Chapter 4381

Seeing this, Ning Zhi's body was filled with black energy, and with a low shout, his body disappeared like a phantom, and he caught up with Chen Ping in an instant!

The black air in the sky surged and turned into a huge palm, which suddenly slapped towards Chen Ping!

Chen Ping seemed to have guessed Ning Zhi's move. Just when Ning Zhi slapped him with his palm, Chen Ping's figure suddenly disappeared!

But the green-clothed monk in front of Chen Ping was in a miserable state. He was unable to dodge and was hit by Ning Zhi's palm. With a muffled groan, blood spurted out of his mouth, and his whole body fell heavily to the ground like a kite with a broken string!

"Depend on....."

Ning Zhi couldn't help but swear!

As the green-robed monk's body fell heavily to the ground, it seemed as if the demon-subduing formation was instantly injected with power. Countless dazzling rays of light rushed up like stars. This time, the rays of light were a thousand times more dazzling than the ones that consumed immortal stones!

The green-robed monk was shrinking rapidly, aging visibly, and his aura disappeared in an instant!

No one had expected that this demon-subduing formation could actually absorb the aura of demon cultivators and turn it into a resource!

Even Chen Ping himself didn't expect this!

This scared all the demon cultivators. They originally thought that once the formation appeared, they just needed to find a way to go down and break it. But in the current situation, as long as they get close to the formation, they will probably become consumed resources of the demon-subduing formation!

The next scene instantly made everyone tremble with fear, even Chen Ping was no exception!

I heard a series of shattering sounds, and the violent breath of the void radiated in all directions!

Immediately afterwards, densely packed void cracks appeared and continued to spread to the surroundings!

The dark cracks in the void were like the giant mouths of monsters, sucking everything with infinite suction!

Looking at so many void cracks that suddenly appeared, Chen Ping's forehead instantly broke out in sweat!

This time it seems to be a bit too big!

If I really get sucked into the void crack, I might never be able to come back!

Those demon cultivators and Ning Zhi looked at the cracks in the void and turned pale with fright, screaming!

Sometimes death is not scary, what is scary is the unknown!

No one knows what is behind these void cracks!

As the demon cultivators were sucked into the void cracks one after another, they let out screams, while others were directly crushed by the void cracks and turned into a pool of meat paste!

Even though these are cultivators in the Tribulation Realm, or even in the Mahayana Realm, they still seem so insignificant in front of this void crack!

A large amount of sea water began to flow back, and the originally exposed mountains were swallowed up by the sea water in an instant, and the exposed formation was also covered up!

“Chen Ping, what the hell are you playing at? Can you survive being sucked into that void crack?”

Ning Zhi cursed Chen Ping and was so angry that he was about to die. It seemed that Chen Ping really wanted to die together with him in order to kill him!

What a fucking pervert...

Chen Ping was speechless when he saw the furious Ning Zhi. He didn't expect it to be like this!

"Stop cursing. Can't you see I was also avoiding the void cracks? How could I have known it would turn out like this?"

"It's all your fault. You had to let that idiot destroy my formation, and this is what happened."

Chen Ping said as he dodged the suction of the void crack!

Ning Zhi was stunned. He didn't expect that Chen Ping would blame him.

Ning Zhi resisted the vortex's suction and dodged to the side, looking at Chen Ping: "You told me you don't know the formation you set up? Wait until you avoid these void cracks, and then I'll show you how I'm going to peel off your skin and pull out your tendons..."

"We don't know who will rip off who yet, let's wait and see..."

Chen Ping and Ning Zhi can only engage in verbal battles!

No one dared to take action, and now all the energy could only be used to avoid those void cracks!

Fortunately, Chen Ping and Ning Zhi were able to avoid the cracks in the void and not be sucked in!

[The Man Decree] A Man Like None Other Chapter 4382

But those demon cultivators were miserable. They screamed and were sucked into the void cracks. They didn't know whether they were strangled or sent directly to another world. Anyway, they couldn't come back! Chen Ping

and Ning Zhi tried their best to avoid the void cracks, and slowly the void cracks became fewer and fewer! In the end, the void cracks disappeared completely, and the entire demon-subduing formation stopped working, and all resources were consumed! Ning Zhi's teeth were chattering at this time, staring at Chen Ping intently, and then rushed towards Chen Ping with big strides! While rushing towards Chen Ping, Ning Zhi raised his hand and shot out black air all over the sky! Seeing this, Chen Ping shot out balls of fire, which collided with Ning Zhi's black air! Chen Ping did not dodge, he was going to fight Ning Zhi head-on!

