

Master Qin 368

Chap 368 You Don't Have To Save Your Face Like This

Nianzhen managed to hold it in.

She had already been ridiculed by others. If others knew that she was blacklisted by C brand, she would never go out again!

Yuexi sized Jiang Xun up from head to toe in disdain. "The brand invited you?"

"Tch!" Yuexi sneered. "You're not so delusional that you're convinced about that, are you? Do you really think that just because you wear C brand clothes every day and do marketing on Weibo, you're a C brand co-artist?"

"Madam Jiang... No, I mean, Ms. Feng." At that moment, someone suddenly called out to her. Three wealthy ladies came over with their daughters. "Yuexi."

Nianzhen almost couldn't maintain the smile on her face when she heard how they had addressed her. However, she still forced a smile. "You guys are here too."

"Since the brand has invited us, we definitely have to come and support them," The lady with the oval-shaped diamond ring said.

"Yeah, we just didn't expect you to come," The rich lady carrying a C brand limited-edition diamond bag laughed and said. "Madam... Ms. Feng, it seems that you're recovering well now."

Nianzhen's face fell and she sneered. "What's the big deal? Women are in the new era, who couldn't live without a man? I have assets and properties now, and I have an endless amount of money. I don't have to worry about my husband. My daughter is filial to me, so I can take care of as many young hunks as I want. I don't have to worry about my husband finding out."

When Nianzhen said this, the expressions of the three people became unnatural.

Jiang Xun raised her eyebrows. It seemed that these three people all had stories.

"This is?" a third lady wearing a dazzling diamond necklace and earrings saw Jiang Xun.

"This is my half-sister," Yuexi said. "We were just asking her why she was here today."

"This young lady looks a little familiar," A young girl in a pink coat next to the rich lady said. "But I can't remember at the moment."

"I can't blame you for finding her familiar. She's Jiang Xun and she's in the entertainment industry now. You might have seen her on the internet before, so you might find her familiar." Yuexi said with a smile.

boxn ov el. c o m

Yuexi was not famous, but she had the excuse that she was still in school.

Moreover, even if Nianzhen and Chengye divorced, she was still the young miss of the Jiang family. Although these people looked down on Nianzhen, they didn't dare to look down on her.

“Ah, I remember now,” the daughter of the rich lady in the diamond bag, a girl wearing a C brand white windbreaker, had a look of realization on her face. “You acted in ‘Path of Life,’ right?”

“Now that you mention it, I remember it too,” another girl in a C brand dress said. “I heard that she was going to be the spokesperson for C.U. but Su Youlan took it away.”

Jiang Xun raised her eyebrows. “I did contact my manager. C.U. wanted me to be their spokesperson, but I rejected them.”

Yuexi sneered. “Jiang Xun, you’re being boring. Was C.U. taking things too hard? They didn’t want Su Youlan and came to you first? You don’t have to save your face like this.”

“But why are you here today? You’re also a C brand VVIP?” the girl in the pink coat looked at Jiang Xun’s outfit. It was an ordinary C brand outfit. From her clothes to her bag to her shoes, there was not a single limited edition piece.

Even the VVIPs had quite a few limited edition ones.

“Jiang Xun!” Shulin walked over at this time.

Nianzhen and the others had never seen Shulin before.

But she saw the store manager beside Shulin, and the store manager was very respectful to her.

However, they weren’t afraid.

They were C brand VVIP customers, so they had to be treated well by C brand.

“Linda!” Jiang Xun called out with a smile.

Shulin put her hand on Jiang Xun’s back affectionately and looked at the others. “Please forgive me for my poor hospitality today.”

The lady with the dazzling diamond necklace and earrings felt the change in Shulin’s attitude. She smiled and asked, “May I know how to address you?”

“I’m sorry, I should introduce myself.” Shulin smiled. “I’m Wu Shulin, the CEO of C brand Asia. You can call me Linda. Thank you for your support of C brand. This is the biggest C brand store in Asia today, so the headquarters have sent over the new season’s clothing and bags, as well as a few limited edition bags. Feel free take a look.”

After that, Shulin turned to Jiang Xun and said, “Come, I’ll take you around.”

“Excuse me for now!” Shulin nodded at them and left with Jiang Xun affectionately.

Yuexi’s expression changed immediately. She asked the store manager, who had stayed behind to serve them, “Is Jiang Xun very close to Linda?”

Although Shulin said that they could call her Linda, the store manager thought that Shulin was just being polite, but Yuexi acted quite familiar with her.

“Miss Jiang is a guest that CEO Wu personally invited.” The store manager smiled.

The girl in the white windbreaker widened her eyes. As VVIPs, they had never seen Shulin before, but Jiang Xun was so close to Shulin. "Is she your VVIP customer?"

"The guests today are all VVIPs from our brand," The store manager smiled and said. "Just now, CEO Wu said that a few limited edition models arrived today. If you're interested, you can take a look. I just saw a few customers go over."

"If you're slow, they'll be gone."

After that, the store manager found an excuse and left. She didn't want to stay here and let them continue to get information out of her.

"Jiang Jiang!" Zhiqing saw Jiang Xun and Shulin and quickly walked over.

When the reporters saw this, they quickly took pictures.

What was going on with Jiang Xun?

Walking together with Shulin, and being so close to Zhiqing?

Looking at Zhiqing's arrival today, the title of C brand's ambassador was probably in the bag.

Shulin took the two to the VVIP room, which was not open yet.

The shop assistant packed some clothes and bags for the two of them.

The clothes and bags given to the two of them were different.

This was the only way to distinguish their respective ability to promote goods.

However, the inquiry rate and purchase rate of the clothes that Jiang Xun had worn this week were high, which was enough to prove Jiang Xun's ability to promote goods.

Shulin had been paying attention to it, so she knew it very well.

Just a moment ago, Shulin had received the latest data.

The clothes that Zhiqing and Jiang Xun wore to the store's anniversary celebration today were sold out in many of the boutiques.

After the store's anniversary celebration ended, the official account of C brand announced the news of Zhiqing as the spokesperson for C brand Asia.

"Yan Zhiqing is the spokesperson for C brand Asia?" Youlan confirmed repeatedly in disbelief. "Wasn't she trying to become the ambassador?"

"There were rumors that she was trying to become the brand ambassador, so we assumed that she was aiming for the position." Sister Ran didn't expect this either.

"If she's the spokesperson, it means that the brand ambassador hasn't been decided yet." Youlan was furious. "If she's confirmed to be the spokesperson, then it makes sense that C brand has been in contact with her a lot."

“The brand ambassador hasn’t been decided yet, so I actually had a chance before this. I was aiming for the brand ambassador position from the start.”
