

## Married At First Sight

**Married At First Sight Chapter 3269**-The girl in red left without eating porridge. Evan didn't want the results of his busy work to be wasted, so he invited the two young masters over for supper.

Afraid that white porridge with sauerkraut and stir-fried side dishes would be too much for the two young masters, Evan made fried egg and leek pancakes.

Even such a late-night snack was a bit too light.

However, for late-night snacks, it was better not to eat too well.

Eat well, and spend the next few days exercising properly.

In the past, Evan did not eat late-night snacks for fear of gaining weight.

"You two young masters, please go in. I'm off work too. When you go home later, just open the door yourself. I didn't lock it. If you stay here, there is no need to worry. The guest rooms are cleaned every day, and the daily necessities are also new."

Jake said, letting the two young masters enter the house, and he quickly slipped away.

Elian said, "Fourth brother, I'm here."

River said, "Second brother, what are you cooking that tastes delicious? Why do I smell pickled cabbage and rice? It's just the rice flavor of porridge."

Elian said to River, "Rice, isn't it fragrant?"

"There is a slight difference between the rice aroma of rice and the rice aroma of porridge. Fifth brother, you can't smell it, so I argued with you."

After the brothers entered the house, they went straight into the kitchen.

Evan had just brought the fried leeks and egg pancakes and turned around to go to the dining hall. When he saw his two younger brothers coming in, he handed the plate to River and said, "Take the egg pancakes out."

River said, "Fourth brother, let me wash my hands first."

When other brothers were present, they called each other according to their family order.

River went to wash his hands, then took the plate of egg cakes, and then picked up a piece of cake with one hand and ate it.

That's why he was anxious to wash his hands first.

River said, "Fourth brother, what kind of midnight snack did you prepare for us? I'm starving to death."

Evan asked Elian to bring out the side dishes to go with the porridge.

Hearing River's words, Elian took over. "Looking at such a dish, you don't even need to ask. Just treat us to porridge. Your dog's nose really makes you smell it."

River said, "Fourth brother, you called me and my fifth brother specifically just to treat us to porridge."

Evan said to River, "You don't have to spend money; you don't have to do anything. If you have something to eat, you can eat it, and you don't think too much. What's wrong with the porridge? Does it taste bad? What time is it? Do you still want to eat delicacies from the mountains and seas? Eat so richly; be careful to become a fat man; now you have to eat lighter."

River curled his lips, unable to complain any more.

Evan added, "If I hadn't called you two over, I wouldn't even have fried the egg pancakes. I fried them specially for you two."

River said, "Okay, I don't mind it; I just want to eat lighter. Fourth brother, the egg pancakes are specially fried for us two; isn't the porridge specially cooked for us?"

Evan glared. "You can eat it; why are you asking so many questions? A plate of egg pancakes can't stop your mouth."

Elian chuckled.

River was scolded by Evan again and remained silent.

Fortunately, he was not picky about food.

Even if he ate porridge, he still enjoyed it.

Perhaps it was because he was too hungry.

After eating and drinking, the three brothers sat down on the sofa.

“I smell a bit of fragrance, the kind of fragrance that some girls have, but it’s very weak.”

River said something as soon as he sat down. Then he and Elian looked at Evan.

Evan said calmly, “Maybe it’s the scent I got from socializing outside.”

“Fourth brother, didn’t you go back to Wildridge Manor today? How can you have any social activities?” Elian bluntly exposed his lie.
