

[The Man Decree] A Man Like None Other

Chapter 4351

In just a moment, Chen Ping's eyes became lifeless and he looked like a walking corpse!

It is obvious that the sea of consciousness has been breached and the spiritual consciousness is gone!

Seeing this, the man in green waved his hand and pulled the big net back from Chen Ping's body!

"Chen Ping, Chen Ping....."

Seeing this, Zhu Qingxiu hurried forward and shook Chen Ping, trying to wake him up!

But Zhu Qingxiu's shout suddenly stunned the five demon cultivators.

"You said this boy's name is Chen Ping?"

The man in blue looked at Zhu Qingxiu and asked!

Zhu Qingxiu glared at the man in blue, but ignored him!

"Brother, this guy is called Chen Ping. Could he be the guy that the leader of the alliance is hunting down with a hundred years of sacrifice?"

The bearded demon cultivator asked in a low voice!

"It's very possible. If it's really him, the five of us brothers will be rich."

"Everyone says that Chen Ping is very powerful, but so many people have failed to catch him. Now it seems that he is just famous for nothing. We caught him easily after all."

The man in blue said very proudly!

Zhu Qingxiu didn't know what these people were talking about, nor did she know that Chen Ping was being hunted down by the Demon Sealing League with a hundred years of sacrifice!

If she knew, she wouldn't be so calm when she heard the name Chen Ping!

After all, the name Chen Ping is very famous in the world of celestial beings!

Chen Ping listened to the conversation between several demon cultivators and realized that these guys were actually from the Demon Sealing Alliance. This was really a case of enemies meeting on a narrow road.

Even if Zhu Qingxiu wasn't there, Chen Ping would not let them go if he met the people from the Demon Sealing Alliance!

"Boy, I order you to strip this woman naked..."

The man in blue ordered Chen Ping.

Now that Chen Ping's sea of consciousness has been breached, he has long lost his independent consciousness and is completely at the mercy of others.

"Yes!" Chen Ping nodded woodenly, then grabbed towards Zhu Qingxiu.

"What are you going to do? Wake up, wake up..."

When Zhu Qingxiu saw that Chen Ping was about to take off his clothes, he could only keep dodging and shouting at Chen Ping to wake up.

She also knew at this moment that Chen Ping was not a bad person, otherwise he would not have helped her out of trouble. But now Chen Ping's consciousness was controlled by the other party, and Zhu Qingxiu couldn't bear to attack Chen Ping.

After all, Chen Ping was tricked by the other party in order to help himself and became what he is now.

"Hahaha, take it off quickly, take it off for him quickly..."

"It's so interesting. I'm going to use the recording crystal to record this scene and let the other members of the Demon Sealing Alliance see that Chen Ping,

who was praised to the sky, has turned into a walking corpse in the hands of our brothers.”

After the bearded monk finished speaking, he took out a recording crystal and began to record everything at the scene.

Chen Ping stepped forward and grabbed Zhu Qingxiu, tearing off her clothes. Zhu Qingxiu tried desperately to protect herself and said hastily, “Don’t do this. If you do this again, I will have to be rude to you. Can you wake up?”

“Don’t worry, I won’t really take off your clothes.”

At this time, Chen Ping suddenly spoke in a low voice!

Zhu Qingxiu was stunned, looked at Chen Ping in disbelief and asked, “You are not controlled?”

“With these little tricks of theirs, trying to control my sea of consciousness is simply a daydream. I’m just teasing them.”

Chen Ping smiled faintly!

Seeing this, Zhu Qingxiu breathed a sigh of relief and then asked, “What should we do next?”

“Let’s pretend to fight each other. You lead someone over and I’ll kill him by surprise...”

Chen Ping said!

“How do I lead him here?” Zhu Qingxiu was a little confused!

Chen Ping tore off Zhu Qingxiu’s clothes, exposing her snow-white skin!

“ah.....”

Zhu Qingxiu panicked and slapped Chen Ping in the face.

After the fight, Zhu Qingxiu felt a little regretful, but it was just an instinctive reaction.

[The Man Decree] A Man Like None Other

Chapter 4352

Chen Ping did not stop because of the slap. He continued to touch Zhu Qingxiu and held her tightly.

“Damn it, big brother, even though this silly boy’s sea of consciousness is controlled, he is still so fierce towards women...”

The bearded monk said in shock!

“It’s just a man’s nature. Go up and record this scene. I wonder how Chen Ping will survive in the world of heaven and man in the future!”

The man in blue smiled coldly!

The bearded monk hurriedly approached with the recording crystal, licking his lips continuously!

But just after he got closer, Chen Ping, who was holding Zhu Qingxiu, suddenly let go and looked at him with a smirk on his face!

The bearded monk was stunned, and before he could react, he saw a flash of white light before his eyes.

