

[The Man Decree] A Man Like None Other

Chapter 4361

“What is the identity of this guy?”

“He is at the seventh level of the Tribulation Realm, but he has shown a strength higher than that of the first level of the Mahayana Realm.”

“At such a young age, he is still a formation master, a high-level formation master!”

“They even dared to kill the son of the leader of the Demon Sealing Alliance...”

Zhu Qingxiu really couldn't understand what Chen Ping's identity and background were to allow him to be so awesome!

After Chen Ping carefully carved out the formation, a barrier slowly rose up around them in an instant.

After the barrier rose, Zhu Qingxiu immediately felt the changes around him, and there was a sense of comfort in the entire area!

“We are at the bottom of the sea, why are you setting up the formation?”

Zhu Qingxiu asked in confusion!

After all, no one would have thought that they were at the bottom of the Dead Sea, and not everyone could get to the bottom of the sea!

“This formation is to protect this sacred tree. There is a remnant soul in the sacred tree, so this sacred tree can emit immortal energy and also has divine consciousness.”

Chen Ping told Zhu Qingxiu about Zi'er's affairs, and Zhu Qingxiu fell silent!

She had always thought that this sacred tree possessed divine energy, but she had never expected that there was actually a remnant soul hidden inside it!

Chen Ping and Zhu Qingxiu sat blankly on the bottom of the sea, and no one spoke anymore!

As long as those evil cultivators can't find anyone, they will leave!

After the evil cultivators leave, they just need to rush out of the seabed and return to the mainland!

Just as Chen Ping and Zhu Qingxiu were waiting, more than a dozen figures quickly appeared above their heads!

It was Ning Zhi who arrived with a group of demon cultivators, and then stopped above Chen Ping and the others!

“Master Ning, is this the right direction? There is no one around here.”

The blue-robed monk asked!

Ning Zhi was holding a compass, frowning slightly, and kept fiddling with it!

Finally, Ning Zhi's gaze fell on the Dead Sea beneath his feet!

“It is very likely that the two of them are in this Dead Sea.”

Ning Zhi said coldly!

“In this Dead Sea?” The green-robed monk was stunned, then shook his head: “Mr. Ning, you don't know this Dead Sea yet. There is no living thing in this Dead Sea. If someone enters the Dead Sea, they will immediately turn into bones.”

“How could the two of them enter the Dead Sea? Unless they wanted to die.”

“Inside the Dead Sea, ordinary cultivators may not dare to enter, but Chen Ping dares to enter. He must be with Zhu Qingxiu in the Dead Sea. The location I am looking for cannot be wrong.”

“Since there is none around here, he must be at the bottom of the sea.”

Ning Zhi said with certainty!

“Mr. Ning, I don’t want to deny your guess, but you really don’t understand the power of the Dead Sea. We have lived here for many years, and we have never seen a cultivator who can reach the bottom of the Dead Sea.”

“Don’t even think about entering the seabed. Even if you get contaminated by seawater, it’s impossible. Your skin will ulcerate immediately.”

“Let’s go look for him somewhere else. If we waste time here, I’m afraid Chen Ping will escape and we won’t be able to explain to the leader.”

The green-robed monk persuaded Ning Zhi to look somewhere else!

Ning Zhi looked at the blue-robed monk coldly and said, “Don’t use your leader to pressure me. He is your leader, not mine. Don’t forget that we are just a cooperative relationship.”

“Since you said that no monk can enter the Dead Sea, then I will show you how I enter it.”

After Ning Zhi finished speaking, flames began to rise from his body, and then he rushed towards the Dead Sea!

Ning Zhi’s body plunged directly into the Dead Sea and disappeared in an instant!

Many demon cultivators looked on in shock, wanting to see what the result would be!

But after waiting for a long time, Ning Zhi was not seen coming up, nor was Ning Zhi seen turning into bones and floating up!

Another quarter of an hour later, Ning Zhi’s figure emerged from the sea!

[The Man Decree] A Man Like None Other Chapter 4362

Seeing that Ning Zhi was actually fine, all the demon cultivators were shocked!

“Master Ning, this.....”

The green-robed monk looked at Ning Zhi in disbelief!

“This Dead Sea is simply caused by the fire in the earth’s core. The temperature is too high. If you come into contact with this sea water, you will instantly turn into bones.”

“But people who possess the essence of fire or have practiced fire-related techniques will not be afraid of the temperature of the Dead Sea.”

“Don’t forget, I am now a member of the Flame Demon lineage, and I am best at fire!”

Ning Zhi raised the corner of his mouth slightly and said very proudly!

At this moment, all the demon cultivators lowered their heads and remained silent, as they had witnessed Ning Zhi’s true abilities!

People like them can only be regarded as running dogs of the Demon Sealing Alliance, but Ning Zhi is different. Ning Zhi represents the Flame Demon lineage and cooperates with the Demon Sealing Alliance!

That’s why Ning Zhi behaves so strongly, and these demon cultivators are so respectful to him!

