

Married At First Sight

Married At First Sight Chapter 3181-So, Abby came to her to inquire about Evan?

“Miss Du, What’s the current relationship between you and Evan?” Serenity asked bluntly.

Abby was silent for several minutes before replying, “I don’t know what my relationship is with him. After I met him, he seemed to be pursuing me, but maybe he was. He treated me with aloofness, but he said he was not pursuing me. When I was about to forget him, he would send me flowers, give me things I liked, and treat me to dinner. When I encountered difficulties at work, he remained silent. Please help me solve it.”

“If I wanted to repay him, he was nowhere to be found. He didn’t answer my calls or reply to my messages. I don’t know where he lives. If I didn’t know his name, I wouldn’t know where he lived. I investigated him, but I didn’t know that he was the fourth young master of the York family.”

Serenity: “...”

D*mn Evan!

It really was!

He didn’t want to pursue Abby, but because of his grandma’s wishes, he forced himself to pursue her. When Abby had some ideas, he left again.

Serenity dared to say that he must have found the girl he was entangled with in his dream. At this moment, Evan was also in a state of entanglement.

Should he follow Grandma’s wishes or follow his own wishes?

Did he really dislike Abby?

Did he really have deep feelings for the girl in his dream?

Most likely, he hadn’t figured it out yet.

It was a bit like a pedal boat.

Abby said, “Miss Hunt, It makes you laugh. I’m a bit stubborn. I always have to find out everything when I encounter it. I just want to know what Evan means? But I can’t just go to Evan on a casual basis. I heard that several of your brothers-in-law have great respect for you, so I took the liberty of disturbing you.”

Serenity kept smiling and said, “It’s okay. If you have anything to say, please ask me. If I know anything, I will tell you.”

In fact, except for Callum and Kevin, she didn’t know the brothers-in-law very well, and she rarely saw them. She only saw them when everyone came back from family gatherings. When they had something to do, they also looked for Zachary, not her, the eldest sister-in-law.

Unless they did something to offend their significant other, they would go to their sister-in-law, Serenity, to be a lobbyist.

For example, when Callum molested Camryn, and Camryn got angry and ignored him, Callum came to Serenity and asked Serenity to help him apologize to Camryn and ask for forgiveness.

Abby asked, “Does Evan have a girlfriend?”

Serenity replied, “As far as I know, before you came to me, I knew he didn’t have one.”

There will definitely be one in the future. The girl Evan always dreamed about, he definitely didn’t have a relationship with.

After confirming the relationship, he would bring the girl back to meet his parents and explain everything to his grandma.

There was no confirmed relationship, so he did not have a girlfriend.

Abby asked again, “Then does he have a girl he likes?”

Serenity thought for a while and replied, “Miss Du, I dare not say that this answer is absolute. Evan is my brother-in-law, and he treats me like his oldest sister-in-law. It is true that we have a lot of respect, but everyone is usually busy with work, and he does not work at York’s headquarters. So, we don’t meet many times and have few opportunities. I can’t say 100% about his private life.

As far as I know, he doesn't have a girlfriend because he has never brought a girl home to meet his elders. If he hasn't met his elders, he is undecided. If he is undecided, he is single. These are the answers I analyzed.

He may have a girl he likes now, or he may not. It doesn't matter. He usually won't tell me about his emotional problems."

Abby said with an ooh, "I thought he would tell you everything."
