

Chapter 72 Jealousy and Pampering

Caroline was sitting on the bed and her two eyes were narrowed up, radiating a sharp light.

She was holding Richard's pillow in her hand, and her brow furrowed. She raised her fist towards the pillow and smashed it.

"Damn it! Bastard Richard! Bastard Richard!!" Caroline shouted.

Caroline smashed the pillow but she felt not relieved. She got up and from the drawer took out a box of condoms and dumped them on the bed!

Except for the first time, Richard used condoms every time they did it. He didn't want to create a child to cause trouble for himself. Caroline thought.

Caroline did not want a baby either. With a child, she couldn't get a divorce.

She opened the package of condoms one by one, took them out, and threw them on the ground.

The door opened. Richard walked in. The image in front of him was so shocking!

Caroline sitting on the bed on which many condoms were scattered; Caroline was holding two.

The sudden return of Richard startled Caroline, and her holding up the condoms was stopped.

"I did not expect you to be thirsty. You are in period so we can't..."

Richard smiled and his eyes seemed to say, "I see through you!"

"No, I did not mean it!" Caroline said.

"Are you thinking of me?" Richard asked.

"Thinking of you?" Caroline looked at the condom in her

hand.

Caroline immediately dropped what she was holding and said, "I want a divorce!"

Richard slowly walked to the bed, sat down, and raised his hand to touch Caroline's little face; Caroline dodged his hand.

"Just now you were thinking of me, and now you are talking about divorce. Don't you feel you are not honest to me?" Richard asked.

"Hey! I was not thinking about you just now! If I hold the condom and kiss it endlessly, it can prove that I was thinking of you. But I ripped them all and threw them away!" Caroline was almost mad and she even wanted to bite Richard!

"I've come back. You can now tell me what you really want," Richard said.

"I do not want you," Caroline stretched out her finger and pointed at him, "What did you come back for? I thought you had three women with you tonight."

Richard looked at Caroline's flushed face, which looked much better than before.

If he had known that those women were so effective, he would have arranged it earlier.

Caroline squinted at Richard, "What are you laughing at?"

"I am laughing at you," he said.

"Laugh at me? I just want to have a divorce. There are many people out there chasing after me," Caroline rolled up her sleeves.

Richard's smile was much brighter.

Caroline looked at Richard's smile and suddenly figured it out!

"Richard!" Caroline clenched her fist and shouted at Richard.

"You said it yourself, so why do you blame me?" Richard couldn't stop smiling.

"I want to have a divorce!" Caroline repeated it again.

Richard stretched out his arms and held Caroline in his arms.

"Let go of me!" Caroline wanted to break free from Richard's arms, but Richard hugged her tightly and stroked her head.

Richard sighed, "So this time, do you want to cut my suit or smash my car?"

"No, I want to kill you!" Caroline said angrily.

"Kill me? I don't think you can do this," Richard said, "If you kill me, whom you would like to sleep with every night?"

Caroline cried out, "Why are you so disgusting?!"

The warm air mixed with Richard's ambiguous tone drilled into Caroline's ears together.

Caroline immediately shrank her neck and said, "You're shameless!"

Soon, Caroline came back to her senses, "Who said I just want to be with you? If I am willing to, lots of men will be lining up for me!"

Just as she finished saying, Richard's hot and wet kiss covered her lips.

Caroline was pushed onto the bed by Richard. Although she struggled hard, she couldn't resist Richard's kiss.

After a long time, Richard left Caroline's lips and said to her, "You are mine!"

His voice scared Caroline a stirring!

Richard pinched Caroline's face and asked, "Will you be obedient?"

Caroline turned her face away from him and said, "The

world is as black as a crow. You men are all the same. All you care about is just sex! I can't sleep with you, so you go find someone else!"

Richard quietly listened and did not speak.

"You go find them. Each of them is hotter than me; their legs are longer. Why do you come back to me?" Caroline asked.

Caroline was pressed by Richard, so she couldn't move at all. But no matter what she said, Richard would not listen to her!

She turned her face and looked at Richard, but he was laughing!

Shit! Her lungs were about to explode. He even was laughing!

"You're still laughing!" Caroline was about to cry. Since childhood, she had never suffered a loss, but Richard could make her look like a loser!

He ignored whatever she said. This was simply blasphemy to her!

Richard's eyes were full of doting and he reached out his hand to pinch her little face.

"You're just like this. You are so great!" Richard said to her.

Caroline's eyes immediately dilated and asked herself in her heart, "Am I being jealous of other women?" She couldn't believe this at all.

Richard let go of Caroline and sat up; Caroline also sat up.

Was she being jealous? This question repeated over and over again.

She saw Richard with another woman so she lost her temper with him!

It seemed that she was being jealous!

She was actually jealous!

Richard turned his face to look at Caroline, "Does your stomach still hurt?"

"No," Due to the three women, she forgot the pain in her stomach.

"Since you are alright, I will take you to meet those women," Richard straightened his clothes and stood up.

"Which women?" Caroline asked.

"Those who just made you angry. Let's go," Richard stretched out his hand.

Caroline looked at Richard and then looked at his hand.

She timidly put her hand on his.

Richard took Caroline's hand and went to another villa.

At this time, the three women were still listening to what John said.

The person at the door saw Richard coming and immediately came to greet them.
