

A man like none other and the man's decree Chapter 851-852

Chapter 851 Sneak Attack _

Chen Ping gritted his teeth and looked at Su Yuqi and Gu Linger. He didn't know what to do for a while.

"Chen Ping, leave us alone, run away..." Su Yuqi shouted.

"Chen Ping, even if you capture it without your hands, they won't let us go. You don't have to hesitate, just kill me and run away by yourself. I don't want to be spoiled..."

Gu Linger shouted at Chen Ping, she I hope Chen Ping can kill her. After all, if it falls into the hands of someone with a scheming like Xuanyuan Kai, it will not end well, not to mention that Xuanyuan Kai has already shown his intentions to them.

"Shut up, motherfucker..."

Xuanyuankai's face turned cold, his hands were a little harder, Su Yuqi and Gu Linger suddenly sweated profusely!

"Stop..." Chen Ping was furious when he saw this, but he didn't dare to do it easily.

He was not sure that he would kill with one blow. After all, Xuanyuan Kai was the peak strength of the great master, second only to Wu Zong. Chen Ping was not sure that he would kill with one blow.

If Xuanyuankai can't be killed with one blow, then Su Yuqi and Gu Linger in Xuanyuankai's hands are in danger.

"What? Figured it out?" Xuanyuan Kai sneered.

"Okay, I'll go with you, you can do whatever you want..."

Chen Ping put away the Dragon Slaying Sword in his hand, put his hands on top of his head, and said with a gray face.

Now Chen Ping has no other choice, except to listen to Xuanyuan Kai's words, he can't do anything.

"Chen Ping, don't listen to him..."

"Don't listen to him..."

Su Yuqi and Gu Linger shouted desperately.

However, Chen Ping didn't seem to hear it, and walked slowly towards Xuanyuan Kai.

Seeing that Chen Ping was so witty, Xuanyuan Kai's face became even more complacent.

"Second brother, if this guy is taken away by the Xuanyuan family, we will not be able to avenge the elder brother..."

Qin Xiaotian said anxiously when he saw Chen Ping walking towards Xuanyuan Kai.

”Shut up!” Qin Xiaoxian is constantly adjusting his breath and treating his injuries, but he doesn’t want this Qin Xiaotian to chatter.

Seeing this, Qin Xiaotian closed his mouth in fright.

Chen Ping put away his breath and slowly walked towards Xuanyuankai, but after taking two steps, Chen Ping actually found that not far from Xuanyuankai, the snow wolf was lying on the ground, his body was carefully moving towards Xuanyuankai. He moved forward, and his eyes were fixed on Xuanyuan Kai.

Seeing Xuelang, Chen Ping was overjoyed. Just now, he thought Xuelang had left. After all, the temperature here has risen and the snow and ice have melted, so it is no longer suitable for Xuelang to live.

”You let the two of them go first, I’ll listen to you in everything, and you can take my life if you want...”

Chen Ping said as he approached Xuanyuan Kai.

This was to attract Xuanyuan Kai’s idea and prevent him from discovering the existence of Xuelang.

”Stop talking nonsense, come here obediently, and I will naturally let your woman go...”

Xuanyuan Kai said impatiently.

”Chen Ping, don’t, don’t come here...”

Su Yuqi and Gu Linger were still shouting, they were sweating profusely.

”You two, don’t worry, we’ll be fine...”

Chen Ping gave the two a firm look, he didn’t want the two girls to worry.

Just when Chen Ping was only three or four meters away from Xuanyuankai, Xuelang suddenly started...

”Roar...”

After a roar, Xuelang quickly bit Xuanyuankai’s arm, violently. The pain made Xuanyuan Kai scream, and then Su Yuqi was released from his hand.

After Su Yuqi got out of control, she ran away quickly, but Gu Linger was still being controlled by Xuanyuankai’s left hand. As long as Xuanyuankai exerted force at this time, Gu Linger would die on the spot!

Just as Xuelang launched the attack, Chen Ping also launched the attack at the same time, the Dragon Slaying Sword in his hand appeared instantly, and a sword slashed towards Xuanyuankai’s left arm.

