

# Married at First Sight [On-Going]

---

## Chapter 4504

“River.”

Romina actually called him over. “Can you try this suit on? I want to see how it looks.”

River walked over, holding Belle. “I’m basically a walking mannequin. I look good in anything.”

Romina replied, “I know you’ve got a good figure. I picked this out for my brother, but I’m not sure how it’ll look on him. You and he are about the same size, so I figured I’d have you try it on.”

River immediately felt a little sour, though he didn’t show it.

So, the suit wasn’t for him after all.

“What’s the point of seeing how it looks if you’re not even giving it to me?”

“You can’t really tell just by holding it up. If it looks good on you, I’ll buy a fresh one for my brother.”

It was just a sample piece.

River sighed. “Romina, have you even *considered* how I might feel?”

Romina looked confused. “Why would I? Who are you to me? Why would I care about your feelings just because I’m buying something for my brother? Don’t flatter yourself, River.”

River said, “Then why ask me to try it on? We’ve got nothing going on between us. You want me to be your free model, and I don’t even get a modeling fee. You think I’d be happy with that? Shouldn’t you at least *consider* how I feel?”

“We’re not even close. If we *were*, maybe I’d help you out for free.”

Romina was left speechless.

Just as the two of them were about to start bickering again, Serenity quickly walked over, took Belle from River’s arms, and said, “River, I’ll take Belle. You go try on the suit Romina picked.”

“If it makes you feel better, I’ll tell Romina to buy you a set, too—as payment for being her model.”

She winked at River, and he instantly got what she meant.

Romina: "Wait, I have to *pay* you just to try on a suit? What are you, a celebrity?"

"You have no idea how much I can make in a minute. Even a few minutes trying on clothes is costing me. I could be out there making real money. And don't forget—we're sworn enemies. If my enemy asks me for a favor, I'd be letting *myself* down if I didn't ask for compensation."

Romina: "You're so obsessed with money. You must be broke."

"I *am* broke. My nephews just offered to lend me their red envelope money so I can get married."

River took the suit from her, held it up against himself, and said, "This brand's great. I wear this label all the time. Your brother likes it too? This suit looks amazing on me. Why don't you buy *me* one?"

Romina gritted her teeth. "River, I swear, I want to slap you just to see how thick your skin really is. You've got *no* shame!"

She snatched the suit back from him.

"You don't need to try it on. My brother will look amazing in it."

River smirked. "I already showed you how good it looks. I helped you out. You owe me."

Romina was so mad, she laughed. "River, why don't you just go rob a bank already?!"
