

# [The Man Decree] A Man Like None Other

## Chapter 4426

At this moment, everyone's faces looked even uglier!

Lin Keting's body was also trembling slightly, and she leaned towards Chen Ping's body unconsciously!

Chen Ping put his arm around Lin Keting's waist, and Lin Keting did not struggle!

At this time, you need someone to comfort you the most.

Ji Yun, who was standing by, saw this scene and couldn't help but laugh secretly.

Zhu Qingxiu just rolled his eyes and turned his head away.

"There is danger..."

At this time, the Red Cloud Demon Lord in Chen Ping's sea of consciousness suddenly reminded Chen Ping.

Before Chen Ping could react, the huge ball of light suddenly trembled, and everyone felt dizzy.

At this moment, the Thunder Beast's face changed drastically, and he quickly reminded: "Hold steady, I'm going to speed up..."

The thunder beast controlled the ball of light and dropped it rapidly downwards.

There was a burst of fire around the light ball, accompanied by a crackling sound, and cracks appeared on the light ball.

Everyone's face changed drastically.

If they didn't have the protection of this ball of light, they would have been smashed to pieces if they fell down.

At this point, many people regretted it and decided not to come down.

Not only can you save spirit stones, but you can also save your life.

But now, it's too late to say anything!

Suddenly, everyone saw a huge palm in the darkness, gently patting the ball of light!

boom!

The ball of light shattered instantly!

The thunder beast spat out a mouthful of blood and its body fell straight down.

The others also fell down, their bodies falling uncontrollably!

Lin Keting was still held by Chen Ping, holding the jade pendant tightly in her hand, with a gleam of determination in her eyes!

But just when Lin Keting was about to activate the life-saving jade pendant, a terrifying force swept over, and everyone was swept away by this force like leaves. Everyone felt their heads sink, and then fell into darkness...

It was unknown how long it had been, but Chen Ping slowly opened his eyes and woke up from his coma!

When Chen Ping opened his eyes, the first thing he saw was Lin Keting's delicate face!

The two of them were still hugging each other, very close to each other, and if they moved a little, they would probably kiss.

Chen Ping looked at Lin Keting, licked his lips gently, and a nameless anger was rising in his heart!

But at this time, Lin Keting suddenly opened her eyes, and the two of them looked at each other, looking at each other closely!

But at this time, Lin Keting suddenly opened her eyes, and the two of them looked at each other, looking at each other closely!

Lin Keting blushed and Chen Ping also looked embarrassed!

“You...you hurry up and get up, you’re hitting me...”

Lin Keting said in a low voice!

“Oh, sorry...”

Chen Ping quickly got up and pulled Lin Keting up as well!

They looked around and found that there was no one else, and under their feet were countless dry bones, some of which had turned into powder.

“Where are the others? Why is there no sign of them?”

Lin Keting asked.

“I don’t know either. Maybe it fell somewhere else. Let’s look for it...”

Chen Ping said!

“ah.....”

But as soon as she took a step, Lin Keting suddenly screamed!

“Ms. Lin, what’s wrong with you?”

Chen Ping hurried over and asked!

“My leg seems to be injured...” Lin Keting frowned!

“What should I do? Should I carry you?”

Chen Ping looked at Lin Keting’s legs and said helplessly!

If his cultivation had not been sealed, Chen Ping could help Lin Keting heal. This minor injury would be nothing!

But now they are all ordinary people, so Chen Ping has no choice!

Lin Keting shook her head: “Don’t hug me, I’m afraid you will hit me with a stick...”

Lin Keting’s words made Chen Ping blush instantly!

“Ms. Lin, I’m sorry, I...I didn’t mean it.”

“In that case, I can carry you on my back, so I won’t bump into you!”

Chen Ping said this and squatted down in front of Lin Keting!

“This is okay!” Lin Keting lay on Chen Ping’s back and let Chen Ping carry her on his back!

Although his strength was sealed, Chen Ping could still easily handle a woman on his back.

## **[The Man Decree] A Man Like None Other Chapter 4427**

Chen Ping carried Lin Keting on his back. Waves of her body fragrance kept entering Chen Ping’s nose. At the same time, the soft feeling on her back made Chen Ping a little distracted.

Lin Keting lay on Chen Ping’s back, with a slight smile on her lips, and pressed her palm gently on Chen Ping’s neck.

In an instant, a dark red word “Ting” appeared on Chen Ping’s neck.

“Ms. Lin, what are you doing?”

Chen Ping asked in surprise.

“Oh, nothing. I’m fine now, put me down!”

Lin Keting smiled secretly.

“you.....”

Chen Ping was speechless for a while, but still let Lin Keting go.

Lin Keting smiled at Chen Ping, then walked forward happily.