The bearded monk, who was at the ninth level of the Tribulation Realm, instantly threw his head high up in the air.

Blood spurted continuously and the body fell heavily.

The recording crystal in his hand fell to the ground and was shattered by Chen Ping’s foot.

Seeing this scene, the other hurried demon cultivators were all confused and stood there in a daze.

Just as the bearded monk’s head was falling, it was kicked away by Chen Ping.

“Fuck you...”

Chen Ping kicked the bearded monk's head into the Dead Sea.

As the sea water rolled, the bearded man's head soon turned into a skull and floated on the sea.

"You...you are not controlled?"

The man in blue only realized at this time that Chen Ping was not being controlled at all!

"With your little tricks, you still want to attack my sea of consciousness. It's a joke."

"If I were so easily controlled, do you think the Demon Sealing Alliance would still spend a hundred years to hunt me down?"

Chen Ping said with a sneer on his face!

"You little bastard, I'll kill you..."

The man in green felt fooled and became furious. He drew out a long sword and rushed towards Chen Ping!

While the man was in mid-air, the man in green swung his long sword, slashing out thousands of sword lights, like a storm, shooting towards Chen Ping!

Chen Ping raised the corner of his mouth slightly, his eyes were full of disdain, and golden light burst out from his whole body. His indestructible golden body was activated, and golden scales covered his entire body!

After activating the Indestructible Golden Body, Chen Ping actually went straight towards the thousands of sword lights without any hesitation!

"Are you looking for death?"

Seeing this, Zhu Qingxiu hurriedly called out to Chen Ping!

How could this be possible? Taking the initiative to meet the opponent's attack, isn't this seeking death?

“Boy, you are too arrogant. You didn’t even dodge or evade, but dared to rush over!”

The green-robed monk was so angry when he saw that Chen Ping dared to face his sword!

This is such an understatement to myself. After all, I am also a Mahayana cultivator!

Chen Ping’s body was emitting a faint golden light at this time, and the indestructible golden body was attached to Chen Ping’s body. From a distance, he looked like a golden-armored god of war whose whole body was cast in gold!

Bang bang bang!

Wherever Chen Ping passed, all the oncoming sword beams hit Chen Ping, but they did not cause any harm to Chen Ping. Instead, those sword beams shattered directly!

This scene stunned everyone. That was a blow from a Mahayana cultivator, but Chen Ping actually managed to withstand it with his body!

And it seems that these attacks cannot cause any harm to Chen Ping!

This is simply unbelievable. Chen Ping is only at the seventh level of the Tribulation Realm. Even if he is wearing armor, it is impossible that he will not suffer any damage at all!

No one knows that Chen Ping’s current strength has already surpassed the first level of Mahayana realm. Even without the protection of the indestructible golden body, Chen Ping’s body can easily withstand the attacks of the first level of Mahayana realm cultivators!

Now with his indestructible golden body, it would be difficult for the man in green to cause any harm to Chen Ping!

[The Man Decree] A Man Like None Other Chapter 4353

“Damn, the armor on this kid is too abnormal...”

The green-robed monk cursed, his face full of disbelief!

But the next second, he only felt a flash before his eyes, and Chen Ping’s body disappeared instantly.

“broken.....”

The green-robed monk was startled and quickly retreated!

But even though the green-robed monk reacted so quickly, it was still too late. Chen Ping’s body appeared out of thin air, and the Dragon-Slaying Sword in his hand slashed out!

Phew!

The Dragon-Slaying Sword slashed across the body of the green-robed monk.

With a scream, one of the green-robed monk’s arms was cut off. If he hadn’t reacted quickly enough, it would not have been just an arm that was cut off!

“You...what kind of skill is this?”

The green-robed monk was horrified, looking at his broken arm with shock in his eyes!

Several other demon cultivators also looked at Chen Ping in disbelief!

A seventh-grade cultivator in the Tribulation Realm could easily cut off the arm of a first-grade cultivator in the Mahayana Realm with just one strike. This was too outrageous!

Even Zhu Qingxiu looked at Chen Ping in disbelief. Only then did she realize that when she was fighting with Chen Ping just now, Chen Ping had not used his full strength at all and had always been patient. Otherwise, with Chen Ping’s strength, she would have been injured long ago.

Thinking of this, Zhu Qingxiu felt a little ashamed and embarrassed. After all, when Chen Ping first appeared, she was the one who took the initiative to attack Chen Ping. No matter how Chen Ping explained, she would not listen, and in the end, she even broke her own sword!

In fact, Chen Ping cannot be blamed for all this. Thinking of this, Zhu Qingxiu felt that he was a little unreasonable!

“Don’t just stand there, let’s go together...”

Seeing how powerful Chen Ping was, the green-robed cultivator shouted at the remaining three demon cultivators with a painful look on his face!