Without the threat of other demon cultivators, Chen Ping is not afraid of Ning Zhi! What's more, he still has many means to use! The God King Bow, the Demon Whip, and even his own True Fire Dharma Body, these are all Chen Ping's means! Especially the Demon Whip, which is specially used to restrain demon cultivators like Ning Zhi! Chen Ping also has the Fire Kirin and the Sky Devouring Beast. If these two little guys can jump out, it will be enough for Ning Zhi to drink a pot! Now Chen Ping still has the secret book of the Ten Thousand Swords Sect in his hand, which is also a means! Chen Ping's last means of saving his life is the Red Cloud Demon Lord. If he reaches the time and space of life and death, Chen Ping will not care so much and can let the Red Cloud Demon Lord control his body! By then, Ning Zhi is still a fart, just a little garbage! With so many means, Chen Ping was confident and confident! When Chen Ping was sending out a series of extremely fiery auras, he rushed towards Ning Zhi! Seeing this, Ning Zhi smiled coldly: "You want to fight me in close combat, let me see how strong your body is!" Ning Zhi knew that Chen Ping's body had been tempered and was extremely strong, but he was not afraid. After all, the gap between the two realms was so big, he wanted to try to fight Chen Ping head-on! Boom! Ning Zhi and Chen Ping collided with each other instantly! Even if it was just a collision that passed by, it still broke out with a shocking sound! Chen Ping's fist flashed with golden light. Without the slightest hesitation, he turned around and punched Ning Zhi again!

"Holy Light Fist..."

The sky was full of golden light, gushing out!

Ning Zhi was not to be outdone: "Flame Fist..."

Ning Zhi also punched out, and the sky was full of flames, rising up!

Boom boom boom...

The sky and earth changed color in an instant, and the endless golden light and fire merged, reflecting the whole sky red!

Ning Zhi's face changed slightly, because he could sense that Chen Ping's fist was indeed quite powerful, causing his arm to sting slightly!

"Damn, this kid's fist is a bit hard..."

Ning Zhi punched desperately, feeling a little panic in his heart!

He really didn't expect that with such a big gap in realm, Chen Ping's strength in close combat was also so strong, especially the Holy Light Fist, which was a bit overwhelming!

In a flash, the two people actually punched hundreds of times, and Ning Zhi became more and more frightened as he fought!

Chen Ping became more and more excited as he fought, and his fighting spirit was high!

Ning Zhi began to retreat a little, because he felt that his arm could not hold up a little!

He didn't understand, how could Chen Ping be so strong using only the strength of his body?

Ning Zhi didn't know at all that Chen Ping's Holy Light Fist was an immortal technique, and the more powerful the body power, the greater the power of the Holy Light Fist!

Bang!

The fists collided again, and Ning Zhi's fist suddenly made a crisp sound, the whole fist bone shattered, and a lot of blood spurted out!

But Chen Ping was intact, and he didn't look injured at all!

"Your body is too abnormal..."

Ning Zhi retreated helplessly, looking at his fist, his face full of resentment!

If he had known this, he would not have fought Chen Ping at close range!

This time, his hand was injured, and his combat effectiveness would definitely decrease!#Every time verification appears, please do not use the invisible mode!

[The Man Decree] A Man Like None Other Chapter 4383

“Ning Zhi, whether it’s a close combat or a long-range battle, you are just a piece of trash in front of me.” Chen Ping looked at the injured Ning Zhi, and said with a slight smile! “Really? Then try it again...” Ning Zhi kept a distance from Chen Ping! He had the furnace in his hand, and he could replenish his breath at any time. He didn’t believe that he couldn’t consume Chen Ping! Ning Zhi grabbed it casually, and the black air in the sky instantly condensed into a spear, and then shot straight at Chen Ping! Just as the spear was shooting towards Chen Ping, it suddenly exploded in mid-air! Then countless short and powerful arrow feathers, like meteors in the sky, came towards Chen Ping!

It turned out that the spear at the beginning was to confuse Chen Ping, making Chen Ping mistakenly think that it was just a spear and there was no need to dodge! Chen Ping looked at the arrows that suddenly came from the sky, and grabbed the jade slip secret book of the Ten Thousand Swords Sect in his hand. As Chen Ping’s spiritual consciousness entered the jade slip secret book, in just a moment, countless sword techniques flashed through Chen Ping’s mind! “Ten Thousand Swords Return to the Sect...” Chen Ping’s eyes were like lightning, and the sword energy on the Dragon Slaying Sword was crisscrossed. Chen Ping raised the Dragon Slaying Sword high, and endless spiritual energy swarmed around him, constantly gathering on Chen Ping’s Dragon Slaying Sword! The Dragon Slaying Sword trembled slightly, and countless sword beams shot out from the Dragon Slaying Sword! Ten thousand swords return to the sect, and the sword rays are like the wind cutting the moon, crossing the endless void, and then collide with Ning Zhi’s arrow feathers! “Ten thousand swords return to the sect?” “Isn’t this the unique skill of the Ten Thousand Sword Sect? How do you know the swordsmanship of the Ten Thousand Sword Sect?” Ning Zhi looked at the scene in front of him, his face full of disbelief! He couldn’t understand, how could Chen Ping know the unique skill of the Ten Thousand Sword Sect? Chen Ping was definitely not a disciple of the Ten Thousand Sword Sect! However, now Chen Ping knows the unique skill of the Ten Thousand Sword Sect. Although the

power he exerted is still lacking, this move of Ten Thousand Swords Returning to the Sect caught Ning Zhi off guard! After destroying Ning Zhi's countless arrow feathers, the remaining sword rays came straight to Ning Zhi! Ning Zhi was shocked, only feeling that the power of this sword light was extremely strange and extremely powerful!