Chapter 852

Blood splashed, Xuanyuankai’s left arm was directly cut off by Chen Ping’s sword, and the broken arm was still holding Gu Linger, but Gu Linger rolled on the ground and got rid of the restraint...

”Ah...”

The severe pain caused Xuanyuan Kai to scream in agony, kicked Xuelang’s chest fiercely, and kicked Xuelang out.

Snow Wolf rolled and stood up again, as if he was not injured.

Xuanyuankai was not even at the peak of the Great Grandmaster’s strength, but in terms of strength, this Snow Wolf was comparable to Wu Zong, and Xuanyuankai’s hasty kick could not hurt it at all.

Xuanyuankai’s screams caught the attention of his subordinates. Seeing that his master was injured, the subordinates of Xuanyuan’s family hurriedly got out of the battle with the Thunder Gate and came to Xuanyuankai’s side.

Xuanyuan Kai looked at his severed arm with scarlet eyes.

”Kill him, kill them for me...”

Xuanyuan Kai roared and ordered his men to kill Chen Ping.

But just when the Xuanyuan family’s subordinates were about to attack Chen Ping, a gust of wind suddenly hit, followed by a terrifying coercion, and everyone’s expressions changed.

Because this breath is too terrifying, surpassing everyone present, feeling the pressure of this breath, whether it is the Grand Master or Wu Zong, all of them are motionless.

Chen Ping frowned and turned to look aside!

”Big nephew, why is there such a big fire? Who are you trying to kill?”

I saw a middle-aged man slowly appearing. The middle-aged man was wearing a white training suit and a pair of cloth shoes. .

And behind the middle-aged man, three people followed, and these three people were all Wuzong masters, and the breath should have reached the fourth-grade Wuzong.

”Uncle Zhao...”

After seeing the person coming, Xuanyuan Kai’s expression changed slightly, and he shouted respectfully.

”Uncle Zhao...”

Seeing this, Cheng Kun also hurried over and shouted to the middle-aged man.

The middle-aged man glanced at everyone, and then asked Xuanyuan Kai, “Where is Chuang’er in my house? Did you see it?”

”Where is Zhao Chuang over there...”

Xuanyuan Kai pointed and said not far away.

It turned out that the person who came was Zhao Chuang’s father, Zhao Ligu, the owner of Shadowless Villa, but a veteran martial artist.

Zhao Liguó looked in the direction Xuanyuankai was pointing, and found that Zhao Chuang was leading a group of men looking for dry wood to make a fire!

Zhao Liguó's face turned cold, and his anger rose instantly. Everyone felt Zhao Liguó's anger and couldn't help shaking!

Zhao Liguó walked towards Zhao Chuang, but the others didn't dare to do it, but just stared blankly.

Chen Ping's expression is very solemn. This Zhao Liguó seems to have a match with Long Wu's strength. With such strength, Chen Ping can't be an opponent at all, not to mention that there are several Wuzong masters behind this Zhao Liguó...

Zhao Liguó's sudden appearance, let Xuanyuan Kai, Cheng Kun and Qin Xiaoxian were also extremely lost in an instant!

They were still fighting for Longjing just now, but now, Zhao Liguó suddenly brought someone out, so how could this Longjing still have their business.

At this time, Zhao Liguó rushed to Zhao Chuang angrily, and slapped him fiercely.

Pa...

”You bastard, who made you secretly come to Lock Dragon Island?”

Zhao Liguó asked angrily.

Zhao Chuang saw that his father was coming and was slapped. Instead of being unhappy, he said excitedly: “Dad, you came just in time, please save Xiaoru, hurry up and save her, she is frozen. It ‘s over...”

Zhao Chuang hurriedly pulled Zhao Ligu and begged Zhao Ligu to rescue Xiaoru who was frozen!

Zhao Ligu glanced at Xiaoru, who had turned into an ice sculpture, and frowned slightly, but he quickly glared at Zhao Chuang and said, “You have nothing to do all day, so you know how to find a woman and come back with me...”

