## Chapter 4391

Qijia Town!

Qi Yuankun, the pacification officer of Qijia Town, was drinking wine and waiting for his son to return!

During this period, after Qi Heng ascended to the Mahayana realm, Qi Yuankun was extremely happy. He was the youngest Mahayana master in their area!

Today, Qijia Town has a certain reputation in the entire Eastern Region, especially with Ning Zhi now in charge of Qijia Town!

In addition, Qijia Town has cooperated with the Demon Sealing Alliance, which will be even more powerful!

Qi Yuankun has now expanded to the extreme!

Many small sects and forces in the surrounding areas were annexed by Qijia Town!

But just as Qi Yuankun was humming a tune and drinking a little wine, the two monks brought by Qi Heng ran back in a panic!

“Mr. Director, Mr. Director, something bad has happened, something bad has happened...”

The two monks knelt down in front of Qi Yuankun, trembling all over!

Qi Yuankun frowned slightly and asked, “What happened? Why did you two get scared like this?”

“Where’s the eldest master?”

One of the monks swallowed his saliva and said, “Master Director, the young master was killed...”

Crash...

The wine glass in Qi Yuankun's hand fell to the ground instantly and shattered!

"What did you say?" Qi Yuankun stood up and asked in disbelief!

"Master Director, the eldest young master was killed and his head was chopped off with a sword!"

Another monk also hurriedly said!

"Bullshit, impossible, absolutely impossible, how could there be such a master in Zhujia Town?"

Qi Yuankun didn't believe it at all, because he knew that there would never be such a master in Zhujia Town!

His own son is a master of the Mahayana realm. Zhu Yuanji of Zhujia Town is the strongest, but he is only at the peak of the Tribulation Realm!

How could he possibly chop off his own son's head with one sword?

Suddenly, Qi Yuankun seemed to remember something, and his eyes widened as he asked, "Could it be that they are from the Wanjian Sect? Could it be that the Wanjian Sect is in Zhujia Town?"

The only person who could kill a Mahayana master with a single sword strike was the destroyed Wanjian Sect!

Moreover, only an elder or above of the Wanjian Sect can do this!

But the Wanjian Sect has been destroyed, and everyone is dead or fled. How could anyone dare to stay in the Eastern Region?

Qi Yuankun knew that the Wanjian Sect had always had a good relationship with Zhujia Town, but it was impossible for him to risk his own life and stay in Zhujia Town to support it, right?

You must know that the Wanjian Sect offended the Demon Sealing Alliance. In the Eastern Region, the mention of the Demon Sealing Alliance means a god-like existence!

Every sect and force is proud to join the Demon Sealing Alliance. After all, with the Demon Sealing Alliance as a big tree, even if the resources in the Eastern Region are scarce, they will be the first to obtain more resources!

However, the Demon Sealing Alliance will not accept any sect or force, and it still has certain requirements!

The Wanjian Sect was favored by the Demon Sealing Alliance, but they did not know what was good for them, which only led to the destruction of the entire clan!

“Director, it’s not from the Wanjian Sect, it’s... it’s Chen Ping...”

A monk said!

“Chen Ping?”

Qi Yuankun frowned slightly. He always felt that this name was very familiar, but he couldn’t remember it for a moment!

“That’s the guy that the Demon Sealing Alliance has been hunting down with a hundred years of sacrifice!”

The monk explained!

boom!

When Qi Yuankun heard this, his head suddenly exploded, and then he asked anxiously: “What realm is Chen Ping at that he can kill my son with one sword?”

“Seventh level of the Tribulation Realm...”

“Fuck you...” The monk had just finished speaking when Qi Yuankun kicked the monk away!

“Do you take me for a fool? A seventh-level Tribulation Realm master can kill my son with one sword. Are you saying that my son, a master of the Mahayana Realm, is not even as good as a seventh-level Tribulation Realm master?”

Qi Yuankun was angry. Wasn’t this an insult to his intelligence?

# [The Man Decree] A Man Like None Other

## Chapter 4392

Seeing this, another cultivator was so frightened that he trembled and could only bite the bullet and said, “Master Director, he is really only at the seventh level of the Tribulation Realm. The realm that Chen Ping showed is only the seventh level of the Tribulation Realm, but it is possible that he is hiding his realm.”

“Otherwise, the Demon Sealing Alliance would not have used a hundred-year tribute to hunt down this kid. This Chen Ping must have some extraordinary qualities!”

The words of another cultivator calmed Qi Yuankun down. He thought that Chen Ping must have hidden his strength!

It is simply impossible for a seventh-level Tribulation Realm cultivator to kill a Mahayana Realm cultivator with just one sword!

“housekeeper.....”

Qi Yuankun shouted!

Qi Yuankun knew that his son could be killed by Chen Ping with one sword. Even if he led people to take revenge, he would only die in vain!