Ning Zhi didn't dare to take it hard, so he could only make a move casually. Countless black air formed a shield, blocking Ning Zhi, and at the same time Ning Zhi's body was constantly retreating!

Ding ding ding...

The sword light hit the shield, making a sound like metal collision!

But soon, the shield was broken, and sword light passed around Ning Zhi's body!

Although Ning Zhi tried his best to dodge, he was still a little slow!

Several wounds were cut on his body by the sharp sword light, and blood kept pouring out!

Ning Zhi's breath weakened instantly, and countless black air wrapped around the wound, stopping the bleeding instantly!

"Chen Ping, you are awesome, but I won't let you go easily!"

Ning Zhi spit out a mouthful of blood, and the blood fell into the black air, instantly making the breath surge, and the black air was filled with red breath. The two breaths entangled together and then turned into a long sword!

The black hilt and the blood-red sword body exuded a burst of hot breath!

The furnace on Ning Zhi's body also began to emit a breath of flames, and all these flames were absorbed by this long sword!

"You want to play swords with me?"

Chen Ping raised his mouth. The Dragon Slashing Sword in his hand was a magical weapon, which was not comparable to the long sword that Ning Zhi used magic energy to conjure!

“Flame Slash...”

Ning Zhi roared, and the long sword in his hand slashed towards Chen Ping fiercely!

In an instant, a rising flame shot out from the long sword, and the energy contained endless flames, and went straight to Chen Ping!

Seeing this, Chen Ping also raised the Dragon Slashing Sword high.

“Cut the sky...”

It was another sword technique of the Ten Thousand Swords Sect. With this sword, a dark space crack appeared in the surrounding void!

So many space cracks just appeared, which made Chen Ping and Ning Zhi very embarrassed!

This time, Chen Ping’s sword actually cut out another void crack!

The void crack appeared, but it did not close immediately. Instead, a large amount of breath flowed out from the void crack. No one knew where these breaths came from!#Every time verification appears, please do not use the traceless mode!

“Ning Zhi, whether it’s a close combat or a long-range battle, you are nothing but trash in front of me.”

Chen Ping looked at the injured Ning Zhi and said with a slight smile on his face!

“Really? Then let’s try it again...”

Ning Zhi distanced himself from Chen Ping!

With the furnace in his hand, he can replenish his energy at any time. He doesn’t believe that he can’t consume more energy than Chen Ping!

As Chen Ping's spiritual consciousness penetrated into the jade slip secret book, in just a moment, countless sword techniques flashed through Chen Ping's mind!

"Ten Thousand Swords Return to Their Origin..."

Chen Ping's eyes were as bright as lightning, and the sword energy on the Dragon-Slaying Sword was running wild.

Chen Ping held up the Dragon Slaying Sword, and endless spiritual energy from all around him swarmed in and continued to gather on Chen Ping's Dragon Slaying Sword!

The Dragon Slaying Sword trembled slightly, and countless sword beams shot out from it!

Ten thousand swords returned to their origin, and the sword beams were like a gust of wind cutting through the moon, cutting through the endless void, and then collided with Ning Zhi's sky full of arrow feathers!

"Ten thousand swords return to the sect?"

"Isn't this the unique skill of the Wanjian Sect? How do you know the swordsmanship of the Wanjian Sect?"

Ning Zhi looked at the scene in front of him, his face full of disbelief!

He couldn't understand how Chen Ping could master the unique skills of the Wanjian Sect. Chen Ping was definitely not a disciple of the Wanjian Sect!

However, Chen Ping now knows the unique skills of the Ten Thousand Swords Sect, and although the power he displayed is still lacking, this move of Ten Thousand Swords Returning to the Sect caught Ning Zhi off guard!

Ning Zhi was horrified, feeling that the power of the sword was extremely strange and powerful!

The pitch-black hilt and blood-red blade exude bursts of hot breath!

The cauldron on Ning Zhi's body also began to emit flames, and all of these flames were absorbed by the sword!

“You want to play swordplay with me?”

Chen Ping raised the corner of his mouth. The Dragon-Slaying Sword in his hand was a magical weapon. How could it be compared to the long sword that Ning Zhi created with magic energy!

“Flame Slash...”

Ning Zhi roared, and slashed towards Chen Ping with the sword in his hand!

