

Chapter 15 I'm sorry

Caroline helplessly rolled her eyes, turned around, and smiled brightly at them.

Wendell hurriedly ran over and subconsciously grabbed Caroline's arm, saying, "Carol, is it really you? Where have you been these days?"

Caroline shook off Wendell's arm and said, "Brother-in-law, it doesn't seem appropriate for you to grab your sister-in-law's arm like this, right?"

Hearing Caroline call him "brother-in-law", Wendell was really stunned, "Carol..."

"And by the way, where I go has nothing to do with you. Aren't you accompanying your bride-to-be? Why do you have to pretend to be innocent like this in front of me?"

Wendell's face was uglier and he said, "Carol, that night, I..."

"Stop it! Don't mention that night again! I just had coffee and I don't want to throw it up." Caroline crossed her arms around her chest and turned her face to the other side.

Coco walked out in her dress and said, "Carol, where have you been the past few days? Dad is worried about you and you should come home!"

Although Coco was Caroline's half-sister, the two did not have one thing in common. Coco had a palm-sized face with thin curved eyebrows, and there seemed to be blue waves in her eyes. One glance would make people do

everything willingly for her.

Coco used her pair of eyes to capture the hearts of all the Fowler family members.

Caroline coldly grunted, "He is worried about me but still in the mood to throw you a wedding."

Coco was embarrassed, and looked like she was about to cry, "Carol, I know you blame me. It is all my fault. I can give Wendell back to you! You go home, and we are still like before, alright?"

Coco grabbed Caroline's hand with a bitterly pleading look.

Caroline shook her hand off and said, "Don't touch me with your dirty hands that have touched my ex-fiancé!"

Because Coco wore a pair of high-heeled shoes on her feet, when Caroline flung her hand like this, Coco fell backward without standing still.

Wendell hurriedly held Coco and asked with concern, "Are you alright?"

At that moment, Caroline saw Wendell's eyes full of worry, and she even suspected that she was wrong. Caroline thought that Wendell and Coco got married because they accidentally slept with each other. But it seemed that there had already been something different between them.

Otherwise, he would not look at Coco with this worried look that he used to have at her.

Caroline wished she was blind!

Coco shook her head and said, "I'm fine. You quickly

go to persuade Carol to go home. This is all my fault and I'm sorry."

Wendell looked at Caroline and said, "I've told you many times that I was drunk that day so I had sex with Coco. If you want to vent your anger, then you can come to me, but not to Coco. She did nothing wrong!"

"No, Wendell. Don't talk to her like that. It is my fault..Please go home, Carol,." Coco continued to plead.

Faced with Coco's pitiful words, Wendell was even more heartbroken.

"Caroline, from the accident until now, Coco has been blaming herself and feeling guilty. She is also a victim so you should stop rubbing salt in her wound, okay? If you are still mad, you can come at me."

Caroline felt she was going to explode and said, "Wendell, all those years we have been together, twenty-two years! They couldn't even compare with the one night you fucked Coco?"