A man like none other and the man’ s decree Chapter 853–854

Chapter 853

Zhao Ligu directly carried Zhao Chuang by the collar and lifted Zhao Chuang up.

No matter how much Zhao Chuang struggled, it was useless!

Seeing that Zhao Ligu was about to leave, both Chen Ping and Xuanyuankai breathed a sigh of relief. After all, there was such a depressing master, they were afraid they would not even move.

”Dad, I’m going with you, but I have to bring my friend...”

Zhao Chuang suddenly said to Zhao Ligu when he passed by Chen Ping and them.

After all, Chen Ping, Su Yuqi, and Gu Linger are all Xiaoru's friends, and Xiaoru was frozen to save Chen Ping. Zhao Chuang didn't want Chen Ping and the others to stay here and be attacked by Xuanyuankai!

Zhao Chuang saw the melee just now, but his strength was low, and the subordinates he brought were not rivals of the two families. In addition, he was eager to find a way to save Xiaoru, so he did not help Chen Ping!

Now that his father is here, he doesn't want to see Xiaoru's friends all die here.

It seems that this guy has a deep affection for Xiaoru.

”Okay, if you dare to play tricks on me to see if I don't break your legs, do you know how anxious your mother is to find you?”

Zhao Liguó glared at Zhao Chuang and said.

”No!” Zhao Chuang hurriedly agreed, and Zhao Liguó released him.

Zhao Chuang walked up to Chen Ping: “Brother Chen, Sister Yuqi, Sister Linger, please come with me, so that no one dares to do anything to you...”

Chen Ping and the others looked at Zhao Chuang and felt a little Unexpectedly, I didn't expect Zhao Chuang to help them. After all, now that Xiaoru is gone, there is no need for Zhao Chuang to get close to them.

Could it be that this kid Zhao Chuang also wanted to get Longjing, so he would help him ?

But looking at Zhao Chuang's sincere eyes, it doesn't seem like a trick.

Finally, Chen Ping nodded. After all, leaving with Zhao Chuang was the most suitable choice.

Chen Ping took Su Yuqi and Gu Linger along with Zhao Chuang to Zhao Ligu, Zhao Ligu just glanced at Chen Ping and Su Yuqi and didn't say anything, he turned and left!

This time, whether it was Xuanyuan Kai or Cheng Kun, they were all in a hurry. Chen Ping ate Long Jing, how could he be taken away casually.

”Uncle Zhao...”

Xuanyuan Kai hurried forward and stopped Zhao Ligu!

”Eldest nephew, is there something wrong?” Zhao Ligu glanced at Xuanyuankai's severed arm, but he didn't show any expression.

”Uncle Zhao, you can't take Chen Ping with you. He cut off my arm. I have to avenge this revenge...”

Xuanyuan Kai said to Zhao Ligu.

He didn't say that Chen Ping ate Long Jing, otherwise Zhao Ligu would have taken Chen Ping away even more if he knew about it.

”Did he cut off your arm?” Zhao Liguó was slightly taken aback.

From his point of view, Chen Ping was not as strong as a seventh-grade grandmaster, so how could he cut off Xuanyuankai’s peak arm?

Zhao Liguó thought it was Xuanyuankai and Cheng Kun fighting, their arms were chopped off in a melee. After all, the two of them didn’t see eye to eye, and everyone knew that as long as they met, they would fight.

Now when I heard that it was actually cut by Chen Ping, I couldn’t help but look at Chen Ping more. ”Chuang’er

, what’s going on?” Zhao Liguó asked Zhao Chuang. After all, Zhao Chuang said that Chen Ping was his friend. Since he was a friend, why would he cut off Xuanyuankai’s arm? Zhao Chuang looked at Chen Ping, then looked at Xuanyuankai, and finally said, “Dad, Chen Ping ate Longjing, they wanted to get Longjing, so there was a conflict...” Zhao Chuang ate Chen Ping The matter of dropping Longjing has been said! ”Long Jing?” Zhao Liguó’s eyes suddenly lit up when he heard the word “Long Jing”!

Seeing Zhao Liguó’s expression, Zhao Chuang suddenly regretted it. He shouldn’t have said this to his father. Although he has no greed for anything about Longjing, his father will not be the same as him.