In an instant, a rising flame shot out from the long sword, and the energy contained endless fire aura, and went straight towards Chen Ping!

Seeing this, Chen Ping also raised the Dragon-Slaying Sword high.

“Zhan Tian...”

It was another move of the Wanjian Sect’s sword technique. With this sword strike, a pitch-black space crack appeared in the surrounding void!

[The Man Decree] A Man Like None Other Chapter 4385

I saw these auras flowing towards the Dragon-Slaying Sword like water!

Ning Zhi looked at the sword and was stunned. His pupils contracted and he was extremely horrified!

You have to know that although Chen Ping's Ten Thousand Swords Returning to the Origin just now was very powerful, it was obviously not able to reach its maximum strength when Chen Ping used it!

But this sword, that sword light that cuts through the sky, made Ning Zhi feel a terrifying threat of death!

“Chen Ping, how much of the Wanjian Sect's swordsmanship do you know? Are you a direct disciple of the Wanjian Sect?”

“These are the unique skills of the Wanjian Sect. It is impossible for an outsider like you to learn them.”

“When did you learn this secretly?”

Ning Zhi was a little confused at this moment, and questioned Chen Ping loudly!

“If I tell you that I just learned these Wanjian Sect sword techniques, would you believe it?”

Chen Ping smiled coldly!

Ning Zhi was stunned for a moment, then he seemed to understand and asked: “Could it be that the Ten Thousand Swords Sect secret book is already in your hands? You saved Zhu Qingxiu for the secret book, right?”

Ning Zhi figured it out at this time, Chen Ping must have the secret book of Wanjian Sect!

As long as one has extraordinary talent, once one's spiritual sense has scanned the secret book, those sword techniques will appear in one's sea of consciousness!

One can learn a few moves by imitating others. For someone like Chen Ping, it is not impossible to learn a unique skill like Wanjian Guizong in an instant.

But the power is not yet up to par!

Ning Zhi believed that if he could get the secret book of Wanjian Sect, he would also be able to learn the sword skills in it instantly!

“Bullshit, I’m not as dirty as you think. This secret book was given to me personally by Zhu Qingxiu.”

“Just prepare to die. I don’t have time to talk to you anymore...”

After Chen Ping finished speaking, he swung the Dragon-Slaying Sword in his hand!

Seeing this, Ning Zhi did not dare to hesitate at all and directly took out the cauldron. In an instant, the cauldron exploded and endless flames flew all over the sky!

Chen Ping looked at such a good cauldron, which was actually blown apart by Ning Zhi. He felt so distressed that he even wanted to snatch it back!

“Master, save me...”

Ning Zhi shouted loudly in the exploding flames!

Just as Ning Zhi finished shouting, a figure suddenly appeared faintly in the endless flames!

The master’s figure is so blurry that you can’t even tell whether he is a man or a woman!

The moment the figure appeared, Chen Ping felt unprecedented pressure!

A huge palm slapped towards Chen Ping!

Seeing this, Chen Ping frowned tightly, but the sword still slashed towards the huge palm!

boom!

Seeing Chen Ping coming with a sword, Ning Zhi was really scared, but Chen Ping’s sword was easily blocked by the huge palm!

There was only a loud bang, and the sword light that Chen Ping burst out was actually shattered into pieces.

With just this one strike, Chen Ping discovered the gap between himself and that figure!

It is obvious that the opponent is a projection, so it is impossible for him to fully unleash his strength!

But even so, Chen Ping didn't have the strength to strike back at the other person!

Ning Zhi was overjoyed when he saw this. Seeing Chen Ping's frustrated look, he shouted, "Master, kill him, kill him now..."

Chen Ping held the Dragon-Slaying Sword in his hand, and quickly retreated, his face becoming extremely ugly!

"Senior, I'm afraid I really need you to take action this time, otherwise I will be doomed..."

Chen Ping could only ask Demon Lord Chiyun to step in!

Otherwise, with his little ability, he would be slapped to death!

"Hahaha, you finally came to your senses. Don't worry, even though this old guy is just a projected shadow, I have also caused severe damage to his real body."

The Red Cloud Demon Lord laughed loudly and instantly took over Chen Ping's body!

"Master, don't hesitate, kill him..."

Ning Zhi is still urging his master!

But the shadow's voice trembled at this time and said: "Shut up, that kid actually has the aura of a strong man, run quickly..."

The phantom waved his hand, directly wrapping Ning Zhi, and instantly disappeared in the endless flames!

"Fuck, why did he run away? I haven't even stretched my muscles yet..."

Demon Lord Chiyun became anxious and started cursing!

[The Man Decree] A Man Like None Other

Chapter 4386

Chen Ping breathed a sigh of relief when he saw Ning Zhi running away!

If the fight continues, both sides will suffer losses!

“Okay, I’ll just run away. If you keep fighting, my body won’t be able to bear it!”

Chen Ping glared at the Red Cloud Demon Lord!

