

[The Man's Decree] A Man Like None Other Chapter 4536

“Alliance leader, don't forget that Chen Ping is still in the Xiao Dynasty. According to my investigation, the reason why Chen Ping was able to turn danger into safety every time is because there is a strong man behind him, who may be a strong man in the immortal realm.”

“This expert is probably even more powerful than Taoist Wuji. A fourth-grade cultivator in the Mahayana realm can be killed with just a glance from this expert.”

Sect Master Zhou said!

Zuo Tianzheng frowned: “Master Zhou, I know you are a bit of a coward and run away when you encounter danger, but you shouldn't be scared to such an exaggerated extent, right?”

“We, the Demon Sealing Alliance, have been hunting down Chen Ping for such a long time. If there is a powerful immortal behind Chen Ping, why doesn't he destroy our Demon Sealing Alliance?”

“This...” Sect Master Zhou didn't know how to explain for a moment!

However, Luo Ta on the side became interested: “An expert in the Immortal Realm? Even more powerful than that Taoist Wuji?”

“It should be!” Sect Master Zhou nodded!

“Should be? Have you seen that man take action?” Rota asked!

“No!” Sect Master Zhou shook his head: “But the strong man behind Chen Ping rarely takes action. Every time he takes action, it is when Chen Ping is in danger. But once he takes action, he will definitely save Chen Ping from danger.”

“That's it?” Rota smiled!

“That's all!” Sect Master Zhou nodded!

“Hahaha, I've heard that too. Chen Ping is only at the seventh level of the Tribulation Realm, and hasn't even reached the Mahayana Realm. Even if he encounters danger, how strong can the enemy be?”

“The powerful person behind him taking action doesn’t mean anything. I can kill a fourth-grade cultivator in the Mahayana realm with just a glance...”

After saying that, Rota widened his eyes and looked at Sect Master Zhou!

This frightened Sect Leader Zhou so much that he knelt down in panic, not daring to look directly at Lota!

Zuo Tianzheng also panicked and said hurriedly: “Master Luo, no matter what realm the strong man behind Chen Ping is at, he is definitely not a match for Master Luo.”

Zuo Tianzheng knew that these gods were extremely arrogant, so he had to flatter them!

Sure enough, after Zuo Tianzheng finished speaking, Narota slowly retracted his gaze, smiled coldly and said: “No matter who that powerful man is or that Wuji old Taoist, I will kill them all together!”

“Yes, yes, no one can defeat Lord Luo when he takes action...”

Zuo Tianzheng quickly agreed!

Sect Leader Zhou didn’t dare to say anything anymore. He originally wanted to give a reminder, but he almost lost his life!

Looking at Zuo Tianzheng’s flattering expression, Luo Ta sneered and said, “I know you think I’m bragging, but I don’t blame you. After all, you haven’t seen the world. You may not even have seen a master of the Immortal Realm.”

“Your so-called masters are worthless in my eyes. With this punch of mine, I can turn the strong men in your eyes into ashes!”

Zuo Tianzheng bowed his body and could only nod and smile, saying repeatedly: “Yes, yes, yes...”

However, Zuo Tianzheng knew that Rota was just bragging, but who dared to refute him?

If he was really that awesome, the Tenth Prince wouldn’t have been forced to flee in panic after being beaten by Taoist Wuji!

We all know that the people of the God Clan like to brag, but I didn't expect them to like it so much!

"Come on, accompany me to the Xiao Dynasty. I want you to see with your own eyes how I kill that so-called strong man and the Wuji Taoist priest with one punch!"

After saying this, Rota stepped out of the hall!

Zuo Tian was following closely behind, and Sect Master Zhou didn't dare to stand up until Rota walked out of the hall!

"Master, what should we do?" Tianluo asked!

"Let's go and take a look, but stay far away. I want to see with my own eyes how this boastful guy dies tragically."

"The powerful person behind Chen Ping is definitely not a simple person. I spent a lot of effort to find out this."

"Since no one believes it, let's give it a try."

"If Narota wins, we will also benefit from it. If he loses, we will turn around and run away. None of you are allowed to clash with the people of the Xiao Dynasty!"

Sect Master Zhou gave instructions to Tiansha and Tianluo!

"I understand!" Tianluo and Tiansha both nodded!

[The Man Decree] A Man Like None Other Chapter 4537

Xiao Dynasty!