Although the hatred of killing his son is irreconcilable, Qi Yuankun is not stupid!

Soon, the butler was called in and whispered, “Master, what’s the matter?”

“Is Master Ning here?”

Qi Yuankun asked!

This matter can only be handled by Ning Zhi. After all, Ning Zhi is the real boss behind the scenes in Qijia Town!

“Master, Master Ning has been out with several demon cultivators from the Demon Sealing League for many days and has not returned yet.”

“I tried to contact him, but I couldn’t get through. I don’t know if something unexpected happened!”

The butler whispered!

“Impossible. In the entire Eastern Region, there are only a few people who can threaten Master Ning.”

Qi Yuankun waved his hand and said!

The strength level of the entire Eastern Region is not high, and there are not many masters in the Mahayana realm, so there are very few people who can threaten Ning Zhi!

“Master, have you forgotten that some time ago, strange phenomena and spiritual lights appeared in the area of Gelu Mountain? Maybe the legends are true.”

The butler still spoke in a low voice!

After hearing this, Qi Yuankun fell silent for a moment, then frowned and asked, “You mean, Master Ning and the others might have run into those people from outside the domain?”

“It’s hard to say!” The butler didn’t dare to admit it!

“Those are just legends. They can’t be taken seriously. Could it be that there really is another world in Gelu Mountain, and a hidden sect?”

“You know, for all these years, no one has ever seen those hidden outsiders. We have only heard about them.”

“If there really are these hidden masters who suddenly appear and cause turmoil in our Eastern Region, I don’t think the Territory Lord will sit idly by.”

“Don’t worry about where Master Ning and the others have gone. Contact the Demon Sealing Alliance immediately and tell them that Chen Ping is in the Eastern Region.”

Qi Yuankun ordered!

“I understand!” The butler nodded, but did not leave immediately. He looked as if he wanted to say something but hesitated!

“Butler, just say whatever you want to say!”

Qi Yuankun said!

The butler glanced at the two monks, then waved his hand and said, “You two, get out!”

The two monks retreated, and the butler leaned close to Qi Yuankun’s ear and said, “Master, if we lure the people from the Demon Sealing League here, I’m afraid the matter of the Gelu Mountain ruins will be revealed.”

“We in Qijia Town have spent a hundred years secretly searching for the entrance to the ruins, and now we have some clues. If it is discovered by others, I am afraid that by then, there will be no hope for us in Qijia Town.”

“I feel that the strange phenomenon a while ago has something to do with following the entrance to the ruins. I hope you will consider it carefully, Master!”

Qi Yuankun was silent...

Their Qijia Town has a treasure map that has never been passed on to others for generations, but no one has ever known what the treasure map is used for!

It was not until a hundred years ago that someone realized that the treasure map should be the entrance to a relic, right on Mount Gelu, but the exact location was unknown!

From then on, Qijia Town began the search, and this search lasted for a hundred years!

Now that the entrance to the ruins has been revealed, if we lure all the people from the Demon Sealing League here at this time and the ruins are discovered, all the efforts of Qijia Town over the past century will be in vain!

## [The Man Decree] A Man Like None Other Chapter 4393

After all, the strength of Qijia Town cannot be compared with that of the Demon Sealing League. If the Demon Sealing League discovers the ruins, Qijia Town will definitely be doomed!

But if they don't seek help from the Demon Sealing League, with the strength of Qijia Town, it will be impossible to seek revenge on Chen Ping!

Qi Yuankun was caught in a dilemma for a moment!

After thinking for a long time, Qi Yuankun finally said, "Let's go find the Demon Sealing Alliance. Let's not look for the entrance to the ruins for the time being!"

"Master, if the strange phenomenon a while ago was really the relic or the appearance of an outsider, then the secret of our Qijia Town can no longer be kept."

The butler still wants to persuade Qi Yuankun!

"Just go when I tell you to. Why are you talking so much nonsense? Ask the Demon Sealing League to send some experts over. Our Qijia Town is also a member of the Demon Sealing League. The Demon Sealing League can't just stand by and watch us die!"

Qi Yuankun was a little angry and yelled at the housekeeper!

Seeing this, the butler had no choice but to turn around and leave!

Qi Yuankun's eyes were filled with anger; he would definitely avenge his son's death!

.....

Zhujia Town!

After obtaining all the resources of Zhujia Town, Chen Ping cured Zhu Yuanji!

During this period, Zhu Qingxiu slowly recovered on his own!

And he also found out the whereabouts of the Shenjicao!

"Mr. Chen, thank you so much. If it weren't for you, I would probably be dead!"

After Zhu Yuanji recovered, he was extremely grateful to Chen Ping!

“Mr. Chen, we have no way to repay your kindness. All the resources of Zhujia Town are here, so we can't give you any more compensation.”

“But don't worry, if I return to the Xiao Dynasty and really get together with Afeng, I will definitely repay you!”