This guy only knows how to fight, without considering whether he can bear it or not!

“You guys, hurry up and improve your physical strength, or find all my bones quickly so that I can restore my physical body!”

“I’m almost suffocating in your sea of consciousness. It would be nice to have a companion...”

The Red Cloud Demon Lord said!

Chen Ping was speechless. This guy was in his sea of consciousness. What other remnant soul dared to enter his sea of consciousness!

After regaining control of his body, Chen Ping started to rush towards Zhujia Town!

.....

Zhujia Town!

This is just a small town with only 10,000 people, and the town is not very strong!

Zhu Yuanji, the governor of Zhujia Town, is only at the ninth level of the Tribulation Realm!

However, even if he is at the ninth level of the Tribulation Realm, he is still considered a master in the Eastern Region!

The overall strength of the cultivators in the Eastern Region is weaker than that in the other four regions!

This is also because the Eastern Region is vast and sparsely populated!

In addition, the Eastern Region is separated by the Ink Sea and the Dead Sea on both sides, so if the Eastern Region cultivators want to communicate with other regions, they can only take spirit boats, airships, etc., except for the teleportation array!

These are all modes of transportation that require a large amount of spirit coins or resources, so that the strength of the cultivators in the Eastern Region is relatively low, and most of them have never traveled to other places!

At this time, in the largest courtyard in the center of Zhujia Town, Zhu Yuanji was looking at Zhu Qingxiu in front of him with tears of joy!

He thought his daughter was dead, but she never expected to appear in front of him!

“My dear daughter, I have been looking for you for so many years. I finally see you. You are finally home.”

“After the fall of the Wanjian Sect, do you know how worried your father was about you?”

“No matter what difficulties you encounter in the future, remember to come home. No matter what happens, your father will always be your strong support!”

Zhu Yuanji cried bitterly, his eyes full of heartache!

My daughter must have suffered a lot and endured a lot during those years out there!

“Father, I...I really don't want to implicate Zhujia Town, so I have never dared to go home.”

“I know I was wrong. I will never make my father sad again...”

Zhu Qingxiu also started crying!

Zhu Qingyue's eyes also turned red when she saw this!

The family is finally reunited...

"Master, Qi Heng from Qijia Town is here. He got the news that the second young lady has returned."

At this time, Uncle Liu came over and said!

When Zhu Qingyue heard that Qi Heng was coming, her brows furrowed tightly, her face full of disgust!

Zhu Yuanji also frowned. If he hadn't been forced into a desperate situation, he wouldn't have made things difficult for his daughter!

"Father, Xiaoyue is going to marry Qi Heng. Isn't this just sticking flowers in cow dung?"

"Not only is Qi Heng extremely ugly, but he is also a beast. Even when I was in the Wanjian Sect, I heard about him. Qi Heng raped women and bullied children..."

"That's simply not a human being. Even if it's for the sake of profit, you can't let your sister sacrifice herself..."

Zhu Qingxiu questioned Zhu Yuanji.

After hearing this, Zhu Yuanji couldn't help but sigh and said, "Alas, what can I do? When the Wanjian Sect was in its heyday, you were in the Wanjian Sect and could support our Zhujia Town."

"But now the Wanjian Sect has been destroyed, and Qijia Town has someone backing it up, and they don't take our Zhujia Town seriously at all."

"If I don't agree and let your sister marry him, I'm afraid that all the tens of thousands of people in Zhujia Town will be killed!"

Zhu Yuanji also had a helpless look on his face. As the governor of Zhujia Town, he certainly had to consider everyone in Zhujia Town!

[The Man Decree] A Man Like None Other

Chapter 4387

When Qi Heng heard this, his smiling face suddenly turned cold, and he said in a cold voice: "I took the initiative to come to your Zhu family this time, but I didn't discuss it with you."

"Now that Zhu Qingyue is back, we must get married. If you don't want to marry me, then let me play for a few days. If I get tired of playing, leave immediately!"

Qi Heng actually said such words in public, and this was in the Zhu family. He was so arrogant to the extreme!

"Qi Heng, you filthy bastard!"

When Zhu Qingyue heard this, he became so angry that his face turned red, and he wished he could kill this guy on the spot!

"Master Qi, you're going too far!"

Zhu Yuanji frowned, his eyes filled with anger!

Qi Heng is going too far. Who does he think his daughter is?

"Master Qi, this is Zhujia Town, not your Qijia Town. Although you have broken through to the Mahayana realm and brought two eighth-grade cultivators of the Tribulation Realm, if you really fall out, we in Zhujia Town will not be easily provoked."

Uncle Liu said with a cold face!

Qi Heng is going too far. Although Liu Bo doesn't want to fall out with Qijia Town, he can't let Qi Heng be too arrogant now. He must be suppressed!

"You are just a servant, how dare you threaten me?"

Qi Heng looked at Liu Bo, then waved his hand!

