Chapter 1083

Chapter 1083 Julie replied, "I just sent her off." "Did she seeSherry?" "Yes." "What was her reaction?" "Her first reaction was very angry, and she even called Sherry by her full name.

Then, she went to the courtyard and talked alone to Sherry for a while. I don't knowwhat they said, but she had a sad face when she came out." "She knows that it's John who locked Sherry up, right?" "Yes." Madam Stockton sneered. "She found out that her sister is being locked up in her fiancé's house, but she's only feeling sorry for herself. If she has any sense of family honor and self-respect, she won't want to marry John anymore." Julie smiled. "You're right." "It's all thanks to you having this great idea. You've worked hard today. Queenie and I will come back now, and the driver will take you out shopping later. You can buy whatever you want. Don't hold back on my account." Julie hurriedly said, "Mom, I just want to share your burden. You don't have to be so polite to me." Madam Stockton laughed. "I know how thoughtful you are, but you've also been bored at home alone for a long time. It's time for you to go out and get some air." Julie smiled and said, "Okay. Thank you, Mom." The phone hung up. When Julie raised her head again, her face returned to its cold expression. 'I hope that Shannon will have self-awareness and stop thinking about John. 'This man isn't someone that a small family like the Fowlers can dream of having.' In the Fowler residence. After Shannon came back, she told her family about meeting Sherry at the Stockton residence. Janine was stunned. "She's being locked up by Master Stockton? It's no wonder we saw her at the party last time. It's because she was there the entire time." Shannon's eyes reddened. "Mom, Master Stockton seems to still have interest in her. I..." When Janine saw that Shannon was about to cry, she quickly said, "Don't be sad, Shannon. Although Master Stockton is the most excellent bachelor in Glanchester , Mason isn't bad either. Why don't I tell your dad to go to the Brown family and ask them to let you two continue to be together?" "But Mason has always been lukewarm to me. I don't think that he likes me. He's only with me because of his parents' orders." Shannon rubbed her eyes and added, " I've met with Master Stockton several times during this period, and he's nothing like Mason. He's always considerate and gentle to me. He'll even use his handkerchief to wipe the corners of my mouth." Her face flushed as she said that. Janine could tell at a glance that Shannon had feelings for John. However, John and Sherry... John was the richest person in Glanchester City, so his means and abilities must not be ordinary. 1 Janine was afraid of hurting Shannon by being blunt, so she said tactfully, "Shannon, maybe Master Stockton may not be a good match for you." "But I seem to like him now. I also think that he likes me. "Tears fell from Shannon's eyes as she spoke. Janine frowned. "But he already locked up Sherry in his home. Although your father and I don't like Sherry, she's still your sister. If other people were to hear about this, they'd point fingers and talk about our family. Your father and I don't mind, but you're still young. I don't want you to become the subject of jokes." Shannon wiped her tears and looked at Janine. "Mom, if no one knows that she was locked up by Master Stockton for a year, and if he breaks it off with Sherry after we get married, no one would talk about us then, right?" Janine froze and said, "If no one knows about it, and he can break it off with Sherry, then no one would talk about you." 'I'm just afraid that he won't break it off with Sherry.' "I think that he's a good man. If we marry, he'll be devoted to me. Besides..." Shannon pursed her lips." When I saw Sherry today, I felt that she's also quite unhappy in the Stockton residence. She should also want to leave that place very much. If I get married to Master Stockton , he won't continue to keep her at home. He'll release her." Janine's expression flickered, "You silly girl. You're still thinking about your sister at a time like this?" "She's my sister, after all. I have to think about her." Janine sighed. "Silly girl."
