

[The Man's Decree] A Man Like None Other Chapter 4541

Zuo Tianzheng looked at Mr. Shi who appeared and couldn't help but snorted coldly, with obvious disdain in his eyes!

Because in his eyes, Mr. Shi didn't look like a master at all, and his aura was even so weak that it was almost non-existent!

I'm afraid any cultivator can step on such a person!

You must know that when a truly strong person appears, it can cause the void to tremble, or even shatter the entire void!

But Mr. Shi's appearance was so understated, as if he appeared suddenly, and there was not even a trace of aura fluctuation around him!

Luo Ta looked at Mr. Shi, raised his lips and said, "Are you the strong man behind Chen Ping?"

Mr. Shi ignored him and didn't even look at Lotta!

"The realm has been raised again?"

Mr. Shi looked at Chen Ping and smiled slightly!

Chen Ping nodded: "This time I have improved two realms at the same time..."

"Too slow, still too slow..." Mr. Shi shook his head!

Chen Ping was slightly stunned, then said awkwardly: "The resources I need to improve my realm are ten or even a hundred times that of others, so..."

The resources Chen Ping needed to improve his realm were too huge, so it was understandable that his realm improved slowly!

"If you can't find the resources, then go and rob them. Do you still want to be a saint?"

Mr. Shi asked!

Chen Ping was stunned and didn't know what to say. During the time he was in the Heaven Realm, he really hadn't thought about stealing other people's resources!

Most of the time, I am passive, like when the Demon Alliance used a hundred years of sacrifice to hunt me down!

I can just do the opposite and rob the Demon Sealing Alliance of its resources!

After all, the Demon Sealing Alliance's influence is spread throughout the entire Heavenly Realm, and Chen Ping can find those places where the Demon Sealing Alliance is weak and start his attack!

Xiao Yuanshan and others listened to Mr. Shi's words and didn't know what to say for a moment!

Educate Chen Ping to snatch resources, there is nothing wrong with that in the world of heaven and man where the strong prey on the weak and strength is respected!

But I always feel something is not right!

"If you want to seize resources, you also need to see if you have the strength to do so."

Rota snorted coldly and actually punched Mr. Shi!

Mr. Shi's disregard for him had already angered this guy!

boom!

When this punch was thrown, the sky and the earth suddenly became dark, and a terrifying fist wind enveloped everyone!

Everyone felt a sense of suffocation!

Everyone felt a sense of suffocation!

Not only that, under the wind of the fist, even the masters of the Mahayana realm bent over, and many of them fell directly to their knees on the ground, unable to stand up!

It was just one punch, but it made many powerful men of the Xiao Dynasty bow their heads and even kneel on the ground!

This kind of crushing power made everyone in the Xiao Dynasty instantly feel hopeless!

Chen Ping's face also changed drastically, and endless energy burst out of his body to resist Rota's punch!

But even if he tried his best, Chen Ping still felt that he was being oppressed and it was hard for him to breathe!

At this time, Mr. Shi looked at Chen Ping and waved his hand gently!

Just like repelling mosquitoes!

boom!

Before everyone could react, the terrifying fist wind disappeared in an instant!

Looking at Narota, he was as motionless as a statue, his body still in the posture of punching!

"Mr. Luo, Mr. Luo..."

Seeing this, Zuo Tianzheng shouted twice in panic, but Lotta still didn't move!

Zuo Tianzheng stepped forward and gently pushed Rota!

With just this gentle push, Rota's huge body instantly turned into powder and was then blown away by the wind!

Lotta was reduced to ashes...

So everyone looked at this scene in shock, their minds went blank!

Especially the people from the Demon Sealing Alliance, they were all stunned and their eyes were about to pop out of their heads!

What's going on?

The person is gone?

Reduced to ashes?

Just with that gentle wave, the person is gone?

Zuo Tianzheng's body was shaking, and the other members of the Demon Sealing Alliance were also shaking, and some even had their pants wet!

This is too outrageous!

This Rota is a superior being in their eyes!

Being shooed away like a fly?

Xiao Yuanshan also widened his eyes and said in disbelief: "Fuck, awesome..."