Chen Ping was completely confused. He didn’t understand why Lin Keting was laughing. And that smile seemed a little weird.

Recalling that Lin Keting had suddenly pressed his neck just now, Chen Ping hurriedly touched it with his hand, but found nothing.

“What on earth is this guy doing?”

Chen Ping was speechless for a while, but he followed anyway!

There were bones all over the ground, and they made a crackling sound when you stepped on them, but Lin Keting didn't seem to be afraid!

After the two of them walked for a distance, they found that there was still no sign of other people. They didn't know where the others had ended up!

However, right in front of them, a house appeared. This house was not made of bricks and stones, but seemed to be built in the void.

Because the house was looming, and as the void twisted, the house also twisted and deformed back and forth.

“Are we under an illusion?”

Seeing the house suddenly appear, Lin Keting frowned.

“Impossible. If I were caught in an illusion, I would be able to detect it immediately.”

Chen Ping shook his head.

Although his strength was suppressed, Chen Ping's sea of consciousness was invincible!

In order to fall into an illusion, one must control the other party's sea of consciousness silently.

However, Chen Ping's sea of consciousness is guarded by a great demon like the Red Cloud Demon Lord, not to mention the Daluo Golden Classic. What kind of illusion can control Chen Ping's sea of consciousness?

“What's with that house? It looks so unreal?”

Lin Keting asked in confusion.

“Do you remember what the Thunder Beast said? The demon cultivator left behind a remnant soul. I guess this house is where the remnant soul of the demon cultivator lives.”

“Since all that’s left of that demon cultivator is a remnant soul, it’s not impossible to build a house in the void.”

“Let’s go and take a look...”

After Chen Ping finished speaking, he walked towards the house curiously.

Lin Keting followed behind Chen Ping, her body unconsciously moving closer to Chen Ping, almost hugging him.

For some reason, she felt safe leaning against Chen Ping.

Although I have not known Chen Ping for a long time, the sense of security that this man gives me cannot be replaced by anyone else.

When the two people came in front of the illusory house, the door of the house slowly opened.

At this moment, both Chen Ping and Lin Keting felt a little strange!

But since they were already here, Chen Ping still went in, and Lin Keting followed closely behind him!

Both of them had their strength suppressed, but they still dared to go in. They were indeed quite courageous.

But just as they walked in, the door behind them suddenly closed, and then the scene in front of them changed!

What appeared before the two was a grand hall. The hall was extremely majestic and was obviously different from the small house they had just seen!

On both sides of the hall, a dozen stone beasts with strange shapes were neatly arranged. There was a flame burning in the mouth of each stone beast, illuminating the hall.

In the middle of the hall, a man with disheveled hair sat upright with his back to Chen Ping and the others.

# [The Man Decree] A Man Like None Other

## Chapter 4428

Chen Ping took a quick look and couldn't tell whether the man was a remnant soul or a physical body. Now Chen Ping had no way to send out his spiritual sense to investigate.

"Senior, we have no intention of offending you, please forgive us."

Chen Ping clasped his fists towards the man and said.

No matter who the other person is, you should always be polite first. As the saying goes, don't hit a smiling person.

Chen Ping knew that he had no strength now, so he could only lower his posture. Now was not the time to show off.

The man slowly turned around and looked at Chen Ping with his deep eyes.

Chen Ping looked into the other person's eyes without fear. He was sure that the other person was the remnant soul.

"No offense?" The man slowly stood up: "You obviously came here, and you still say no offense."

Only then was Chen Ping able to see the man's full appearance. He was wearing a black robe that covered his entire body. As the man stood up, a cold and murderous aura rushed towards him.

Looking at the man's broken soul, Chen Ping wanted to curse, why are you pretending to be so arrogant?

If Chen Ping's strength had not been suppressed, he would have started cursing by now.

But now, I have to bow my head under the eaves and can only pretend to be timid.

"Senior, we are here just out of curiosity. We have absolutely no other intentions."

Chen Ping tried his best to explain.

If this guy attacks, Chen Ping doesn't know if he can deal with him, so it's better not to provoke him.

"Yes, we are just curious. If you don't like it, we will leave now!"

Seeing this, Lin Keting hurriedly pulled Chen Ping and prepared to leave!

"Want to leave?"

The man spoke up: "You can't leave here without my permission."

"To be honest, I was the one who got you two here. Otherwise, how could others not see this palace?"

"I wonder why the senior deliberately lured us here?" At this moment, Chen Ping had a bad premonition in his heart.

He felt that the remaining soul of the demon cultivator was about to take over another body. Although its strength would drop significantly after taking over the body, it was still better than being a remnant soul trapped here forever.

If that's the case, this guy must want to take over my body.