The three demon cultivators reacted and surrounded Chen Ping directly!

“Let me help you...”

Seeing this, Zhu Qingxiu knew that these demon cultivators were going to use their numbers to bully Chen Ping, so he jumped to Chen Ping’s side!

“You’d better just stand aside and watch carefully. These few little demon cultivators are not enough for me to fill my teeth!”

Chen Ping said to Zhu Qingxiu!

Chen Ping didn’t take the three ninth-grade demon cultivators in the Tribulation Realm seriously at all!

“Can you really?”

Zhu Qingxiu asked!

“If I could just take that away, I could...”

Chen Ping said with confidence!

“Okay, I’ll just watch the fun from the sidelines...”

After Zhu Qingxiu finished speaking, he really stepped aside and stopped helping!

And the three demon cultivators were extremely angry. They, the three ninth-grade cultivators in the Tribulation Realm, were actually looked down upon by Chen Ping, a seventh-grade cultivator in the Tribulation Realm!

“Don’t be careless, let’s attack together. This kid is a bit evil, and his realm aura is seriously inconsistent with his strength. We must not be fooled.”

After the green-robed monk stopped the bleeding, he held a big knife in one hand and warned the other three demon cultivators!

The three demon cultivators nodded and attacked Chen Ping at the same time!

One first-grade cultivator in the Mahayana realm, three ninth-grade cultivators in the Tribulation realm, four of them attacked from different directions!

Chen Ping's whole body was shining with golden light. He was flying through the air and fighting against the four demon cultivators!

Zhu Qingxiu on the side watched blankly. If she were to encounter these evil cultivators, it would be impossible for her to defeat them even with a sword in hand!

But looking at Chen Ping, it seemed that he handled it very easily, while those demon cultivators were in danger!

As Chen Ping fought with those demon cultivators, the originally quiet sea surface began to shake violently. There were constant explosions on the deserted island, and deep pits appeared one after another!

This deserted island had already experienced a great war, and later the Fire Kirin dug a deep hole leading directly to the seabed. The island was already shaky, and now there was another battle on it, and the deserted island began to sink!

[The Man Decree] A Man Like None Other Chapter 4354

Upon seeing this, Zhu Qingxiu jumped hurriedly, floating in the air, watching the island disappear into the vast ocean!

Without a place to stay, the four demon cultivators became visibly panicked!

If you accidentally fall into the Dead Sea, you will immediately turn into a pile of bones!

Chen Ping swung his sword and a demon cultivator was unable to dodge and was hit directly in the chest. He instantly lost his spiritual power and fell straight into the Dead Sea!

Along with the churning of the sea water, in just a few breaths, the demon cultivator turned into a skeleton, floating on the sea!

“Let’s go, stop bothering each other and find a place to stay first!”

Seeing this, the green-robed monk knew that it was unrealistic for them to capture Chen Ping, so he planned to take his men and escape first!

The green-clothed cultivator took the remaining two demon cultivators and fled quickly towards the island where Zhu Qingxiu originally lived!

Seeing this, Chen Ping pulled Zhu Qingxiu and quickly chased after him!

Seeing Chen Ping and the others chasing after them, the three demon cultivators became very panicked. Now, not only did they fail to obtain the secret realm, but they became the prey!

“Brother, please send a distress message quickly, or we will all die here.”

A demon cultivator said to the green-robed cultivator in fear!

The green-robed monk frowned slightly, then finally nodded and emitted a red light!

The red light shot straight into the sky, and then exploded!

“Oh no! These guys are calling for help. I guess there are accomplices of theirs nearby!”

Seeing this, Zhu Qingxiu hurriedly said to Chen Ping!

“Don’t be afraid, we will kill as many as come. We will not spare any of these Demon Sealing Alliance dogs!”

Chen Ping hated the demon cultivators who served as running dogs for the Demon Sealing Alliance!

The three demon cultivators came to the sky above the island, and after standing firmly on the island, they immediately jumped up again and fled into the distance!

Chen Ping brought Zhu Qingxiu to a small island. He wanted to take Zhu Qingxiu to chase again, but was grabbed by Zhu Qingxiu!

“Wait a minute, this island is going to sink after you destroyed the spiritual spring. I want to take the sacred tree away!”

Zhu Qingxiu said!

“Sacred tree? What sacred tree?”

Chen Ping was completely confused!

Zhu Qingxiu didn't say anything, but pulled Chen Ping towards a cliff on the island!

On the cliff, there was a tree that didn't look very big growing in the cracks of the rocks, and fairy air was constantly emerging from the tree!

Chen Ping was stunned and looked at the tree in disbelief. How could this tree emit such a fairy aura?

Could it be that there are immortal skeletons under this tree?

But this tree grows in the cracks of rocks. Logically, there shouldn't be immortal bones underground. But where does this immortal energy come from?

