

[The Man's Decree] A Man Like None Other Chapter 4533

“Master, you are so great...”

Zhongli's face turned red and he said with satisfaction!

Chen Ping also let out a long sigh and then stretched!

Boom boom...

Chen Ping just stretched!

Countless thunder clouds suddenly appeared in the sky above Xijiantan, bursting out with lightning!

“Who is going through the tribulation?”

Master Iron Hammer and other people from the Weapon Refining Sect looked up at the sudden appearance of the thunder cloud and were a little confused for a moment!

They didn't understand, who would suddenly undergo the tribulation at this time?

Boom boom...

There was another loud bang, and a bolt of lightning actually struck straight towards Xijiantan!

Old Jian and the others were all shocked. When they saw the thunder strike Chen Ping fiercely, they were all stunned!

None of them had expected that Chen Ping would break through the realm and start to overcome the tribulation at this time!

Thunder strikes Chen Ping one after another, and Chen Ping's strength is growing rapidly!

“Master, can you resist?”

Zhongli asked worriedly!

“No problem, this thunder tribulation can no longer do any harm to me.”

Chen Ping smiled indifferently!

Having experienced so many thunder tribulations, Chen Ping has already mastered this thunder tribulation.

Boom boom...

Just as Chen Ping finished his words, another thunderbolt suddenly struck down!

However, this thunder was actually golden in color, and its power was doubled!

“What realm is this person in? This thunder tribulation is too terrifying. When we, the fourth-grade cultivators of the Mahayana realm, go through a thunder tribulation, we have never encountered such a powerful thunder tribulation.”

An elder from the Weapon Refining Sect said!

Master Tiechui frowned slightly, his face full of confusion. He didn't know who was undergoing the tribulation in the Sword Washing Pond that would cause such a powerful thunder tribulation.

In the Sword Washing Pond, Old Sword and several elders from the Weapon Refining Sect were all stunned when they saw the powerful thunder strike Chen Ping!

“Master Jian, Mr. Chen is only a seventh-rank cultivator in the Tribulation Realm. How could the Tribulation Thunder be so terrifying?”

An elder from the Weapon Refining Sect asked in confusion!

“Mr. Chen's realm has been raised this time, and he has survived the thunder tribulation. It is very likely that he has risen two levels in a row.”

“Only when you reach two levels in a row will the thunder tribulation become extremely powerful. If you can withstand it, your realm will be directly raised by two levels.”

Master Jian explained!

“Is there such a saying? I have never seen anyone who could improve two realms in one thunder tribulation.”

An elder from the Weapon Refining Sect said in shock!

“Not to mention the Heavenly Realm, even in the entire universe, there are very few people who can advance two realms in one thunder tribulation.”

“In addition to opportunity, strength and luck, you also need real skills, otherwise you will lose your life in this thunder tribulation.”

Old Jian said!

Everyone stared at Chen Ping and prayed silently for him, hoping that Chen Ping could survive the thunder tribulation!

When this thunder struck, Chen Ping’s body lowered and he knelt on one knee on the ground!

His face turned ugly and his brows couldn’t help but frown!

“Master, what’s wrong?”

Zhongli asked!

“Strange, why did this thunder tribulation suddenly become so powerful?”

Chen Ping didn’t know why this thunder tribulation suddenly became so powerful that he couldn’t adapt for a while and was almost struck to the ground!

“Master, I will help you. This is in the Dragon Slaying Sword. I can help you withstand the thunder tribulation.”

Zhongli said when he saw this!

“No, don’t worry about me, I can handle it myself!”

Chen Ping waved his hands quickly!

Zhongli has recovered with great difficulty. If he is injured by the thunder or his spirit is dispersed by the thunder, Chen Ping will regret it for the rest of his life!

But Zhongli didn’t listen to Chen Ping, but pounced on him and kissed him!

Chen Ping only felt a wetness, followed by a strong body fragrance!

Boom!

Another bolt of thunder came down and hit Chen Ping hard!

[The Man Decree] A Man Like None Other Chapter 4534

But this time Chen Ping did not react at all, but held Zhongli and endured it.

Zhongli was also suffering from thunder tribulation, but his eyes were determined!

The two kissed deeply, forgetting everything...