"It's nothing. I've been here for thousands of years, but I'm trapped here with all my cultivation. I'm a little unwilling to accept this."

"So I need to borrow your bodies to leave this crappy place and enjoy the outside world."

The man said it without any hesitation!

When Lin Keting heard this, her face suddenly became very ugly!

Chen Ping also frowned and said, "Senior, I don't understand what you said. Do you want us to take you away?"

Chen Ping was still pretending to be stupid.

"It's okay if you don't understand. You'll know it soon." The man laughed, and his laugh was very sinister.

Lin Keting's face was full of fear. She looked at Chen Ping and said, "Are you stupid? He wants to take over your body. You will be completely finished when that happens."

Chen Ping glanced at Lin Keting with helplessness on his face. How could he not know? He was just pretending not to know.

If this guy was just taking over someone else's body, Chen Ping would wish he could do that!

As long as he dares to enter his sea of consciousness, he won't have to worry about anything anymore. Demon Lord Chiyun will beat the shit out of this guy.

Even if the Scarlet Cloud Demon Lord is no match for him, the Daluo Golden Classic in his sea of consciousness is no pushover.

"This little girl is pretty good, and she's quite smart."

The man looked at Lin Keting and nodded with great satisfaction!

"You took over his body, why did you bring me here as well?" Lin Keting looked at the man in confusion.

"I have been here for thousands of years, and I haven't tasted a woman for a long time. After I take over another body, I must have a woman to satisfy me."

The man looked at Lin Keting with lustful eyes!

When Lin Keting heard this, her face suddenly turned red, and then anger burst out of her eyes!

## **[The Man Decree] A Man Like None Other Chapter 4429**

"Damn it, you are just a little remnant soul, and you dare to have improper thoughts about me. Today I will beat you to death."

Lin Keting was angry!

"Hahahaha, your strength is suppressed, yet you still dare to speak so arrogantly."

The man laughed loudly. He was not afraid at all, even though he was a remnant soul and his strength was only reduced to one tenth!

But it is still easy to deal with Chen Ping and other ordinary people whose strength is suppressed!

“Go to hell...”

Lin Keting suddenly opened her palm, and the runes in her palm began to flash.

Immediately afterwards, a golden light shot out towards the man!

The man was startled and quickly retreated. The stone beasts on both sides of the hall suddenly began to turn!

The golden light hit the stone beast and actually reflected among many stone beasts, and its power gradually disappeared!

Seeing that the attack missed, Lin Keting’s face became extremely ugly!

Because she knew that she only had this one chance.

The man returned to Chen Ping and the others, then stared at Lin Keting, his eyes full of anger.

“Little girl, who are you to that old Taoist? How come you have the runes he drew for you?”

“No matter who you are to him, I am in this situation today because of that stinky old Taoist priest. I am just taking it out on you.”

After the man finished speaking, he waved his hand gently!

A force lifted Lin Keting up directly. Lin Keting felt difficulty breathing and was afraid that she was going to die.

Lin Keting desperately grabbed the jade pendant. When she wanted to break the life-saving jade pendant into pieces, suddenly a sword light attacked!

“Let her go...”

Chen Ping was seen holding the Dragon-Slaying Sword and slashing at the man!

The terrifying sword intent surprised the man, and he let go of Lin Keting immediately!

Chen Ping himself didn't know how he swung the sword!

“Boy, even though your strength is suppressed, you still have such power. It seems that your body is really strong. It seems that my choice is right.”

“If your body is not strong enough, you will not be able to withstand my possession. The fact that you can be possessed by me is a blessing that you have cultivated for a hundred years.”

After the man finished speaking, he went straight towards Chen Ping!

This time, Chen Ping did not use the Dragon-Slaying Sword, but punched the man!

“Holy Light Fist...”

Chen Ping roared loudly, and even the strength of his physical body allowed Chen Ping to emit thousands of golden lights!

The man frowned slightly and his figure suddenly disappeared.

The light faded, and the man was no longer visible in the hall.

But just when Chen Ping was a little confused, suddenly a force hit him, and Chen Ping's body flew backwards instantly!

Bang bang bang.....

Chen Ping's body smashed several stone beasts and fell heavily to the ground!

As soon as he stopped, Chen Ping began to spit blood, obviously he was seriously injured!

“Chen Ping...” Seeing this, Lin Keting hurried over and looked at Chen Ping with a nervous face!

Chen Ping looked at Lin Keting, speechless. If it weren't for this woman, Chen Ping might have pretended to be stupid and let the man enter his consciousness without any precautions and take over his body!

"You kid, you actually know the boxing skills of the heavens. If I'm not mistaken, this punch of yours should be the ultimate skill of the wind demon."

