

## A man like none other and the man's decree Chapter 859-860

### Chapter 859

However, Long Jing is too tempting. If the Long family really knows the whereabouts of Long Jing, then the other families should not think about Long Jing's idea.

Just when a few people hesitated, suddenly Qin Xiaotian took a step forward: "Master Long, I know where Long Jing is..."

Although Qin Xiaotian didn't know Long Xingxu or Long Jing, but looking at the situation in front of him, this dragon The family is definitely of extraordinary strength. Now that Chen Ping got Longjing, Chen Ping will definitely die.

"You said it!" Long Xingxu looked at Qin Xiaotian.

"It was Chen Ping, it was Chen Ping who swallowed Long Jing and was taken away..."

Qin Xiaotian said.

"Chen Ping?" Long Xingxu frowned slightly, he was very unfamiliar with this name.

"It's the young man who was just taken away by the owner of Wuying Villa, and there are two women beside him..."

Qin Xiaotian explained.

When Long Xingxu heard it, he suddenly remembered that he saw Chen Ping at that time, but he didn't care.

When they landed on the island at that time, Chen Ping brought Su Yuqi and the others to the island. After Long Xingxu saw it, he mistakenly thought that Chen Ping was a playboy, and brought a few beautiful women to Suolong Island.

”Master, is this Chen Ping the one we are looking for?”

At this time, a servant of the Long family whispered in Long Xingxu’s ear.

”Chen Ping, Chen Ping...”

Long Xingxu kept reciting this name, trying hard to recall how he felt when he saw Chen Ping for the first time, but he couldn’t remember it, because he didn’t tell Chen Ping to that person at all. Think about it.

At that time, he was most suspicious of the evil cultivator in a black suit. After all, he was the only one with the highest strength and most likely the person the Long family was looking for.

”Master Xuanyuan, is he telling the truth?”

Long Xingxu asked, looking at Xuanyuan Kai.

After Xuanyuankai glanced at Qin Xiaotian, he nodded: “He is right, Long Jing was indeed swallowed by Chen Ping, and my arm was also cut off by Chen Ping...”

When Long Xingxu heard this, a flash of surprise flashed across his face. If you know that Xuanyuankai is the peak of the

strength of the great master, how could Chen Ping cut off Xuanyuankai's arm ?

Could it be that he misunderstood, maybe this kid was hiding his strength from the beginning, and deliberately brought a few women to the island to confuse himself.

”Damn...”

Long Xingxu suddenly felt deceived and said to his subordinate, “Let's start the boat, we will go back immediately...”

”Master, those people on that island...”

”Let them think for themselves . The way...”

Long Xingxu said with a cold face.

Soon the cruise ship started, but the Qin family, Xuanyuan family and Pilimen were more fortunate and rushed back to Nanhua City with the cruise ship.

.....

It was late at night. In front of a hotel window in Nanhua City, Long Wu looked at the sea not far away, and he fell into deep thought.

”Uncle Long, it's time to rest, you've been standing here all day...”

Wu Mei'er walked to Long Wu's side and persuaded softly.

Since Chen Ping and the others left and went to Suolong Island, Long Wu has been standing here, because he can see Suolong Island here.

”Mei’er, go to sleep, I’ll stay for a while...”

Long Wu said, took out a cigarette and lit it.

As soon as he took two breaths, he started coughing continuously.

”Uncle Long, you are injured, stop smoking...”

Wu Mei’er hurriedly slapped Long Wu on the back.

”It’s okay, it’s all old injuries, it’s fatal...”

Long Wu smiled slightly, and then began to suck again.

His injury was caused by avoiding the pursuit of the Long family. In order to find Chen Ping, Long Wu and Lao Longtou escaped from the Long family and have been chased and killed by the Long family for several years in the blink of an eye.

”Uncle Long, you should rest. Chen Ping and the others are only going today. Even if they can get Long Jing, it is impossible to come back so soon...”

