

[The Man's Decree] A Man Like None Other Chapter 4544

Chen Ping wanted to see who this Lord of the Western Regions was, but found that he couldn't even look at the Lord of the Western Regions!

The feeling of oppression forced Chen Ping to lower his head!

This is the second domain lord that Chen Ping has met. Among the five domain lords of the heavenly world, Chen Ping has already met two!

At this moment, Mr. Shi raised his head slightly and gave the Lord of the Western Region a cold look!

With just this one glance, the Lord of the Western Region was shocked!

"Sorry to bother you, you guys are busy..."

After the Lord of the Western Region finished speaking, his body instantly turned into a stream of light and disappeared!

So everyone was confused!

The Lord of the Western Region came quickly, but disappeared just as quickly, as if he had never appeared!

No matter whether they were from the Demon Sealing Alliance or the Xiao Dynasty, they were all in a state of confusion!

"Mr. Shi, this..."

Chen Ping raised his head and found that the Lord of the Western Region was gone!

"Don't worry about him. You should practice hard in the future and improve your strength as soon as possible!"

Mr. Shi patted Chen Ping on the shoulder!

"Yeah!" Chen Ping nodded heavily!

Mr. Shi looked at Xiao Feng, and then said: "I said that Chen Ping is a great opportunity for your Xiao Dynasty, and now this opportunity has come!"

After saying that, Mr. Shi waved his hand, and suddenly a ray of golden light disappeared into the void!

But soon, this golden light exploded in the void, and then spots of golden light spread throughout the territory of the Xiao Dynasty!

"This light of luck will increase the luck of your Xiao Dynasty by three thousand years. In these three thousand years, no one can shake your Xiao Dynasty!"

Mr. Shi said lightly!

Mr. Shi said this to Xiao Feng, and also to Zuo Tianzheng and the others!

This is to tell the Demon Sealing Alliance not to target the Xiao Dynasty anymore!

When Xiao Yuanshan heard this, he was overjoyed, and led everyone in the Xiao Dynasty to kneel down at Mr. Shi's feet!

"Senior, the souls of the hundreds of thousands of soldiers of my Xiao Dynasty were all resurrected by you, right?"

At this time Xiao Feng looked at Mr. Shi and asked!

Because Mr. Shi's voice just now was exactly the same as the voice of the man who resurrected hundreds of thousands of soldiers!

It seems that the souls of those hundreds of thousands of soldiers were not resurrected by the Taoist Wuji!

Mr. Shi just smiled slightly but did not answer Xiao Feng. His body disappeared instantly!

Chen Ping was stunned!

Everyone in the Xiao Dynasty was also stunned!

Just leave like that?

What should we do with the people in the Demon Sealing Alliance?

Seeing Mr. Shi leave, the Scarlet Cloud Demon Lord who was hiding in Chen Ping's sea of consciousness let out a long sigh: "But he's gone. I'm so scared that I'm going to pee."

"Senior, why are you so afraid of Mr. Shi? Do you know Mr. Shi's identity?"

Chen Ping asked the Demon Lord Chiyun!

"Little kid, don't ask too many questions. Just practice well if I tell you to."

"Lend me your body. I want to kill a few people to vent my anger. I'm scared..."

Demon Lord Chiyun did not say much. He knew that Mr. Shi did not tell Chen Ping, so he had his reasons for not telling Chen Ping!

If he talks too much, he might be killed!

I was quite frightened just now, and now Demon Lord Chiyun wants to vent his anger.

"Senior, you better take it easy and don't destroy your body!"

After Chen Ping finished speaking, he planned to lend his physical body to Demon Lord Chiyun, and then kill all these guys from the Demon Sealing Alliance!

But before Chen Ping could give his body to Demon Lord Chiyun, he saw Zuo Tianzheng, Narota and others turned around and ran away!

Run faster than a rabbit!

Although Mr. Shi is gone, his words just now have already shocked them!

Give the Xiao Dynasty three thousand years of good fortune, and protect the Xiao Dynasty for three thousand years!

What is the concept of this?

With just this one sentence, they no longer dared to have any improper thoughts about the Xiao Dynasty!