Chen Ping followed Ji Yun on the airship back to the Xiao Dynasty!

Along the way, because of Zhongli's company, Chen Ping was no longer lonely and he had fun every night!

It's just a pity for Ji Yun, who has to be a third wheel every day!

After arriving at the Xiao Dynasty, Xiao Yuanshan, Xiao Feng and others came to greet Chen Ping in person, and brought with them more than a dozen powerful men from the Xiao Dynasty!

The moment Chen Ping stepped off the airship, all these people were stunned!

Chen Ping has actually reached the ninth level of the Tribulation Realm!

This is outrageous!

You have to know that when Chen Ping just left, he was only at the seventh level of the Tribulation Realm. How come he was promoted to the ninth level of the Tribulation Realm after just a few days?

Isn't this too perverted?

Improve two realms at once?

Although there are legends about advancing two realms at once, no one has ever seen it!

Now seeing that Chen Ping had improved two levels at once, everyone was shocked!

“Mr. Chen, you must have had some adventure this time, right?”

Xiao Yuanshan asked curiously!

Chen Ping shook his head: “It wasn't any adventure, I just repaired the sword in my hand.”

At the Sword Washing Pond of the Weapon Refining Sect, Chen Ping didn't feel that it was any kind of adventure!

“Your Majesty, the people from the Demon Sealing Alliance are here...”

Just when Xiao Yuanshan was about to greet Chen Ping, someone suddenly came to report!

Everyone raised their fists and looked up, and found that dozens of powerful men from the Demon Sealing Alliance were flying towards them from the void in the sky!

The leader is still Sect Master Zhou!

These people are all in the Mahayana realm, and their aura is powerful!

Sect Leader Zhou also had a worried look on his face at this time. He originally wanted to be a bystander, and then run away when he saw that things were not going well!

But he didn't expect that Zuo Tianzheng would directly regard him as a pioneer!

Zuo Tianzheng and Naluota were behind the crowd!

Now it won't be easy for Sect Leader Zhou to escape!

When the people from the Demon Sealing Alliance arrived before them, all the powerful men from the Xiao Dynasty had hatred in their eyes!

Sect Leader Zhou turned his attention to Chen Ping!

When he saw that Chen Ping had actually reached the ninth level of the Tribulation Realm, his expression changed slightly and he was extremely shocked!

How did this guy improve so quickly?

That's too perverted!

That's too perverted!

Sect Leader Zhou had a gloomy and serious look on his face!

Xiao Yuanshan was staring at the back of Sect Master Zhou and the others, his eyes full of worry!

"The Demon Sealing Alliance has found another expert..."

Xiao Yuanshan said worriedly!

Chen Ping could also sense the aura in the distant sky. He was definitely a master!

It is possible that he is stronger than the Ten Princes!

However, Chen Ping's realm has now been improved. When the time comes, if he lets the Red Cloud Demon Lord control his body, he may be able to resist!

“I don’t know if Taoist Wuji will come this time!”

Xiao Feng spoke!

Chen Ping didn’t say anything. After all, the Wuji Taoist was not coming for him!

Buzz!

Suddenly, the sky trembled, and the next moment, Zuo Tianzheng followed Narota slowly from the void!

Rota is several meters tall and looks very fierce!

Zuo Tianzheng followed beside Rota, looking timid and submissive!

The appearance of Rota caused the entire void to distort!

With every step you take, the buildings beneath your feet will turn into ashes!

When everyone in the Xiao Dynasty saw this, their faces turned extremely ugly!

Especially Xiao Yuanshan, his brows were twisted into a shape of a “川”!

“Welcome Luo Gongfeng...”

Sect Leader Zhou, along with dozens of Mahayana masters from the Demon Sealing Alliance, saluted towards Rota in unison!

This is also to give Rota enough face so that Rota can show off in front of everyone in the Xiao Dynasty!

Rota enjoyed it very much and had a faint smile on his face!

Xiao Yuanshan stared at Narota, his expression more solemn than ever before.

“This person’s strength is probably higher than that of the Tenth Prince...”

Chen Ping spoke slowly!

Xiao Yuanshan said nothing. Of course he also saw it. He didn’t expect that there would be so many powerful people behind the Demon Sealing Alliance!

The Tenth Prince alone had already put the Xiao Dynasty into a desperate situation, and now this man is stronger than the Tenth Prince!

The Xiao Dynasty is in danger...

