Married at First Sight Chapter 2080—“Thank you, no need, since you are not drunk, please get out of the car.” Hayden rejected Kevin’s invitation to have supper with her.

Although she slept a little long, she wasn’t hungry.

It felt like it hadn’t been long since dinner.

Kevin made the dinner himself. It was all his work, whether it was barbecue or something else.

Hayden also admitted that Kevin’s cooking skills were very good.

She ate with satisfaction.

Kevin: “How about I take you to the night market?”

Hayden: “Not interested. Mr. York, please get out of the car. I have already sent you back to Fortress Hotel as my father asked.”

Kevin sat still.

Hayden: “Kevin, please get out of the car!”

Kevin didn’t move, and he said, “I’m hungry, I’m going to eat supper, and I want you to come with me. I drank with your dad at dinner. I didn’t eat much, so I got hungry quickly.”

Hayden rebutted him instinctively: “You drank two bowls of soup, ate half a bowl of rice, drank four glasses of wine, grilled fish, grilled chicken wings, grilled lamb kebabs, grilled shredded squid, you ate a lot. There are other dishes, how dare you say you didn’t eat?”

Kevin: “You really see it clearly. You also remember what I ate and how much I ate. I don’t know how much I ate. Hayden, are you secretly looking at me?”

He didn’t think Hayden knew it. When he was pretending to be drunk and asleep, she stared at him for a long time.

He was looking forward to her stealing a kiss, but unfortunately, Hayden would never do such a thing.

Hayden: “...If you don’t get out of the car, then you can sit here until dawn.”

If Kevin didn’t get out of the car, she would leave.

Hayden opened the door and got out of the car.

When he got out of the car, he couldn't help seeing the love banners hanging in front of Fortress Hotel.

He didn't take it down.

It had been hung in front of the hotel, and people who came in and out or pass by could see it.

After being reported by media, many Internet celebrities came here to check in, and especially took pictures of the love content of those banners.

And those Internet celebrities came to check in, and naturally stayed in Fortress Hotel for consumption, which invisible made Kevin a fortune.

Hayden's beautiful face darkened.

She bypassed the car and strode toward the Greenrest Hotel diagonally opposite.

It's a good thing that the two hotels were so close to each other.

At least, when she was followed by Kevin, she could abandon the car and walk back to Queen's hotel.

Hayden's bodyguard naturally got out of the car and followed, oh, there was still a bodyguard who followed in a bodyguard car.

As for Hayden's car, because Kevin was still in the car, the driver didn't dare to drive, he turned his head and begged Kevin: "Master York, please get out of the car, the young master never eats supper."

Kevin sighed deliberately, and said to the driver: "Your young master is really stubborn. Okay, I'll get off the car, and I won't make it difficult for you."

With that said, Kevin got out of the car, and trotted after Hayden.

The two were chasing after each other, and naturally they were secretly photographed by media lurking nearby.

The Internet celebrity who came to check in reacted, and immediately took a photo of Kevin's back.

They had eaten a real melon.

The third young master of the York family was really pestering young master Queen endlessly.

The two men were so outstanding and their family backgrounds were comparable, yet the two seniors didn't intend to interfere in this matter. Facing the rogue-like pursuit of Young Master York, how long could Young Master Queen last?

Would Young Master Queen be captured by Young Master York in the end?

It is said that strong women were afraid of pestering men, and strong men were also afraid of pestering men.

“Hayden, Hayden, don't go so fast, wait for me, I'll take you shopping, okay? Or, let's go to the jewelry store, and I'll give you whatever you fancy.”

Fearing that others would not know that he was pursuing Hayden, Kevin shouted loudly while chasing her.

She remembered the jewelry, skirts and high heels that Kevin gave her.

Hayden's face darkened.
