

[The Man Decree] A Man Like None Other

Chapter 4401

“Mr. Chen, what should we do?”

Zhu Qingxiu looked at Chen Ping and asked!

After all, they don't have that many spirit stones to spend!

Even if Zhujia Town were asked to gather the money, it is estimated that it would not be able to do so now. After all, in order to treat Zhu Yuanji, almost all of Zhujia Town's resources have been used up!

“I'll go ask!” Chen Ping walked towards the woman!

Although Chen Ping did not have any spirit stones on him, he had purple gold spirit coins. These purple gold spirit coins could be used as money, and of course, could also be used as resources for cultivation!

“Miss, I don't have that many spirit stones on me. Can I use purple gold spirit coins instead?”

Chen Ping asked the woman!

“Of course.” The woman said, and stretched out her hand towards Chen Ping!

Chen Ping directly returned the purple gold spirit coins that the woman gave him!

The woman took the purple gold spirit coin and smiled, “You can go in now. I gave you this purple gold spirit coin so that you have the opportunity to enter. After all, my people were rude to you just now!”

Chen Ping was stunned for a moment, then he smiled bitterly and said, “Why bother giving me purple gold coins? Why don't you just let me in for free...”

“That won't do. This is a rule. Rules can't be broken...”

The woman shook her head!

Chen Ping couldn't help but laugh. He felt that this woman was quite cute, but also a little stubborn!

"Then my two companions..."

Chen Ping pointed at Ji Yun and followed Zhu Qingxiu.

"Treat everyone equally, one hundred thousand spirit stones, or take out the equivalent amount of purple gold spirit coins!"

The woman spoke!

"Well, I hope that this trip to the God and Demon Battlefield can earn back the ticket money..."

Chen Ping smiled and casually took out two bags of purple gold spirit coins from the storage ring!

When the woman saw Chen Ping casually take out two bags of purple gold spirit coins, her expression was obviously stunned!

After all, anyone who can take out so many purple gold spirit coins so casually is definitely not an ordinary person. There might be a huge force behind him!

The woman took the purple gold spirit coin and asked, "May I ask what is your name, fellow Taoist?"

"Chen Ping..."

Chen Ping directly said his name!

Since he knew that the other party was not a member of the Demon Sealing Alliance, there was no need for Chen Ping to hide his identity!

Sure enough, when the woman heard the name Chen Ping, her expression did not change. It seemed that she did not know Chen Ping, and she had no idea that the Demon Sealing Alliance had been hunting Chen Ping for a hundred years!

Seeing the woman's expression, Chen Ping finally breathed a sigh of relief. The woman was not a member of the Demon Sealing Alliance, and she didn't

know about his affairs. In this way, Chen Ping would be much safer in the battlefield of gods and demons!

“My name is Lin Keting, they all call me Xiaoting...”

The woman followed Chen Ping and introduced herself!

“Miss.....”

The blind elder on the right opened his mouth to remind Lin Keting of something, but Lin Keting glared at him and he took back the words!

“Ms. Lin, we’ll meet again in the battlefield of gods and demons...”

After Chen Ping finished speaking, he was about to take Ji Yun and Zhu Qingxiu into the cave!

But just as he turned around, Lin Keting suddenly called him: “Wait a minute...”

“Miss Lin, do you have anything else to do?”

Chen Ping looked at Lin Keting in surprise and asked!

“You just said the battlefield of gods and demons? How do you know this is not a ruin, but the battlefield of gods and demons?”

Lin Keting only reacted at this time!

You know, everyone mistakenly thought that this was an ancient relic, but only Chen Ping said that this was a battlefield of gods and demons!

“That’s not difficult. The aura of the battlefield of gods and demons has been leaked. Of course I know it.”

“And this isn’t the first battlefield of gods and demons that I’ve entered, so I can sense it!”

After Chen Ping finished speaking, he turned around and walked into the cave with Ji Yun and Zhu Qingxiu, ignoring Lin Keting!

Lin Keting stared at Chen Ping’s back and her expression became solemn!

[The Man Decree] A Man Like None Other

Chapter 4402

“Miss, there’s something wrong with this boy. He is clearly at the seventh level of the Tribulation Realm, but the temperament he displays does not match his realm.”

“When Elder Zuo Xia attacked just now, if it was an ordinary seventh-grade cultivator in the Tribulation Realm, he would have been scared to death. However, this guy was not afraid at all, and he even activated his body protection magic skill instantly.”

“And he just took out so many purple gold coins. He is obviously not an ordinary cultivator. I hope you will be more careful about this guy!”

The blind elder on the right reminded in a low voice!

Lin Keting rolled her eyes at the blind elder on the right and said unhappily, “I’m blind, can’t I see it? Do I need you to remind me?”