[The Man Decree] A Man Like None Other Chapter 4538

“Where is that old bastard Wuji?”

Rota asked!

Everyone was slightly shocked, and then turned their eyes to Chen Ping!

Chen Ping was somewhat speechless. Why did he go to see Taoist Wuji and ask him to do it all?

It’s not like I was the one who called Taoist Wuji here!

“Master Luo, that young man is Chen Ping. He has a strong man behind him, and the Taoist Wuji is here to help him.”

Sect Leader Zhou pointed at Chen Ping and said!

Luo Ta looked at Chen Ping with a bit of disdain in his eyes: “That old bastard Wuji is here to help you, so call him out.”

“And the strong man behind you, call him out so that I can deal with him together to avoid wasting time.”

“I don’t know where Taoist Wuji is, and he is not here to help me.” Chen Ping shook his head!

“Master Luo, the strong man behind Chen Ping will only appear when he is about to die and his life is threatened.”

Zuo Tian was whispering in Rota’s ear!

“Does it have to be so troublesome?”

Luo Ta frowned slightly: "If I were to attack a little cultivator in the Tribulation Realm, wouldn't I be laughed at?"

"Go and take care of that kid. Just injure him severely, but don't kill him, or else the strong men behind him will stop coming."

"As you command!" Zuo Tianzheng nodded, but he looked at Sect Master Zhou and said, "Sect Master Zhou, I'll leave Chen Ping to you. Go and deal with him."

"I'll go?" Upon hearing this, Sect Master Zhou was a little reluctant!

"What? You, a fourth-rank Mahayana cultivator, can't deal with him, who is at the Tribulation Crossing Realm?"

Zuo Tianzheng narrowed his eyes slightly and said!

"Alliance leader, we can't just look at this kid's realm. He can fight above his level."

"I'm afraid..."

Sect Leader Zhou didn't want to take action because he knew that Chen Ping was not someone who could just focus on the present situation!

Moreover, he also needs to conserve his strength for use in escaping!

"Don't you have two more disciples? We can have three of us attack together."

"If you don't do it, don't blame me for being rude."

Zuo Tianzheng threatened Sect Master Zhou!

He just wanted Zhou Zongzhu to take action so that this guy wouldn't always think about escaping!

Seeing this, Sect Leader Zhou could only nod and agree helplessly, then looked at Chen Ping!

"Boy, do you dare to challenge me in a one-on-one fight?"

"Boy, do you dare to challenge me in a one-on-one fight?"

Sect Leader Zhou asked!

Chen Ping looked at Sect Leader Zhou and shook his head.

“What? You don’t dare? Do you still want to fight?”

“You have to think clearly. If there is a group fight, all of you will die!”

Sect Master Zhou said!

“I don’t want to start a group fight. I just want to fight you three masters and apprentices alone.”

“It’s really meaningless just by yourself...”

Chen Ping sneered!

Now he has reached the ninth level of the Tribulation Realm, and the Dragon Slaying Sword has been restored, and the sword spirit Zhongli has also been restored. Therefore, Chen Ping simply looks down on a fourth-level Mahayana cultivator!

“Boy, you are so arrogant. Do you want me to destroy your prestige?”

When Tiansha saw that Chen Ping actually looked down on them as master and disciple, he immediately became angry!

A blood-red sword instantly appeared in his hand, and he leaped forward and ran straight towards Chen Ping!

“Tiansha, don’t be reckless...”

Upon seeing this, Sect Leader Zhou quickly gave a loud warning!

But at this time, Tiansha had already rushed towards Chen Ping!

The blood-red sword in his hand slashed out thousands of red lights!

The second level of the Mahayana realm is considered a master in this world of heaven and man!

Just this one sword strike made many people’s faces change slightly!

“Mr. Chen, let me help you...”

Seeing this, Xiao Jian wanted to help Chen Ping block this evil spirit.

Xiao Jian’s strength is higher than Tiansha’s, so if they fight, he will definitely not lose!

“No need, it’s just the second level of the Mahayana realm...”

After Chen Ping finished speaking, he swung the Dragon-Slaying Sword in his hand!

puff!

I saw a sword light flashing across quickly, and that Tiansha’s body was directly split into two halves!

Blood spurted out and internal organs were scattered all over the ground!

A second-grade Mahayana cultivator was killed with just a wave of his hand by Chen Ping, a ninth-grade Tribulation Realm cultivator!