“This is the sacred tree. During all these years on the island, I relied on the spiritual spring and the sacred tree for my cultivation. As a result, you destroyed the spiritual spring, and now only this sacred tree is left.”

“I have to take the sacred tree with me. Otherwise, after the island sinks, the sacred tree will also be destroyed.”

After Zhu Qingxiu finished speaking, he leaped towards the sacred tree!

She planned to uproot the sacred tree and then find a place to plant it, so that she could continue to practice with the sacred tree!

But just when Zhu Qingxiu approached the sacred tree, a dark green light suddenly surged from the sacred tree!

These lights formed into spiritual blades and attacked Zhu Qingxiu, preventing him from getting close!

The sudden change made Zhu Qingxiu terrified. She was cut by the spiritual blade with several wounds on her body, and she almost fell into the sea of death!

Seeing this, Chen Ping jumped up and brought Zhu Qingxiu back!

Zhu Qingxiu and Chen Ping looked at the sacred tree in front of them in shock, not understanding how a mere tree could launch an attack?

Could it be that this tree is alive?

Chen Ping directly used magic to close the space around him, and then grabbed the tree!

[The Man Decree] A Man Like None Other Chapter 4355

He wanted to see what was so special about this tree that not only could it emit fairy energy, but it could also actively attack humans!

The trees emitted spiritual blades, but Chen Ping simply dodged them and let the blades hit him, causing no harm to him at all!

Chen Ping grabbed a branch of the tree and pulled it hard, and the tree was pulled out directly from the crevice!

The moment it was pulled out, the tree was struggling continuously, as if trying to break free from Chen Ping's restraints!

"It's really strange that this tree has consciousness..."

Chen Ping grabbed the tree and said in surprise!

"It's the first time I've seen this, too. How come these trees have life..."

Zhu Qingxiu was also very surprised!

“Never mind for now, those guys are about to escape, let’s go after them first...”

Chen Ping brought Zhu Qingxiu with him and started chasing the three demon cultivators!

During this period, Chen Ping tried several times to put the tree into the storage ring, but failed every time!

You know, Chen Ping’s storage ring can accommodate everything except humans, like this sacred tree, so it should be no problem, but Chen Ping failed several times!

Chen Ping simply stopped caring about it, grabbed the tree, and started to chase the three demon cultivators quickly!

But just after they chased for a short distance, Chen Ping frowned, because he felt that from the distant void, many auras were constantly approaching them!

And there are more than a dozen of them, including several in the Mahayana realm. These should be the reinforcements brought by the three evil cultivators!

Isn’t this Eastern Region barren and the strength of the cultivators not very high? How come there are so many Mahayana cultivators suddenly coming here?

Chen Ping was speechless!

At this time, Zhu Qingxiu’s expression also changed slightly. He sensed the auras of many powerful people and hurriedly said to Chen Ping: “It’s bad. It should be the reinforcements of the demon cultivator, and there are quite a lot of them. We should not chase them.”

“Walk.....”

Chen Ping nodded, then took Zhu Qingxiu and ran in another direction. As long as they left the Dead Sea area, they would be fine!

Not long after Chen Ping and his companions left, there was a fluctuation in the void, and a man in a blood-red robe appeared, followed by a number of cultivators, several of whom were at the first level of the Mahayana realm!

If Chen Ping had not left, he would have been surprised when he saw the man in the blood-red robe, because this guy was Ning Zhi who took the Heavenly Demon Stone and ran away!

He has restored his physical body and his strength has also increased to the second level of the Mahayana realm!

I have to say that Ning Zhi is a genius!

The green-robed monk was overjoyed when he saw the man who suddenly appeared. He immediately went up to him and said, "Master Ning, I didn't expect you to come here in person."

Ning Zhi looked at the broken arm of the green-robed monk, frowned slightly and said: "What's wrong with you? Can't you even deal with a little girl?"

Ning Zhi's face was full of anger, which scared the green-robed monk greatly!

"Master Ning, if it was just Zhu Qingxiu, we would have taken her down long ago and obtained the secret book. It's a pity that Chen Ping showed up halfway."

"This guy doesn't seem to be at a high level, but he's quite powerful, and he has a set of precious armor. He really made us suffer a lot."

The green-robed monk explained carefully!

"Chen Ping?"

Ning Zhi was slightly stunned, then his face showed a bit of excitement: "Hahaha, it's really a narrow road for enemies to meet. This guy actually came to the East Region. I was worried that I couldn't find him."

"Mr. Ning, do you know Chen Ping? The leader of the alliance ordered that guy to be hunted down with a hundred years of sacrifice."

"If we can capture Chen Ping, we can ask the leader for a hundred years of tribute."

The blue-robed monk said hurriedly!

[The Man Decree] A Man Like None Other Chapter 4356

“We are more than acquaintances. We are old acquaintances.”

