

Chapter 4 I Am Your Aunt

"I'm going to British today and I'll be back in a week. You can stay here for the time being, and I believe that Leo will tell you everything you want to know,"

After saying that, Richard smiled and walked out of the bedroom with the marriage license.

Caroline, alone, dazed and dumbfounded, has not yet understood what the hell was going on.

As soon as Richard went downstairs, he saw Leo hovering in the foyer.

"Un...uncle..." Leo said.

"Leo Ellis, you stole my identity document to register marriage and got so drunk in the pub," Richard said.

"I..." Leo said in fear.

Richard swept a glance at his nephew with a killing aura, and Leo immediately swallowed the words on the tip of his tongue.

"She has not gotten up yet. You come to her later," After saying that, Richard stepped away with his long legs and his secretary, who had been waiting for him for a long time, followed Richard respectfully.

Before Caroline could react, she saw a group of people in the uniform walking in in a row.

The leader was a woman in her early thirties, with black hair pulled back behind her head and a kind smile, "Miss Fowler, your clothes have been delivered. Do you need us to change for you?"

"No need! I can dress myself!" Caroline was shocked

by the big show, "Just put them down and get out!"

"Yes, if you need anything, just call me. I am the housekeeper who is in charge of your personal affairs and you can call me Merry."

Caroline nodded her head.

Merry then left with the maids.

Caroline let out a long breath and picked up the things the maids brought in.

Shit!

Bra, panties, socks, and even the socks were from a famous brand!

Is this man so rich? Caroline thought.

Just after she got dressed, she heard a knock on the door outside. A man asked, "Carol, are you dressed? I'm coming in!"

It was Leo's voice.

"Come on in!" Just in time, she had a score to settle with him!

As soon as Leo opened the door, a pillow hit him in the face.

"Leo! You explain to me! What the hell is going on here?!" Caroline asked furiously.

"Calm down. I can explain," Leo said.

"Explain now! Yesterday we agreed that you and I go to get a license so I can take my revenge on that two sons of bitches! How come I'm someone else's wife now?"

Caroline asked.

There were countless question marks hovering

around Caroline Fowler's head!

Leo scratched his head, "I took the wrong card yesterday, to be exact, I stole the wrong card."

"You stole it?" Caroline patted her head, "I'm confused now. Why do you need to steal your identity card?"

Leo sat on the big bed, "It's a long story. Richard....he is my uncle. I sneaked off to Italy at once and he found out. So he withheld my passport, driver's license and other documents. I was drunk yesterday so I must steal his identity card by mistake."

"Richard Preston is your uncle?" Caroline seemed to have discovered a new continent and asked, "Is he that one you called Uncle Lucifer?"

Leo nodded his head.

"Holy Crap! Really?!" Caroline was shocked.

This was a fact that Leo was extremely reluctant to admit!

Caroline turned her eyeballs.

"But don't worry. My uncle now has no time to pay attention to you, and when he returns, he will divorce you. As for your sister and your ex-fiancé, after a while, I will absolutely give them some lesson!"

Leo stretched out three fingers to the sky, swearing.

After saying that, he quietly bumped Caroline's arm, "My uncle is gay. He definitely didn't do anything to you last night."