"I never thought that after thousands of years, Feng Mo's unique skills could still appear in a young cultivator like you."

"When I take over your body, I will greatly enhance your strength."

The man's figure slowly appeared in the air above the hall, looking down at Chen Ping and Lin Keting!

"I won't let you take his body..."

Lin Keting stood in front of Chen Ping, holding a life-saving jade pendant in her hand!

Seeing this, Chen Ping was speechless for a moment, and hurriedly said: "Miss Lin, please leave quickly and don't worry about me."

"No, I can't abandon you."

Lin Keting shook her head!

## **[The Man Decree] A Man Like None Other Chapter 4430**

Chen Ping was getting anxious. If he didn't let this guy take over his body and enter his sea of consciousness, he would not be able to hold on!

If you hit me twice more, I'll be dead!

"Little girl, don't worry. Once I take over his body, I will naturally find you. I want to see what your relationship with that old Taoist is."

After the man finished speaking, he gently grabbed with his palm, and Lin Keting felt that her body was restrained and she couldn't move at all!

Even if I have a life-saving jade pendant, I can't use it!

"If you try to take over my body, I won't give you this chance. I would rather die than let you take over my body."

As Chen Ping spoke, he actually stood up and rushed towards the stone beast beside him.

He's going to kill himself!

The man suddenly panicked, his body turned into a wisp of black mist and rushed towards Chen Ping!

Chen Ping did this on purpose. He didn't really want to commit suicide, but wanted to force the man to enter his sea of consciousness as soon as possible!

If a pervert like the Scarlet Cloud Demon Lord was discovered in his sea of consciousness, this man would definitely not continue to possess other bodies!

What Chen Ping wanted was not to give the man time to consider!

whoosh!

The black mist instantly entered Chen Ping's body and went straight into Chen Ping's sea of consciousness!

Chen Ping stopped and a smug smile appeared on his face!

When Lin Keting saw Chen Ping's smile, she felt her scalp tingling!

"Hahahaha, I'm going to be free soon, free..."

The man who entered Chen Ping's sea of consciousness laughed wildly!

He had been here for thousands of years and was going crazy. Now that he had taken over another body, he could leave freely.

"I don't have freedom, so why should I give you freedom..."

The voice of Demon Lord Scarlet Cloud sounded!

“Who? Who are you?” The man was shocked. He didn’t expect that there was still a remnant soul in Chen Ping’s sea of consciousness!

The figure of Demon Lord Chiyun slowly appeared, and then looked at the man with disdain!

“you.....”

The man looked at the Scarlet Cloud Demon Lord, his pupils growing larger and larger: “Are you the Demon Lord? Have you already taken over this body?”

“Please forgive me, senior. I didn’t know that the Lord Demon had taken over this body. Otherwise, even if I had a hundred courage, I would not dare to do it.”

“I will leave now. I dare not compete with you...”

The man was so scared that he fell to his knees, trembling all over as he spoke to Demon Lord Scarlet Cloud!

“Leave? Now that you’re here, can you still leave?”

The Scarlet Cloud Demon Lord smiled coldly: “I don’t have the ability to take over this body. I am just staying here temporarily. To put it bluntly, I am just a tenant and they are the landlord.”

“If one day he doesn’t allow me to stay here anymore, I’m afraid I’ll be scared to death.”

“You are just a small demon, and you still want to take over this body. It’s ridiculous.”

After the Red Cloud Demon Lord finished speaking, his figure suddenly disappeared, and then a golden light burst out in Chen Ping’s sea of consciousness!

I saw that the Daluo Golden Classic was emitting golden light, and the golden light made the man wail in pain!

He never imagined that the residual soul of the Demon Lord would exist in the sea of consciousness of a small cultivator of the seventh rank in the Tribulation Realm!

What's more, he didn't expect that there would be such a supreme treasure as Daluo Golden Classic in Chen Ping's sea of consciousness!

The man disappeared in the end, and no one could figure out why!

Chen Ping still had a smile on his face at this time, until the man's soul completely disappeared, Chen Ping's smile became even more brilliant!

Just a tiny remnant soul, and it still wants to fight with me!

When Chen Ping saw Lin Keting, who was tied up and looked scared, he decided to tease her!

"My dear little beauty, I haven't tasted a woman for thousands of years. Please let me have a good time today..."

Chen Ping walked towards Lin Keting with a lustful look on his face!

Lin Keting looked at Chen Ping and she knew that Chen Ping must have been possessed by another spirit!

"Don't come over here, you bad guy..."

Lin Keting was tied up and couldn't move at all. She could only scream desperately!

"You can yell even if your throat hurts. I'm going to let you experience my power!"

As Chen Ping spoke, he pounced towards Lin Keting!