A majestic breath gushed out, and a heat wave swept over the sky!

Liu Bo was so shocked that he didn't have time to react at all, and was instantly knocked away by this breath!

“Uncle Liu...”

Seeing this, Zhu Qingyue and Zhu Yuanji rushed over!

But at this time, Liu Bo had already lost his life, and his body looked like it had been steamed. This shows how powerful Qi Heng's attack was!

“Qi Heng, you've gone too far. You actually dared to kill our people in public.”

“Even if I try my best today, I will never let you leave Zhujia Town.”

Zhu Yuanji was completely furious!

As the breath in his body surged, the rising rage directly blew off the roof of the hall!

Bells rang out in the sky above Zhujia Town. All the people in Zhujia Town stopped what they were doing and gathered towards Zhu Yuanji!

They knew that Zhujia Town was in crisis, so the bells were ringing!

In just a short moment, thousands of people from Zhujia Town surrounded Zhu Yuanji's yard!

Some middle-level people in Zhujia Town rushed into the hall. Although the strength of these people was at the Tribulation Realm, their strength was only at the fifth or sixth level!

In front of Qi Heng, who is at the Mahayana stage, I am really not good enough!

However, when these people looked at Liu Bo's body, they were all furious. Even though they knew they could not win, no one retreated!

Qi Heng looked at himself being surrounded, but he didn't feel a bit of fear. Instead, he sneered!

“A bunch of little trash, you want to deal with me?”

Qi Heng just waved his hand, and all the people from Zhujia Town around him flew backwards!

Qi Heng, along with two of his men, jumped directly into the air, overlooking the entire Zhujia Town!

Zhu Yuanji looked at the middle-level leaders of Zhujia Town who were killed by Qi Heng's attack, and his anger had reached its peak!

Zhu Qingyue gritted his teeth, soared into the sky, and headed towards Qi Heng!

However, Zhu Yuanji grabbed him back. He would not watch Zhu Qingyue go to her death!

"Xiaoyue, it was your father who harmed you. You should find a chance to escape. I shouldn't have let Uncle Liu find you."

Zhu Yuanji regretted it so much at this time. Zhu Qingyue ran away, so she ran away. He should not have tried to find her back!

"Father, I don't blame you, I don't blame you..."

Zhu Qingyue started crying!

Zhu Yuanji stroked Zhu Qingyue's hair, his eyes full of determination, and then he suddenly punched Qi Heng!

All the strength at the peak of the Tribulation Realm burst out at this moment!

[The Man Decree] A Man Like None Other Chapter 4388

Facing Zhu Yuanji's angry punch, Qi Heng's mouth corners slightly raised, his eyes full of disdain. Ever since he broke through the Tribulation Realm and reached the Mahayana Realm, he has looked down on these Tribulation Realm cultivators!

Just when Zhu Yuanji was within reach, Qi Heng threw a punch, and this punch actually carried a hint of fiery aura!

It seems that Qi Heng received some teachings from Ning Zhi, and it is because of this that he was able to break through to the Mahayana realm!

boom!

The two fists collided, and an earth-shaking sound instantly erupted!

The entire Zhujia Town shook, and then everyone saw a figure falling rapidly from mid-air!

That was Zhu Yuanji. Zhu Yuanji's chest was severely burned and blood was gushing out of his mouth!

When Zhu Yuanji fell to the ground, a deep pit of more than ten meters was created on the ground!

“Father.....”

“Mr. Director...”

Zhu Qingyue pounced over!

Those people from Zhujia Town also gathered over!

When Zhu Qingyue brought Zhu Yuanji out of the deep pit, Zhu Yuanji was only breathing his last breath!

His face was extremely pale and he was barely breathing!

Everyone in Zhujia Town looked at Qi Heng angrily!

Qi Heng looked down at everyone with an indifferent expression: “If any of you are not convinced, you can attack me.”

“Kill him...”

Someone exploded in anger and rushed towards Qi Heng!

Then more people from Zhujia Town attacked Qi Heng!

Seeing this, the two followers behind Qi Heng immediately stood in front of Qi Heng!

Qi Heng waved his hand and said, “You guys leave. You are just a bunch of trash. I can send you off with a wave of my hand...”

Facing the people in Zhujia Town, a flickering flame appeared in Qi Heng’s palm, followed by the continuous surge of the aura in his body!

The flames grew bigger and bigger, and then with a slap of his palm, flames flew towards the people in Zhujia Town like poisonous snakes!

“ah.....”

“It’s burning me...”

“Help.....”

The moment the flames touched everyone in Zhujia Town, they all screamed miserably!

The moment the flames touched everyone in Zhujia Town, they all screamed miserably!

In just a blink of an eye, dozens of people from Zhujia Town died tragically!

At this moment, everyone in Zhujia Town felt a little bit afraid, and no one dared to attack actively!

The gap in strength between them and Qi Heng is too big!

