Chapter 711 A Piggyback Ride

Lyanna hailed a cab. Then, they got in and headed toward Mapleton.

There was still a long way to Mapleton. Since Mapleton was in the southwest mountain region, the taxi could only send them to the foot of the mountain. They had to continue the rest of the journey on foot. It would probably be midnight by the time they reach Mapleton.

Kai sat in the backseat with Lyanna. He noticed the taxi driver glancing behind through the rearview mirror, observing their every move.

Kai clung to Lyanna's arm and leaned against her shoulder throughout the ride.

Suddenly, Kai leaned into Lyanna's embrace and rubbed against her.

His hands started to move improperly.

Lyanna secretly glared at Kai, but he pretended not to notice. Instead, he continued to touch her daringly.

Suddenly, Lyanna trembled. She could feel his touch on her sensitive spot from time to time.

Lyanna gritted her teeth. She did not know whether Kai was touching her by accident or was deliberate. She felt a wave of unfamiliar sensation, causing her body to tense up. At the same time, she bit her lower lip so as not to make a sound.

Soon, Lyanna's face became flushed, and her breathing quickened. She pushed hard against Kai, trying to stop him from moving further. No man had ever touched her this intimately. Therefore, she feared that she would lose control of herself.

The two hours car journey felt like a year to Lyanna. She nearly slumped in her seat due to the strange feeling.

Soon, the taxi arrived at the foot of the mountain. The taxi driver smiled and opened the door for her. "Ms. Lyanna, we have arrived. Congratulations on completing your mission. Poison King is waiting for you."

Lyanna looked at the taxi driver with an astonished expression. She did not expect him to be one of Poison King's subordinates. Thankfully, she and Kai did not behave out of character in the taxi or say anything. Otherwise, the taxi driver would have exposed their act.

Lyanna got out of the taxi and nearly fell when her legs gave way. Luckily, Kai noticed it and quickly supported her.

The taxi driver smiled upon seeing Kai's attentive gesture. "Ms. Lyanna, your Seduction Technique is incredible. You made this man fall head over heels with you."

Then, the taxi driver drove the taxi away.

After the taxi was gone, Lyanna quickly pushed Kai away. “You pervert. How dare you grope me in the taxi?”

Lyanna glared at Kai. Her face was still flushed from before.

Kai shrugged nonchalantly and said with a smile, “The taxi driver is one of Poison King’s subordinates. If I didn’t do that, the taxi driver would have seen through our pretense, isn’t it?”

Lyanna looked at him with an astonished expression. “You knew the taxi driver was Poison King’s subordinate since the beginning?”

“Of course. Otherwise, why would I want to touch you?” Kai smirked. “Let’s go. If we keep wasting time, we might have to spend the night in the forest.”

Lyanna wanted to start walking but her legs were still wobbly. The two-hour car journey had been a torture for her.

Kai could not resist chuckling as he looked at Lyanna. “Do you want me to give you a piggyback ride?”

“No, stay away from me.” Lyanna glared at Kai.

“Don’t forget that this is now Mapleton. There could be Poison King’s spies in the forest. Don’t blame me if someone found out

that we are acting,” Kai said and headed straight toward the mountain.

Lyanna had no choice but to run to catch up with him. Then, Kai linked his arm with hers again, and they walked up the mountain like an inseparable couple.

Lyanna did not expect Kai to exercise so much caution. She did not believe Poison King would send someone to spy on his goddaughter.

It was now dark. Kai followed Lyanna’s lead up the mountain.

After passing by a valley, they reached a brightly lit area. They had reached Mapleton.

Chapter 712 Dissipation Powder

“A report for Poison King! Ms. Lyanna and Kai will be reaching Mapleton soon. According to Ms. Lyanna, she has him wrapped around her finger. He’s like a little puppy following her everywhere now,” a subordinate reported.

Poison King nodded his head with satisfaction at the news.

After the subordinate left, the five men headed to Poison King’s living room.

These five were the leaders of Mapleton.

“Have you prepared the materials for his transmutation to cadaver king?” Poison King asked the five leaders.

Weston nodded. “We’ve all the materials prepared, but I’m worried about that brat’s immunity to poison. If the poisonous creatures don’t work on him, then-”

“Rest assured. Lyanna had reported that Kai was head over heels over her. He’ll do whatever she asks of him. I’ve also prepared the dissipation powder for him. He will lose his powers immediately after he consumed them. He won’t be able to withstand the poisonous creatures’ assaults without martial energy,” said Poison King with a faint smile.

“But won’t he die from the poisonous creatures’ assault after being locked with them for seven days straight without his powers?” Weston asked.

Who can withstand being locked in a room with poisonous creatures for seven days if they’re devoid of energy and power?

“That won’t happen. His body had toughened to an exceptional level. I chose him to be the cadaver king for that exact reason.”

The thought of choosing Kai to be the cadaver king struck Poison King when he saw a video clip of the battle between Kai and Xander.

The five leaders had no more queries at Poison King's confident words.

Meanwhile, Kai and Lyanna were trekking a trail in the dense jungle using the moonlight as illumination.

The two were so close to each other that she could smell his scent. Unbeknownst to the reason, her heart began to race.

“Are we still not there yet?” Kai asked with a frown as he looked at the dark trail leading deeper into the jungle.