Upon seeing this, the blind elder on the right was so frightened that he dared not speak anymore!

The reason why Lin Keting had a bad attitude towards these two blind elders was that these two guys had peeped at her before!

Although she didn’t see anything, Lin Keting still felt aggrieved!

The two old guys also paid the price of an eye for this, but it was a blessing in disguise as they were taken in by Lin Keting’s father and avoided being hunted down!

You have to know that many years ago, the evil cultivators were like rats crossing the street, and everyone wanted to kill them!

This time, Lin Keting brought the two blind elders out, actually it was her father’s way of easing their relationship!

“Blind Right, I just made a casual move just now. I didn’t use my full strength at all. Don’t flatter that guy. If I had used my full strength, he would have died long ago!”

Elder Zuo Xia said somewhat unhappily!

After all, the words of the blind elder on the right seemed to be belittling him, so of course he was not happy!

“Forget it. I think even if you use all your strength, you may not be able to hurt that kid. Didn’t you see the body protection magic skill that kid suddenly activated? His whole body was covered with golden scales. This is definitely not an ordinary skill.”

“And that girl is actually a disciple of the Wanjian Sect. You have to know that those guys in the Wanjian Sect are all fame seekers with extremely high standards. How could they possibly be someone’s little follower?”

“It’s obvious that the girl is the boy’s follower, but the boy is not a disciple of the Wanjian Sect. This shows that the power behind this boy is definitely not simple, and it has convinced a sect like the Wanjian Sect.”

The blind elder on the right analyzed directly!

I have to say that this blind elder on the right does have some brains, much better than the simple-minded blind elder on the left!

“I won’t talk to you anymore. When I enter the battlefield of gods and demons and meet that guy, I will ask him about it. I want to see how powerful he is.”

The Left Blind Elder knew that he could not win the argument with the Right Blind Elder, so he turned his head and looked to the side and stopped talking!

“You shouldn’t enter the battlefield of gods and demons. If a conflict breaks out there, who will take care of all the mess for you?”

Lin Keting glanced at Elder Zuo Xia, and then continued: “You take the people to guard here, and don’t let anyone who doesn’t hand in the spirit stones in.”

“If someone breaks in by force, don’t be polite, but remember one thing, you can’t hurt other people’s lives for no reason. If my father finds out, you will definitely be punished.”

“You are not allowed to tell my father about what happened today. He has a heart of a bodhisattva now and can’t accomplish anything big.”

Lin Keting reminded everyone that it was obvious that everything that happened today was her own fault and her father had no idea about it at all!

“Miss, don’t worry, we will never tell!”

The blind elder on the right said hurriedly!

This is a good opportunity to curry favor with Lin Ke Ting, and he will not miss it. What’s more, Lin Ke Ting wants to take him into the battlefield of gods and demons without that blind elder Zuo!

“Miss, although I am reckless, I also know what to say and what not to say...”

Elder Zuo Xia also expressed his opinion!

He just killed someone. If he tells others about it, he will be punished!

[The Man Decree] A Man Like None Other Chapter 4403

As for the several monks with swords, Lin Ke Ting didn’t even look at them. She knew that these people would not talk nonsense. They were all deadpools. If Lin Ke Ting asked them to die, they would do it without hesitation!

Therefore, there is no need to remind people about this kind of things!

Lin Keting brought the Right Blind Elder into the battlefield of gods and demons, while the Left Blind Elder could only guard the cave entrance with his men!

Although I was very unhappy, there was nothing I could do!

Although he is a demon cultivator, he still knows how to repay kindness!

.....

Qijia Town!

The hunchbacked old man and Tiansha are meeting with Qi Yuankun, the governor of Qijia Town!

Facing the people sent by the Demon Sealing League, Qi Yuankun was particularly respectful. After all, if he wanted to avenge his son, he must have the help of these people from the Demon Sealing League!

“Director Qi, since your Qijia Town has already joined the Demon Sealing Alliance, we are one family now. There is no need to beat around the bush.”

“Take us directly to Zhujia Town, destroy it, and capture Chen Ping to avenge your son.”

“However, we came here in a hurry and consumed a lot of spiritual energy along the way. We need to replenish our physical strength temporarily.”

The hunchbacked old man spoke directly to Qi Yuankun!

The meaning is very clear. This is to ask Qi Yuankun to come up with resources. After all, replenishing physical strength is not something that can be done by just talking about it. Resources are necessary!

Qi Yuankun was slightly stunned, but then he reacted and said, “Of course, you all came to help me, I can’t let you go hungry.”

“I will give the order right now to collect the resources of Qijia Town for your use. However, the East Region is located in a desolate area and there are not many resources. Please don’t be disgusted!”

“Of course not. Director Qi has the intention, so how could we possibly dislike it?” The hunchbacked old man was very happy to see Qi Yuankun being so considerate!