It’s like an insurmountable gap!

At this moment, Zhu Yuanji could only watch the people of his Zhujia Town die tragically, but he had no way to do anything!

“Zhu Qingyue, take off your clothes and sleep with me now, then I might be able to spare these rubbish from Zhujia Town.”

“If you don’t agree, then I can only take action and flatten your Zhujia Town...”

Qi Heng looked at Zhu Qingyue and said!

Zhu Qingyue looked at Qi Heng angrily, but couldn’t say a word!

“Second Miss, don’t agree to him, we...”

The people of Zhujia Town were fearless in trying to stop him, but before he could finish his words, Qi Heng shot out a ray of light and killed him instantly!

“Zhu Qingyue, you have to think it over. I’ll give you a moment to think about it. During this time, I will continue to kill people from your Zhujia Town until you nod your head!”

After Qi Heng finished speaking, he slapped down from the sky!

boom!

Dozens of people from Zhujia Town were instantly turned into ashes by this palm!

Even though they have reached the Tribulation Realm, they still don’t have the slightest power to resist!

“don’t want.....”

Seeing the tragic deaths of so many people in Zhujia Town, Zhu Qingyue screamed loudly!

But as soon as he finished speaking, Qi Heng slapped out again, and dozens of people from Zhujia Town disappeared again!

“I promise, I promise you, as long as you release the people from our Zhujia Town, I can let you play with me as you like...”

Zhu Qingyue compromised!

But just when Qi Heng was feeling smug and was about to grab Zhu Qingyue away, a voice came from a distance!

“How dare a mere first-grade Mahayana Realm fellow be so arrogant?”

When Zhu Qingyue heard this voice, his eyes suddenly lit up!

Chapter 4389

“Mr. Chen, Mr. Chen...”

Zhu Qingyue shouted loudly, and saw Chen Ping’s figure approaching from afar!

When the people in Zhujia Town saw that help had arrived, they were all extremely excited.

Qi Heng frowned and looked at Chen Ping who was coming from a distance. He didn’t expect that someone would actually do something like that!

But when Chen Ping came closer, Qi Heng immediately laughed!

A mere seventh-rank cultivator in the Tribulation Realm is trying to act like a big shot!

As for the people in Zhujia Town, after seeing Chen Ping’s realm, they instantly lost their excitement!

This kind of strength can’t save them at all!

But only Zhu Qingyue was still trembling slightly, looking at Chen Ping excitedly!

Although Chen Ping is only at the seventh level of the Tribulation Realm, the strength he actually displays is quite impressive!

Zhu Qingyue knows it!

“Boy, you are just a seventh-rank cultivator in the Tribulation Realm, and you dare to join in the fun. Are you looking for death?”

Qi Heng looked at Chen Ping and said with disdain!

Chen Ping ignored him and glanced at Zhu Qingyue and asked, “Are you okay?”

Zhu Qingyue is Xiao Feng's girlfriend. After all, Xiao Huangchao treats Chen Ping well, so it is Chen Ping's responsibility to protect Zhu Qingyue!

"Mr. Chen, I'm fine..."

Zhu Qingyue shook her head!

Seeing that Zhu Qingyue was fine, Chen Ping turned his attention to Qi Heng!

When Qi Heng saw that Chen Ping, a small monk, ignored him, he immediately became angry!

"Can't you fucking hear me? If you don't want to die, get away from me. Do you want to interfere in my affairs?"

"Don't you see what kind of character you are..."

Qi Heng snorted coldly!

"Rubbish....."

Swish...

Chen Ping just said "rubbish" and before Qi Heng could say anything, he saw a golden light flash before his eyes!

Qi Heng's head was thrown high up, then quickly fell to the ground, and then rolled to Zhu Qingyue's feet!

Then Qi Heng's headless body fell quickly to the ground, raising a cloud of dust!

When everyone in Zhujia Town saw this scene, they were all stunned!

Everyone's face was filled with disbelief, with their mouths wide open!

They never expected that things would turn out like this!

Just now Qi Heng was a killing god, killing everyone in Zhujia Town without any chance of fighting back, and controlling the life and death of everyone!

But in the blink of an eye, this killer had his head chopped off!

This sword is so casual and easy!

How is this possible?

A seventh-grade cultivator in the Tribulation Realm could actually kill a first-grade cultivator in the Mahayana Realm with just one casual sword. This was too outrageous!

Everyone in Zhujia Town was stunned!

Also confused were the two eighth-grade cultivators at the Tribulation Realm brought by Qi Heng!

They didn't even realize what was happening before their eldest master had his head chopped off!

"You two should go back immediately and say that I, Chen Ping, killed the man. If you want revenge in Qijia Town, just come find me!"

Chen Ping waved his hand towards the two monks!

At this time, the two monks finally reacted. When they heard the name Chen Ping, they all trembled and turned around and ran away in panic!