Zhu Qingyue looked at Chen Ping with gratitude and said!

Now there is nothing in Zhujia Town to thank Chen Ping for. Zhu Qingyue can only wait for her answer from Xiao Huangchao. If she really becomes the prince's consort of Xiao Huangchao, she will be able to repay Chen Ping!

“You don't have to be so polite. It's just a small favor from me. Besides, I have made use of a lot of the resources in Zhujia Town. This is my reward!”

Chen Ping said somewhat embarrassedly!

In fact, Chen Ping also used a lot of the resources in Zhujia Town to recover his body, otherwise he would not have been able to treat Zhu Yuanji!

He had fought with Ning Zhi and his energy was indeed enormous, so he needed to recover!

“Mr. Chen, I found out the whereabouts of the Shen Ji Cao. Someone said that this Shen Ji Cao can be found in the Ge Lu Mountain!”

Zhu Qingxiu followed Chen Ping and said!

“Gelu Mountain?” Chen Ping was slightly stunned, then said: “Then we can go to Gelu Mountain to pick some of this magical herb. As long as we have this magical herb, I can cure you 100%.”

“Great, I will accompany Mr. Chen to Gelu Mountain to pick the divine muscle grass now!”

Zhu Qingxiu said with excitement!

“No, you can't go...”

At this time, Zhu Yuanji hurriedly stopped him!

“Father, what’s wrong?” Zhu Qingxiu looked at Zhu Yuanji in confusion and asked!

“Gelu Mountain has been in turmoil recently. Some time ago, strange phenomena appeared on the mountain, with flashes of light and even some people heard strange noises. I’m afraid the legend is true.”

Zhu Yuanji said!

“Legend? What legend?”

Zhu Qingxiu’s face was full of confusion!

Chen Ping also became interested instantly. He pricked up his ears and listened carefully, wanting to hear what the legend was about!

“It is said that there is another world in the Gelu Mountain area, where many powerful outsiders live.”

“The reason why there are so few masters in our Eastern Region is because they have all been taken into that world.”

“But these are just legends and have not been confirmed...”

“But in the previous world, a strange phenomenon occurred in Gelu Mountain, and everyone thought of this legend. So you’d better not go to Gelu Mountain, lest you really encounter any danger!”

Zhu Yuanji persuaded!

## [The Man Decree] A Man Like None Other Chapter 4394

“Father, is there such a legend? Why haven’t I heard of it?”

Zhu Qingyue asked in great confusion!

“In recent years, this legend has become less common. Of course, you haven’t heard of it. You should know that we had many masters in the Eastern Region before, and there were also many demon cultivators at that time.”

“However, with the establishment of the Demon Sealing Alliance, the survival of the demon cultivators was greatly threatened, and gradually those demon cultivators disappeared.”

“It is said that these people have hidden in another world. Some people also say that they have opened up a secret realm for the demon cultivators to hide in, but no one can explain the details.”

“Anyway, that Gelu Mountain is very weird, you’d better not go there...”

Zhu Yuanji is still persuading!

“Father, if I don’t go to Gelu Mountain and get the Divine Muscle Grass, I will have to live under a mask for the rest of my life.”

Zhu Qingxiu said anxiously!

If she fails to seize this opportunity, she may never be able to take off the mask on her face!

By then, even if we get the Shenji Grass, it will be useless without a pharmacist like Chen Ping!

Zhu Yuanji was silent, and no one knew what he was talking about!

“Director Zhu, don’t worry. I will take good care of Miss Zhu. We will be back as soon as we get the Divine Muscle Grass. There will be no danger.”

Chen Ping followed Zhu Yuanji and said!

Upon hearing this, Zhu Yuanji could only nod in agreement. He had seen Chen Ping’s abilities before. Even Qi Heng, who was at the Mahayana level, was killed by a single sword. Even if he encountered any problems, he should be able to handle them!

Chen Ping took Zhu Qingxiu and Ji Yun with him and left Zhujia Town on an airship!

The Gelu Mountain is ten thousand miles away from Zhujia Town, and it is close to the Northern Territory. Part of the mountain range stretches to the southernmost tip of the Northern Territory!

But just as Chen Ping and his companions were heading towards Mount Gelu on the airship, suddenly, a strange phenomenon occurred in the sky above Mount Gelu!

I saw white rays of light that seemed to burst out from the mountain, and the sky above the entire Eastern Region began to become illusory!

In that light, there seemed to be the roar of swords and horses, as well as the sound of a great battle!

All the cultivators in the Eastern Region were attracted by this strange phenomenon!

“Is this the other world in the legend?”

Zhu Qingxiu looked at the strange phenomenon in the sky and said in shock!

“Mr. Chen, are there any relics on Gelu Mountain?”

Ning Zhi also looked at the strange vision and asked!

Chen Ping looked out the window of the airship at the strange scene outside, then slowly shook his head and said, “This is not a relic, nor is it another world. This is a battlefield where gods and demons are fighting each other.”