“Oh no, these demon cultivators are here...”

Chen Ping looked up, through the layers of sea mist, he could sense Ning Zhi’s breath.

Although Chen Ping used a formation to conceal his aura, it was indeed difficult for Ning Zhi and the others to find him. However, he knew that it was definitely not a coincidence that the other party could find this place!

Especially since Ning Zhi just entered the Dead Sea, this proves that the Dead Sea is not a barrier for Ning Zhi!

“These demon cultivators shouldn’t be able to find us, right? After all, we are at the bottom of the sea, and none of them would expect us to be there.”

When Zhu Qingxiu heard that those evil cultivators were coming, he spoke in a low voice!

“Someone could have thought that we have to leave now.”

Chen Ping knew that Ning Zhi must have thought that he would hide at the bottom of the sea!

Otherwise, Ning Zhi would not have gone deep into the Dead Sea. However, in this way, Chen Ping understood that Ning Zhi also possessed the demon clan’s ultimate fire, which was why he was not afraid of the Dead Sea!

“Those demon cultivators are still up there, how can we leave?”

“If you move even a little, your aura will probably be exposed.”

Zhu Qingxiu said!

Although the Dead Sea can isolate these people and prevent them from going into the sea, it cannot isolate their breath. If they move, their breath will definitely be detected by the other party!

By that time, they will be locked by the other party’s spiritual sense and will not be able to escape. They can’t stay at the bottom of the sea forever!

“It’s okay. We just want to avoid being exposed. As long as Ning Zhi enters the Dead Sea, we will have a chance to rush out!”

Chen Ping wanted to trick Ning Zhi into the Dead Sea, so that he could then take Zhu Qingxiu and escape from the Dead Sea!

The remaining demon cultivators are unable to stop Chen Ping!

Only Ning Zhi is a very difficult guy, and they are too familiar with each other!

Just when Chen Ping took Zhu Qingxiu out of the formation and swam forward on the seabed, they were instantly discovered by Ning Zhi and other magic cultivators!

“In the sea, they are really in the sea. I can smell their scent.”

After the green-robed monk sensed the auras of Chen Ping and Zhu Qingxiu, he immediately shouted excitedly!

Ning Zhi also locked onto the location of Chen Ping and the others at the first moment, and then dived into the Dead Sea!

The remaining demon cultivators dispersed and guarded the hundreds of kilometers of sea surface on the Dead Sea!

Chen Ping had also been keeping an eye on Ning Zhi for a long time. The moment Ning Zhi entered the water, Chen Ping pulled Zhu Qingxiu and swam quickly towards the surface of the sea!

The moment Chen Ping and Zhu Qingxiu rushed out of the sea, they were immediately discovered by a demon cultivator!

“Still want to run...”

The demon cultivator shouted and ran straight towards Chen Ping and the others!

However, Chen Ping didn't care and escaped with Zhu Qingxiu as quickly as possible!

While running away, Chen Ping raised his hand and shot out a golden light, and the golden essence enveloped him and Zhu Qingxiu's bodies!

At the same time, Chen Ping's indestructible golden body was activated. He intended to withstand the opponent's attack without fighting back!

[The Man Decree] A Man Like None Other Chapter 4363

Chen Ping knew that once he started to engage in a fight, the remaining demon cultivators would arrive soon!

As one fist after another hit Chen Ping, Chen Ping did not stop at all!

“You can't run away...”

Another demon cultivator blocked Chen Ping and his group's way!

Chen Ping didn't waste any words and directly took out the Dragon-Slaying Sword and slashed it out!

The sword light in the sky directly cut down the demon cultivator, and even his soul had no chance of escape!

When he died, the demon cultivator opened his eyes wide with an expression of disbelief. He did not expect that he would be killed instantly by a seventh-grade cultivator in the Tribulation Realm!

If it were the green-robed monk and others, they would definitely not face Chen Ping like this. After all, they had fought with Chen Ping and knew his true strength!

The demon cultivators that Ning Zhi brought later had never seen Chen Ping's true strength, so they were careless and were killed instantly by Chen Ping's sword!

But this sword also slowed down Chen Ping's speed!

At once, more than a dozen demon cultivators gathered from all directions!

Ning Zhi also flew up from the sea and headed straight over here!

Chen Ping frowned, knowing that it was difficult to escape, so he took Zhu Qingxiu back to the Dead Sea again!

In this way, these evil cultivators will no longer be able to chase them!

"Master Ning, Chen Ping rushed out of the sea, killed one of us, and then ran back into the sea. We can't chase him!"

The green-robed monk said after seeing Ning Zhi!

"Don't worry, they can't run away..."

Ning Zhi looked at the sea with a fierce look in his eyes!

He just slowly raised his palms, and the sky and the earth changed color instantly. Groups of black fog came from far away and finally covered the sea surface within a radius of 100 miles!

Boom boom...

As soon as Chen Ping and Zhu Qingxiu reached the bottom of the sea, they felt the entire sea shaking!