But at this moment, accompanied by a strong wind, a black shadow appeared in the hall!

Qi Yuankun suddenly became nervous. He didn’t expect that someone could break into his room hall so easily!

“Director Qi, don’t be nervous. This is just one of my disciples...”

Seeing this, the hunchbacked old man hurriedly explained!

When Qi Yuankun heard this, he immediately breathed a sigh of relief. If this was an enemy who could enter and exit his room so easily, how could he be safe?

“Tianluo, didn’t I ask you to go and investigate that place of strange phenomena? Why did you come back so soon?”

The hunchbacked old man asked!

“Master, I met Chen Ping on the way and exchanged a few moves with him, but I didn’t expect that guy to be quite capable, and they were outnumbered, so I ran back to avoid being at a disadvantage!”

Tianluo said truthfully!

“Chen Ping?” Qi Yuankun was furious when he heard the name Chen Ping, and then he knelt down in front of the hunchbacked old man: “Master Tian, please kill Chen Ping as soon as possible to avenge my son. As for the resources, I am willing to donate all the resources of our Qijia Town.”

The hunchbacked old man lifted Qi Yuankun up with his hand and said, “Don’t worry, Director Qi. Let me ask you clearly. You and I are one family now. You don’t need to say anything more about killing Chen Ping!”

After saying that, the hunchbacked old man looked at Tianluo and asked, “Tianluo, can you tell me what happened in detail?”

Tianluo told the hunchbacked old man what had happened in detail!

The hunchbacked old man frowned and said, “It seems that Chen Ping is also heading for that place of strange phenomena. I guess there must be something special about that place!”

When Qi Yuankun heard this, his expression became a little unnatural!

There are ruins on the Gelu Mountain. They in Qijia Town have been searching for the entrance for a hundred years but have not found it. Now they finally have some clues, but they didn’t expect that the strange phenomenon in heaven and earth would attract so many people!

Even if the entrance is found now, the ruins will have nothing to do with their Qijia Town!

[The Man Decree] A Man Like None Other Chapter 4404

“Director Qi, do you know where the strange scene on earth is?”

The hunchbacked old man asked!

“I...I...”

Qi Yuankun didn't know how to answer. Should he tell the hunchbacked old man in front of him about the ruins?

Just when Qi Yuankun was stammering, not knowing how to answer, suddenly a cultivator from Qijia Town rushed in!

“Director, it's bad. The entrance to the Gelushan ruins has been discovered and opened, and Chen Ping is among them.”

The monk was sweating profusely, he must have rushed back to report the news!

Qi Yuankun wanted to stop the other party from speaking, but it was too late!

“Director Qi, what's going on? What about the ruins?”

The hunchbacked old man frowned slightly!

“Master Tian, it is rumored that there is another world in the Gelu Mountain, and there is also an ancient relic there, which is recorded in the ancient books of our Qijia Town.”

“But for the past hundred years, we have never been able to find the entrance to the ruins. Now that strange phenomena are appearing frequently in the sky and earth, they should be related to the ruins!”

“Now that the entrance to the ruins has been discovered and opened, I believe there must be a lot of treasures inside!”

Qi Yuankun could only tell the truth helplessly!

Hearing this, the hunchbacked old man's eyes suddenly lit up.

“Director Qi, where is that ancient book? Bring it here so I can look it over carefully...”

The hunchbacked old man said!

“Master, now that the ruins have been discovered and opened, you are wasting time looking up ancient books. I'm afraid all the good stuff has been taken away.”

Tiansha said anxiously!

“Yes, Master, we must set off as soon as possible. Chen Ping is here too, so we can just capture him!”

Tianluo also urged!

“Tianluo and Tiansha, the two of you go to the ruins first. With your strength, it will be no problem to capture Chen Ping.”

“But try not to cause conflict with others. Control yourself!”

“That strange phenomenon in the world and the appearance of the entrance to the ruins are definitely not that simple. I must check it out to make sure it's not a trap!”

The hunchbacked old man was very cautious. He was afraid that this sudden strange phenomenon in the world might be directed at them!

After all, it was too much of a coincidence that this happened as soon as they arrived!

“Okay, then the two of us will go explore the way first, and capture Chen Ping by the way!”

When Tianluo heard this, he immediately said happily!

Without the sect leader following them, the two of them can do whatever they want without any restrictions.

With the strength of both of them, they can easily conquer the Eastern Region and are almost invincible!

If I could really find some treasures in the ruins and keep some for myself, wouldn't that be awesome!

The hunchbacked old man saw through Tianluo's thoughts at a glance, but did not point it out. Instead, he said to Tiansha: "Tiansha, you should be more careful about some things and don't be too reckless!"

"Don't worry, Sect Master!"

