**Married at First Sight Chapter 2351**-Serenity couldn't convince Elisa, but was also moved by Elisa's sisterhood towards her.

Before they knew they were cousins, Elisa had been very kind to her.

Elisa was a person worthy of deep friendship; as long as she sincerely regarded her as a friend, she would give her heart and soul to her friend.

However, few people could catch Elisa's eyes and become Elisa's good friend who was willing to give her heart.

Except for her former best friend, that is, Serenity and Jasmine became her friends.

"You must discuss it with Mr. Johnson to see what Mr. Johnson means. If he is not happy, don't fight for me, Elisa." Serenity took Elisa's hand and said, "What I want is your happiness, and I can't affect the life events of you and Mr. Johnson because of my personal reasons."

Elisa held Serenity's hand back, and said with a smile: "Seren, don't worry, we won't, I believe Remy can understand my decision, besides, our plan is to get engaged first, and we are not in a hurry to get married."

Remy was anxious, but he didn't say it out, he respected Elisa's decision.

In Wiltspoon, apart from Remy who ran after Elisa, other men generally did not dare to miss Elisa.

Firstly, he felt that Elisa had a bad temper, and was afraid that if she married back home, she would be a troublemaker.

The second was that their status and status couldn't be matched with the Stone Family. Everyone in the upper class of Wiltspoon knew that Elisa was a favorite of thousands of people in the Stone Family.

Moreover, Mrs. Stone was too strong.

Some people felt that becoming in-laws with Mrs. Stone would make it difficult for the in-laws to get along, and it would also deteriorate the relationship between the two families.

What's more, Elisa used to like Zachary, and everyone in Wiltspoon knew this. They thought they couldn't compare to Zachary, and they might not be able to catch Elisa's eyes.

If Mrs. Stone hadn't intervened to stop him, Remy wouldn't have worried that someone would take away his Elisa.

Whenever Elisa wanted to get married, he could accept it.

It was Mrs. Stone who blocked it, and Julian intervened, which made Remy anxious.

Remy didn't feel at ease if he didn't marry Elisa.

"Seren, let's not worry about my marriage. I came here today to tell you that the matter between me and Remy is basically settled. I will get engaged to him when I choose a date. The engagement banquet will be asked for by Remy. I mean, should we do it in Wiltspoon or go back to Annenburg?"

Serenity smiled and said, "This is a matter between the two of you, just discuss it."

Remy doted on Elisa very much and respected her very much.

He belonged to a real high-quality man.

Elisa said: "I want to do it in Wiltspoon. I was born in Wiltspoon and grew up here. I am familiar with everything here. But I am not familiar with Annenburg. Well, I haven't integrated into it in a short time.

But Remy is the fifth young master of the Johnson family. He is engaged and not entertaining guests in Annenburg. Will others say that he is the son-in-law of my business?

He loves me and respects all my decisions. Similarly, I love him and think about him, not just myself."

Serenity listened to Elisa's words, and she couldn't give Elisa any advice. This was a private matter between Elisa and Remy, and it was also a major event in life, which had to be decided by the two of them.

“It will be your wedding with Zachary soon. We are all busy these days. Let’s postpone the engagement between Remy and me. After your wedding is over, Remy and I will have a good discussion.”

When Elisa told Serenity about these things, she didn’t want Serenity to give her advice, but just wanted someone to talk to.

Serenity smiled: “You should discuss it carefully. It is not easy for the two of you to come to this day. Back then, Zachary’s cousin, Mr. Reading, made Remy feel like an enemy. He regarded Mr. Reading as the strongest rival in love.”

Elisa blushed and said: “That’s because he is like a soldier. Mr. Reading thinks that I am different from the outside rumors. He just looks at me a little more appreciatively. He thinks that Mr. Reading loves me, and he is worried that I will be snatched away by Mr. Reading, plus it was arranged by my mother to match.”