All the members of the Demon Sealing League ran away, and Chen Ping had no choice but to give up his body to Demon Lord Chiyun!

[The Man Decree] A Man Like None Other Chapter 4545

Everyone in the Xiao Dynasty breathed a sigh of relief, and at the same time they were extremely excited!

Opportunity, this is the real big opportunity!

Making friends with Chen Ping was the best thing their Xiao Dynasty had ever done!

“Mr. Chen, in the future, our Xiao Dynasty will build a statue for Mr. Chen and worship him. Our descendants will remember Mr. Chen for generations to come!”

Xiao Yuanshan knelt down towards Chen Ping!

“Emperor Xiao, absolutely not. You don’t have to be so polite!”

Chen Ping hurriedly helped Xiao Yuanshan up!

“Mr. Chen, you have obtained so many storage bags, why don’t you take a look at what treasures are inside!”

Ji Yun reminded Chen Ping!

Upon hearing this, Chen Ping nodded and then opened the storage bag!

The storage bags of these Demon Sealing League members are all rich in resources, especially Zuo Tianzheng’s storage bag, which contains a century-old offering from the Demon Sealing League!

These resources are enough for Chen Ping to practice well, and Chen Ping doesn’t have to worry about resources anymore!

“It’s still easier to snatch resources!”

Chen Ping said with joy!

“Mr. Chen, take a quick look at that gilded storage bag. This should belong to that big fool.”

Ji Yun pointed at the storage bags of different colors in Chen Ping's hands and said!

Chen Ping opened the storage bag, and then his spiritual consciousness entered the storage bag!

Soon, he was shocked, because in this storage bag, there were countless crystals. These crystals were light purple in color, and the aura inside the crystals was somewhat different from the spiritual energy!

Chen Ping took out a crystal and asked Xiao Yuanshan, "Emperor Xiao, do you know what crystal this is?"

Xiao Yuanshan took the crystals and examined them carefully, then shook his head and said, "I've never seen them before. I don't know if these are the crystals that belong to the Heavenly Realm!"

"This is a fairy stone, the most useless crystal stone in the heavens. Only cultivators who have just ascended to the heavens will use it. This crystal stone contains a mixture of fairy energy and spiritual energy, and the aura is not pure."

"Many cultivators who are about to ascend also like to use this kind of crystal stone for cultivation, in order to make the transformation of their cultivation method smoother."

"You should know that many cultivators start by cultivating spiritual energy, and then ascend to absorb immortal energy. This transformation from spiritual energy to immortal energy requires a process."

Demon Lord Chiyun followed Chen Ping and explained!

"Fairy stones are garbage crystals in the heavens, but in the heavenly world, these things should be top-level crystals."

After Chen Ping finished speaking, he activated the Concentration Heart Technique and the fairy stone in his palm was instantly absorbed by Chen Ping!

"This fairy stone is of no use to ordinary cultivators. After all, ordinary cultivators cannot refine fairy energy, they can only refine spiritual energy, so it is not as good as a spirit stone."

"And the immortals can only absorb immortal energy with this immortal stone, so it is better to use the immortal stone to practice!"

“The God Clan has fallen so low that they have to use this kind of crystal stone to practice, and they still have the nerve to brag about it arrogantly!”

“But for a pervert like you who can refine both immortal energy and spiritual energy, this crystal is indeed a good thing!”

The Red Cloud Demon Lord said!

After all, Chen Ping’s Concentration Heart Technique is so abnormal that it can refine almost everything. Therefore, this fairy stone is the best thing in Chen Ping’s hands and it is not wasted at all!

Chen Ping was overjoyed at this moment, and then he took out a slightly yellowed map from Narota’s storage bag!

Looking at the map, Chen Ping recognized it at a glance. This was a map of the entire celestial world, with the five major regions divided very clearly!

However, in a corner of the southern region, there is an area enclosed by a red circle!

Chen Ping looked for a long time but didn’t find anything special about the red circle!

“Emperor Xiao, how much do you know about the entire area of the Heavenly Realm?”

Chen Ping asked Xiao Yuanshan!

