Although Theodore didn't continue, Jermaine nodded his head, indicating that Theodore was right.

"That's good news. The Department of Justice will be honored to have Mr. Sanders' presence." Theodore could hardly contain his excitement.

Sitting next to them, Kai was in bewilderment because he didn't know who Mr. Sanders was.

Nevertheless, Kai knew that the mysterious person was a big shot. After all, even Jermaine, a high-ranking official, addressed the person with his surname.

Kai and Theodore didn't stay at Jermaine's residence for a long time, for they had to return to the Department of Justice to prepare for the banquet later.

"General Jackson, who is this Mr. Sanders that you mentioned just now?" Kai asked Theodore in the car.

Although Theodore was driving, he still glance around cautiously before whispering to Kai, "Mr. Chance, do you remember I used to tell you that there is a secret department in Jadeborough?"

"Yes, I do remember. You said it's a government department tasked with limiting the power and influence of the martial arts world," Kai nodded and replied.

"You're right. Mr. Sanders is the officer who liaises with the outside world. Nonetheless, I'm not sure about his exact position in the department. Anyway, if Mr. Sanders can vouch for you, I believe the entire martial arts world of Jadeborough will not dare to lay a finger on you!"

Kai was a little ruffled upon listening to Theodore. Although Kai's power had increased drastically and became the rising star among the young masters, he was merely a nobody compared to the entire martial arts world.

What does the secret department do? How strong are the officers in it?

While Kai's mind was flooded with curiosity, he knew that he could come into contact with more influential people only when he got stronger.

Knowing that Mr. Sanders would be attending the banquet, Theodore diligently decorated the hall as soon as they returned to the Department of Justice.

When it was nearly noontime, some guests arrived at the Department of Justice. Although their cars weren't luxurious, all the guests were prominent figures.

Representing the host today, Kai and Theodore stood at the entrance to welcome the guests. Given that the guest list was decided by the higher-ups, even Theodore didn't know who would be coming.

Soon, Kai spotted a familiar figure.

It was none other than Kristoff, whose arm was cut off by Kai. After hopping out, Kristoff opened the car door for Wrea and Steinar.

Meanwhile, Theodore and Kai were startled when they saw the Shalvis family.

"Kai, how do you do?"

Despite having only an arm, Kristoff's imposing aura remained strong.

Kai was surprised when he sensed that Kristoff had become a Martial Arts Grandmaster. Although Kristoff had only returned from Dragon Island for roughly a month, he had successfully elevated his status from a Top Level Senior Grandmaster to a Martial Arts Grandmaster. Hence, Kai couldn't help but inwardly commend Kristoff's talent.

"Killing Ichiro is a testimony to your strength. However, I'll take revenge on you for cutting off my arm, no matter how strong you are." Kristoff leaned closer toward Kai and provoked him.

Unperturbed, Kai looked at Kristoff calmly.

Worrying that a conflict would ensue between Kai and Kristoff, Theodore quickly stood between them and said to Kristoff, "Mr. Shalvis, please come in if you're here to attend the banquet. If you're here to look for trouble, I'm afraid you've picked the wrong day."

"Theodore, we're here to attend the banquet, of course. Besides, I'm afraid you don't have the right to chase us away," Wrea sneered.

"Well, please come in!" With that, Theodore gestured for them to enter the hall.

Steinar waved his hand and said, "Let's go in!"

Upon hearing Steinar's instruction, Kristoff and Wrea stopped provoking Kai and entered the Department of Justice.

"Dad, the Warriors Alliance won't protect Kai after the banquet is over. Please take revenge on him for me afterward," Kristoff whispered to Steinar.

"Shut up. Today is not the day to discuss this." Steinar flashed Kristoff a warning glance.

Meanwhile, Theodore looked at Kai and advised him, "Mr. Chance, no matter who wants to look for trouble today, you have to be patient. Otherwise, you might leave a bad impression on Mr. Sanders, and all of our efforts will go down the drain."

Kai nodded in response. "I get it."

Soon, more guests from prominent families in the martial arts world arrived at the venue.

Knowing that it was immensely difficult to invite the prominent figures, Theodore couldn't help but feel shocked.

"Mr. Chance..." Leviathan and Colin greeted Kai once they arrived.

Kai asked curiously, "What a surprise! Who invited you?"

Leviathan responded, "We're here because the Warriors Alliance has informed us about the banquet. However, I have no idea who sent the invitation."

Kai was lost for words; then, before he said, "Please go in!"

After Leviathan and Colin entered the hall, Theodore turned to Kai and said, "Mr. Chance, the banquet is going to be interesting. I think those from the martial arts world attend the banquet to flatter Mr. Sanders."

Kai felt increasingly curious about Mr. Sanders upon listening to Theodore.

As more guests had arrived, Theodore anxiously glanced at his watch from time to time, for he couldn't wait to see Mr. Sanders.

When a limousine stopped at the entrance, Theodore went up to it hastily to greet the guest.

However, after the door was opened, Theodore realized that the guest was Warren, the director of the Warriors Alliance.

Warren got down from the limousine but ignored Theodore's presence. Instead, he courteously invited an elder in a white robe to get down.

The elder had a pair of lustrous eyes and exuded an imposing aura, even though he was aged.

Facing the elder, Kai and Theodore felt that the atmosphere became tense.

"President Zeigler, welcome!" As Theodore humbly greeted the elder, even his voice had slightly changed.

The elder nodded in response and soon fixated his gaze upon Kai.

"Is this Kai Chance, the one who killed Ichiro?" He then pointed at Kai and asked.

"Yes, he's Kai!"

Theodore nodded and turned to Kai. "Kai, this is Zion Zeigler, president of the Warriors Alliance."

"President Zeigler, it's an honor to meet you." Kai nodded and greeted Zion.

Zion murmured a response and entered the Department of Justice with Warren.

When Zion wanted to enter the hall, a car suddenly stopped at the entrance. The next moment, a man hopped out and greeted, "President Zeigler, what a coincidence."

"Mr. Deragon, I didn't expect that you're also late." Zion grinned as soon as he saw Ryker.

However, a faint murderous aura exuded from Kai's body once Ryker came into his sight.

Perhaps because Ryker had sensed Kai's murderous aura, he deliberately flashed Kai a smile.

It was their first time seeing each other up close.

Nevertheless, Ryker shifted his glance away from Kai a few seconds later. Then, he entered the Department of Justice with Zion while chatting with him.