Tiansha nodded!

After saying goodbye, Tiansha and Tianluo headed towards the Gelu Mountain. The two of them were very fast and their figures flashed by in a flash!

At this time, at the entrance of the battlefield of gods and demons in Gelu Mountain, Elder Zuo Xia was sitting on a big rock and eating melon seeds out of boredom!

There was a long sword beside him and more than a dozen corpses lying in front of him. These were the people who wanted to break in by force without giving the spirit stones!

Without Lin Keting's restraint, Elder Zuo Xia let go of his temper and started killing people!

Anyway, no one dares to tell anyone what happened today!

Just when the blind elder Zuo was leisurely cracking melon seeds, suddenly two phantoms came quickly, accompanied by an invisible shock wave of breath!

This was because the two of them were moving too fast, and the shock wave that was generated caused the rocks to shatter!

[The Man Decree] A Man Like None Other Chapter 4405

Elder Zuo Xia frowned, waved his hand lightly, and shattered the shock wave!

The two phantoms were Tiansha and Tianluo who were approaching rapidly!

When they reached the cave entrance, they fell from mid-air!

Elder Zuo Xia immediately stood up with his sword in hand and stared at the other party!

At this moment, the elder who sat down no longer had a relaxed look on his face. After all, Tiansha and Tianluo were both very powerful!

Both of them have the strength of the second level of the Mahayana realm!

This kind of strength is rare in the Eastern Region, and the opponent is a demon cultivator like him!

It is not easy for a demon cultivator to cultivate to this level!

You have to know that the living space for demon cultivators in the heavenly world is very small, and the resources they can obtain are not many, so it is not easy to cultivate to the Mahayana realm!

Tianluo and Tiansha were also slightly stunned after seeing Elder Zuo Xia. They didn't expect to meet someone of the same kind!

Moreover, the aura of the other party was so terrifying that they couldn't detect the other party's realm at all!

Tiansha bowed to Elder Zuo Xia as a greeting, and then was about to take Tianluo into the cave!

But Elder Zuo Xia stretched out his hand and stopped the two men!

"My fellow Taoist, why did you stop us?"

Tiansha asked!

"If you want to enter, each person must pay 100,000 spirit stones." said Elder Zuo Xia!

"Pay one hundred thousand spirit stones?"

Tiansha and Tianluo were stunned!

They are all living under other people's roofs and working as dogs for the Demon Sealing Alliance. Where would they get 100,000 spirit stones?

"Who are you? Does this cave belong to you? Why should I give you the spirit stone?"

Tianluo asked dissatisfiedly!

"What do you care if it's mine? If I ask you to pay, you have to pay. Otherwise, don't even think about getting in."

Elder Zuo Xia's attitude is very tough!

Tianluo frowned, and one hand instantly grasped the blood-red sword!

This old guy is so awesome, isn't this highway robbery?

Upon seeing this, Tiansha quickly pressed Tianluo's arm, then said to Elder Zuo Xia with a big smile on his face: "Daoyou, we can't bring so many spirit stones when we go out, and since we are both magic cultivators, please let us in!"

"No, this is the rule and it cannot be broken..." said Elder Zuo Xia!

Even Miss Lin Keting couldn't break the rules, so of course he wouldn't dare to do that!

"Damn it, you old man, are you going to let us in? I'm telling you, we are from the Demon Sealing Alliance."

"You old thing, if you don't behave yourself, we will take you to the Demon Sealing Alliance and let you suffer in hell!"

Tianluo became angry when he saw that the blind elder Zuo did not give him face!

He brought up the Demon Sealing Alliance. After all, many demon cultivators were afraid of the Demon Sealing Alliance. After all, the Demon Sealing Alliance was an alliance organization specifically established to target demon cultivators!

As soon as Tianluo mentioned the Demon Sealing Alliance, Elder Zuo Blind instantly became furious!

“Damn it, you are the dogs of the Demon Sealing Alliance, bringing disgrace to our demon clan.”

“Bah...”

Elder Zuo Xia actually spat at Tiansha and Tianluo fiercely!

“You fucking...”

Tianluo suddenly became angry, and instantly drew out his blood-red sword and slashed directly at Elder Zuo Xia!

With his temper, he won't tolerate being humiliated like this!

Elder Zuo Xia was also angry. Seeing that Tian Luo dared to attack him, he was immediately furious. He swung the sword in his hand and a sky full of sword light burst out in front of him!

Upon seeing this, several monks with swords drew out their swords and surrounded Tiansha!

Although the strength of these people is far inferior to that of Tiansha, these monks with swords do not show any fear at all, and there is no expression on their faces!

Tiansha felt something was not right when he looked at several monks with swords. It was obvious that the state displayed by these monks was too unusual. Ordinary sects might not be able to cultivate such people!