Thunder strikes Chen Ping one after another, but he has already lost all feeling!

He was completely immersed in Zhongli's expression!

I don't know how long it took, but the thunder and lightning finally stopped and slowly dissipated!

And Chen Ping and Zhong Li were still kissing each other!

After a long time, Chen Ping separated from Zhong Li. At this moment, the aura in both of them had completely changed!

Not only did Chen Ping survive the thunder tribulation and improve his realm, but even Zhongli also improved his strength significantly!

"Zhongli, thank you. If it weren't for you, I would have had a hard time getting through this thunder tribulation."

Chen Ping gently caressed Zhongli's face and said!

"Master, if it weren't for you, I wouldn't be able to improve my strength so much."

"I will be satisfied if I can stay by my master's side forever and serve him every night."

Zhongli smiled slightly and said!

“Don’t worry, I will never let you get hurt again!”

Chen Ping assured with a firm look in his eyes!

Zhongli nodded, and then Chen Ping left the Dragon Slaying Sword!

When Chen Ping landed in front of Jian Lao and others, Jian Lao and others were stunned!

Because the aura emanating from Chen Ping’s body has undergone earth-shaking changes!

He actually directly advanced from the seventh level of the Tribulation Realm to the ninth level of the Tribulation Realm!

At this rate, Chen Ping will be able to advance to the Mahayana realm in no time!

“Mr. Chen, I didn’t expect you to be able to advance two realms in a row. You can actually withstand this overlapping thunder tribulation and you are not injured at all.”

Old Jian said in shock!

“Overlapping thunder tribulations? Have I advanced two realms?”

Chen Ping was stunned, and then the aura in his body burst out. With a wave of his hand, the entire Xijian Pond burst out with a terrifying aura!

The water in the Xijian Pond burst out to a height of ten thousand meters!

The Hammer Masters outside were all frightened and hid far away!

They don’t know what terrifying things are hidden in this Sword Washing Pond!

Chen Ping’s eyes were full of surprise. He didn’t expect that he would be able to directly advance to the ninth level of the Tribulation Realm!

“It seems that the sword power in the Sword Washing Pond really helped a lot...”

Chen Ping said in his heart!

In addition to the sword power of Xijiantan, there was also the seven-colored elixir given by Taoist Wuji, which were of great help to Chen Ping in improving his two realms this time!

This was Chen Ping's first time coming to the Weapon Refining Sect and he absorbed all the sword energy from the Sword Washing Pond!

This time, he absorbed all the sword intent in the Sword Washing Pond, but fortunately it helped repair the formation!

The power of Xijiantan is still there, and the Weapon Refining Sect will not see its reputation in weapon refining plummet because of Xijiantan!

Chen Ping followed Jian Lao and others and rushed out of Xijiantan!

Master Tiechui and others were very happy to see Chen Ping coming out of Xijiantan!

Especially when they saw that Master Jian and the elders of the Weapon Refining Sect who had been looking for his missing Master Jian were still alive, everyone in the Weapon Refining Sect was extremely excited.

"Master Jian, who was that person who was undergoing the tribulation at the Sword Washing Pond just now? The thunder cloud that came was too terrifying."

Tiechui asked to Jian Lao!

Old Jian looked at Chen Ping, smiled slightly and said nothing!

Tiechui looked at Chen Ping, and the aura in Chen Ping's body directly shocked Master Tiechui!

The horrific thunder tribulation just now was actually Chen Ping's tribulation. No one had expected this!

"Mr. Chen, thank you for helping to find Elder Jian and rescue the elders of our Refining Sect. I hope you can stay in the Refining Sect for a while longer."

"It would also be good for Master Jian to help you repair the Dragon Slaying Sword and restore the sword spirit!"

Tiechui said to Chen Ping!

But Chen Ping shook his head and said, “Master Tiechui, I appreciate your kindness. The Dragon Slaying Sword has absorbed a large amount of sword power and has fully recovered.”

“I still have things to deal with, so I can’t stay long, but if the Weapon Refining Sect has anything to do, I will definitely do my best to help.”

After Chen Ping finished speaking, he immediately ordered Ji Yun to prepare the airship and left the Weapon Refining Sect.

Chen Ping has always been worried about the Xiao Dynasty. If the Demon Sealing Alliance sends people to destroy the Xiao Dynasty again, the Xiao Dynasty will find it difficult to resist.