He didn't expect Mapleton to be hidden far within the depths of the mountainous jungle.

“We'll reach soon enough. There's a valley right up ahead. Mapleton is just there,” Lyanna assured as she pointed in a direction.

Without any choice but to take her words for it, Kai continued to trudge forward after Lyanna resignedly.

The two finally reached Mapleton at midnight. There were quite a few guards standing guard at the entrance gate. They instantly opened the gate when they saw Lyanna. “Ms. Lyanna, you've finally arrived. Poison King has been waiting for you.”

Lyanna was surprised. She didn't think Poison King would still wait for her this late into the night. Could it be he is impatient to turn Kai into a cadaver king?

“Okay. Got it.” Lyanna nodded with acknowledgment as she led Kai through the gates into Mapleton.

Envy filled the guards when they saw Kai clinging onto the beautiful Lyanna’s arm with a greedy look. Despite coveting Lyanna for the longest time, they didn’t make any moves to court her because she was out of their reach in terms of her capabilities and status. After all, she was the goddaughter of Poison King.

Under the scrutiny of the guards, Kai entered through the gates of Mapleton, clinging onto Lyanna. At a glance, he noticed they used wood to construct most structures. As he walked deeper into the village, a two-story cabin came into his view. It was larger and grander than the rest of the structures. He supposed that cabin was Poison King’s residence since it was in the middle of the village.

As he assumed, Lyanna led him into the cabin. A handsome man with white sideburns sat at the host seat in the living room.

Five others were seated in a row beside him. Kai recognized them as the five leaders because he had seen them before.

However, after he stepped into the living room, he withdrew his gaze from his surroundings and focused it on Lyanna. He tightened his grip on her arm, continuing his act as a skirt-chaser.

“Godfather, I brought Kai back with me,” Lyanna informed with a neutral expression.

Chapter 713 Love For Red

Poison King studied Kai and noticed the latter's greed on his face and the intense look in his eyes. "It's hard to believe this fellow is the one who killed Xander, a Martial Master. Reaching the level of a Martial Arts Grandmaster is very arduous. Xander had trained in isolation for several years to rise to the rank of Martial Arts Grandmaster, just to be killed by this fellow here."

Poison King had slowly crossed the room to Kai as he spoke. He now stood near Kai and Lyanna.

Lyanna's stomach tightened when she noticed Poison King assessing gaze directed at Kai. She was worried that he would catch any flaws.

"Lyanna, have him remove his shirt," Poison King ordered out of the blue, snapping her out of her thought.

Lyanna was stunned at his sudden request. "Why the request, Godfather?"

Lyanna was puzzled as to why Poison King had asked for Kai to remove his top.

Kai's heart lurched despite the lewd grin he maintained.

Is Poison King a pervert? What am I going to do if he likes men? I'm straight as an arrow!

Kai's heart began to pound harder as he mulled. If this Poison King has a different sexual orientation, then I'll make my move to kill him first. I'm not going to hand over my virginity to a man.

Poison King frowned at Lyanna's question. "Follow my command! I don't have to explain my actions to you!"

Noting the irritation in his tone, Lyanna instantly shut her mouth and cast a resigned look at Kai. "Kai, take off your shirt."

Kai stared at Lyanna intensely at her request and shot her a wicked grin. "Why are you asking me to take off my shirt? Do you want to do it in front of an audience? Color me surprised! I didn't take you for one to like doing it in front of an audience. Just thinking about it had me all worked up."

Kai took off his shirt and revealed his well-toned body.

A satisfied gleam shone in Poison King's eyes at Kai's body. He reached out a hand toward Kai's arm and squeezed it with a look of envy.

Feeling goosebumps all over his skin, Kai flung his hand away. "What are you doing? I don't like men."

"As expected, your body is tough. It won't be long till the day when Mapleton will reign over the entire southwestern domain."

Poison King laughed victoriously, then waved Lyanna forward. "Come here, Lyanna."

Lyanna stepped closer to Poison King. The latter turned his back toward Kai, concealing his actions as he handed a small bag of powder to her. He whispered to her, “Put some of this dissipation powder into Kai’s meal later. Don’t let him touch you when you stay with him tonight. You know the consequences if you lose your virginity.”

Lyanna merely nodded her head silently as she accepted the small bag.

She wanted to ask about her parents but knew the danger she would put herself in if she asked directly. If the people of Mapleton had murdered her parents, she would never get any answers from him but would also risk her life.

“All right. It’s late. Rest up, everyone.”

Poison King waved his hand to disperse the crowd as he returned to his room.

The five leaders had a mocking smile on all their faces as they looked at the shirtless Kai. Even though the fellow is powerful, he still fell for Lyanna’s honey trap in the end. So much for defeating a Martial Master.

After everyone left, Lyanna led Kai to her room.

A waft of fragrance assaulted Kai the moment he stepped into her room. At a glance, the room was clean and tidy. A few of Lyanna’s undergarments were hanging by the window to dry.

Noticing his gaze on her undergarments, Lyanna blushed and frantically took them down and stuffed them into her closet.

“I didn’t know you love red bras,” Kai teased her with a smirk.

She didn’t rebuke his teasing and merely shot him a glare, then threw a set of blankets onto the floor. “You’ll be sleeping on the floor tonight. Don’t even think about crossing the line with me. I’ll make you pay if you do.”
