cultivators behind were chasing him desperately, attacking Zhu Qingxiu from time to time, but none of them used killing moves. They were probably afraid that Zhu Qingxiu would really die and fall into the Dead Sea, which would be troublesome!

After Zhu Qingxiu desperately escaped to the deserted island, he seemed to be exhausted and could only fall on the deserted island!

Upon seeing this, the five demon cultivators directly attacked Zhu Qingxiu. Rays of light pierced through the darkness, and countless spiritual lights attacked Zhu Qingxiu!

Zhu Qingxiu no longer had the sword in her hand, so she could only rely on constant dodging and defense. However, this was not a long-term solution, as the five demon cultivators quickly surrounded her!

“You damned demon cultivators, you actually killed hundreds of our Wanjian Sect members just for the secret manual of our Wanjian Sect. Sooner or later, I will exterminate you all.”

Zhu Qingxiu looked at the five demon cultivators surrounding him, gritting his teeth with a look of unwillingness on his face!

Her strength is only at the first level of Mahayana realm, but the opponent has one first level of Mahayana realm and four ninth level cultivators of Tribulation Realm!

If she had the sword in her hand, she could still hold out for a while, but now without the sword, it was like a tiger without teeth. Zhu Qingxiu’s strength would be greatly reduced!

“It’s all that damn guy’s fault. He actually broke my sword.”

Zhu Qingxiu still hates Chen Ping at this moment!

If Chen Ping hadn’t broken her sword, she wouldn’t be in such a miserable state now, and she might even have a chance to escape!

“Zhu Qingxiu, stop talking nonsense and hand over the secret book quickly, and we will let you go. Don’t resist fearlessly.”

“If you don’t scream, don’t blame us for being rude. Even though your face is ruined, you have a good figure.”

“When the time comes, cover your face, and we brothers will enjoy it.”

A leading man in blue smiled coldly!

The five demon cultivators each stood in a different direction and surrounded Zhu Qingxiu tightly!

“That’s right. We are not picky. If you don’t obey, then cover your face and calm us down.”

A bearded demon cultivator had a lewd smile on his face, and his eyes kept scanning Zhu Qingxiu!

“You’d better be obedient. Anyway, your Wanjian Sect is finished. What’s the point of keeping that broken secret book? Just give it to us. Otherwise, if the five of us attack together, your graceful little body may not be able to withstand it.”

The five evil cultivators humiliated Zhu Qingxiu unscrupulously, staring at Zhu Qingxiu’s body without any concealment!

“You shameless people are even more shameless than that peeping guy...”

Zhu Qingxiu’s eyes were filled with anger, and he suddenly attacked the green-clothed man who was leading the group!

This man in green is also at the first level of the Mahayana realm. As long as we can injure this man in green first, the remaining four ninth level cultivators in the Tribulation Realm will be easy to deal with!

The man in blue seemed to have prepared for this. When he saw Zhu Qingxiu attacking him, he couldn’t help but raise his mouth and said, “Girl, you’ve been fooled...”

After he finished speaking, demonic energy was seen flowing through the green-clothed man’s body, and then the demonic energy suddenly condensed into wisps of strange aura!

With a gentle wave of his hand, the other four people also exuded the same aura!

These auras intertwined into a huge net, covering Zhu Qingxiu!

Zhu Qingxiu was already so angry that his head was dizzy. When faced with the sudden appearance of the big net, his face changed drastically!

This big net looks simple, but when it spreads out, the surrounding void vibrates, instantly locking all the space. Zhu Qingxiu has nowhere to escape!

In just a moment, Zhu Qingxiu was suppressed by the big net!

“You despicable people...”

Zhu Qingxiu cursed loudly and tried hard to break free from the net and escape, but no matter how hard he struggled, it was of no use!

# [The Man Decree] A Man Like None Other

## Chapter 4350

Hahaha, don't waste your energy. You don't even have a sword in your hand. It's impossible to break our big net."

"Just surrender obediently..."

The man in blue laughed triumphantly!

Just as the man in green was approaching Zhu Qingxiu, suddenly a figure flashed through the void and appeared in front of Zhu Qingxiu!

With a flash of golden light, the big net that bound Zhu Qingxiu was directly cut apart, and Zhu Qingxiu escaped from the big net!

Several demon cultivators were stunned when they saw this, and the young man frowned and said, "Who are you? How dare you ruin our good deeds?"

Only then did Zhu Qingxiu see clearly that the person who saved her was Chen Ping!

"You five grown men are actually dealing with a weak woman. Are you still men?"

"No wonder you all practice magic skills and are willing to become magic practitioners. It turns out you are all spineless guys."

Chen Ping said to the five demon cultivators with a mocking tone!

When the five people heard this, they were immediately furious, and there was a bloodthirsty light in their eyes!

These five people are not real demons, but human cultivators who practiced magic and became demon cultivators!

This kind of demon cultivator has the lowest status among the demons. They only make this decision in order to quickly improve their cultivation!

Now Chen Ping's words have exposed the scars of five people, so they are so angry!

"Boy, you are just a little cultivator of the seventh rank in the Tribulation Realm, and you dare to talk to us like this? You must be tired of living!"

The man in green waved his hand, and the big net that was cut by Chen Ping actually closed up and covered Chen Ping and Zhu Qingxiu!

Seeing this, Chen Ping once again picked up the Dragon-Slaying Sword and slashed directly at the big net!

"Be careful, don't let this big net touch your body..."

Seeing this, Zhu Qingxiu hurriedly reminded Chen Ping!

Chen Ping didn't understand what Zhu Qingxiu meant, and the Dragon-Slaying Sword in his hand had already touched the big net!

With the sword light shooting out in all directions, the big net was instantly cut into pieces!

The big net was broken into pieces, but the man in green didn't seem to be in a hurry at all. Instead, he raised a sneer at the corner of his mouth!

Just when Chen Ping didn't understand what this guy's intention was, the broken net kept falling on Chen Ping!

After these broken nets fell on Chen Ping, they immediately became twisted and wrapped Chen Ping tightly!

"Hahaha, do you think you can escape by breaking this big net?"

The man in blue laughed loudly!

"Your thing is quite interesting..."

Chen Ping looked at the big net that bound him, and instead of being afraid, he became very interested!

“Get free quickly, get free quickly. This big net not only restricts your movements, but also attacks your consciousness, making you lose your mind.”

When Zhu Qingxiu saw Chen Ping was tied up by the big net, he hurriedly reminded him!

Just as he finished speaking, Chen Ping felt a strange breath coming from the big net and constantly drilling into his body!

This aura constantly attacked his sea of consciousness, making his spiritual awareness blurred, and finally leading to the result of being controlled!

Chen Ping laughed. If this kind of spiritual attack could break through his sea of consciousness, it would be a joke!

Not to mention that he has the Daluo Golden Classic in his sea of consciousness, the remnant soul of the Red Cloud Demon Lord is guarding his sea of consciousness. It is simply impossible for these childish things to break through Chen Ping's sea of consciousness!

“Oh, my head hurts. Why do I feel like I'm going to go crazy?”

Chen Ping suddenly covered his head and screamed in pain!

Zhu Qingxiu was so anxious that she scratched her head, but she had no way to help Chen Ping break free from the net without even a weapon!

“Hahaha...you idiot, you will listen to me soon. I will let you do a striptease...”

When the man in blue saw Chen Ping's expression, he immediately burst into laughter!