[The Man Decree] A Man Like None Other Chapter 4406

“Everyone, we are just passing by and have no intention of taking action!”

Tiansha knew that he couldn't provoke other forces easily, after all, the sect leader had instructed him to do so!

If Tiansha doesn't take action, those monks with swords won't take action either!

But Elder Zuo Xia and Tian Luo had already started fighting!

Both of them have bad tempers and they collide with each other in an instant!

Boom boom...

Accompanied by a deafening sound, countless sword lights collided with each other, and Tian Luo was beaten back again and again!

After being forced to retreat, Tian Luo looked at Elder Zuo Xia in shock, frowning slightly and said, "You old thing, you really have some skills..."

It is obvious that Tianluo is no match for the blind elder Zuo!

But Tianluo was not afraid, because he knew that Tiansha was still there. If the two of them joined forces, Elder Zuo Xia would definitely not be their match. Tiansha would not stand by and watch him lose!

As for the monk who wanted to wield a knife, Tianluo didn't take him seriously at all. After all, these monks were only at the Tribulation Crossing Stage!

However, Tianluo's idea was totally wrong. These monks with swords were the most terrifying!

Because they are not afraid of life or death at all, have no emotions, and only have loyalty!

"You're a dog of the Demon Sealing Alliance. Today I'm going to break your dog legs!"

After saying that, Elder Zuo Xia attacked Tianluo again!

While Tianluo was defending himself, he shouted at Tiansha, "Tiansha, if you don't do anything, are you going to watch me get killed?"

Tiansha frowned slightly, glanced at the knife-wielding monks around him, gritted his teeth, and jumped up!

If he doesn't help Tianluo, Tianluo will definitely lose!

But just when Tiansha leaped forward, several monks holding knives also joined in the attack!

“Don’t worry about it, I’m going to fight these two dogs from the Demon Sealing League alone today!”

Elder Zuo Xia actually stopped those knife-wielding monks from helping!

Following Elder Zuo Xia’s order, the monks holding knives stopped instantly and watched quietly from the side!

Tiansha and Tianluo started attacking Elder Zuo Xia from the left and right!

With two people fighting against one, it was obvious that the blind elder Zuo was at a disadvantage and was forced to retreat again and again by the sword lights!

“You two little brats, you have some skills, but I’m not afraid of your blind grandpa!”

Although Elder Zuo Xia was at a disadvantage, he was not afraid at all. The long sword in his hand emitted a sharp white light and slashed towards Tianluo and Tiansha!

Tianluo and Tiansha saw that this blind elder Zuo was obviously no match for their opponent, but still dared to attack, both of them frowned!

They came to capture Chen Ping and investigate the ruins, but they ran into an old madman who kept pestering them!

Tianluo and Tiansha also became angry, and then the three of them started fighting!

The void trembled, sword lights flew, and the entire sky above Gelu Mountain was covered by sword lights!

Although the blind elder Zuo is very powerful, he can’t hold out for long when he’s fighting two people alone!

“You two are so shameless for bullying an old man like me...”

Although Elder Zuo Xia was at a disadvantage, he was still very harsh in his words!

“You old man, aren’t you very arrogant? You want to beat the two of us alone? Why are you saying I’m bullying you now?”

Tianluo mocked Elder Zuo Xia with a sneer on his face!

“I don’t want to fight with you like this anymore!” Elder Zuo Xia said, and then ordered the monks holding knives, “Stop just standing there and do it. Kill these two little bastards!”

After receiving the order, several knife-wielding monks jumped up instantly and surrounded Tianluo and Tiansha!

“Old man, they are just a few young cultivators in the Tribulation Realm. Did you let them come and die?”

Tianluo is not afraid of those knife-wielding monks at all!

Elder Zuo Xia raised his lips and said, “You ignorant boy, you will soon realize how powerful these Tribulation Realm cultivators are.”

After saying that, he swung his sword and rushed forward, and the several monks holding knives also rushed forward!

At this moment, Tian Luo’s face changed instantly, because he found that the attacks launched by these several knife-wielding monks were actually in great tacit understanding, and the power they unleashed was no less than that of the Mahayana realm!

The melee started again...

[The Man Decree] A Man Like None Other Chapter 4407

In the battlefield of gods and demons!

Chen Ping, Ji Yun and Zhu Qingxiu appeared in a desolate place!

Zhu Qingxiu looked at the scene in front of him and showed an expression of great shock!

After all, it was the first time she had seen such a place. She had traveled all over the Eastern Region, but this place obviously did not belong to any place in the Eastern Region!

Chen Ping and Ji Yun were much calmer. After all, they had both been to the battlefield of gods and demons and knew about it, so they were not surprised at all!