“I know a little bit about it, but after the great war between gods and demons, the boundaries of the heavenly world have also changed. I wonder what Mr. Chen wants to say?”

Xiao Yuanshan asked!

[The Man Decree] A Man Like None Other Chapter 4546

“Emperor Xiao, look at the red circle, what is that place?”

Chen Ping spread the map in front of Xiao Yuanshan and said!

Xiao Yuanshan looked carefully and then shook his head: "I'm not sure, this should belong to the territory of Tianmo Mountain. I seldom go there."

"But I know that before the war between gods and demons, there were many ancient cities here, and the territory was particularly large."

"But after the war between gods and demons, many ancient cities in the world of heaven and man were destroyed. If it weren't for the war between gods and demons, my Xiao Dynasty would be nothing in the world of heaven and man."

"But there is a circle here on this map. There must be something special about it!"

"Yeah, I think so too. Let's go check it out when we have time!"

Chen Ping put the map away!

However, Chen Ping did not immediately explore the places marked on the map, but began to practice using the resources he had robbed in the Xiao Dynasty!

Xiao Yuanshan also used this time to rebuild the imperial city. Since the Xiao Dynasty had three thousand years of fortune, there was no need to worry about the revenge of the Demon Sealing Alliance!

.....

The Demon Sealing Alliance Headquarters!

Zuo Tianzheng and his men escaped back. Rota sat in the position of the alliance leader. Zuo Tianzheng and the masters of the Demon Sealing Alliance stood on both sides, all with their heads bowed.

The blow to them this time was too great. Even the appearance of the Domain Lord scared him away. What else could they do?

Rota sat in the main seat, constantly pouring wine into his mouth!

For those who have died once, the fear of death has a deeper impression!

He doesn't dare to go back to the Ten Palaces now, because he doesn't know how to explain to the Lord of the Ten Palaces!

The atmosphere in the Demon Sealing Alliance headquarters was extremely depressing!

After a moment, Rota stood up and everyone turned their eyes to him!

“Follow me to the Ten Palaces...”

Rota said to Zuo Tianzheng!

“Master Luo, I... it won't be of any use if I go, right?”

Zuo Tianzheng didn't dare to go either, as he didn't dare to face the Ten Palace Masters!

“You must go. There are such powerful people in the Heaven Realm. You didn't report it. This is your dereliction of duty.”

Rota said angrily!

“Master Luo, it seems that Sect Master Zhou reminded you at that time that there is a strong person behind Chen Ping.”

“But you didn't believe me. You said you could kill them with just one punch!”

Zuo Tianzheng didn't want to take the blame, so he said to Rota!

“How dare you!” Rota yelled angrily, “I was just saying it casually at the time. Stop talking nonsense and follow me to the Ten Palaces!”

Zuo Tianzheng was reluctant, but was still carried to the Ten Palaces by Luo Ta!

When Zuo Tianzheng and Luo Ta appeared in the Ten Palaces, the Lords of the Ten Palaces were already waiting for them.

“Rota, your soul disappeared, but reappeared. What happened?”

“I thought you were dead!”

The Lord of the Ten Palaces asked Rota!

As a member of the temple, when Rota was reduced to ashes, his soul lamp in the Ten Palaces was extinguished!

When the soul lamp goes out, it means that the person is dead.

When the Tenth Palace Master saw Rota's soul lamp go out, he was a little shocked!

But then the Soul Lamp started burning again, which made the Tenth Palace Master wonder if there was something wrong with the Soul Lamp!

“Palace Master, I was killed by someone, and then that person resurrected me.”

Rota said without hiding anything!

“Kill you, and then resurrect you?” The Tenth Palace Master was shocked: “What's going on? Is there such a strong person in the Heavenly Realm?”

Luo Ta recounted the incident in detail, and then said, “Palace Master, it was Zuo Tianzheng's fault in the investigation that caused me to underestimate the enemy and suffer a great loss.”

Rota also pushed the responsibility of underestimating the enemy onto Zuo Tianzheng!

“Who is this person who can kill you and then revive you? What is his strength?”

The Ten Palace Lords did not hold anyone accountable, but were very interested in the person Rota mentioned!