Xuanyuankai and Cheng Kun felt bad when they saw Zhao Ligu's expression. This time, Long Jing and the others couldn't even imagine it.

After Chen Ping felt the gaze from Zhao Ligu, he instantly took two steps back.

”You swallowed Longjing?”

Zhao Ligu asked Chen Ping.

Chen Ping nodded, but did not speak!

”Dad, they are all my friends, Brother Chen, he...”

”Shut up...”

Zhao Ligu turned to stare at Zhao Chuang, and then ordered to his subordinates, “You take the young master away first...”

The two Shadowless Villa masters came over, directly set up Zhao Chuang and left, no matter how much Zhao Chuang struggled, it was useless at all!

After taking Zhao Chuang away, Zhao Ligu looked at Chen Ping, stretched out his hand and said, “Boy, spit out Longjing, I can take you away safely...”

”Uncle Zhao, all this Longjing was swallowed by this boy. After a while, it is estimated that he has digested it, and it is estimated that he will not be able to vomit...”

Xuanyuan Kai said to Zhao Ligu.

”Foolishness...” Zhao Liguó snorted coldly, without even looking at Xuanyuan Kai, but staring at Chen Ping with cold eyes, an invisible coercion instantly enveloped Chen Ping.

Chen Ping felt a big mountain pressing down on his body, and then his legs began to tremble slightly.

”You still have some skills...”

Zhao Liguó couldn’t help but feel a little surprised when he saw that he couldn’t overwhelm Chen Ping under his coercion.

Chen Ping is only the strength of the seventh-grade great master, how can he withstand his own coercion?

To know the pressure that Zhao Liguó exudes, even a master who has just stepped into the realm of Wuzong, don’t even think about standing!

”I got the dragon crystal, and I won’t give it to anyone unless I die...”

Chen Ping slowly took out the dragon sword!

The bright red blood flowed on the Dragon Slaying Sword, clearly visible...

”I didn’t expect a great master in your area to have this kind of sword in his hand. It seems that this time, I have made a worthwhile trip...”

Zhao Liguó saw the Dragon Slaying Sword in Chen Ping’s hand, and his eyes became brighter. .

Chen Ping mobilized the spiritual power of his whole body, and the breath of his body continued to rise.

Facing a master like Zhao Ligu, even though Chen Ping had eaten the Body Tempering Pill, his body was like an iron wall, and it would be difficult for him to take the next blow!

”Boy, I’m saying it again, spit out Longjing, and give me this sword. For the sake of being

Chuang’er’s friend, I’ll take you away...” Zhao Ligu said to Chen Ping again. .

”I said it, unless I die...”

Chen Ping said firmly.

”You die easily, don’t you think about the two little girls behind you?”

Zhao Ligu pointed to Su Yuqi and Gu Linger who were on the side.

Chen Ping glanced at the two of them, as if he was saying the best farewell, and then stared at Zhao Ligu: “We have already reached this point, and there is nothing to think about, but even if I blow myself up, you will never get Long Jing... ..”

Zhao Ligu saw that Chen Ping didn’t eat hard and soft, and his face suddenly became extremely gloomy!

Suddenly, Zhao Ligu shot, and a terrifying aura instantly enveloped Chen Ping. Chen Ping only felt his whole body tense,

struggling to wave the Dragon Slaying Sword in his hand to resist, but found that it was very difficult for him to even draw the sword!

Zhao Liguó was afraid of Chen Ping's self-destruction, so he took the lead to control Chen Ping, and then slapped Chen Ping's head with a palm!

”Ah...”

Seeing Zhao Liguó slapped it, Chen Ping roared, bursts of golden light suddenly burst out from his body, and a barrier appeared in front of Chen Ping.

It's a pity that this barrier did not stop Zhao Liguó. Zhao Liguó didn't even pause for a while, and patted Chen Ping's head directly with his palm!

But just when Zhao Liguó's palm was only a few centimeters away from Chen Ping, when Chen Ping even felt the breath of death, Zhao Liguó suddenly stopped.
