

## Read Novel Married At First Sight Chapter 1930

**Married at First Sight Chapter 1930**-Julian's words and his actions made Audrey unbelievable.

Julian said that this bouquet of flowers was carefully prepared for Elisa!

what was going on!

After finishing all this, Julian ignored everyone's reactions, and said to Mrs. Stone: "Auntie, I'll go in and ask for a glass of water. I'm leaving in a while."

Audrey came back to her senses and ignored what does he mean by doing this? Please invite Julian into the house first.

Alice personally poured a cup of warm water for Julian.

Sitting together, the mother-in-law and daughter-in-law looked at Julian who was leisurely drinking warm water. When Remy and Elisa came in, the two of them looked at them again. In short, their eyes moved back and forth on the three of them.

Audrey was an elder, and Julian also gave her some face, so she couldn't help but ask clearly.

Audrey asked Julian: "Mr. Bucham, what did you mean just now? How did you come back with Elisa? You said that the bouquet of flowers was carefully prepared for Elisa?"

"When she came back from a business trip, I went to the airport to pick her up, and naturally came back with her. It's just that Mr. Johnson also went to pick her up, so it seemed a bit crowded. It's just right for two people to be together, and it's always a bit crowded if there is one more person.

I did prepare that bouquet for Elisa. Auntie, it's the first time I've given flowers to a girl. I don't know if Elisa likes that bouquet. I gave it to her at the airport. Mr. Johnson took it away and gave Elisa the bouquet he bought, and Elisa disliked my bouquet."

Elisa: "..."

In what capacity did she receive Julian's bouquet?

It was simply inexplicable that Julian suddenly said that he would compete fairly with Remy to pursue her.

Elisa also didn't believe that Julian was telling the truth.

There was no love in the way he looked at her.

All that Julian did was more like completing a mission.

Audrey asked in astonishment: "Mr. Bucham, what do you mean?"

When did Julian fall in love with Elisa?

The number of times the two of them met, Probably not five times.

Moreover, it was rumored that Julian was sick and apathetic.

Grandma May introduced a master to Patriarch Bucham, and made a fortune for Mr. Bucham, saying that Mr. Bucham could meet his destined person. The person was only twenty-four years old this year, which was younger than Mr. Bucham.

Elisa was more than twenty-four years old, and she was definitely not Mr. Bucham's destined person.

Patriarch Bucham found so many twenty-four-year-old girls and arranged for Mr. Bucham to meet them in various ways, but no good news came from them.

Audrey would never believe that Julian liked Elisa.

Julian said: "Auntie, that's what your thought. I want to compete fairly with Mr. Johnson. To put it bluntly, I will become Mr. Johnson's short-term love rival."

He said the word "short term".

Audrey understood that Julian was not here for real.

But what made Julian mainly compete with Remy fairly for Elisa?

Could it be that his father arranged 800 blind dates a day, so he was completely scared?

So use Elisa as a shield, and don't have to worry about being entangled by Elisa, because the person Elisa loves deeply was Remy.

"Auntie, I still have something urgent to deal with. I'm leaving first. I'll come over to eat sometime when I'm free some other day. Mr. Johnson, you're fine. It's fine to stay for dinner."