“To me, Chen Ping is much more important than the Hundred Years of Worship.”

“So where are Chen Ping and the others now?”

Ning Zhi asked!

The monk in green pointed to a small island in the distance and said, “It’s near that island...”

As soon as the blue-robed monk finished speaking, Ning Zhi instantly turned into a stream of light and headed towards the island!

Seeing this, the others chased after him closely!

But when Ning Zhi arrived at the island, he did not find any trace of Chen Ping, so he clasped his hands together, and countless spiritual lights around him gathered towards his position frantically!

Ning Zhi’s hands were surrounded by blood and energy, which kept rotating. Finally, the blood and energy continued to merge with the surrounding spiritual energy and finally became a huge human face!

This person’s face is extremely strange. The mouth takes up half of the forehead, and there is only one eye on the forehead. It looks very scary!

The eyes on the human face’s forehead kept blinking, and then a ray of light was projected into the void!

In that light, the figures of Chen Ping and Zhu Qingxiu slowly appeared!

When seeing Chen Ping’s figure, Ning Zhi’s eyes showed excitement!

“Chen Ping, I finally met you...”

Ning Zhi showed a sinister smile on his face!

Chen Ping, who was running away with Zhu Qingxiu, suddenly felt his body tighten, as if something was staring at him!

Even his movements seemed to be affected and slowed down!

“What’s going on? Why do I feel like someone is spying on us?”

Chen Ping said with a frown!

“I feel the same way, I always feel uncomfortable!”

Zhu Qingxiu said!

“This is Ghost Face Exploring the Sky. Someone is spying on your location. They will probably find you soon!”

At this time, Demon Lord Chiyun spoke!

Just as the Red Cloud Demon Lord finished his words, a huge strange face suddenly appeared in the void above Chen Ping and the others’ heads. The strange face was as tall as a person, and the eye on its forehead kept blinking!

“Chen Ping, I finally found you. It’s time to settle the grudge between us!”

At this moment, the big mouth on the ghost face opened and closed, and actually made Ning Zhi’s voice!

“Ning Zhi?”

Chen Ping was stunned. He never thought that Ning Zhi would come to the Eastern Region, and it seemed that he had recovered!

“What is this?”

Zhu Qingxiu was terrified, with cold sweat on her forehead. She didn’t know what this sudden ghost face was!

Moreover, from behind, he could clearly feel that more than a dozen auras were approaching rapidly!

“Never mind, we have to speed up, otherwise we will be in trouble!”

Chen Ping didn't know what realm Ning Zhi had reached, but it definitely wouldn't be too low!

This guy has great talent and is an indestructible cockroach!

However, under the surveillance of the strange face, Chen Ping and the other two had no way to hide, and they couldn't move faster. It seemed that the strange face had a kind of gravitational force that was pulling Chen Ping and Zhu Qingxiu tightly!

“I have a migration bead here that can take us away from this area instantly. However, where we are taken to is random and I have no way of controlling it!”

At this time, Zhu Qingxiu took out a gem with a faint blue mist inside!

“Okay, as long as we leave this surveillance area, we will have a way to escape, let's use it quickly!”

Chen Ping said!

Zhu Qingxiu held the migration bead with a confused look on her face. After all, the migration bead was priceless and she only had one!

If you use it, it will be completely gone!

But then he thought, if they didn't use it, they might be caught and might even die here. Zhu Qingxiu gritted his teeth and crushed the migration bead!

[The Man Decree] A Man Like None Other Chapter 4357

As a blue smoke rose up, Chen Ping and Zhu Qingxiu only felt a light and ethereal air enveloping them!

Then time and space traveled before my eyes, and the uncontrollable moment disappeared!

Chen Ping tried hard to open his eyes, wanting to see where the migration bead was taking them!

But all I saw was white light flying by quickly, and I couldn't see anything clearly!

Chen Ping could clearly feel that his body was being pulled forward by a force!

When Ning Zhi and others arrived, they found that Chen Ping and the other man had disappeared!

Ning Zhi once again used the eyes on the strange face to try to find out the location of Chen Ping and the others, but after trying several times, he failed. It was as if Chen Ping and the others had disappeared out of thin air!

“Damn it, they both escaped. What kind of skill is this that can make two people disappear out of thin air?”

“It looks like the Transmigration Bead that Zhu Qingxiu used. I remember that the Wanjian Sect has this thing.”

“That Migration Pearl is priceless, but Zhu Qingxiu was willing to use it. When we were besieging her, she didn't even think of using the Migration Pearl!”

“That was because she didn't have time to use it. If she had taken out the Transmigration Bead, we would have snatched it away long ago!”

Several demon cultivators said this very unwillingly!

Ning Zhi had a cold face and looked around. He waved his hand and the strange face disappeared!