[The Man Decree] A Man Like None Other Chapter 4542

As the emperor of the Xiao Dynasty, he has the highest status!

At this moment, Xiao Yuanshan had to swear to express his feelings!

"Unparalleled in the world, unparalleled in the world..."

Master Wuliang could not hide his excitement, his voice was trembling!

Other people from the Xiao Dynasty knelt on the ground one after another. This time, they knelt not because of the pressure, but because they were completely convinced by Mr. Shi!

No one had expected that this middle-aged man who looked weak and had no aura at all would actually have such terrifying strength!

Just a gentle wave!

With such a casual move, a top Mahayana master was reduced to ashes!

This Mahayana cultivator is not even as good as an ant in the eyes of others!

You have to know that in the world of heaven and man, these Mahayana masters are already considered the strongest among the strong!

The cultivator at the peak of the Mahayana realm is at the top of the tower!

Almost no one has ever seen the existence of a cultivator in the Immortal Realm!

But the pinnacle in their eyes was destroyed like an ant.

This kind of shock and impact made these powerful men of the Xiao Dynasty kneel down unconsciously.

Even princes like Xiao Feng and Xiao Jian did not feel that their status was noble at all, but knelt on the ground in submission.

They practiced for their entire lives, and they felt very awesome when they reached the Mahayana realm.

But in the eyes of others, they are all just ants. Even Master Wuliang, who was once a celestial being, kneels on the ground respectfully.

As for the other people in the Xiao Dynasty, they are all frogs in the well. They have never seen a real master and have never seen the world!

But Master Wuliang, as an immortal from the fourth level of heaven, had also seen people with high levels of power!

But this is the world of heaven and man, suppressed by the great formation of heaven and earth, and all the people in heaven are trapped here!

Although he knew that there were many people from the celestial realm trapped in the world of heaven and man, their strength had declined!

Master Wuliang's own strength has declined by nearly half.

But look at Mr. Shi again. Even if Mr. Shi is also an immortal from the celestial realm, how could he still have such awesome strength under the suppression of the great formation of heaven and earth in this celestial realm?

It seems that Mr. Shi is many times stronger than the Taoist Wuji!

This is what deeply shocked Master Wuliang!

Zuo Tianzheng's body was trembling. He never expected that there was really a strong man behind Chen Ping!

And it's so strong!

What about Lotta's boasting at the beginning?

Can't you just kill the opponent with one punch?

With one punch, the other person was fine, but I was reduced to ashes!

"Mercy, mercy, mercy..."

Zuo Tianzheng led many masters of the Demon Sealing Alliance and they all knelt down!

This is a kneeling prayer. They have finally survived to this day and cultivated to this Mahayana realm. They don't want to die!

"Mr. Shi, we can't let them go. These guys are too evil. They even used the Hundred Years Offering to hunt me down."

"I was nearly killed by them."

Chen Ping said to Mr. Shi!

Mr. Shi finally took action. He must destroy the Demon Sealing Alliance so that Chen Ping will feel more relaxed!

Zuo Tianzheng was immediately sweating when he heard this: "Don't kill me, I am willing to offer a hundred years of sacrifice..."

After saying that, Zuo Tianzheng casually took out a storage bag and threw it in front of Chen Ping!

The other powerful members of the Demon Sealing Alliance also took out all the resources they had and threw them at Chen Ping's feet!

As long as they can survive, they are willing to contribute all their resources!

Chen Ping looked at the resources under his feet and was immediately delighted!

With these resources, he can definitely improve his realm!

But once you get the resources, you still have to kill people!

“Mr. Shi, even if you give me the resources, I still have to kill people...”

Chen Ping persuaded Mr. Shi!

“grass.....”

Zuo Tianzheng and others looked at Chen Ping and cursed in their hearts!

After giving all the resources, can't you leave a way out?

Mr. Shi did not say anything, but slowly stretched out his palm and gently clenched it in the direction of Zuo Tianzheng and others!

Upon seeing this, Zuo Tianzheng and his men turned pale and did not move a muscle!

They knew that Mr. Shi's light grip could take their lives!