[The Man Decree] A Man Like None Other Chapter 4535

The Demon Sealing Alliance Headquarters!

Zuo Tianzheng served Na Luota with great respect. No matter what Luota needed, Zuo Tianzheng would find a way to satisfy it!

Who made Rota a member of the temple, and a high-ranking priest in the Ten Palaces?

Otherwise, the Tenth Palace Master would not have let Luo Ta deal with the Wuji Taoist!

When Rota arrived at the Demon Sealing Alliance headquarters, he did not go to the Xiao Dynasty immediately, but enjoyed himself for a few days!

Ask Zuo Tianzheng to find a dozen female cultivators to practice dual cultivation day and night!

In the Ten Palaces of Worship, Rota is just a high-level worshipper, and above him there are the Ten Palace Masters.

He didn’t dare to be presumptuous, let alone look for a female cultivator!

You have to know that the female cultivators of the God Clan are also extremely arrogant. If you don’t have some real skills, they won’t agree to dual cultivation!

But it's different when it comes to the Demon Sealing Alliance. No matter whether those female cultivators agree or not, they will be forced to serve Rota under the tyranny of the Demon Sealing Alliance!

"Alliance leader, it has been several days. Not only has this person consumed a lot of resources, but he also needs female cultivators to serve him."

"Many people below have expressed their opinions. Many families are no longer willing to provide female cultivators."

An elder of the Demon Sealing Alliance reminded Zuo Tianzheng in a low voice!

Zuo Tianzheng was actually in a very difficult situation. After Rota arrived, he did not mention anything about dealing with the Xiao Dynasty, and he did not dare to mention it!

What's more, Zuo Tianzheng didn't know how strong this Rota was!

Can you defeat the Wuji Taoist?

If they can't win, then wouldn't all the members of the Demon Sealing Alliance be in danger?

Last time, Taoist Wuji did not take action, and Xiao Huangchao did not pursue him when his men were injured, which allowed Zuo Tianzheng and his men to escape back!

If they go again this time and Luo Ta is killed by Taoist Wuji, will they be able to escape back?

Just when Zuo Tianzheng didn't know what to do, Rota walked into the hall with satisfaction!

His eyes were full of arrogance. Even though they were serving him like this, this Rota never even looked at Zuo Tianzheng and the others!

In Rota's eyes, Zuo Tianzheng and other people from the Demon Sealing Alliance are nothing but lowly servants!

How could these people compare with them, the noble gods!

If the gods had not suffered a devastating disaster, the temple would probably not have cooperated with ordinary cultivators like Zuo Tianzheng!

“Master Luo, are you satisfied with the female cultivators you found?”

Zuo Tianzheng hurried forward, nodded and asked!

“Not bad, I’m quite satisfied. Although you ordinary monks don’t have much ability, this woman is really fun!”

Rota licked his lips and said!

Zuo Tianzheng felt sick as he listened to Luo Ta’s words, but he still smiled and said, “As long as Lord Luo is happy, I wonder when we can go to the Xiao Dynasty?”

“I can do it now. After enjoying these few days, I also want to stretch my muscles!”

Rota said lightly!

“Master Luo, the Wuji Taoist is very powerful. All ten princes were defeated by him, so...”

Zuo Tianzheng wanted to remind Rota not to underestimate the enemy!

But before he could finish his words, at the look from Rota, Zuo Tianzheng trembled slightly and dared not speak anymore.

“Leader...”

At this time, Sect Master Zhou came with his disciples Tianluo and Tiansha!

“Master Zhou, what do you want?”

When Zuo Tianzheng saw Sect Master Zhou, his face turned ugly!

This guy, every time I send him out, everyone else dies, but this guy always comes back!

This made Zuo Tianzheng very unhappy. He thought that Sect Master Zhou was afraid of death and was not putting in any effort!

“Alliance leader, to deal with Xiao Huangchao, it may not be enough to just defeat that Wuji Taoist priest!”

Sect Master Zhou said!

“Why not? There are no masters in the Xiao Dynasty. Even Xiao Yuanshan is no match for him.”

Zuo Tianzheng looked at Sect Master Zhou in confusion and said dissatisfiedly!