“The battlefield of gods and demons looks extremely desolate, even more desolate than the Eastern Region. Could there be treasures in such a place?”

Zhu Qingxiu asked in confusion!

“No one knows whether there is a treasure or not. It all depends on luck. Maybe you won’t find the treasure and you will die here!”

Chen Ping said calmly!

“Ah?” Zhu Qingxiu was startled: “Is there still danger here?”

“You don’t have to be too scared. Most of the time there’s no danger.”

After Chen Ping finished speaking, he walked straight forward!

Ji Yun and Zhu Qingxiu followed behind, stepping on the barren land, leaving a trail of footprints!

It was obvious that no one had ever been here before, and those who started to enter the cave were probably sent to other places on the battlefield of gods and demons!

After all, the teleportation from the entrance to the battlefield of gods and demons is random!

Chen Ping burst out his spiritual sense, wanting to check the surroundings to see if there was anyone who came in first!

But just when Chen Ping's consciousness exploded, suddenly a mysterious force directly destroyed Chen Ping's consciousness and made Chen Ping dizzy!

Chen Ping's face changed drastically, full of disbelief!

He knew how powerful his spiritual sense was, yet he was defeated so easily!

"Such a powerful forbidden force! This battlefield of gods and demons doesn't look simple!"

The Scarlet Cloud Demon Lord spoke!

He also felt the enormous power in Chen Ping's sea of consciousness!

After a while, Chen Ping's mind gradually became clear. Looking at the vast desolate land, he wondered whether it was right for him to rashly enter the battlefield of gods and demons!

At this moment, not far from them, a sound of footsteps was heard, followed by Lin Keting and the blind elder on the right who slowly came over!

Seeing Chen Ping's expression, Lin Keting smiled and said, "Did he emit his spiritual consciousness and get attacked?"

Chen Ping was stunned, but didn't say anything!

"There are restrictions here. I can't use my spiritual sense to explore, and I can't burst out my spiritual power at all. Flying in the air is even more impossible!"

Lin Keting said to Chen Ping!

Upon hearing this, Chen Ping immediately activated the spiritual power in his body and found that it was really suppressed!

Seeing this, Chen Ping hurriedly mobilized other powers, the power of dragon, the power of origin, and even the power of the three tribes, but he was still suppressed and couldn't burst out with any power!

Chen Ping's face turned extremely ugly. If he encountered danger at this time, wouldn't he become a lamb to be slaughtered?

“How could this be? How do you know that this battlefield of gods and demons has such a restriction?”

Chen Ping didn't understand. This was Lin Keting's first time entering the battlefield of gods and demons, so why did she know so much about it?

“I just heard about it.”

Lin Keting smiled slightly, but Chen Ping didn't believe it!

It's just that Lin Keting didn't want to say it. Since she didn't want to say it, Chen Ping didn't ask any more questions!

“Once you arrive at this battlefield of gods and demons, everyone will become ordinary people and must use the most primitive strength, so it is very cruel here.”

“No matter how awesome you are outside, you are just an ordinary person here. Don't get into danger.”

Lin Keting reminded with a smile!

Chen Ping took a deep breath and slowly calmed down. After all, his physical body was very powerful. Even if he had to use the purest physical strength, Chen Ping was not afraid of anyone!

What's more, Chen Ping also has the Holy Light Fist, which does not require any magic power and can be performed with physical strength alone!

For Chen Ping, this kind of restriction might be a good thing!

[The Man Decree] A Man Like None Other Chapter 4408

“Swish, swish, swish...”

As they were talking, there was a sudden rustling sound, and then a sand scorpion several meters long came flying at them!

The sand scorpion's tail was raised high, and the poisonous needle on it emitted a cold light!

Seeing this, Ji Yun and Zhu Qingxiu hurriedly took up their positions, especially Zhu Qingxiu, who had a long sword in her hand and was ready to stab it!

But when she swung her sword, she remembered that she had no spiritual power at all, and it was impossible for her to kill the sand scorpion in front of her!

At this moment, both of them were a little panicked, and their faces were very ugly!

Chen Ping frowned slightly, clenched his fists tightly, and prepared to use the Holy Light Fist to hit the sand scorpion!

Lin Keting and the right blind elder faced the rapidly approaching sand scorpion, and they didn't seem to be afraid at all!

Just when the sand scorpion was in front of him, the right blind elder suddenly drew his sword and then swung it hard!

Swish!

With a sword, the sand scorpion was instantly cut in half, and even the ground was left with a deep gully by the sword energy!

Seeing this scene, Chen Ping and the others were stunned!

"Why can he use the spiritual power in his body?"

Chen Ping looked at the right blind elder and asked in confusion!

"He is a sword cultivator, and what he used just now was not spiritual power, but sword intent!"

"This little girl is from the Wanjian Sect, she should also be a sword cultivator, and also have sword intent, right?"