[The Man Decree] A Man Like None Other Chapter 4539

This gap in strength left many people dumbfounded!

After all, many people have not truly witnessed Chen Ping’s strength!

“Tiansha...” Seeing this, Sect Leader Zhou and Tianluo’s eyes suddenly turned red!

Zuo Tianzheng frowned slightly, looking quite thoughtful!

But Narota smiled coldly: “This kid is quite interesting...”

“Boy, return my disciple’s life to me...”

Sect Leader Zhou’s eyes turned bloodshot, and a sword suddenly appeared in his hand. He rushed towards Chen Ping!

Seeing this, Tianluo also drew his sword and rushed forward, and the two of them attacked Chen Ping together!

Sect Master Zhou's sword exudes a sharp cold light, the sword force is like a violent storm, and every move contains a powerful fluctuation of spiritual power.

Tianluo was agile and moved around like a ghost, looking for an opportunity to attack.

Chen Ping had a stern look on his face, holding the Dragon-Slaying Sword, and stood still.

His eyes revealed immense determination and confidence, as if the enemy before him posed no threat to him at all.

Sect Leader Zhou rushed to Chen Ping first and slashed down with the sword in his hand with violent force.

Before the sword arrived, the powerful sword energy had already caused cracks to appear on the ground.

Chen Ping was not in a hurry. He slightly turned sideways and easily avoided the attack.

When Sect Leader Zhou missed his first strike, he immediately changed his tactics and swung his sword across, trying to cut Chen Ping in half.

Chen Ping's eyes focused, and he swung the Dragon-Slaying Sword in his hand quickly, colliding with Sect Master Zhou's sword.

"when!"

A crisp crash sound resounded through the sky. The powerful impact force caused Sect Master Zhou to take a few steps back, but Chen Ping remained motionless.

Sect Master Zhou was extremely shocked. He did not expect that Chen Ping, a ninth-level cultivator in the Tribulation Realm, could actually go head-on against him, a fourth-level Mahayana master, and do it so easily!

But at this time, Sect Leader Zhou was so angry that he didn't care about anything else and swung his sword at Chen Ping again.

Tian Luo also took the opportunity to attack from the side. His sword was as sharp as a poisonous snake and pierced Chen Ping's vital parts.

Chen Ping snorted coldly, turned his body slightly, and the Dragon-Slaying Sword stabbed out like lightning, accurately blocking Tianluo's attack.

Tian Luo only felt a huge force coming from the sword, making his arm numb.

The three of them instantly fought together, sword shadows intertwined, and spiritual power overflowed.

Everyone around was watching the fierce battle nervously, not daring to make a sound.

They were shocked by Chen Ping's strength. A cultivator at the ninth level of the Tribulation Realm could actually fight to a standstill with Sect Master Zhou at the fourth level of the Mahayana Realm and Tian Luo at the second level of the Mahayana Realm.

Chen Ping became more and more courageous as the battle went on. The Dragon-Slaying Sword seemed to have life in his hands, and its power became more and more fierce.

The sword in Chen Ping's hand flickered like stars, dazzling people.

Although Sect Master Zhou and Tian Luo were at a high level, they gradually felt exhausted under Chen Ping's attack.

"Damn, why is this kid so strong?" Sect Master Zhou cursed in his heart.

He began to regret following along, but now there was no way out and he could only continue fighting.

Tianluo also realized how powerful Chen Ping was, and a hint of fear flashed in his eyes.

But he knew that if they retreated at this moment, death would be the only thing waiting for them.

So he gritted his teeth, picked up the sword again, and launched a more fierce attack on Chen Ping together with Sect Master Zhou.

"It's boring. I won't play with you guys anymore!"

After Chen Ping finished speaking, he swung his sword towards Tianluo without hesitation, and the Dragon-Slaying Sword pierced out like lightning.

Tian Luo had no time to react. He only felt a chill in his chest, and the Dragon Slaying Sword had pierced his chest.

His eyes widened, his face full of disbelief, blood spurted out of his mouth, and he slowly fell down.

“Tianluo!” Sect Master Zhou shouted in grief.

He looked at his dead apprentice, his heart filled with anger and despair, but he knew that now was not the time to be sad. Chen Ping must be dealt with as soon as possible, otherwise he would also die here.

Sect Leader Zhou brandished his sword again and rushed towards Chen Ping. His sword power was even more frantic, as if he wanted to cut Chen Ping into pieces.

