Novel Chapter 1718 -After all, half of it was not said.

“Is Duncan still unwilling to meet people?” Mrs. Stone asked with concern.

“I accompanied Zachary, but he refused to meet him. Zachary had sent him a message, but he refused to respond and did not answer his phone. He was always under the impression that we felt pity for him simply by looking at him.”

Mrs. Stone sighed again.

Elisa and Remy came in holding hands, Mrs. Stone took a look, and Remy let go.

The future mother-in-law has not accepted Remy yet, so Remy and Elisa should not get too close in front of Mrs. Stone.

After Elisa asked Remy to sit down, she walked away holding the bouquet by herself, and put the bouquet in a big vase. She also took the set of jewelry that Remy gave her back to her room first.

When she went downstairs, she saw that everyone downstairs was chatting happily.

The main reason was that with Sonny present, her mother was afraid that she would spoil Sonny, so she didn't dare to say a harsh word.

Serenity and Sonny stayed in the Stone's house for a long time, and after dinner, Serenity took his nephew and left.

Zachary had a social event at night, so he sent her a message to tell Serenity that he would not be home until 11 or 12 o'clock in the night, and asked her to sleep first, so she didn't have to wait for him.

Serenity took Sonny to the park to play, and went shopping, and took Sonny back to the villa on the top of the mountain around 9 o'clock in the evening.

Sonny was still a child. After playing all night, he was tired. After taking a bath, he climbed into bed by himself and after a while he slept soundly.

Serenity waited for him to go to bed, then went into the study to do her business.

Zachary said that there was no need to wait for him, but she couldn't help but want to wait for him to come back.

Serenity would miss him and worried about him but Zachary was still at the Wiltspoon Hotel at this time.

Zachary took his secretary, surrounded by bodyguards, and personally met his client, Mr. Dawson and his daughter, Miss Dawson, in the hotel.

“Mr. York, there is no need to send it away. Let’s go back first and have dinner together tomorrow when we are free.”

Mr. Dawson bought a villa in Wiltspoon. Every time he came to Wiltspoon for a business trip, he always lived in the villa under his name and did not live in a hotel.

The Dawson Group had done a lot, and there was a project that was particularly popular recently. Many companies were eyeing that project, and the York Corporation also wanted to take it down. Zachary himself could see how optimistic the York Corporation was about Mr. Dawson.

Ms. Dawson next to Mr. Dawson, dressed in a professional suit, looked shrewd and capable without losing the charm of a woman. When her father was talking to Zachary, her eyes never left Zachary.

Generally speaking, Zachary would not discuss business with young women. Ms. Dawson came here as Secretary of Mr. Dawson, and with Mr. Dawson present, Zachary acquiesced in Ms. Dawson’s existence.

Sensing that Ms. Dawson was looking at him all the time, Zachary felt displeased, but didn’t show it on his face.

From the moment they met, Ms. Dawson’s gaze was always glued to Zachary, as if glued.

Now who didn’t know that Zachary had a wife?

“Okay, let’s have dinner together tomorrow when I have time, Mr. Dawson.” Zachary politely responded to Mr. Dawson, who was still easy to talk to.

The two of them were almost on the same page.

Mr. Dawson stretched out his right hand and shook hands with Zachary again. After Ms. Dawson waited for her father to shake hands with Zachary, she also stretched out her right hand in front of Zachary.

Out of politeness, Zachary shook hands with Ms. Dawson symbolically. Unexpectedly, when he withdrew his hand, Ms. Dawson traced his palm with her fingers.

Zachary’s face darkened.

“Analia.”

Although Mr. Dawson didn't see his daughter drawing Zachary's palm, but seeing Zachary's face darkened, he guessed what his daughter had done, and he called her seriously.

Novel Chapter 1719 -Analia said in a serious manner: “Mr. York, goodbye.”

Zachary sullenly remained silent.

Analia just liked Zachary's stern look. She followed her father and met many bosses and rich generations. This was the first time she saw a man as outstanding as Zachary.

She didn't look at Zachary's business skills, but only looks at Zachary's appearance.

Handsome, stern and cold, the first sight aroused her desire to conquer.

She wanted to conquer Zachary. She didn't mind if Zachary said or not. After her father said goodbye to Zachary, she followed him to their car.

The driver opened the door, and the father and daughter got into the car.

Mr. Dawson pressed the car window and waved goodbye to Zachary again.

Zachary waved to Mr. Dawson.

Mr. Dawson's luxury car quickly left the Wiltspoon Hotel.

“Analia, what did you do against the boss just now? His face suddenly darkened.” After pressing the car window, Mr. Dawson turned his head and asked his precious daughter.

Mr. Dawson had been married for decades, and because of his health, he only gave birth to one child, Analia. It was this daughter that he saw countless doctors and took

countless medicines for conditioning, so that his wife became pregnant and gave birth to this precious daughter.

His daughter was like him, she had been excellent in all aspects since she was a child. Mr. Dawson loved her deeply and trusted her very much. The huge Dawson Group would be handed over to her to take over in the future.