“It seems that this part of the God and Demon Battlefield has been sealed off. Now the seal has been weakened, causing the aura of the God and Demon Battlefield to be exposed!”

“A battlefield of gods and demons? I didn’t expect that there is a battlefield of gods and demons in this desolate land of the Eastern Region...”

Ji Yun said with some curiosity!

“The Eastern Region was not desolate before, but it became like this later...”

Zhu Qingxiu hurriedly explained!

“Let’s go. The aura of this battlefield of gods and demons has been leaked. I estimate that many people will go there. Let’s go and take a look...”

Chen Ping knew that there would definitely be many unexpected opportunities and treasures in the battlefield of gods and demons!

Other people will definitely know about it, so now that the aura of the battlefield of gods and demons has been leaked, many people will definitely rush over!

Ji Yun nodded, accelerated the airship, and headed towards Gelu Mountain!

At the same time, a hunchbacked old man followed by two sword-wielding demon cultivators suddenly appeared in the Eastern Region in a flash of white light!

These three people are all from the Demon Sealing Alliance. After receiving help from Qijia Town, the three of them used the teleportation array to come to the Eastern Region!

Only the most powerful organization like the Demon Sealing Alliance can use this teleportation array!

## [The Man Decree] A Man Like None Other Chapter 4395

“Master, this is the first time we have shown up in public in nearly a hundred years. As long as we catch Chen Ping this time, we can enter and leave the Demon Sealing Alliance freely, and they won’t lock us up in the dungeon anymore!”

A demon cultivator behind the hunchbacked old man said excitedly!

“Tianluo, Tiansha, you two have followed me for so many years, why are you still so attached to the outside world?”

“What’s wrong with the Demon Sealing Alliance’s dungeon? We haven’t lacked any resources in the past hundred years, and we can still have peace and quiet.”

After the hunchbacked old man finished speaking, he took a look at the strange phenomenon on earth and continued, “Tianluo, go to the place where

the strange phenomenon is and find out what happened. Don't start a conflict casually!"

"I'll take Tiansha to Qijia Town to have a look. Since Chen Ping was able to kill a first-grade Mahayana cultivator with one sword, his strength is definitely not inferior to yours."

"Don't be careless. Although we are now under the command of the Demon Sealing Alliance, we are not their dogs. Before doing anything, you must ensure your own safety."

"Remember the Patriarch's teachings!"

After Tianluo finished speaking, his figure flashed and headed towards the place where the strange phenomenon of heaven and earth was!

The hunchbacked old man took Tiansha to Qijia Town!

I have to say that the hunchbacked old man has some brains. Although he has to bow his head under the eaves, he also clearly positioned himself and is definitely not a dog of the Demon Sealing Alliance!

Shortly after Tian Luo's figure disappeared, Chen Ping, who was sitting upright in the airship, suddenly frowned!

"Ji Yun, be careful, there is a mysterious aura approaching us..."

Just as Chen Ping finished his words, a figure blocked the airship!

This person held a blood-red sword in his hand and black mist surrounded his body. It was Tianluo!

This place is nearly ten thousand miles away from the Gelu Mountain. If we fly there, it will definitely consume a lot of energy!

Now that an airship has appeared, Tianluo will of course take it!

"I didn't expect that there would be an airship in this desolate Eastern Region. Can I take a ride on it?"

Tianluo held a long sword and asked loudly at the airship!

Ji Yun looked at Chen Ping, he didn't know how to answer!

After all, the aura emanating from Tianluo makes people feel a little frightened!

Moreover, it was obvious at first glance that Tian Luo was a demon cultivator. Ji Yun did not know the other party's identity and did not dare to answer him easily!

“When did a demon cultivator of this level appear in the Eastern Region? It seems that this demon cultivator has reached the second level of the Mahayana realm?”

Zhu Qingxiu said with a frown!

She has now recovered to the first level of Mahayana realm, and her realm is considered a master in the Wanjian Sect!

You must know that the Wanjian Sect has a very high status in the entire Eastern Region. If it weren't for the Demon Sealing Alliance, the Wanjian Sect would never have been destroyed!

But now, a second-level Mahayana demon cultivator actually appeared, which surprised Zhu Qingxiu!

Chen Ping did not speak at this time. Facing the demon cultivator in front of him, Chen Ping had no way of knowing the other party's identity for a while!

Although the demon cultivator is not a bad person, Chen Ping doesn't know whether this demon cultivator is a member of the Demon Sealing Alliance!

If it's someone from the Demon Sealing Alliance, then we're in trouble!

After all, the Demon Sealing Alliance also has a large number of demon cultivators!

“Damn it, can't you hear me? Since you don't want to drink my toast, don't blame me for being rude.”

Tianluo became angry when he saw that the people in the airship did not respond!