Then Ning Zhi took out a very small compass, bit his finger, and put a drop of blood on the compass!

The compass instantly emitted a red light, Ning Zhiwei closed his eyes, and fell into silence!

At this time, Chen Ping and Zhu Qingxiu didn't know how far they had been teleported. When they saw the surrounding scenery clearly, they found that there was only vast ocean all around and there was no place to stay!

"What...what is this place? We must not end up in the heart of the Dead Sea. If we can't find an island, then we're doomed."

Seeing this, Zhu Qingxiu said with a look of panic!

Without a place to stay, they could only rely on the spiritual power in their bodies to fly. They were afraid that they would not be able to find land and would fall into the Dead Sea!

What's more, Chen Ping and Zhu Qingxiu had both experienced a great battle and were already exhausted. How could they have too much energy to fly in the air!

"We should hurry up and recover first. Only after recovery can we find the mainland faster."

Chen Ping said to Zhu Qingxiu!

"How can I recover? There's not even a place to stay. If I keep consuming energy like this, I'm afraid I'll fall into the Dead Sea before I can recover."

Zhu Qingxiu said speechlessly!

"Since we have no place to stay, let's go to the bottom of the sea to recover. This way we can avoid being hunted down. They definitely won't think that we will be at the bottom of the sea."

Chen Ping said!

"Stop messing around. No one can enter the Dead Sea. Haven't you seen that people who fell into the Dead Sea turned into bones?"

"Half of my face was burned when it accidentally came into contact with the Dead Sea. I will never go near the sea again."

Zhu Qingxiu touched half of his face and said with lingering fear!

“Don’t worry, I’m here, the sea water can’t hurt you. Have you forgotten that I came out from underground? I’ve been at the bottom of the sea before.”

After Chen Ping finished speaking, he grabbed Zhu Qingxiu and rushed directly into the sea!

Zhu Qingxiu was shocked when he saw this and began to struggle instinctively, but he couldn’t get free!

Plop!

The two people fell into the Dead Sea. Zhu Qingxiu was frightened out of her wits, but she soon discovered that her body in the Dead Sea did not feel any heat at all. On the contrary, there was a slight coolness, which was very comfortable!

“This...what on earth is going on?”

Zhu Qingxiu asked with surprise!

Chen Ping smiled faintly: “I told you, this sea water can’t hurt you as long as I’m here.”

Not only does Chen Ping possess the origin of fire, but he also has a special fire called the Extreme Cold Ice Flame. As long as he releases a little bit of the breath of the Extreme Cold Ice Flame, the surrounding heat waves will disappear!

[The Man Decree] A Man Like None Other Chapter 4358

Zhu Qingxiu’s face was full of shock as he slowly sank to the bottom of the sea, completely unharmed!

“What the hell is going on? What kind of skills are you using? Even this Dead Sea can’t do anything to you!”

Zhu Qingxiu asked in confusion!

“Don’t ask me first. I want to ask you, what is your relationship with Zhu Jiazhen? And who is Zhu Qingyue to you?”

Chen Ping asked!

Zhu Qingxiu was stunned, then he looked at Chen Ping and asked, “How do you know Zhujia Town? And how do you know my sister Zhu Qingyue?”

“Then Zhu Qingyue is your sister? It seems that my guess was not wrong. Although only half of your face is left, you look very much like your sister.”

Chen Ping said with a smile!

But Zhu Qingxiu’s face suddenly turned cold. She hated it most when people talked about her face!

Zhu Qingxiu put on the mask again and said coldly: “How do you know about my sister?”

Chen Ping had no choice but to recount in detail how he met Zhu Qingyue, but he did not mention the fact that Zhu Qingyue was following Xiao Feng!

Upon hearing this, Zhu Qingxiu immediately became angry: “The Qijia Town is really unreasonable. When our Wanjian Sect was not destroyed, how dare they treat our Zhujia Town like this.”

“What happened to your Wanjian Sect? Why was it destroyed?”

“Is it just because those demon cultivators are trying to spy on the secret manual of your Wanjian Sect?”

“Besides, aren’t you the Wanjian Sect too weak? Just a few demon cultivators destroyed you.”

Chen Ping didn’t understand. Those demon cultivators didn’t seem to be very powerful, so how could they destroy an entire sect?

“Don’t talk nonsense. Our Wanjian Sect is not weak, otherwise my father would not have sent me to the Wanjian Sect to learn martial arts.”

“It’s just that the Demon Sealing League tried to win over our Wanjian Sect, but Master didn’t agree to join the Demon Sealing League, so the Demon Sealing League sent a large number of demon cultivators to attack us.”

“Because the Weapon Refining Sect was destroyed, our Wanjian Sect has not been able to update and forge swords for more than ten years, causing a sharp drop in strength. In the end, the disciples of the Wanjian Sect died or fled.”