Therefore, every time Mr. Dawson came out to discuss business or meet clients, he would take his daughter with him, which was equivalent to teaching her daughter by hand.

“Dad, I always fell in love with Mr. York at first sight.” Analia’s words made Mr. Dawson want to vomit blood.

Mr. Dawson couldn’t help poking his daughter’s forehead with his finger, “Mr. York is married, it’s not good for you to like him. It’s not like you haven’t heard of his legend, don’t be addicted to him just because he looks good, He’s a bit sensual, and before his wife, no one can impress his heart. Now that he’s married, he’s loyal to his marriage and loves his wife very much. If you like him, it’ll not good.”

Mr. Dawson reminded his daughter again: “Mr. York is not suitable for you, and you can’t take him down. If you like a man from the York family, change to another, Second Young Master York, oh, no, he has already Fiancee, besides the two, you can choose any of the young masters of the York family.”

Mr. Dawson also admired the sons of the York family.

The Dawson family was significantly poorer than the York family, which was the main factor. If the Dawson and York families were wed, it was a powerful partnership.

The character of the York family’s every member was also very good. If his daughter married a York family man, he didn’t have to worry about his daughter not being able to keep the Dawson Group. With the York family as the backer, his daughter could take over the burden smoothly from him.

“Mr. York’s wife, Serenity is a country bumpkin. She looks pretty, but she is not worthy of Mr. York in all aspects. So what if she has a rich aunt? Will the Stone family’s property be given to her?” Analia said, “In the past, I heard that Mr. York was not easy to get along with. After seeing him tonight, I think he is very nice and polite. Although he is a little cold, it’s not that he can’t be warmed up.

Serenity can warm him up, I can’t compare to that country bumpkin Serenity?”

“Analia!” Mr. Dawson called out his daughter’s name sharply: “Stop your idea immediately, don’t fight Mr. York’s idea again, if you think so, Dad will not bring you to appear in front of Mr. York from now on.”

“Dad, don’t you think Mr. York is suitable for you as your son-in-law?” Analia approached his father, took his father’s arm, and said coquettishly, “I haven’t seen him in person. I didn’t even know that I would fall in love with a man at first sight. Dad, can you help me? I just like Mr. York. Your daughter is so good, and only Mr. York is worthy of your daughter. Dad, You and Mom said that as long as I want, you will try your best to get it for me, if I want to marry, I will marry the best man, and Zachary is the best man I have ever seen.”

Mr. Dawson face turned black.

Zachary didn’t know what the father and daughter were talking about in the car. After the father and daughter left, he walked towards his Rolls Royce.

The bodyguard team followed.

Along the way, Zachary didn’t speak.

Jim, who was sitting in the passenger seat, turned his head to look at his young master a few times.

Novel Chapter 1720 -Zachary: “Jim, what did you see just now?”

Jim replied without thinking: “I saw Secretary Dawson hook the palm of the young master.”

After speaking, Jim realized what he had said, and quickly changed his words: “No, no, young master, I didn’t see anything, really, I didn’t see anything.”

His young master, Zachary was so outstanding, he could easily win the hearts of young women, in order not to cause trouble, the young master had brought them by his side for so many years, Their main duty was to keep young women from getting close to the Young Master.

Zachary didn’t expect something unexpected to happen tonight.

“In the future, don’t let young women other than relatives appear within three meters of me!” Zachary felt that he had to keep young women other than relatives within three meters as before.

He thought that everyone knew about his marriage with Serenity, so no one would think of him again.

He was wrong.

Some people still ignored his married status and tried to tease him and seduce him.

If he could be seduced, he wouldn’t be called Zachary.

The only woman who could seduce him was Serenity.

“Yes.” Jim responded quickly, and then assured Zachary: “Eldest young master, I will not talk nonsense in front of eldest young mistress.”

Zachary stared at him coldly, “I know you don’t want to become dumb.”

Jim’s scalp tightened. He didn’t want to become dumb, so he would never talk nonsense in front of the eldest mistress. It’s not his turn to say it.

Twenty minutes later.

Zachary’s car drove into the villa.

Seeing that the lights on the second floor were still on, Zachary knew that Serenity was not asleep yet.

When Sam, the butler came out, Zachary asked him: “The youngest mistress is not asleep yet?”

“The youngest mistress is still in the study. Let us not disturb her if we have nothing important to do.”

Zachary lifted his foot into the room go.

Sam asked Jim as usual: “Did the young master encounter any unpleasant things?”

Jim hesitated to speak.

Sam’s heart twitched, he looked at Jim, and asked in a low voice: “What happened?”

“Sam, I don’t want to become dumb, so don’t ask me, ask the driver uncle.”

The driver got out of the car, said: "Sam, I didn't hear or see anything."

Jim: "..."

The driver was still smart. He picked up Sonny every morning, and only returned to the young master's side in the afternoon and evening, and he felt less conspicuous than before.
