Chapter 2243

“Do you like to cook and want everyone to eat cheap and delicious meals, or is it more promising to develop into a chain restaurant?”

In terms of management, you have to be stricter and have your own management methods. Just don't let the center scatter. Once the center is scattered, it's like a pan of loose sand, and it will disperse soon.

Liberty, I believe you can succeed, don't worry, take your time, it's hard to reach the sky one step at a time, let's go step by step, and we can accumulate more experience for ourselves.”

Liberty nodded, “Mr. Lewis, what you said makes sense. I'll take my time and don't worry, lest I jump into a pit and lose my money.”

Anyway, Liberty was still young, and she would work hard for another ten or eight years, depending on the situation, to build her own star hotel.

After pushing Duncan out of the restaurant, Liberty stopped, turned around, closed the glass door and locked it, and was about to pull down the shutter.

“Ms. Hunt, let me come.”

Seeing this, the bodyguard of the Lewis family quickly stepped forward to help Liberty pull down the shutter, and let Liberty lock the door.

Liberty: “Thanks.”