[The Man Decree] A Man Like None Other Chapter 4543

But when Mr. Shi squeezed it, the void began to shake!

Soon countless subtle auras began to gather together!

Everyone looked at Mr. Shi in confusion!

Especially Zuo Tianzheng and his group, they originally thought they were doomed, but who knew that Mr. Shi didn't seem to be targeting them!

Chen Ping also looked at Mr. Shi in confusion, wondering what Mr. Shi was doing!

Soon, those auras gathered into a human figure, and gradually became the appearance of Narota!

“this.....”

Seeing Rota slowly taking shape, everyone was stunned!

No one understands what Mr. Shi is doing!

Even Narota looked confused and looked his body up and down!

Aren't I already dead and reduced to ashes?

“Venerable Luo?” Zuo Tianzheng looked at the resurrected Luo Ta and shouted in disbelief.

“What’s going on?”

Rota asked Zuo Tianzheng!

“He...he...”

Zuo Tianzheng stammered for a long time but couldn't explain what was going on!

Xiao Yuanshan and others all looked at Mr. Shi in disbelief, not understanding why he would resurrect Rota after he had killed him?

If a person turns to ashes, is it possible to revive him?

“Mr. Shi, what are you doing?”

Chen Ping's face was full of confusion!

“You need to kill your enemy yourself. I am just helping you teach him a lesson.”

Mr. Shi smiled faintly!

Chen Ping was confused. With his current strength, how could he kill Narota?

Xiao Yuanshan and others were also confused. They didn't understand who this Mr. Shi behind Chen Ping was.

Why does he have such a weird habit?

When Zuo Tianzheng and the others heard what Mr. Shi said, they breathed a sigh of relief.

This time, they won't die, but it's a pity to waste those resources!

Chen Ping looked at Mr. Shi blankly, but soon he seemed to understand Mr. Shi!

Mr. Shi's ability allows him to walk all over the world of heaven and man!

Mr. Shi's ability allows him to walk all over the world of heaven and man!

But Mr. Shi has never done so, in order to gain experience step by step.

"Mr. Shi, I understand!" Chen Ping nodded!

"I'm glad you understand!" Mr. Shi touched Chen Ping's head!

"That big fool, hand over your storage bag, or I will be rude to you."

Chen Ping turned to look at Rota who had come back to life, pointed at him with the Dragon Slaying Sword in his hand and said!

Luo Ta was pointed at with a sword by Chen Ping, a cultivator in the Tribulation Realm, but he dared not say a word!

Looking at Mr. Shi beside Chen Ping, Rota could only helplessly throw the storage bag at Chen Ping's feet!

It's really a painful feeling to die once, and Rota doesn't want to try it again!

But just when Rota threw the storage bag to Chen Ping!

Suddenly, an extremely terrifying and powerful aura appeared in the sky and rushed towards everyone!

This breath made the entire world seem a little unreal!

The powerful pressure caused many people to fall to the ground, and some even vomited blood on the spot!

Even Narota was pale and clenched his teeth tightly!

This terrifying aura is much stronger than when Narota came!

Everyone looked at the breath coming from afar in horror!

No one knows why another strong man suddenly appeared!

All these people from the Xiao Dynasty had grim expressions on their faces. They were very afraid of this powerful man, who was the master behind the Demon Sealing Alliance!

If that were the case, I don't know what the outcome of today would be!

As the pressure grew stronger, an old man slowly appeared in the void. He had a gray beard, a long green robe, and his eyes were bright and sharp!

“Who is so presumptuous in the Western Regions?”

The old man spoke slowly!

“Lord of the Territory, Lord of the Western Territory...”

“Master Master.....”

Xiao Yuanshan recognized the old man in front of him and immediately knelt on the ground!

Seeing this, the other people from the Xiao Dynasty also shouted loudly!

Zuo Tianzheng and his companions were from the Northern Territory and did not know the Lord of the Western Territory. However, when they heard that the other party was the Lord of the Western Territory, they all lowered their heads!

No matter which one of the five domain masters appears, he is a dragon among humans in the heavenly world.
