Married at First Sight Chapter 2048—“I’m not joking with you, don’t be angry, don’t be angry, we are too lazy to take care of Analia, so we will leave it to her father to take care of her. Mr. Dawson’s three views are still very upright.”

Serenity had a good impression of Mr. Dawson, but not of Analia.

Analia was an only child, a child born after Mrs. Dawson took a lot of medicine to recuperate her health, and she was cultivated with a domineering personality.

Whatever she liked, whether it’s people or things, she insisted on getting it.

Mr. Dawson must have had a heart-to-heart talk with his daughter, scolded her, and warned her.

Otherwise, Analia would not stay quietly in her territory, and would only dare to find a substitute to take pictures and send them to her, so as to add to her embarrassment.

Zachary said: “I’ll contact Mr. Dawson later and send the photo to Mr. Dawson for viewing. Mr. Dawson will take care of it.”

After the two companies’ cooperation project was negotiated, Zachary did not follow up on the project, but handed it over to the people below to follow.

Mr. Dawson thought that his daughter was so shameless. He knew that Zachary was married and had a good relationship with his wife, but his daughter still fell in love with Zachary at first sight.

Emotional matters couldn’t be controlled, and it’s justifiable.

After all, Zachary was very good.

But his daughter dared to flirt with Zachary and wanted to pursue Zachary publicly, which made Mr. Dawson furious. After warning his daughter, he was ashamed of Zachary, so if Zachary didn’t take the initiative to contact him, he didn’t dare to disturb Zachary.

Mr. Dawson was still on a business trip abroad, and he needed to stay abroad for a few months.

Analia was basically in charge of the affairs of the Dawson Group. Analia was nominally Mr. Dawson’s secretary, but people in the company know that the Dawson Group would be handed over to Analia sooner or later.

When Mr. Dawson was away, Analia took care of the company's affairs, and no one would talk too much.

However, Mr. Dawson was still a little wary of his daughter. He was worried that he would go on a business trip. No one would control his daughter, so she would do something wrong. Kingston helped Mr. Dawson keep an eye on his daughter's actions.

Kingston was specifically told not to allow Analia to go to Wiltspoon privately and contact Zachary privately.

Zachary: "I'll pick you up for dinner at noon."

Serenity: "Okay."

It made her husband angry, Serenity was very well-behaved now, she did whatever her husband said.

Zachary: "I have a rest in the afternoon. Let's go back to the villa early and have dinner at the villa. I have already told my mother."

Serenity: "Okay, it's okay if you don't go to work in the afternoon, right? Josh will also accompany Jasmine."

After Zachary was silent, he said, "Even if I don't return to the company for a month, the York Corporation can still operate normally. Josh is much more relaxed than me now."

Before, the two of them were the busiest.

Now, Josh was the most relaxed.

He commuted to get off work normally every day, and left when the time comes. He would never stay in the company for an extra ten minutes, and he would not socialize much.

He said that drinking and smoking were required for social gatherings, and he would return home with the smell of tobacco and alcohol, which would smoke his wife and children.

Zachary couldn't force him to socialize either.

Most of the time it was Zachary's entertainment, but Zachary would not be busy until midnight every day like before marriage. He would finish work at nine o'clock in the evening and arrive home to accompany his wife around 9:30.

Serenity laughed and said, "It feels like you're jealous of Josh's ease."

Zachary: "He's more relaxed than me now, so don't allow me to be envious."

Serenity smiled and reminded him: "The York Corporation is your company, and Josh always works for you."

Zachary: "..."

"Go and get busy, I will tidy up the bookshelves."

After speaking, Serenity hung up the phone.