The calm sea water began to surge, and the entire sea area became chaotic!

Streams of black air poured into the sea, making the surroundings instantly become as dark as ink!

The deafening roar resounded throughout the heaven and earth!

Zhu Qingxiu was so scared that his face turned pale. He unconsciously grabbed Chen Ping's arm, his body trembling slightly!

The surrounding black air slowly condensed into thick cylinders, and then directly inserted into the seabed!

Cylinders were inserted into the seabed like cages, and then lines began to light up on the black cylinders!

Spiritual light filled the air, patterns flickered, and black mist entwined around the cylinders, forming a large net!

This time, Chen Ping and Zhu Qingxiu were surrounded in the middle, as if they were in a prison!

"This...what is this thing? It's so scary..."

Zhu Qingxiu frowned and said with some trembling!

"It seems that Ning Zhi has learned a lot, but he is still a little naive to play magic with me."

"You help me protect the Dharma, and I also need to re-carve the formation. I want to see whose formation is more powerful."

After Chen Ping finished speaking, he began to carve array patterns on the seabed. However, this time the array patterns were a little special. Not only were the shapes extremely complex, but each pattern also emitted a golden light!

If Zhu Qingxiu understood formations, he would definitely be able to see that what Chen Ping carved was not just a formation pattern, but a divine pattern!

This is what I learned from the ancestor of Divine Patterns!

Zhu Qingxiu looked around nervously. He wanted to protect Chen Ping so that Chen Ping could set up the formation with peace of mind!

But she didn't have a sword, and Zhu Qingxiu had no confidence at all relying on her bare hands!

I saw the strange water sounds around me getting louder and louder, and getting closer and closer!

It's like there are countless figures swimming in the sea!

If it were in the past, Zhu Qingxiu would not be afraid, because she didn't believe that anyone could enter the Dead Sea!

But now, she had to be afraid, because some monks didn't care about the temperature in the Dead Sea at all!

[The Man Decree] A Man Like None Other Chapter 4364

As the strange sound of water got closer, Zhu Qingxiu saw countless dense wind blades dividing the sea water. These wind blades were all emitted from the black cylinder!

He was planning to use the wind blade to chop the two people trapped inside into meat paste!

Looking at the wind blade getting closer and closer, Zhu Qingxiu broke out in sweat and looked at Chen Ping unconsciously!

She doesn't have Chen Ping's indestructible golden body. With her current strength, she is afraid that she can't block these wind blades at all!

But Zhu Qingxiu had no place to escape, because the entire sea area was covered with these wind blades everywhere!

Zhu Qingxiu's only hope was that Chen Ping would quickly set up the formation to block these wind blades!

Otherwise, they might really be beaten into meat paste by these wind blades!

However, seeing that Chen Ping was still concentrating on carving the formation, Zhu Qingxiu could only grit his teeth and prepare to fight against these wind blades by himself, helping Chen Ping to resist for every second!

After all, the two of them are now tied to the same rope and no one can get rid of the other!

"Master, I'm sorry..."

After Zhu Qingxiu said this, he took out a jade slip with nine swords engraved on it!

This is the secret book of the Wanjian Sect that the evil cultivator has been looking for!

The nine swords above are of different shapes and sizes!

Zhu Qingxiu took the jade slip in his hand, then injected a stream of spiritual power into it, and the jade slip began to flash with spiritual light!

At the same time, behind Zhu Qingxiu, a giant sword that was barely visible slowly took shape!

The nine swords on the jade slip flashed with light, and then began to tremble slightly. Then the nine swords broke away from the jade slip and floated in front of Zhu Qingxiu!

These nine swords echoed the giant sword behind Zhu Qingxiu and confirmed each other!

As the nine swords flew out, Zhu Qingxiu's face turned ugly and he was sweating profusely!

Soon the nine swords kept changing, and finally there were thousands of sword shadows, and it was impossible to tell which was illusion and which was reality!

Zhu Qingxiu swung her sword with all her might, and countless sword shadows flew towards the wind blades. The giant sword that appeared behind her was shaking wildly, as if it could no longer hold back and flew into the sky!

The roar continued, and the wind blades kept exploding!

Countless sword shadows temporarily blocked the area where Zhu Qingxiu and his group were, and all the wind blades were destroyed!

“The secret book of the Ten Thousand Swords Sect has actually been used!”

Above the sea, Ning Zhi looked down at the Dead Sea with a sneer on his lips!

Beside him, a dozen demon cultivators were looking at the rolling surface of the Dead Sea with shock on their faces, and their admiration for Ning Zhi deepened!

“Follow me, kill Zhu Qingxiu, and seize the secret book of the Ten Thousand Swords Sect.”

“As for Chen Ping, leave it to me. I will make sure he dies without a burial place!”

Ning Zhi’s eyes narrowed slightly and he said with murderous intent!

“Master Ning, I’m afraid we can’t enter the Dead Sea...”

The green-robed monk said somewhat embarrassedly!