“Master gave me the secret book of the Ten Thousand Swords Sect to keep. I took it and hid above the Dead Sea.”

“I accidentally fell into the Dead Sea while trying to avoid being hunted down, and half of my face touched the seawater, so I ended up like this.”

“I have been hiding on an island in the Dead Sea. I dare not go home, for fear of bringing trouble to my relatives in Zhujia Town.”

“I don’t know how long it’s been. Are father and the others okay...”

Zhu Qingxiu recalled the past and tears couldn’t stop flowing!

“The Demon Sealing Alliance is so evil. Sooner or later, I will eradicate the Demon Sealing Alliance.”

There was a cold light flashing in Chen Ping’s eyes!

“What’s wrong with you? I heard that the Demon Sealing League used a hundred-year offering to hunt you down? Do you have any deep hatred with the Demon Sealing League?”

Zhu Qingxiu asked!

“It’s not a big grudge. I killed the son of the leader of the Demon Sealing Alliance...”

Chen Ping said lightly!

“What?” Zhu Qingxiu looked at Chen Ping in disbelief, and finally gave Chen Ping a thumbs up and said, “You are awesome...”

“Okay, stop praising me. I tend to get proud easily. I have some pills here. Take them and you will recover faster!”

Chen Ping took out some recovery pills and handed them to Zhu Qingxiu!

Zhu Qingxiu didn't hesitate and directly threw the pill into his mouth.

As the pill entered his mouth, it instantly turned into a stream of clear water that flowed throughout his body, making Zhu Qingxiu feel comfortable!

“I never thought you had such high-quality pills!”

Zhu Qingxiu couldn't help but admire!

“I have a lot of good stuff. Once you get to know me well, I guarantee you won't be able to leave me alone!”

Chen Ping said jokingly!

Zhu Qingxiu rolled his eyes at Chen Ping, then closed his eyes and began to circulate his spiritual energy to recover!

[The Man Decree] A Man Like None Other Chapter 4359

While Zhu Qingxiu was recovering, Chen Ping began to fiddle with the sacred tree!

The sacred tree was still struggling in the sea, but Chen Ping was controlling it, making it impossible for the sacred tree to escape!

“It just so happens that I need spiritual energy to practice. Once I drain your spiritual energy, I'll see how you can still struggle!”

Chen Ping activated the Concentration Mind Technique, and a large amount of immortal energy from the sacred tree began to be absorbed into his body!

At first the sacred tree struggled desperately, but in the end its struggle became weaker and weaker.

“Please, stop inhaling. If you continue, I will die...”

At this time, the sacred tree actually made a sound, and it sounded like a woman!

This scared Chen Ping. He hurriedly stopped absorbing and looked around!

Finding that there was no one around, he turned his attention to the sacred tree!

“Did you just say that?”

Chen Ping asked the sacred tree in his hand!

The sacred tree shook its branches: “It’s me. Besides me, who else could it be...”

“Fuck! How can a tree like you talk and be conscious? This is too weird...”

Chen Ping opened his eyes wide, his face full of disbelief!

“Chen Ping, use your spiritual sense to communicate with the tree. I guess it’s not that the tree has consciousness, but that someone was helpless and finally hid his residual soul on the tree.”

At this time, Demon Lord Chiyun spoke!

Chen Ping instantly sent his spiritual sense into the sacred tree, and in an instant Chen Ping discovered that a figure slowly appeared in the sacred tree!

This is a woman wearing a purple shirt. Her complexion is very ugly and she looks very weak!

“Who are you? Why are you among the trees?”

Chen Ping asked after approaching the woman!

“My name is Zi’er, and I am one of the seven fairies in heaven. After the great war between gods and demons, I fell into this world of heaven and man. My remaining soul had no place to attach itself to, and was about to dissipate, so I could only attach myself to a tree on this deserted island.”

“I didn’t have much spiritual energy to begin with, and now you’ve absorbed most of it. I’m afraid I can’t hold on for much longer!”

Zi’er said helplessly!

“One of the seven fairies?”

Chen Ping’s eyes widened. When he was in the secular world, he had heard the story of the Seven Fairies since he was a child!

Unexpectedly, I met one of the Seven Fairies today!

“I’m so sorry, let me help you recover!”

Chen Ping began to inject the absorbed spiritual energy back into the tree!

Soon, Zi’er’s face became much rosier, but no matter how much immortal energy she had, Zi’er’s remaining soul could only stay in this tree, unless she found another carrier, or let Zi’er rebuild her body!

“Sir, I wonder if you can help me escape from this tree. Even if I can possess an animal, it’s better than being attached to this tree!”

Zi’er begged Chen Ping!

“Then why didn’t you attach yourself to Zhu Qingxiu since she lived on the island for such a long time?”

Chen Ping asked in confusion!

