### Emma's POV

Killian and I kept our relationship a secret for the last year. He and I are close and happy and now we are going to live together with our child. We just have to tell her first.

"Bri come here please." I say to her.

"Yes mom? Am I in trouble?" She asks me.

"No honey. I have to ask you something. Do you want me and your father to be together?" I ask.

"Well there is always a thought of that, but I understand you and dad arnt together." She says.

"Well actually your father and I have been together for about a year now. We didnt tell you because we didnt want to get your hopes up just in case it didnt work out. Now we are going to live with your father and hopefully be a family." I say to her.

"Really! We are?" She ask excitedly.

"Yes we are my dear." I say.

We packed up and with in a week we were ready to move in with Killian.

"Are my girls ready?" Killian asks as we put the last box in the moving truck.

"Yep I think we are all ready to go. Just give me a moment." I say.

"As you wish love." He says.

He and Abrielle walked over to his car and I went inside the house and over to August.

"When Neal le because of jealousy I didnt care. When Graham le to be with that chick who had a thing for Killian I didnt care. You have been a big help with Abrielle since I had her and so Im gonna miss you." I say to him.

"Im gonna miss you too Em. Im happy you finally have someone to truly love you. Now go your family is waiting for you." He says.

I gave him a quick hug and then headed out to Killian. We are now an even stronger family. I love him and our child so much. Theres a possibility that happy endings really do come true and I think I just found my own happy ending.