“Don’t worry, you can get in with me here!”

After Ning Zhi finished speaking, he waved his hand lightly, and a ball of red flame moved around the crowd, quickly forming a barrier around everyone!

Looking from a distance, these people looked like fire men!

“Master Ning, can you spare Chen Ping’s life or leave his body intact? After all, he is worth a hundred years of worship.”

Another demon cultivator asked cautiously!

Ning Zhi's eyes widened slightly, scaring the man so much that he dared not speak again!

"I'm telling you, no one is allowed to have any idea of killing Chen Ping. I have to kill him myself."

"It's been so long, it's time to settle my feud with him!"

Ning Zhi must kill Chen Ping with his own hands to avenge his father's death!

From the mundane world to the heavenly world, Ning Zhi followed step by step. Only he himself knew how much suffering he had endured!

[The Man Decree] A Man Like None Other Chapter 4365

Now that I have become a demon cultivator, it is all because of Chen Ping!

"I understand!" Upon seeing this, the green-robed monk nodded hurriedly and flatteringly!

If they really offended Ning Zhi, none of them would be able to survive. After all, Ning Zhi was not under the jurisdiction of their Demon Sealing Alliance. Even if they killed them, the Demon Sealing Alliance would not stand up for them!

After saying this, the green-robed cultivator took the lead and rushed towards the Dead Sea, followed closely by the other demon cultivators, each of them like a sharp arrow, shooting down directly from mid-air!

The auras of more than a dozen demon cultivators intertwined together, like a mountain pressing down on one's head, they rushed into the Dead Sea and headed straight for Zhu Qingxiu!

Zhu Qingxiu also felt the aura of more than a dozen demonic cultivators, his eyes full of disbelief!

She didn't understand how these evil cultivators could enter the Dead Sea, but now was not the time to think!

The giant sword behind Zhu Qingxiu suddenly came out of its sheath, and thousands of golden lights instantly illuminated the surroundings!

Ning Zhi did not rush into the Dead Sea in a hurry, but looked down at everything in the sea from mid-air!

And he continued to condense the black demonic energy and then injected it into those cylinders!

More than a dozen demon cultivators, led by the green-clothed cultivator, attacked Zhu Qingxiu!

However, due to the complete sword shadow and the obstruction of the giant sword, they found it difficult to get close for a while!

“The secret book of the Ten Thousand Swords Sect is indeed powerful. There are more than a dozen of us, but we are unable to get close to it.”

The green-robed monk frowned slightly and kept dodging the attacks of the sword shadows!

“Brother, no matter how powerful the Ten Thousand Swords Sect’s secret book is, it still needs spiritual power to support it. I want to see how long a woman like Zhu Qingxiu can hold on!”

A demon cultivator smashed a sword shadow with one palm, and then said proudly!

“Yes, he is a woman, he can’t hold on for too long!”

The blue-robed monk nodded!

More than a dozen demon cultivators kept chasing Zhu Qingxiu, and Zhu Qingxiu was sweating profusely. He activated the jade slip secret book in his hand, and the sword shadows were destroyed one after another, and then quickly reappeared!

Zhu Qingxiu’s face was already extremely pale, and suddenly he spat out a mouthful of blood, which sprayed directly onto the jade slip secret book!

Along with a flash of red light, nine blood-red swords flew out from the jade slip secret book again!

Whoosh, whoosh, whoosh...

All these blood-red swords were directed towards the demon cultivators!

However, it can be clearly seen that Zhu Qingxiu's body is trembling and has reached its limit!

"Hurry up, hurry up, I can't hold on any longer..."

Zhu Qingxiu glanced at Chen Ping who was concentrating on carving the array pattern and said!

Chen Ping also knew the danger at the moment, but he had to complete the carving of the divine pattern this time so that they would have a chance of escape!

Otherwise, Ning Zhi and these dozen or so demon cultivators would be enough to give them a hard time!

Now Chen Ping knows that it is not the time to fight Ning Zhi head-on. Ning Zhi is a guy with too many tricks up his sleeve. Chen Ping does not know Ning Zhi's strength yet, so he dare not confront him head-on!

If I really suffer a loss, with Ning Zhi's personality, there is absolutely no chance that he will give me a chance to escape!

"This Zhu Qingxiu actually used his own blood and essence to consume it. He is planning to die!"

The green-robed monk couldn't help but be surprised when faced with the sudden appearance of those blood-red swords!

However, even if the nine blood-red swords appeared again, they could not stop the dozen or so demon cultivators from approaching!

Every time a blood-red sword was destroyed, Zhu Qingxiu's body would tremble and then spit out a mouthful of blood!

Zhu Qingxiu spurted out more and more blood, and his breath had become extremely weak!

The jade book in his hand no longer flickered, and no sword shadow appeared!

The blood dyed Zhu Qingxiu's clothes red, and Zhu Qingxiu had become a bloody man at this moment!

She couldn't hold on any longer and slowly fell to the ground, her face as pale as paper!