Zhu Qingxiu has been on the island and often goes to the cliff to absorb spiritual energy. There is every chance that Zi’er can attach herself to Zhu Qingxiu!

Zi’er shook her head: “I am too weak now, and I can’t attach myself to someone with strong strength. Besides, that pretty girl is also a pitiful person. She has been with me on the island for such a long time, and I can’t bear it.”

“I didn’t expect you to be so kind-hearted. You are lucky to have met me this time. You don’t have to possess someone else. I can help you rebuild your body.”

Chen Ping has the Heavenly Demon Stone, so when the time comes he can go to the Soul Demon Sect to restore Zi'er's body!

"Really? Thank you so much, sir. One day when I return to heaven, as long as you ascend to heaven, I will definitely repay you!"

As Zi'er said this, she was about to kneel down to Chen Ping!

[The Man Decree] A Man Like None Other Chapter 4360

Chen Ping hurriedly supported Zi'er. After all, she was a fairy. Although only a remnant soul was left, her status was noble. How could she kneel down to him!

"Miss Zi'er, you don't have to do this, but you have to bear with it for now and stay here on the seabed. When I finish my business, I will take you away from the seabed and restore your body!"

Chen Ping said to Zi'er!

Now Zi'er is attached to a tree, and Chen Ping has no way to put her into the storage ring. He can't hug a tree every day!

If we take the trees outside and some people discover that the trees have spiritual energy, it would be dangerous!

So Chen Ping decided to leave Zi'er at the bottom of the sea. After all, no one would come to the bottom of the Dead Sea. When Chen Ping dealt with the affairs of Zhujia Town and brought Zhu Qingyue back to the Xiao Dynasty, he could take Zi'er to the Soul Demon Sect to restore his body!

"Okay, Zi'er will follow your instructions!"

Zi'er bowed slightly and said!

Chen Ping looked at Zi'er, who was polite and had the temperament of a lady from a noble family. No wonder she was one of the Seven Fairies, she was so well-mannered!

After retracting his spiritual sense, Chen Ping placed the tree in his hand on a flat place!

In order to prevent the trees from being damaged by sea water or other people, Chen Ping began to carve array patterns around them!

We can't let the trees be burned to ashes by the sea water after Chen Ping leaves, that would be troublesome!

When Chen Ping was carving the formation patterns, he also added some extremely cold ice flames to ensure the temperature within the formation!

Just as Chen Ping was concentrating on carving the formation, Zhu Qingxiu slowly opened his eyes and let out a breath!

"This guy's medicine is really good. He recovered so quickly!"

Zhu Qingxiu felt refreshed and his strength was restored a lot!

"Do you think my medicine is good? I'll give you some more, take it and use it!"

Chen Ping seemed to have heard what Zhu Qingxiu said and directly threw a bottle of pills to Zhu Qingxiu!

Zhu Qingxiu held the pill and didn't know what to say for a moment!

After all, she and Chen Ping were not related in any way, and she had misunderstood Chen Ping at the beginning. But now Chen Ping gave her the elixir, and Zhu Qingxiu always felt a little embarrassed!

"Take it, as compensation for your sword!"

Chen Ping said slowly!

"That won't do. Since you said you have a relationship with the Weapon Refining Sect, you must get me another sword from them."

"I just want to see if you really have a relationship with the Weapon Refining Sect, or if you are just bragging..."

Zhu Qingxiu still remembers the sword that was cut off by Chen Ping!

“Okay, when I go to the Weapon Refining Sect, I’ll take you with me and let you see if I have any connections with the Weapon Refining Sect!”

Chen Ping ignored Zhu Qingxiu and continued to carve the formation pattern!

“You also know how to use formations?”

It was only then that Zhu Qingxiu realized that what Chen Ping was drawing on the ground was actually a formation!

Chen Ping ignored her and concentrated on carving the formation pattern!

This formation can not only protect the trees in the formation, but also prevent the leakage of the spiritual energy in the trees to avoid exposing the location!

Zhu Qingxiu moved closer and looked carefully, then a hint of surprise flashed in his eyes, and his expression changed slightly!

Although Zhu Qingxiu doesn’t understand the art of formation, he has never eaten pork but has seen a pig walk!

When the Wanjian Sect asked the formation master to set up a formation to protect the sect, the formation master also carved the formation patterns line by line!

That formation pattern looked much simpler than Chen Ping’s, and he also received many benefits from the Wanjian Sect!

But the formation pattern carved by Chen Ping, a seventh-grade cultivator in the Tribulation Realm, was so complicated!

You should know that the more advanced the formation, the more complex the formation pattern, and the more difficult it is to depict!

Zhu Qingxiu doesn’t know how to do it, but he has heard of it!

She couldn’t believe that Chen Ping was a formation master, and an advanced formation master at that!

She really underestimated Chen Ping!
