**Married at First Sight Chapter 2411**-Zachary's wedding caravan moved from far to near.

The wedding team was composed of a hundred luxury cars, starting from York family's Wildridge Manor, and going to Hoxmoor villas. It was long and spectacular queue of wedding cars.

Zachary, who had always disliked media reports, today generously invited media reporters to follow him all the way to satisfy everyone's curiosity.

He just wanted to give Serenity a grand wedding that would cause a sensation in Wiltspoon.

She wouldn't lose to Josh and Jasmine's wedding at all.

Duncan saw the wedding caravan, let go of Sonny, and said to Sonny: "Sonny, go in and tell your mother that your uncle's wedding caravan is here."

Sonny immediately turned his head and looked in the direction Duncan was looking at. He really saw the long wedding caravan coming slowly.

Sonny: "Uncle Lewis, is that really my uncle's wedding caravan? They came to pick up my aunt?"

The distance was too far, and he still couldn't see if the car in front of him was the car his uncle usually drove. He only saw a lot of cars came slowly.

Duncan: "It's your uncle's wedding convoy. It can't be wrong. Your uncle has a lot of cars, so it's not necessary to use the car he usually drives as a wedding car."

After receiving the affirmation, Sonny immediately slipped from Duncan's arms and said: "I'm going to tell my mom now."

Sonny said, and ran in quickly.

"Mom, mom." Sonny yelled while running: "My uncle is here, and my uncle drove many, many cars to pick up my aunt."

Sonny ran into the house while yelling.

Then everyone heard his yelling.

Liberty came out of the house.

“Mom, mom.” Sonny ran up to his mother, hugged her thigh, raised his head, and asked Liberty anxiously: “Mom, do I look good now?”

Liberty smiled and said: “You are not a bride. Your uncle is here to pick your aunt up. Are you worried about what you want to do?”

“Yes, of course I must look good.”

Sonny’s innocent words made everyone laugh.

Liberty picked up Sonny, kissed him on the face, then put him down, and said, “Sonny, you look so beautiful. You’re the prettiest. You will become the most beautiful flower girl in Wiltspoon. You go upstairs and tell your aunt, say your uncle is here, and ask her if she is ready.”

“Okay.” Without mother’s orders, Sonny would run upstairs to tell Serenity.

Serenity had already changed into her wedding dress and put on her makeup. She was sitting on the bed at the moment, her shoes were hidden by her bridesmaids, and she said that Zachary would look for them later.

Serenity just smiled and let them toss.

Even though it’s been a year since she got the certificate and got married, this wedding gave her the feeling that she just married Zachary. She became a little nervous and excited, and the smile on her face never faded away.

Even sleepy bugs were driven away by the excitement.

Sonny said that her sleepy bug was scared away by his chili.

When Sonny’s shouts sounded in the yard, the group of bridesmaids accompanying Serenity also received the news.

Elisa said to Serenity: “Seren, Zachary is here.”

Serenity smiled and said: “He should be here.”

She knew that Zachary would go out on time at the auspicious time, and then Counting the time, it was this time to her natal home.

Elisa walked to the window, looked out, and saw the wedding caravan getting closer and closer, she was someone who had seen the world, looked at the hundreds of wedding caravans, and couldn't help sighing: "Seren, Zachary is really generous, and there are hundreds of vehicles in the car fleet."

It was particularly spectacular and mighty.