[The Man Decree] A Man Like None Other Chapter 4366

Even so, she was still burning her own blood and essence, struggling to resist those evil cultivators!

It's death anyway, Zhu Qingxiu no longer cares about his own life!

If Chen Ping had a chance to escape, she hoped that Chen Ping could take away the secret book of the Sword-Asking Sect!

She will die sooner or later anyway!

"Brother, is Zhu Qingxiu going crazy? He is planning to commit suicide!"

A demon cultivator looked at Zhu Qingxiu who was so close to him and said in shock!

"She knows that she will die sooner or later, and this way she can avoid being abused by all of us."

"Keep an eye on the secret book in her hand. Whoever gets it must hand it over to me!"

After the green-robed monk finished speaking, he rushed towards Zhu Qingxiu, waving his long sword in his arm!

Zhu Qingxiu watched helplessly, but he no longer had the strength to resist. He could only watch the evil cultivator getting closer and closer to him!

At this time, Chen Ping had completed carving the last divine rune. With the completion of the last divine rune, a huge magic circle was instantly activated!

Buzz!

With a humming sound, thousands of golden lights flashed out, and the large formation formed by the pillars suddenly became chaotic with spiritual energy, whistling in all directions. The demon cultivators who rushed over were repelled one after another, like a small boat, being washed out of the Dead Sea by the huge force!

The surrounding pillars also turned into black mist and disappeared under the golden light. For a moment, the Dead Sea was turbulent, and the water columns surged up to a height of thousands of feet!

More than a dozen demon cultivators were blown into the sky by this force, and not even their shadows could be seen!

“What kind of formation is this? How can it be so powerful?”

Ning Zhi was in mid-air, and after seeing this scene, his face suddenly changed!

He never expected that Chen Ping had set up such a powerful formation on the seabed in such a short time!

“Let me see how powerful you are!”

Ning Zhi’s eyes narrowed slightly, and his face was even colder. All the black air in the Dead Sea was absorbed by Ning Zhi into his palms, and then the black air condensed into a long spear!

Then Ning Zhi threw the spear into the Dead Sea with great force. The spear was like thunder, piercing straight to the location where Chen Ping and the others were!

Ning Zhi wanted to see whether Chen Ping’s formation was more powerful or his spear!

whoosh!

The spear was as fast as lightning and reached the bottom of the sea in an instant!

At this time, Chen Ping had already picked up Zhu Qingxiu, who was dying and covered in blood. He looked at Chen Ping and said in a weak voice, "Don't worry about me. Find a way to escape. Take the secret book of our Wanjian Sect with you. Don't let those demon cultivators take it away."

"I can't leave, please put me down..."

Zhu Qingxiu knew that if Chen Ping took him with him, he would never be able to escape!

"Don't worry, I will definitely help you escape!"

Chen Ping looked at Zhu Qingxiu with a firm look!

At this moment, Chen Ping frowned slightly, then looked up and saw a long spear that pierced through the sea water and came straight towards him with a blazing flame!

The speed was so fast that when Chen Ping raised his head, the spear was already in front of him!

The sharp tip of the spear seemed to be able to penetrate everything. The surrounding sea water was squeezed by the fast-moving spear, forming a vacuum channel!

"Go quickly, go quickly..."

Seeing this, Zhu Qingxiu hurriedly urged Chen Ping to escape and not to bother with her!

But Chen Ping held Zhu Qingxiu in his arms, motionless. He knew that this was Ning Zhi's powerful attack, and he wanted to see if the formation set up by his divine patterns could withstand Ning Zhi's attack!

Seeing that Chen Ping refused to leave, Zhu Qingxiu suddenly burst out with his last bit of strength, broke free from Chen Ping's arms, and pushed Chen Ping aside!

At the same time, a cloud of blood mist burst out from her body, and she wanted to block the attack for Chen Ping!

boom!

The spear exploded instantly when it was only ten feet away from Zhu Qingxiu's body.

[The Man Decree] A Man Like None Other Chapter 4367

The terrifying aura spread in all directions, and the sea water poured back to form a huge whirlpool!

Zhu Qingxiu then remembered that Chen Ping had already set up a magic circle, and the spear had just been blocked by the magic circle!

Zhu Qingxiu smiled, then slowly closed his eyes. The breath in his body quickly dissipated, and his body fell weakly to the ground!

Although the spear did not hurt her, her final outburst consumed her only remaining spiritual power!

Chen Ping subconsciously stepped forward and hugged Zhu Qingxiu. He didn't expect that at the critical moment, Zhu Qingxiu would make such a choice!

You have to know that he and Zhu Qingxiu are not related at all, and the two of them can't be said to have any friendship!

But Zhu Qingxiu subconsciously chose to sacrifice himself to save Chen Ping!

Holding Zhu Qingxiu's body and looking at the fallen mask, Zhu Qingxiu's burned face was not so ugly in Chen Ping's eyes at this moment!

"Don't worry, I will save you even if it means I have to go to hell!"

