

[The Man Decree] A Man Like None Other

Chapter 4431

Lin Keting screamed and could only close her eyes helplessly, tears flowing out!

At this moment, there was a sudden buzzing sound, and Lin Keting's restraints suddenly disappeared.

Even the surrounding halls disappeared!

Looking at Chen Ping rushing over, Lin Keting turned and ran, saying as she ran: "If you dare to touch me, my master and my father will not let you go, they will torture you to death."

After saying that, Lin Keting was about to break the life-saving jade pendant in her hand into pieces!

"Don't run, don't run, I haven't been possessed..."

When Chen Ping saw Lin Keting crying out of fear, he quickly spoke out loudly!

Lin Keting was stunned, then looked at Chen Ping carefully, holding the jade pendant tightly in her hand, ready to use it at any time!

"You really haven't been possessed?"

Lin Keting questioned!

"Really? That little remnant soul wanted to take over my body. That was too much of a wish. I have already destroyed him in my sea of consciousness."

"Didn't you notice that your restraints and the palace are gone?"

Chen Ping said hurriedly!

Lin Keting looked carefully and found that it was indeed the case. Then she glared at Chen Ping and said, "Okay, you dare to lie to me. If I hadn't run away just now, would you have..."

Lin Keting was too embarrassed to say the following words!

“No, it was just a joke. How could I really do something like that? Am I still a human being?”

“But you said your father and your master won’t let me go. Who are your father and your master?”

“And what did that guy say about the old Taoist priest? Could it be that your father is a Taoist priest?”

Chen Ping wanted to take this opportunity to find out Lin Keting’s background!

Taoists can also get married and have children. Chen Ping knew this. When he was in Leiming Temple, Taoist Master Buxu of Leiming Temple already had a daughter.

So it is entirely possible that Lin Keting’s father is an experienced Taoist priest!

“Your father is a Taoist priest. Your whole family is Taoist priests. Don’t try to find out my background. I won’t tell you.”

“You big bad guy, you almost took advantage of me just now...”

After Lin Keting finished speaking, she turned around and left angrily!

It seems that she is really angry. After all, she was scared to death just now!

I’ve prepared myself to be violated.

“Ah...” Chen Ping wanted to chase after him, but as soon as he moved, he felt a sharp pain in his body and then fell to the ground!

He had just been seriously injured, and this moment directly affected the wound!

When Lin Keting heard Chen Ping’s scream, she just looked back and said vigilantly: “Stop pretending, get up quickly, and stop lying to me!”

puff.....

Chen Ping spat out a mouthful of blood and his face turned pale!

Seeing this, Lin Keting knew that Chen Ping was not pretending, so she ran over and asked in a panic, "How are you?"

"I'm afraid I'm going to fail."

Chen Ping said weakly!

He had just been injured, and even though his body was strong, it felt like it was falling apart at this moment!

"Ah, so serious? Then you should heal yourself quickly. Do you have any medicine?"

Lin Keting asked at a loss!

Chen Ping nodded: "I have medicine, but it's all in the storage ring. I can't take it out. Now my strength is sealed, and I can't heal my wounds."

puff!

Just after he finished speaking, Chen Ping spat out another mouthful of blood!

Lin Keting was anxious at this moment. She kept wiping the blood from the corner of Chen Ping's mouth, and then asked: "If you can recover your strength now, can you heal yourself?"

"Of course I can. I am a pharmacist. But there is a seal here. How can I possibly recover my strength?"

Chen Ping sighed softly, then said helplessly: "Don't worry about me, go find other people and leave here..."

"Impossible, I said I would never abandon you, don't worry, I have a way to make you regain your strength!"

After Lin Keting finished speaking, she seemed to have made some important decision, so she walked aside and muttered to herself!

[The Man Decree] A Man Like None Other

Chapter 4432

The runes on Lin Keting's palm seemed to come alive and then floated into the air!

Buzz...

As the void trembled, all the restrictions disappeared instantly!

Chen Ping also felt that all his strength could be used!

Chen Ping looked at Lin Keting in disbelief. He really didn't expect that Lin Keting could actually break this restriction!

"Now you can heal your wounds!" Lin Keting looked at Chen Ping and said!

"Did you set up this restriction? How could this happen? Who are you?"

Chen Ping looked at Lin Keting with a vigilant look!

"No, no, no, this is not a restriction I set. I don't have the ability to do that."

"This was set up by my master. I just used my master's runes to break the restriction."

Lin Keting quickly waved her hands and explained!

"Your master? Why did he place the ban? Then what is your purpose in coming here?"

Chen Ping kept asking!

Lin Keting frowned slightly, seeming a little embarrassed, but finally opened her mouth and started talking along with Chen Ping!

After Chen Ping heard this, he almost died of anger!

It turns out that this battlefield of gods and demons is no longer what it originally was. Lin Keting's master had set up restrictions in this battlefield of

gods and demons. The stone statue treasures in front, and even those fairy arts, were all arranged in advance!

The purpose is to attract people and then use these things to earn spirit stones. Lin Keting is not here to look for treasures, but to earn spirit stones!

No wonder Lin Keting is not interested in anything and can easily pass through the giant stone illusion array!

This time, by collecting the entrance fee and the auction fees for those magical weapons, Lin Keting really earned a lot of spirit stones!

However, the sudden appearance of the thunder beast and the residual soul of the demon cultivator were all things that Lin Keting had not anticipated!

That's why Lin Keting thought about leaving later, but since no one asked her to leave, she had no choice but to follow them!

“You actually cheated people just to earn spirit stones. This is so wicked...”

Chen Ping said helplessly!

“Who is evil? Those skills and magic weapons are real. They are not fake.”

Lin Keting retorted!

“Could it be that your master is from heaven?” Chen Ping took the opportunity to ask!

“If I don't tell you, you don't have to know. It's good enough for me to tell you this much.”

“You should heal your wounds quickly. You are not allowed to tell anyone else about this, or I will ignore you.”

Lin Keting instructed Chen Ping!

At this moment, Chen Ping became more and more curious about Lin Keting's identity, but since Lin Keting didn't say anything, Chen Ping knew that he couldn't ask any more, otherwise he would really annoy her!

“Okay, don’t worry, I won’t tell anyone, but remember to return the purple gold coins you cheated me of when you get out!”

Chen Ping said!

“Hmph, you stingy guy, I’ll return it to you when the time comes!” Lin Keting rolled her eyes at Chen Ping!

Chen Ping stopped talking and sat cross-legged, starting to heal his wounds. He also took out some pills from his storage ring and took them!

He also gave Lin Keting a few pills. Although Lin Keting was not hurt, she was frightened and needed some calming pills!

About an hour later, Chen Ping’s injuries were almost healed and his strength was restored, so this injury was no longer a big deal.

Lin Keting looked at Chen Ping curiously. She was also very confused and curious about Chen Ping!

A small cultivator at the seventh level of the Tribulation Realm, but he is able to display sword intent and his body is so strong!

The most important thing is that he not only understands formations, but is also a pharmacist!

He is truly an all-round talent!

Such a serious injury, but it’s almost healed in just one hour!

“Let’s go and look for other people. Now that the ban has been lifted, I guess many people will be interested!”

Chen Ping stood up and said to Lin Keting!