[The Man Decree] A Man Like None Other Chapter 4540

Chen Ping was not to be outdone. The Dragon-Slaying Sword in his hand collided with Sect Master Zhou’s sword again and again, making loud noises.

However, after a few moves, Sect Leader Zhou suddenly felt his hand lighten, and when he looked at the sword in his hand, he realized that only the hilt of the sword was left in his hand.

His strength is not as good as Chen Ping, but the sword in his hand is no less powerful than Chen Ping’s Dragon-Slaying Sword!

Sect Leader Zhou knew that if he continued fighting, he would surely die!

After looking around, Sect Master Zhou decided to find an opportunity to escape!

In order to escape, he had to be wary of not only Chen Ping, but also Zuo Tianzheng.

“Chen Ping, today I will fight you to the death!”

Sect Leader Zhou dropped the hilt of the shuriken, his aura continued to surge, and black mist rose from his body!

Chen Ping couldn't help but laugh when he saw the expression on Sect Master Zhou's face!

He knew that this guy was going to escape, and he was just pretending to do this!

"You want to escape?" Chen Ping laughed!

Sect Master Zhou was slightly stunned, then whispered: "I have no grudge against you, why would I risk my life to fight you? It is not my intention to deal with you, I am forced to do so."

"I looked for an opportunity to escape, and you hoped that I would be spared. Two of my disciples have died in your hands, so I have paid the price!"

Sect Leader Zhou was actually begging Chen Ping to spare his life!

Chen Ping nodded: "You can run away, I will never chase you..."

"Thank you!" After Sect Master Zhou said this, his body, wrapped in black mist, suddenly jumped up and flew away!

Seeing that Sect Leader Zhou suddenly fled, both the people from the Demon Sealing Alliance and the people from the Xiao Dynasty were all stunned!

They thought that Sect Leader Zhou was going to fight to the death with Chen Ping!

I didn't expect it was just a bluff, and then he took the opportunity to escape!

Zuo Tianzheng was also deceived by Sect Master Zhou. Seeing Sect Master Zhou suddenly escape, Zuo Tianzheng immediately cursed: "Damn it, you want to escape right under my nose? I'll kill you..."

Zuo Tianzheng was about to chase after Sect Master Zhou, but was stopped by Luo Ta who was standing nearby!

"No need to chase..."

After Luo Ta finished speaking, he suddenly punched in the direction where Sect Leader Zhou was escaping!

The void visible to the naked eye trembled, and then shrank together!

Sect Leader Zhou, who had already escaped nearly a hundred miles away, felt his body tighten, and then explode!

Sect Leader Zhou's body was blasted into powder by a single punch.

At this moment, everyone in the Xiao Dynasty was frightened and panicked!

Nearly a hundred miles away, he smashed a fourth-grade Mahayana cultivator into powder with just one punch!

This is too perverted!

Chen Ping also frowned slightly, and his expression became very ugly!

"Boy, I didn't expect you to be so capable. Looks like I still need to take action myself!"

After Rota finished speaking, he suddenly grabbed Chen Ping with his hand!

Chen Ping's body seemed to be imprisoned and he couldn't move at all. He was directly sucked into the palm of Narota!

Chen Ping struggled desperately, but it was of no avail!

Xiao Yuanshan and others also wanted to help, but they found that they could not move at all!

Just as Chen Ping was about to fall into Narota's palm, suddenly a white light flashed in the void!

Then a middle-aged man appeared in front of everyone!

The middle-aged man was dressed in plain clothes and looked very elegant!

The moment the middle-aged man appeared, everyone's bodies relaxed, and Chen Ping also escaped from Narota's control!

"Mr. Shi..."

When Chen Ping saw the person coming, he was so surprised that he almost threw himself into Mr. Shi's arms!

When Xiao Feng saw Mr. Shi, his face was also filled with joy. He said to Xiao Yuanshan, "Father, this man is the master behind Mr. Chen. He was the one who told me that Mr. Chen is the great opportunity for our Xiao Dynasty!"

However, Xiao Yuanshan and the people from the Xiao Dynasty looked at Mr. Shi with serious expressions!

Because they couldn't feel any aura fluctuations from Mr. Shi, nor could they see any sign of a strong man!

He looks more like a weak scholar, who is powerless and can't even tie a chicken. How can such a person be a master?