Chen Ping's eyes were full of anger. He looked up suddenly and the magic circle he had just set up burst out with countless rays of light like a nuclear bomb!

These rays of light shot straight into the sky. Ning Zhi in mid-air frowned, and his whole body was enveloped by the rays of light!

When the light faded, the demon cultivators that were knocked away flew back, but the Dead Sea had already calmed down!

Ning Zhi stared at the Dead Sea, his fists clenched tightly together: "Damn it, they ran away..."

He didn't expect that the formation set up by Chen Ping would be so powerful. Not only did his attack fail to break it, but at the moment the formation exploded, he was unable to observe it!

Chen Ping took advantage of this opportunity to escape with Zhu Qingxiu!

With so many people like them, Chen Ping still managed to escape. Ning Zhi could only grit his teeth!

This was the closest he had ever been to killing Chen Ping since coming to the Heaven Realm!

"It's all Zhu Qingxiu's fault. If she hadn't fought desperately, I don't think Chen Ping would have had the time to set up the formation!"

The blue-robed monk cursed!

But what he said was right. If Zhu Qingxiu hadn't tried his best to delay time, Chen Ping really wouldn't have been able to set up that magic circle.

The Ten Thousand Swords Sect's secret manual was not obtained, and Chen Ping, the century-old worshiper of the Demon Sealing Alliance, also ran away...

This time, not only did they get nothing, they also lost several people. It was really a case of losing the rice while trying to steal the chicken!

"Zhu Qingxiu won't live long. Even if Chen Ping escapes, he won't be able to get far. Come with me to find him!"

After Ning Zhi finished speaking, his body instantly appeared several miles away!

Seeing this, a dozen demon cultivators didn't dare to say anything and could only chase after him closely.

On the other side, on a desolate island in the Dead Sea, a ray of light flashed, and Chen Ping appeared on the desolate island holding Zhu Qingxiu!

Holding Zhu Qingxiu and performing the Fire Control Step continuously made Chen Ping a little breathless!

Although the Fire Control Step is fast and can cover several miles in one step, it also consumes a lot of energy!

Chen Ping looked at Zhu Qingxiu in his arms with a very solemn expression. At this moment, Zhu Qingxiu was barely breathing and was on the brink of death!

Chen Ping found a flat place and put Zhu Qingxiu on the ground. Zhu Qingxiu was covered in blood, his eyes were closed and his face looked extremely ugly!

But even so, Zhu Qingxiu was still holding the jade slip secret book of Wanjian Sect tightly in his hand!

Zhu Qingxiu consumed too much essence and blood. If it was just an ordinary injury, or even a serious injury, Chen Ping had a way to treat it, and he also had various elixirs on him!

But what Zhu Qingxiu consumed was his own blood and essence, which could not be replenished by any elixir!

Essence and blood are formed bit by bit through every cultivator's constant practice day and night. It can be said that they represent the life of every cultivator!

Consuming essence and blood is no different from consuming life, so many cultivators will not easily consume their essence and blood unless it is absolutely necessary!

[The Man Decree] A Man Like None Other Chapter 4368

Chen Ping gently held Zhu Qingxiu's hand, and spiritual power continued to inject into Zhu Qingxiu's body. He hoped to wake Zhu Qingxiu up!

But Chen Ping tried hard for a long time, but Zhu Qingxiu didn't respond at all!

Chen Ping began to inject immortal energy and dragon energy into Zhu Qingxiu's body again, but it was still useless!

In the end, Chen Ping was exhausted, and Zhu Qingxiu's condition did not improve!

"Don't waste your energy. This girl's blood and energy are almost exhausted. It will be useless no matter how much spiritual power you input into her."

"I guess he's not going to make it. Do whatever you want to him now while he's still alive and his body is still warm..."

The voice of Demon Lord Chiyun sounded in Chen Ping's mind!

When Chen Ping heard this, he was speechless.

"Fuck, if you can speak, then speak. If you can't, then shut up. Who do you think I am?"

Chen Ping was a little angry!

This was the first time he spoke to Demon Lord Chiyun in this tone!

Zhu Qingxiu became like this because of him. Chen Ping had to save her no matter what. How could he have the time to think about anything between men and women now!

"You've played with so many women, why are you pretending now..."

Demon Lord Chiyun rolled his eyes and said!

Chen Ping was speechless and simply ignored Demon Lord Chiyun!

He took out a large number of pills from his storage ring. At this time, Chen Ping didn't care whether the pills were precious or not, and gave them all to Zhu Qingxiu!

He now had only one thought in mind, which was to let Zhu Qingxiu live and absolutely not let him die!

Otherwise, Chen Ping won't be able to afford this favor, and he will have to protect Zhujia Town forever!

Moreover, Chen Ping will never be at peace for the rest of his life.

Soon, a large amount of pills entered Zhu Qingxiu's body, but Zhu Qingxiu still did not wake up. Although there was a large amount of aura surging around Zhu Qingxiu's body, Zhu Qingxiu lacked essence and blood, so even if he had more aura, he could not wake up!