But they knew that Chen Ping was the man that the Demon Sealing Alliance had been hunting down with a hundred years of sacrifice!

Chen Ping's body slowly fell down, and Zhu Qingyue knelt down in front of Chen Ping with gratitude!

When Zhu Qingyue knelt, everyone in Zhujia Town also knelt down in unison!

Although many people don't know Chen Ping's identity, someone who can kill Qi Heng with one sword is definitely not an ordinary person!

Maybe there is a huge force behind it, so that their Zhujia Town can be saved and they don't have to be afraid of the people in Qijia Town anymore!

"Zhu Yuanji, the governor of Zhujia Town, thanks you for saving me..."

Zhu Yuanji also dragged his seriously injured body and knelt down in front of Chen Ping!

Chen Ping just lightly lifted up with his palms, and everyone felt a force lifting them up!

[The Man Decree] A Man Like None Other Chapter 4390

“It’s just a small favor, no need to thank me...”

Chen Ping said casually!

It seemed that killing Qi Heng was as easy for him as crushing an ant!

“Mr. Chen, my father is seriously injured. I wonder if you can help treat him?”

Zhu Qingyue asked!

She knew that Chen Ping was also a pharmacist and knew medical skills!

Chen Ping just took a look and then nodded: “Although he is seriously injured, it is not fatal. It’s okay!”

When Zhu Qingyue heard this, he was immediately delighted and ordered people to clean up the scene!

Then Zhu Qingyue took Chen Ping and Zhu Yuanji to the backyard!

Zhu Qingxiu was still in the backyard. She was waiting anxiously, not knowing what was going on outside!

When she saw Chen Ping following Zhu Qingyue and supporting her father as they walked in, her worries instantly disappeared!

She has experienced life and death with Chen Ping, so of course she knows Chen Ping’s abilities!

As long as Chen Ping comes, Qijia Town will no longer be a concern!

“Miss Ah Zhu, I hope no one will disturb me while I am treating your father. Also, there are some resources that you need to gather in Zhujia Town.”

Chen Ping said to Zhu Qingyue!

Although Chen Ping had a lot of resources, they were almost used up in the fierce battle with Ning Zhi. The demon-subduing formation consumed a huge amount of resources!

In addition, Chen Ping's own body has consumed a lot of energy and needs to be replenished slowly!

But if there are no resources, how can we make up for it?

Since we have helped Zhujia Town this time, it is only right that Zhujia Town provide some resources!

Chen Ping is not a Bodhisattva, he can't help you for free!

"Don't worry, Mr. Chen. I will collect all the resources in Zhujia Town for your use!"

After Zhu Qingyue finished speaking, he immediately went to collect resources!

Chen Ping looked at Zhu Qingxiu, took out the Wanjian Sect's jade slip secret book, and returned it to Zhu Qingxiu!

"Miss Zhu, thank you for your jade slip secret book..."

Chen Ping knew that if it weren't for this jade slip secret book, he would not have been able to master such an awesome sword technique as Wanjian Guizong!

Zhu Qingxiu took the jade slip secret book and asked, "Mr. Chen, how are those demon cultivators doing?"

"I killed most of them. Only one escaped. He won't amount to anything."

"You have suffered a lot of damage in this battle, and you need to rest and recuperate for a while, so don't run around."

Chen Ping said to Zhu Qingxiu!

"Okay!" Zhu Qingxiu nodded, but there was some hesitation in his eyes!

"What's wrong with you? Do you have anything to say?"

When Chen Ping saw Zhu Qingxiu's expression, he asked!

"Mr. Chen, I want to ask, can you heal my face?"

Zhu Qingxiu asked in a low voice!

Chen Ping nodded and said, "It's OK, but your face has been like this for too long. If you want to restore it to its original state, you must consume a lot of immortal herbs. Among them, the divine muscle grass is the most special and not easy to find!"

In fact, it is not difficult to heal the burns on Zhu Qingxiu's face. The difficult part is how to collect enough magical herbs!

It is impossible for Chen Ping to have all kinds of magical herbs to treat all diseases!

"Mr. Chen, as long as it can be cured, it's fine. As for finding the Divine Muscle Grass, I'll find a way..."

Zhu Qingxiu said excitedly!

As long as you can treat yourself, you won't have to live under a mask anymore!

Chen Ping began to treat Zhu Yuanji, while Zhu Qingxiu walked out of the room. She didn't want to disturb Chen Ping from treating her father!

She also wanted to find out where in the Eastern Region could find the magical herb Shenjicao!

A smile finally appeared on Zhu Qingxiu's face. After all, every girl loves beauty!

Zhu Qingxiu also wished that she could return to the time when she had such a beautiful face!

Zhu Qingyue sent people to collect resources from the entire Zhujia Town. When the people in Zhujia Town heard that it was for Zhu Yuanji's treatment, they were all very enthusiastic and took out all their resources!