Lin Keting looked at Zhu Qingxiu and said!

Zhu Qingxiu's face became very embarrassed, and she lowered her head slightly!

She is indeed a disciple of the Wanjian Sect, and she is indeed a sword cultivator, but she does not have sword intent, because sword intent can take things, and only a few high-level members of the Wanjian Sect have cultivated it!

"Sword intent?" Chen Ping thought in a low voice!

Seeing Chen Ping like that, Lin Keting smiled and said, "In order to make up for my men's recklessness towards you, I told you some restrictions on this battlefield of gods and demons. Whether you can survive and find treasures later depends on your own luck." After

Lin Keting finished speaking, he turned around and left with the right blind elder!

Chen Ping did not speak, his eyes seemed to be fixed, he had been thinking about the two words sword intent! Rustle, rustle, rustle

...

Suddenly, there was another rustling sound on the barren land, but this time it was obviously louder!

Soon, dozens of sand scorpions were seen rushing over quickly!

Seeing this scene, Ji Yun and Zhu Qingxiu were almost scared silly!

Even Lin Keting and the Right Blind Elder, who turned around and prepared to leave, changed color instantly. The relaxed demeanor just now had disappeared, and became extremely solemn!

The Right Blind Elder held the long sword in his right hand, and it shook unconsciously!

Lin Keting also picked up a jade pendant, as if it was her life-saving thing!

There was no way to deal with so many sand scorpions for those who had lost their spiritual power!

Seeing dozens of sand scorpions in front of them, and when the poison needles were about to poke down one by one, Chen Ping suddenly moved!

“Sword Intention...”

Chen Ping spit out two words, and then the Dragon Slashing Sword in his hand slashed!

Countless sword lights shot out from the Dragon Slashing Sword, and these sword lights instantly penetrated the bodies of those sand scorpions!

Those sand scorpions that were originally going to attack all fell down one after another!

After piercing through the body of the sand scorpion, countless sword lights actually went far away, and finally burst into explosions in the distance!

Everyone looked at Chen Ping in disbelief.

Even Lin Keting, who was about to leave, widened her eyes in shock!

The right blind elder opened his mouth wide, and his expression was also extremely shocked!

“You... is this also sword intent?”

The right blind elder said in shock!

“It should be, I just slashed it casually...”

Chen Ping was also a little confused. He was actually not sure whether what he had just displayed was sword intent. After all, he didn't understand sword intent!

[The Man Decree] A Man Like None Other Chapter 4409

Chen Ping's words almost made the Right Blind Elder vomit blood!

He practiced sword for a lifetime and finally cultivated some sword intent, but now Chen Ping's casual slash actually displayed so much sword intent!

And it seems that Chen Ping himself doesn't know that this gap is really huge for the Right Blind Elder!

Lin Keting re-examined Chen Ping at this time, with doubts and confusion in her eyes!

She didn't understand that Chen Ping, a seventh-grade cultivator in the Tribulation Realm, could kill so many sand scorpions with one sword when his spiritual power was suppressed!

Obviously, Chen Ping also displayed sword intent, otherwise it would not be possible to have such power!

But Chen Ping himself didn't understand what sword intent was, which was too strange!

Lin Keting developed a strong interest in Chen Ping!

She originally planned to leave, but turned around and looked at Chen Ping and said, "I didn't expect you to have this ability. Let's go together, and we can also take care of each other!"

Lin Keting took the initiative to invite Chen Ping and the others to join her, which obviously saw Chen Ping's strength!

Chen Ping nodded. He was unfamiliar with this battlefield of gods and demons, but Lin Keting seemed to be very familiar with it, so it would be good for Chen Ping to go together!

Now Ji Yun and Zhu Qingxiu are equivalent to ordinary people. If they really encounter danger, Chen Ping is afraid that he will not have the energy to take care of them!

If they go together, there will be someone to take care of them, especially the right blind elder, who is also very powerful. In this way, they can be said to be invincible in the battlefield of gods and demons! Seeing that

Chen Ping agreed to go together, Lin Keting smiled slightly, then turned and walked forward!

Chen Ping and the others followed behind, and the right blind elder was the last one to be cut off, always keeping vigilant!

Since there are so many sand scorpions here, there may be other monsters!

After walking for a distance, several people found that there were more than a dozen huge stones standing in front of them!

These stones are strangely shaped without any rules, as if they were natural!

However, Chen Ping could see at a glance that these stones were by no means natural, but were deliberately placed by someone, because the location of these boulders turned out to be a small maze!

If you walk into these boulders rashly, you will definitely get lost in them, but Chen Ping knows the art of formation, and this little formation is certainly not difficult for Chen Ping!