Just when Chen Ping was at a loss and didn't know what to do, the Fire Kirin suddenly staggered out from the storage ring.

I saw the Fire Kirin walked to the side, and then started peeing as if no one was around!

After peeing, Fire Qilin returned to the storage ring without even looking at Chen Ping's shocked expression!

Chen Ping's face was filled with anger. He was helpless facing the unconscious Zhu Qingxiu, and yet this Fire Kirin walked out arrogantly and urinated in front of him!

Just as Chen Ping was about to take the Fire Kirin out of the storage ring and give it a good beating so that it would know who its master was, the Scarlet Cloud Demon Lord said excitedly, "It's God's will. This little girl is destined not to die..."

Chen Ping was stunned for a moment, then asked: "Senior, what do you mean?"

"You idiot, that Fire Qilin is a divine beast, and its urine is also an excellent spiritual fluid."

"Use the urine of the Fire Qilin as an initiator to refine some blood-replenishing and sperm-reinforcing pills, and this little girl will be able to come back to life."

"It may not be possible to fully recover, but it won't be fatal..."

The Red Cloud Demon Lord said!

When Chen Ping heard this, he was overjoyed and did not dare to hesitate at all. He hurriedly took out the Shennong Ding, and then waved his hand. A fire dragon emerged and gradually formed a protective shield around them, protecting Chen Ping and Zhu Qingxiu!

Chen Ping had no time to set up the formation and could only use the fire element as protection temporarily!

Then he put all kinds of materials and the Fire Kirin's urine into the Shennong Ding!

Fire was rising under the Shennong Ding, and Chen Ping threw all kinds of magical herbs into it without hesitation!

Soon, one pill after another was refined by Chen Ping and put into Zhu Qingxiu's mouth!

It only took a moment for Zhu Qingxiu's breathing to stabilize and he slowly opened his eyes!

[The Man Decree] A Man Like None Other Chapter 4369

"I... I'm not dead yet?"

Zhu Qingxiu looked at Chen Ping and asked in surprise!

"Not dead, of course not dead, I told you, I must save you!"

"You are still too weak now. Take a few more pills and you will recover faster!"

Seeing that Zhu Qingxiu had woken up, Chen Ping stopped refining pills, put away the Shennong Ding, and fed the remaining pills to Zhu Qingxiu!

Zhu Qingxiu opened his mouth and ate the pill given by Chen Ping, and couldn't help but frowned!

"What kind of pill is this? Why does it have a smell? It smells terrible!"

Zhu Qingxiu asked with a frown!

“Taste? What smell?” Chen Ping asked puzzled!

“A smell of urine...”

Zhu Qingxiu said!

After Zhu Qingxiu finished speaking, Chen Ping suddenly remembered that this was a pill made with the urine of a fire unicorn as the lead, so of course it would have a smell of urine, but he had forgotten about it!

“You smelled it wrong. There is no smell of urine. This medicine is a miracle drug. Your essence and blood were almost exhausted, and it was this miracle drug that saved you.”

Chen Ping hurriedly covered up and said!

When Zhu Qingxiu heard this, he no longer doubted anything and ate all the pills!

After a short rest, although Zhu Qingxiu is still very weak, his life is no longer in danger. As long as he recovers slowly, he will be able to return to his peak sooner or later!

“Since you are okay, let’s go and leave the Dead Sea area for the time being, otherwise it will be troublesome if those demon cultivators catch up with us.”

Chen Ping picked up Zhu Qingxiu and then jumped up!

Zhu Qingxiu was in Chen Ping’s arms, feeling the warmth of Chen Ping’s chest, and her heart was beating fast!

It was the first time for her to be hugged like this by a man, and it was also the first time for her to be seen naked by a man!

Chen Ping contacted Ji Yun using the sound transmission jade slip and learned that Ji Yun and the others were still waiting for him in a small town on the Dead Sea. So Chen Ping took Zhu Qingxiu and headed straight to that town!

After flying in the sky for nearly two hours, Chen Ping finally saw the Eastern Continent, and not far from the Dead Sea, there was a small town!

Although it is a small town, it only has dozens of wooden houses and some vendors doing business!

Chen Ping quickly found Ji Yun and the others!

Ji Yun, Zhu Qingyue and Liu Bo have been waiting for Chen Ping!

During this period, Ji Yun tried many times to contact Chen Ping using the sound transmission jade slip, but he couldn't get through at all. This made the three of them very anxious!

Chen Ping was still under the sea at that time, so it was normal that the sound transmission jade slip could not contact him!

Just as Chen Ping carried Zhu Qingxiu to the courtyard where Ji Yun and his friends rented, Zhu Qingyue and Liu Bo were stunned!

Because they recognized Zhu Qingxiu at the first sight, even though Zhu Qingxiu's face was half disfigured, they still recognized him at the first sight!

After all, they are the closest people.

