**Married at First Sight Chapter 2428**-Serenity slept until she woke up naturally, and it was already dawn.

Before she looked at the time, she thought it was still dark.

After she took the mobile phone from the bedside table and checked the time, she realized that she slept until the next morning.

The newlywed husband next to her got up early, and she knew without asking that he was preparing a loving breakfast for her downstairs.

She had been sleeping since the evening and hadn't woken up until the morning. As soon as she woke up, she was hungry.

But after sleeping for such a long time, she was in a particularly good spirit at the moment.

She didn't stay in bed, she sat up and was about to get out of bed, when she suddenly found someone at the end of the bed, it was her nephew, Sonny.

Serenity was dumbfounded, how could Sonny be in her room?

Seeing Sonny sleeping at the end of the bed without a quilt, and also changing the suit he wore yesterday, Serenity guessed that he might have come in after Zachary got up, and then wanted to wait for her to wake up, but he fell asleep again by himself.

Serenity crawled to the end of the bed, trying to pick up her nephew and put him to lie down, but just as she picked up Sonny, Sonny woke up.

Opening his eyes and seeing it was his aunt, Sonny softly called out: "My aunt."

Then, he put his arms around Serenity.

"Does Sonny still want to sleep?" Serenity hugged him and asked.

"No more sleep; I'm awake. I missed you, and I came to see you, Auntie. My uncle said that you were sleeping, so let me keep an eye on you. I had no idea what was going on and fell asleep as well."

After Sonny finished speaking, he slipped out of Serenity's embrace, and said to Serenity with wide eyes: "Auntie, is drowsiness contagious?"

Serenity smiled, "Maybe a little bit, did you go to bed very late last night?"

Sonny touched his head embarrassingly, and said: "I don't know when I fell asleep, I just remember that I climbed on the uncle Kevin's lap, and uncle Kevin hugged me, and I have no memory after that gone."

When Sonny woke up, he was on the bed. Although he was a frequent visitor of Wildridge Manor, but he didn't see his mother when he woke up, so his instinctive reaction was to find his aunt.

He ran to knock on the door, and his uncle Zachary opened it for him.

Zachary said that he would go downstairs to make breakfast for Serenity and asked Sonny to wait in the room for his aunt to wake up, but he could not disturb his aunt or wake her and had to wait for her to wake up by herself.

Serenity laughed and said, "You don't even know when you fell asleep."

Sonny: "Auntie, are you still tired? Do you still want to sleep?"

Serenity: "I'm not tired, I'm not sleepy anymore. I'm going to wake up. If you want to sleep, you can stay with me for a while. It's still early."

But it was 7 o'clock in the morning, which was really early.

Many people who went to work had not yet gotten out of bed.

Serenity was used to get up early.

Sonny asked: "I'm not going to sleep anymore, Auntie, when are we going home?"

Serenity: "Do you miss your mom?"

Sonny nodded.

Serenity got off the bed and said: "Today you have to stay here with me for a day, and go back home with me tomorrow, or will I send you back home?"