The blood-red sword in his hand slashed towards the airship!

Faced with this sword, Ji Yun was shocked and hurriedly controlled the airship to dodge!

When Zhu Qingxiu saw this, he jumped out and swung out with the sword in his hand instantly!

Boom!

The two sword lights suddenly collided with each other, and Zhu Qingxiu's body was instantly blown away!

When Tian Luo saw this, his expression changed slightly: "Someone from the Wanjian Sect?"

Zhu Qingxiu steadied himself, glared at Tian Luo and said, "Since you know I'm from the Wanjian Sect, why don't you get out of here quickly? Otherwise, I'll make sure you die without a burial place!"

Zhu Qingxiu wanted to use the Wanjian Sect to scare the other party. Since the other party knew that he was a disciple of the Wanjian Sect, he must know how powerful the Wanjian Sect is!

## [The Man Decree] A Man Like None Other Chapter 4396

But who would have thought that after hearing this, Tian Luo burst into laughter and said, "Are you trying to scare me with the name of the Ten Thousand Swords Sect? The Ten Thousand Swords Sect was destroyed by our Demon Sealing Alliance a long time ago. Do you think I don't know that?"

"You are a fish that escaped the Wanjian Sect. I will kill you today, which can be regarded as a small achievement..."

After saying that, Tianluo leaped up and headed straight for Zhu Qingxiu!

Zhu Qingxiu's face changed drastically. He didn't expect that the demon cultivator in front of him was actually a member of the Demon Sealing Alliance!

However, just when Tianluo arrived in front of Zhu Qingxiu, Chen Ping's figure appeared instantly!

Suddenly he punched out!

boom!

This punch forced Tian Luo to stop!

"Are you okay?"

Chen Ping looked at Zhu Qingxiu and asked!

"I'm fine..." Zhu Qingxiu shook his head!

"Chen Ping?" Tian Luo was shocked when he saw Chen Ping appear!

Chen Ping looked at Tian Luo. He was not surprised at all that Tian Luo knew him. After all, the Demon Sealing Alliance had been hunting him down.

"Today is really my lucky day. I actually ran into you. When I capture you and bring you back to the Demon Sealing League, not only will you receive a hundred years of worship, but you can also come and go freely in the Demon Sealing League."

Tianluo was overjoyed, then suddenly raised the sword in his hand and slashed at Chen Ping fiercely!

At this moment, Tianluo had long forgotten the advice of the hunchbacked old man and was determined to capture Chen Ping!

A sword beam burst out instantly, and Chen Ping protected Zhu Qingxiu and retreated repeatedly. The strength of the second level of the Mahayana realm should not be underestimated!

After escorting Zhu Qingxiu to a safe place, Chen Ping steadied his body and the Dragon-Slaying Sword instantly appeared in his hand!

The dragon roars and the sword flashes!

Sword lights also exploded in Chen Ping's hands!

Boom boom boom.....

Along with the collision of sword lights, Tian Luo only felt a huge force coming towards him, forcing him to retreat!

The blood-red sword in his hand was shaking violently!

“Good boy, you are only at the seventh level of the Tribulation Realm, but you are able to unleash such power. If I hadn’t known your true strength in advance, I would have suffered a loss with that sword just now!”

Tianluo looked at Chen Ping with his eyes slightly focused.

Chen Ping held the Dragon Slaying Sword in his hand, his face solemn, because the guy in front of him was not easy to deal with!

Tian Luo slowly raised the blood-red sword in his hand, and the void around him suddenly began to shake!

Then the void began to crack, and streams of red air swarmed into the blood-red sword from the cracks!

The next second, Tianluo’s figure suddenly disappeared!

boom!

Then a sword light seemed to shoot out from the void!

A cold light flashed in Chen Ping’s eyes. He held the Dragon Slaying Sword in both hands and raised it upwards!

This sword shines with golden light!

Accompanied by deafening sounds, the entire void seemed to explode!

Chen Ping and Tian Luo retreated at the same time!

But it was only a moment, and the two men rushed out again, accompanied by sword lights flashing and roars ringing in the ears!

Ji Yun and Zhu Qingxiu, who were watching the fight from the side, were extremely nervous. They didn't know if Chen Ping could be a match for this guy!

"Mr. Chen, let me help you..."

After seeing Chen Ping fighting with the opponent for a while, Zhu Qingxiu came forward with a sword!

Although Zhu Qingxiu only has the strength of the first level of the Mahayana realm, but at this difficult time, her actions can tip the balance in favor of Chen Ping!

Zhu Qingxiu turned into a sword light and rushed out. Seeing this, Ji Yun also jumped up, planning to fight three against one!

Tian Luo was forced to retreat. Seeing that Chen Ping and his men were outnumbered, he knew he was no match for them at all. He could only swing out a sword suddenly, and then the whole person disappeared into the void in an instant!

Zhu Qingxiu wanted to chase after him, but was stopped by Chen Ping!