Lin Keting just took a look at the boulders, and then walked straight over, as if she didn't realize that the boulders in front of her were placed in a formation!

Chen Ping didn't say it, but followed behind, so that he wouldn't get lost in it!

When everyone came to the front of the boulders and looked up, these boulders were tens of meters high!

They didn't look big from a distance, but when you get closer, you find that these boulders are all like hills!

Standing in front of these boulders, there is an invisible sense of oppression!

"Mr. Chen, look, there seem to be a lot of special words on these boulders."

Ji Yun said to Chen Ping excitedly!

Chen Ping looked carefully, and sure enough, he found a lot of incomprehensible words on the boulders, like some kind of runes!

This discovery made Chen Ping a little excited. If these are all immortal methods, or ancient secret methods, then wouldn't he make a fortune!

It's just that Chen Ping didn't recognize the words on it at all, so he didn't know what these things were!

Lin Keting just took a long look, and then said: "This is just a record carved by someone, it's not a martial art..."

Chen Ping was stunned, and hurriedly asked: "Miss Lin, do you recognize these words?"

"No..." Lin Keting shook her head!

Chen Ping opened his mouth to curse, but he held back!

He didn't recognize it, and he said it as if it were true!

"You don't recognize these words, but you say it's not a martial art, who are you fooling? You don't want to fool us, and then secretly learn the martial arts yourself?"

Zhu Qingxiu looked at Lin Keting dissatisfiedly and said!

[The Man Decree] A Man Like None Other Chapter 4410

When Lin Keting heard this, she sneered and said, "Don't say these are not exercises. Even if they are exercises, I don't look down on them. Don't use your own mind to guess other people's minds!"

"You..." Zhu Qingxiu was speechless after being confronted by Lin Keting!
Chen

Ping could see that Lin Keting didn't seem to be lying, and the other party's identity was definitely not simple, not comparable to Zhu Qingxiu's Wanjian Sect disciples!

Just the strength of the two blind elders, Zhujia Town's full strength is not an opponent!

The Wanjian Sect may not be as strong as the people brought by Lin Keting!

“Miss Lin, I wonder if you can tell me how you know what the text on it is?”

Chen Ping asked Lin Keting in a very calm tone!

Lin Keting smiled slightly and opened her right hand casually. There were many runes drawn on her right hand. At that time, it was these runes that allowed Lin Keting to easily open the formation at the entrance of the battlefield of gods and demons!

“Because I have these runes, I can transform the text on the boulder.”

After Lin Keting finished speaking, her palm gently stroked the boulder!

As the runes on Lin Keting’s palm radiated light, the words on the boulder also seemed to come alive and began to hover in the air!

Soon, those obscure words turned into scrolls and appeared in front of everyone!

In those scrolls, the scenes of the battle between gods and demons were vivid, and the blood of soldiers and horses was spilled on the long river...

Everyone was shocked, because it was the first time they saw the scene of the battle between gods and demons in this way!

In the past, Chen Ping could only understand it through the white bones and the narration of some people, and he had never witnessed it so truly!

Seeing that scene now, Chen Ping’s heart was surging, and he felt like vomiting!

The immortals in front of him who were dreaming, the realm that these monks desperately wanted to reach, were like lambs at this moment, falling one after another, like ants, and their value was completely invisible!

Chen Ping dared not imagine how cruel the catastrophe of the battle between gods and demons was back then, and he didn’t know what the world had become because of this catastrophe!

You have to know that the Heavenly World is just a small battlefield of the war between gods and demons. There are countless small worlds like the Heavenly World in the entire universe!

But even a small battlefield is so cruel. It is conceivable that the entire catastrophe of the war between gods and demons has caused the fall of many immortals and demons!

Chen Ping was a little dazed for a while. He didn't know if he had the ability to figure out the cause of the war between gods and demons, and whether he had a way to know the identity of his biological father!

He felt that those were too far away from him, as far away as a dream...

"These are all records of the war between gods and demons, so they are not some kind of skills..."

Lin Keting took her hand back, and the words instantly returned to the boulder and returned to calm!

Everyone was still immersed in the picture just now, even the right blind elder was shocked, only Lin Keting didn't seem surprised!

"Miss Lin, there should be records on other boulders. Are they all records of this war between gods and demons?"

Chen Ping finally regained his mind and asked Lin Keting!

"That's not the case. There should be some techniques recorded on other boulders. Although these techniques are very old, they are all immortal techniques or magic passed down from the heavens. For the heavenly world, they are also top techniques." "

If any of you want to learn, I can help you collect them so that you can understand them!"

Lin Keting said!

After hearing what Lin Keting said, Zhu Qingxiu felt very embarrassed. Just now, she said that Lin Keting deliberately lied to them in order to secretly learn the techniques on the boulders. Now it seems that she really doesn't care!
