

Married At First Sight

Married At First Sight Chapter 3260-Evan said, "Comparing people to each other is so irritating. Look, I'm so busy every day. How can I have time to fall in love?"

The driver said, "The eldest young master is even busier than you. He has time to fall in love with the eldest young mistress. Why can't you spare the time?"

Evan was speechless when his driver urged him to get married.

After a while, he smiled and said, "I really don't know where she is. What can I do if I can't find her? I can only wait and wait for the next opportunity to meet her."

The driver often drove for Evan, and he met Fox once. He was also deeply impressed by the girl in red. When driving for Evan, he also heard Evan asking Josh to help investigate the girl in red.

He asked speculatively, "Fourth young master, do you like the girl in red?"

Evan: "The girl in red? Oh, she wore red once. Every time I see her, the color of her clothes is different."

The driver said, "I've only seen her once, because when my car stopped that time, you couldn't wait to get out of the car and run to her. I took a look at her and didn't dare to look at her more. Later, I heard that you asked Young Master Josh for help, and I guessed it was the girl in red."

Therefore, when they drive for these wealthy young men, they have to be very tight-lipped because they can often see or hear things that the bosses do not want outsiders to know.

Evan smiled and said, "I like her quite a lot. But Abby just now likes me, but I don't like her. Maybe it's fate. You saw Abby and I walking out of the hotel. You have been here. What do you think of Abby?"

The driver said, "Fourth young master, you don't like her, so why ask her what to do? I said she's pretty good; will you like her?"

Evan choked again.

He sighed and said, "Don't mention it. I'll take a nap for a while. Call me again when you get home."

The driver said, "Fourth Young Master, it's still ten minutes' drive, so you still need to sleep."

Without waiting for Evan to reply, the driver said, "Go to sleep, Fourth Young Master; you can just relax for ten minutes. I will wake you up when we get home."

Evan closed his eyes and rested his mind.

ten minutes later.

Back at the door of Evan's small villa, the driver saw the girl in red. He quickly stopped the car, turned around, and shouted, "Fourth Young Master, Fourth Young Master, wake up quickly; the girl in red is here again."

Wearing a red coat, it was particularly eye-catching.

Evan, whose eyes were closed, sat up quickly and asked, "Where is she?"

The driver pointed to the top of the wall of the villa yard and said, "On the top of the wall, her red coat is so eye-catching."

Evan took a closer look and actually saw the Fox standing on the wall of his house. He was indeed dressed in red, and the red coat on the outside was particularly eye-catching.

The next moment, Evan pushed open the car door and got out of the car quickly. He ran quickly to the wall, looked up, and asked the beautiful woman on the wall, "How do you know I live here? What are you doing here?"

"Evan, give me back my things!" Fox looked down at Evan condescendingly; her pretty face tightened, looking a bit cold, and she ordered Evan to return her things to her.

If he hadn't taken her things, she wouldn't have chased him all the time.

Evan smiled and said, "Since you're here, let's go in and have a cup of tea. You can also have a midnight snack. And I don't remember where I threw

your things. If you ask me for them, I really won't be able to get them out for a while."