"Don't chase them. Let's go to Gelu Mountain quickly. I hope these demon cultivators are not heading for the battlefield of gods and demons."

Chen Ping knew that this guy couldn't be alone and must have help!

If a few helpers of the same strength, or even stronger, came at this time, Chen Ping would be too passive!

So Chen Ping now has to find the battlefield of gods and demons and search it first!

## [The Man Decree] A Man Like None Other Chapter 4397

The airship quickly headed towards Gelu Mountain!

Before reaching Gelu Mountain, Chen Ping asked Ji Yun to put away the airship!

After all, riding this thing is a bit too conspicuous and can easily attract attention!

After folding the airship, Chen Ping, along with Ji Yun and Zhu Qingxiu, began to look for the entrance following the aura of the battlefield of gods and demons exposed on Mount Gelu!

The entrance to the battlefield of gods and demons is easy to find. After all, the place where the aura is leaking the strongest must be the entrance!

On the hillside of Gelu Mountain, a huge cave appeared, and the breath of the battlefield of gods and demons was constantly pouring out of this cave!

“Mr. Chen, we found the entrance. The cave is...”

Ji Yun was so excited that he wanted to run towards the cave, but was stopped by Chen Ping!

“Don’t go over there for now. There are many hidden auras around this cave. Although these people are deliberately hiding themselves, I can still sense them!”

Chen Ping looked around and said!

“Someone is hiding? Could it be possible that someone has found their way here?”

Zhu Qingxiu asked with some surprise!

After all, they flew here directly on an airship, so their speed must be faster than others. Moreover, many people probably don’t know that this is a battlefield between gods and demons, and they probably think it is some kind of relic!

If it weren’t for Chen Ping, they would not have been able to find this place so quickly. Now there are people who are faster than them!

“It is estimated that these people have been looking for the entrance for a long time. The reason why they are hiding now is probably that they are waiting for something.”

Although Chen Ping didn't know the identity of the hidden people, these people found the entrance but did not enter. They must be waiting for something!

“What are they waiting for?” Zhu Qingxiu asked!

Chen Ping shook his head. He didn't know what the hidden person was waiting for!

“Mr. Chen, then why don't we go in too? If we keep waiting, there will probably be more and more people behind us.”

Ji Yun said!

After Chen Ping pondered for a moment, a huge spiritual consciousness once again enveloped the surroundings and extended hundreds of miles away before stopping!

Chen Ping must figure out who is around him. If the other party is too strong, Chen Ping must be cautious!

However, after a careful investigation, it seemed that the people hiding around were not particularly strong, and Chen Ping could completely deal with them. He breathed a sigh of relief and walked towards the cave entrance!

However, as soon as he reached the cave entrance, Chen Ping was stunned. It turned out that there was a formation seal at the cave entrance!

Although the formation is somewhat incomplete, causing the aura of the battlefield of gods and demons to begin to leak out, but in order to enter, the formation must be broken!

Chen Ping now finally understood why the people around him hid themselves and did not enter the battlefield of gods and demons. It turned out that these people could not break the formation at all!

“There is actually a formation blocking it. No wonder everyone is hiding. I didn't see anyone coming in.”

Zhu Qingxiu saw the formation at the entrance of the cave and understood it instantly. He then looked at Chen Ping and said, "You are a formation master, and your formation skills are very powerful. Can you break this formation?"

Chen Ping took a careful look, then nodded and said, "If I force it open, it won't be a big problem, but it will consume too much of my spiritual power, and after I force it open, the people behind me can enter at will!"

"Mr. Chen, what if you don't force it open, but directly break the formation? That way we can go in, but others can't!"

Ji Yun hurriedly said!

"I can crack it, but it will take time, and I need someone to protect me."

"You two..."

Before Chen Ping could finish his words, suddenly a powerful aura descended from the sky!

Chen Ping's face changed instantly, and then he looked into the void not far away!

I saw the void tremble, and several figures approached from afar...

## [The Man Decree] A Man Like None Other Chapter 4398

Soon, several figures appeared before their eyes, as if they had torn through the void!

The leader was a man who looked very young. He was wearing a white robe and holding a jade-handled sword in his hand. His facial features looked extremely handsome!

On the left and right sides behind the man, there were two old men following. These two old men had one thing in common, that is, they both lost an eye!

The old man on the left lost his left eye, while the old man on the right lost his right eye!

The two old men also held long swords, and the aura on their bodies was constantly surging!

Behind the two old men were several monks holding swords. It was obvious that these monks had received training, and their positions and postures were very straight!

Especially those with expressionless faces, everyone exudes the aura of the eighth level of the Tribulation Realm!

Seeing this scene, Chen Ping's face changed slightly. The man in front of him must be very powerful, and there must be a huge force behind him, as he can bring so many subordinates who are at the eighth level of the Tribulation Realm!