Wu Mei’er was still persuading Long Wu.

Chapter 860

Just when Long Wu was about to say something, someone knocked on the door.

Wu Mei'er and Long Wu's expressions all changed slightly. It's so late, who would find this place?

Long Wu motioned Wu Meier to open the door, and he was ready to attack.

When Wu Meier opened the door, she found that it was Chen Ping and Su Yuqi who had returned.

"Why are you back?"

Wu Mei'er asked in surprise.

When Long Wu saw that Chen Ping was back, he frowned and said, "Chen Ping, you are back so soon, did something happen?"

Chen Ping shook his head: "Uncle Long, I got the Ice Dragon Dragon Crystal..."

When Long Wu heard this, he hurriedly shrouded Chen Ping with a sense of consciousness, and he saw the change in Chen Ping's body, and said with excitement: "It's great that you can get Longjing so quickly, what about Yanlong Longjing? Hearing Long Wu talking about taking Yanlong Longjing ,

Chen Ping thought of Xiaoru who became an ice sculpture, and his mood instantly became gloomy.

"Uncle Long, I don't want to sacrifice the people around me in order to take Long Jing..."

Chen Ping said with a heavy face.

When Long Wu heard this, he glanced around, but did not find Xiao Ru's figure, and immediately understood, his eyes suddenly turned red: "Chen Ping, this is fate, don't be too sad, I hope you don't let Xiao Ru down. The Longjing that was exchanged for her life..."

"Uncle Long, could it be that Xiaoru has been frozen on the Dragon Island, and you can't save him?"

At this moment, Su Yuqi, who was beside her, asked.

After all, in her eyes, Long Wu is like an immortal, omnipotent...

Long Wu shook his head: "I can't, but the way to cultivate immortals will never end, maybe when your realm surpasses mine, you will be able to find a rescuer. Ru's solution."

"I will definitely save Xiaoru..."

Chen Ping's eyes were full of determination, if he couldn't even protect the people around him, what would be the use of immortality and immortality!

"How did you come back? Isn't this time three days?"

Long Wu asked in confusion.

After all, there is only one boat from the Long family. If Chen Ping and the others want to come back, they must take a boat.

Chen Ping told Long Wu what happened on the road one by one, but he only concealed the fact that Wuying Mountain Villa was also a hall of Tianlong Palace.

After Long Wu heard this, his brows were wrinkled and his face became very solemn.

”You swallowed Long Jing, I’m afraid it won’t take long before many people know about it, and it’s impossible to hide this from the Long family. You have to be more careful in the future. It’s imperative that you leave immediately. Nanhua City, find a hidden place to hide and use Longjing to cultivate to improve your strength.”

”As for Yuqi and Linger, I will help you take care of them, and teach them to practice, and follow them with their current strength. Your side will only add burden to you, remember, don’t show your edge unless you have to, now that you have swallowed Longjing, you have become the target of public criticism, and it is estimated that there will be many people who want to kill you...”

Long Wu solemnly replied Chen Ping exhorted.

Long Wu didn’t expect so many people to see Chen Ping’s acquisition of Long Jing, and so many people discovered where the ice dragon was.

This is also the despicable part of the Long Family. If the Long Family didn’t suddenly open the Suolong Island, there would not be so many people on the Suolong Island. Chen Ping has every opportunity to sneak into the Suolong Island and get the Dragon Crystal. The ghost is leaving.

Now that Chen Ping's devouring of Long Jing is exposed, it will be more and more difficult in the future...

Chen Ping never thought that the matter would be so serious. Now listening to this Long Wuyi, I am afraid that it will really happen in the future. A lot of people come looking for trouble.

After following a few people to say goodbye, Chen Ping left overnight.

After Chen Ping left, Long Wu didn't stay long. He took Su Yuqi and the others along with the snow wolf and disappeared from Nanhua City together. No one knew where they went.