“elder sister.....”

Zhu Qingyue rushed towards Zhu Qingxiu with an incredible look on his face!

Zhu Qingxiu opened her arms and hugged Zhu Qingyue tightly, and the two sisters hugged each other and cried!

They haven't seen each other for many years.

Uncle Liu also burst into tears and stepped forward and said, “Miss, it really is you. It has been so long and your family has been missing you.”

“When the Wanjian Sect was destroyed, all the disciples died or fled. At that time, the master was talking about you all day long!”

“I didn't expect to see you here, it's great...”

Chen Ping watched from the side, waiting for the family to calm down, then he said, "Let's go back to the room and talk, lest we be discovered. We are being hunted by a dozen demon cultivators!"

When Chen Ping said this, Liu Bo and Zhu Qingyue were shocked and quickly brought Zhu Qingxiu into the room!

Chen Ping set up a concealment formation around the room to hide the breath of everyone inside!

[The Man Decree] A Man Like None Other Chapter 4370

In this way, even if Ning Zhi and the others passed over the roof, they would not be able to detect their presence!

After entering the room, Chen Ping told everyone everything that happened!

When Zhu Qingyue heard that Zhu Qingxiu had fled to a deserted island to avoid being hunted down by the demon cultivators of the Demon Sealing League, and that his face was disfigured, he was extremely angry!

Later, when they heard that Zhu Qingxiu almost died, they became even more nervous!

"The Demon Sealing Alliance is a bunch of hypocritical guys. The reason why Qijia Town is so powerful now is because it is said that someone is in charge of Qijia Town, making the surrounding forces dare not provoke Qijia Town."

Liu Bo gritted his teeth, wishing he could tear the Demon Sealing Alliance to pieces!

"Uncle Liu, who is in charge of Qijia Town? When the Wanjian Sect was still around, even if Qijia Town had ten times the courage, they would not dare to target our Zhujia Town!"

Zhu Qingxiu asked!

"It seems to be called Ning Zhi. I heard that he is also a demon cultivator with the strength of the Mahayana realm and can control fire."

“I heard that some time ago, there was a conflict between a sect and Qijia Town. This person single-handedly killed hundreds of people from the other sect and directly wiped out the entire sect. It was extremely terrifying.”

When Liu Bo mentioned this, he also clearly felt his breathing quicken!

“Ning Zhi?”

When Chen Ping heard the name, he frowned instinctively. He didn't expect that Ning Zhi was doing so well in the Eastern Region and had begun to control the power!

However, Ning Zhi's strength is indeed enough to make him a big shot in the Eastern Continent!

If I go to another continent, I'm afraid I won't be able to get a number!

“What? Mr. Chen knows this person?” Liu Bo asked after seeing Chen Ping's reaction!

Chen Ping nodded: “I know him. The one chasing us is led by Ning Zhi.”

When Liu Bo heard this, his face suddenly became extremely ugly!

“Then let's hurry back to Zhujia Town as soon as possible. I'm afraid if we go back too late, Zhujia Town will be in trouble!”

Liu Bo was afraid that Ning Zhi would bring the people from Qijia Town to take action!

“Ji Yun, take them back first. I need to go meet Ning Zhi again.”

“I will make them pay the price this time...”

Chen Ping said to Ji Yun!

“Mr. Chen, isn't it too dangerous for you to go alone?”

Ji Yun said worriedly!

“Neither of us is a match for you, and you want to go back and die?”

Seeing that Chen Ping actually went back, Zhu Qingxiu asked in confusion!

“They beat you up like this, so of course I’m going to get revenge. This time you’re not holding me back, so even if I can’t beat them, they won’t be able to catch me.”

Chen Ping is very confident that he can fight on his own and be more flexible!

Zhu Qingxiu following him actually made Chen Ping a little hesitant and unable to do anything.

“You...” Zhu Qingxiu’s face turned red with anger when she heard it. It felt like Chen Ping had always treated her as a burden and a hindrance.

If Chen Ping hadn’t saved his life, Zhu Qingxiu really wanted to kick him twice!

“Whether it’s because of me or not, it will be very dangerous for you to go and seek revenge on your own. If you insist on going, then take this with you.”

“You also know swordsmanship, and your swordsmanship is pretty good. Our Ten Thousand Swords Sect’s secret manual contains quite a few sword moves. It all depends on how much you can comprehend.”

Zhu Qingxiu actually took the initiative to give the secret book of Wanjian Sect to Chen Ping!

“this.....”

Chen Ping was a little at a loss when he took the secret book. He was not a disciple of Wanjian Sect, and it was not good to take other people’s secret book!

“It’s not for you. You have to return it to me after you use it. We will need this secret book when we restore the Wanjian Sect!”

Zhu Qingxiu knew what Chen Ping meant, so he said!

After hearing this, Chen Ping felt at ease and put away the secret book of Wanjian Sect. Then he gave a few instructions and left!

Ji Yun and his group also rushed towards Zhujia Town without stopping!