Chen Ping couldn't see through the realm of the man in front of him and the two old men. He could only feel that their aura was very powerful!

It is obvious that the other party has used some method to conceal his realm and prevent others from detecting it!

"This little girl in front of me has beautiful features. If she were to change into women's clothes, she would definitely be a fairy..."

At this time, Demon Lord Chiyun spoke!

"woman?"

Chen Ping was slightly stunned and couldn't help but look at the man in front of him!

Demon Lord Chiyun actually said that the other party was a woman, but Chen Ping didn't notice it for a while!

"You can't even tell the difference between a man and a woman, but you have so many women around you for nothing."

"Although this person is using a chest binder, it is still possible to tell at a glance that a man has such towering chest muscles..."

The Red Cloud Demon Lord said!

When Chen Ping heard this, he couldn't help but look at the man's chest. Sure enough, the muscles on the man's chest looked a little abnormal and very uncoordinated!

If a man had this body proportion, it would be very strange, but if it was a woman, it would be normal!

Zhu Qingxiu also whispered at this time: "This is a woman dressed as a man, he is a woman..."

"You can see that too?"

Chen Ping looked at Zhu Qingxiu in surprise!

"Of course, I rely on my intuition. If the other person is a real man with such a handsome face, as a woman, it is impossible not to have my heart beat faster."

"But when I saw this man, I didn't feel anything at all. I even felt a little repulsive. It was obvious that he was a woman, and only women would repel each other."

Zhu Qingxiu explained!

After listening to Zhu Qingxiu's explanation, Chen Ping was speechless. How could he distinguish between men and women in this way?

The man opposite saw Chen Ping staring at him and couldn't help but frowned slightly, but he didn't say anything. Instead, he walked towards the cave with a cold face!

But just as he passed in front of Chen Ping and the others, the old man who was blind in his left eye suddenly drew his sword and stabbed towards Chen Ping's eyes!

"Rude fellow..."

The terrifying sword energy instantly enveloped Chen Ping!

Chen Ping frowned. He didn't expect the other party to attack suddenly without any warning!

Chen Ping's indestructible golden body instantly activated, and at the same time, a faint white light flashed around his body!

Zhu Qingxiu also took action immediately, blocking the attack with the sword in his hand!

clang.....

After a crisp sound, Zhu Qingxiu instantly took a few steps back, and the old man's sword energy also dissipated!

"Someone from the Wanjian Sect?"

The old man who was blind in his left eye frowned slightly and stared at Chen Ping and the others closely. The sword in his hand trembled slightly, and a terrifying sword intent continued to spread!

Zhu Qingxiu felt the opponent's sword intent and his face became very ugly, but Chen Ping looked at the opponent calmly!

## [The Man Decree] A Man Like None Other Chapter 4399

Because of the hidden realm just now, Chen Ping did not discover the identities of these two old men!

Now it seems that these two blind old men are also cultivators of magic!

But the man in front of him did not have a trace of demonic aura on him, and even the Tribulation Realm cultivators following him all had a righteous aura and were not demonic cultivators!

This made Chen Ping very puzzled. What kind of force could coexist with the demon cultivators and make the demon cultivators willingly serve as their servants?

"The Demon Sealing Alliance?"

The three words "Demon Sealing Alliance" flashed through Chen Ping's mind.

Now, only the Demon Sealing League has a large number of demon cultivators. Are these people all members of the Demon Sealing League?

Could this girl dressed as a man in front of me be the prince or princess of the Demon Sealing Alliance?

Considering that the airship was just stopped by the magic cultivators from the Demon Sealing League, and the other party also used long swords, it is possible that these are all together!

Thinking of this, Chen Ping finally lost his composure!

If these people are really members of the Demon Sealing Alliance, then he has to figure out how to escape, because there is no way for him to enter this battlefield of gods and demons anymore!

Just as the old man with a blind left eye was about to attack again and Chen Ping was thinking about how to leave, the woman dressed as a man suddenly spoke!

“Elder Zuo Xia, you attack others innocently and stir up trouble. Do you want to blind your other eye as well?”

The woman’s voice was cold and there was no emotion in her eyes!

“I dare not.” The old man with a blind left eye quickly stepped back a few steps, then bowed slightly and said, “That guy spied on the young lady and stared at her private parts. I blinded his eyes for her sake...”

The woman did not appreciate it and said, “I am now dressed as a man, so it is not wrong for him to look at me.”

“You two were staring at me back then, but I was a girl. My father poked out your eyes. Are you two still brooding over it?”

“I dare not...”

The two blind old men’s faces suddenly changed and they knelt down on the ground in panic!

Upon seeing this, Chen Ping immediately laughed. It turned out that the two old men were blinded because of looking at the woman in front of them!

But just one look blinded his eyes, which shows that the woman's father is also a very violent person!

"Miss, your father saved our lives. How dare we express dissatisfaction..."

The old man who was blind in his right eye said!

"You guys get up, I was just saying it casually."

The woman gently lifted the two old men up, and then she continued, "My father has told us not to be impatient when we are out, and to be kind to others. If you had killed someone just now, wouldn't that have added another debt of abuse to my father's head?"

"My father has been kind and generous over the years, and has never treated you differently just because you are demon cultivators, so you should also change your bad habits!"

"Miss, you are right!" The two old men bowed hurriedly!

After teaching the two old men a lesson, the woman looked at Chen Ping and said with a bow, "Daoyou, please forgive me for any offense I have caused..."

After saying that, the woman casually threw a bag of purple gold spirit coins into Chen Ping's hands!

Chen Ping looked at the bag of purple gold spirit coins and couldn't help but be amazed. It seemed that this woman's family was very rich!

However, Chen Ping is not interested in money. After all, he is not short of money!

But just when Chen Ping was about to return the purple gold spirit coin to the other party, he saw the woman and her people walking to the front of the cave!

Chen Ping knew that this woman brought people here, definitely for the battlefield of gods and demons!

However, there was a formation blocking him, and he wanted to see how this woman could enter the battlefield of gods and demons!

The woman slowly stretched out a hand, and there were runes carved on her palm. It was obvious that someone had carved them on her palm!

## [The Man Decree] A Man Like None Other Chapter 4400

At the moment when the woman's palm touched the formation at the entrance of the cave, the entire formation began to shake!

Along with the violent shaking of the formation, the formation that sealed the cave entrance began to slowly open!

This shocked Chen Ping. How could the runes on the woman's palm be so powerful?

This formation was not broken by force, but was cracked directly. Although Chen Ping could also crack this formation, it would take time and would not be so fast!

At this moment, Chen Ping was very curious about the woman's identity!

Now it seems that the other party is obviously not a member of the Demon Sealing Alliance!

As the formation was broken, the woman retracted her palm with runes, then looked around and said, "The formation has been broken. Anyone who wants to enter can show up now. No need to sneak around anymore!"

After she finished speaking, the woman waved her hand lightly, and everyone felt a breeze on their faces. All the people who had been hiding their auras were exposed in an instant!

Seeing that their aura was exposed, these people could no longer hide, and they showed up one after another, there were dozens of them!

However, these people are obviously not from the same force. Some of them were full of surprise after meeting each other, which proves that they are unaware of each other's existence!

“Everyone, I believe you also want to enter this cave, but there is a formation blocking you, so you can’t go in!”

“Now that I have broken the formation, any of you who want to enter must hand over 100,000 spirit stones!”

“If you don’t pay the fee, anyone who trespasses will be killed without mercy...”

The woman’s voice was very soft, but it carried an unmistakable murderous intent!

Everyone looked at each other, somewhat at a loss. After all, the Eastern Region was a barren land, and taking out 100,000 spirit stones at once was a considerable amount!

“This relic is from ancient times, it’s not yours, why should we pay for it?”

At this time, a monk asked with some dissatisfaction!

“Because I was the one who opened the formation. If you want to go in, open the formation yourself. I will never stop you!”

The woman counted slowly!

“I...” The monk opened his mouth but didn’t know how to answer. After all, if he could break the formation, he would not have waited until now. He would have gone in long ago!

“Even if you broke the formation, it would cost 100,000 spirit stones, which is too much. Many of us can’t afford it!”

“Can you ask for less? Or let us go in and wait until we find the treasure inside before paying the 100,000 spirit stones!”

Some people also started to speak, complaining that 100,000 spirit stones were too many!

“Those who take out 100,000 spirit stones can enter, and those who can’t take out can stay outside. Why are you being so fussy?”

At this time, the blind elder Zuo spoke sternly!

“How dare you talk like that? We don’t want to take anything, but you still insist on entering. How dare you...”

puff.....

Some cultivators were dissatisfied and talked back to the blind elder Zuo, but before they could finish their words, they saw a flash of cold light!

The monk’s head flew out instantly, he was deader than dead!

You should know that those who can find this place are not ordinary cultivators. Most of them are at the seventh or eighth level of the Tribulation Realm!

Now he was killed by a single sword from the blind elder Zuo!

This moment, everyone was so frightened that they dared not speak anymore!

When the woman saw this, she did not scold Elder Zuo Xia, and it seemed that she approved of Elder Zuo Xia’s behavior!

After all, there are so many people. If we don’t scare them all and they all rush into the cave, we will be in trouble!

After everyone pondered for a moment, some people turned around and left. It was unknown whether they were going to look for spirit stones or leaving helplessly!

Some people gritted their teeth, paid 100,000 spirit stones, and then entered the cave smoothly!

When you are under someone’s roof, you have to bow your head. After all, the other party is too strong and no one dares to resist!

In just a short moment, the woman collected millions of spirit stones. This was really a good deal!
