Chap 369 Not Expecting The Customer To Be Jiang Xun

“Sister Ran, do you think I still have a chance if I go back now and continue to discuss the cooperation with C brand as an ambassador?” Youlan beat her chest in frustration.

“What are you thinking?” Sister Ran grabbed her wrist and stopped her. “You’ve already signed a contract with C.U. It’s just that it hasn’t been officially announced yet. Do you want to pay the penalty? Even if you go back to look for C brand, they won’t make you the ambassador. Even if they did, the endorsement fee wouldn’t be high. You would just sound better and more high-end as a C brand ambassador, but it wouldn’t be as generous as C.U. Besides, C.U. isn’t some random brand. It’s considered a mid-to high-end brand, so there’s no harm in you endorsing it.”

“But I’m afraid...” Youlan gritted her teeth. “Jiang Xun went to C brand’s anniversary party today!”

“But they still wouldn’t let her be the ambassador! What kind of status does Jiang Xun have? Wouldn’t the VVIP customers have something to say if C brand let someone who used to be an influencer be the brand ambassador?” Sister Ran advised, “Don’t worry. It’s obvious that C brand won’t work with Jiang Xun. Even if you miss the chance to be brand ambassador of C brand, Jiang Xun won’t be the one to blame.”

Two days after the anniversary event, Yicheng received an invitation to work with C brand.

They hoped that Jiang Xun could be their brand ambassador.

Jiang Xun was the fastest person Yicheng had ever met to pass the brand inspection.

It hadn’t even been 10 days, and C brand had already decided to use Jiang Xun!

If it was in the past, he would not have believed it even if he was beaten to death!

Even he wanted to call Jiang Xun “Big Boss Xun” now!

C.U. finally announced their brand’s spokesperson, Youlan.

Youlan’s fans were all controlling their comments and congratulatory messages, and they even showed their purchase records to prove that C.U. didn’t choose the wrong spokesperson.

[It’s Youlan indeed. Jiang Xun’s information was right.]

[Ha! Isn’t that right? If Su Youlan didn’t keep pulling Jiang Xun and trampling on her, Jiang Xun wouldn’t have had come out to expose her.]

[We’re just saying that there’s a possibility that Jiang Xun didn’t win against Su Youlan in the first place, so C.U. doesn’t like Jiang Xun and got Su Youlan to be the spokesperson. Su Youlan wasn’t the one who exposed Jiang Xun to the marketing account. Jiang Xun had directed and acted out the whole thing from the beginning. First, she found a marketing account to release the news that she was the spokesperson, then she was slapped in the face, so she made the bogus accusation. In a fit of anger, she simply helped C.U. to announce it.]

[If that's the case, no brand will dare to approach Jiang Xun in the future. If the cooperation doesn't work out and she backstabs you, the risk is too high.]

Youlan's fans created a side account to mock Jiang Xun and led the passersby to think that it was all Jiang Xun's doing.

C brand's official account posted another official announcement.

Cins v: [Welcome the Cins brand ambassador @JiangXunJiang to join the Cins family.]

Everyone was speechless.

Even Jiang Xun's fans were stunned, let alone Youlan's fans.

Morning Star: [Damn, what did I just see? C brand's ambassador! Jiang Jiang is awesome!]

Cold Jiang Island: [Jiang Jiang is doing great things in silence! There was no news at all before, not a single hint! She became C brand's ambassador without anyone knowing!]

Disney Jiang: [Jiang Jiang has always worn C brand clothes. Although I hoped that Jiang Jiang would work with C brand, I didn't dare to hold on to that hope. I didn't expect it to be true!]

Wish Fulfilled: [Congratulations, Jiang Jiang!]

Slow Ice: [The rumors have been dispelled. It proves that Jiang Jiang did not accept the endorsement deal from C.U.]

Smiling Child When Giving Candy: [Of course, since she's working with C brand, how could she choose C.U.? You really don't have to come and trample on me.]

In order to cooperate with C.U.'s promotion, Youlan reposted C.U.'s official Weibo post and posted a separate Weibo post according to the proposal provided by the brand.

As soon as she posted it, she saw that the front page was flooded with reposts of C brand's official announcement.

She took another look and saw that C brand had officially announced Jiang Xun as their brand ambassador!

"Ah!" Youlan suddenly screamed.

Sister Ran and Xiaoxiao ran over.

"What's wrong?" Sister Ran saw Youlan holding her phone tightly and screaming like crazy. Her face was red because she didn't breathe.

Youlan threw the phone on the sofa with all her might, and it bounced from one end of the sofa to the other end.

"Jiang Xun has become C brand's brand ambassador!" Youlan raised her voice in anger. "What kind of joke is this! What right did Jiang Xun have to become a brand ambassador of C brand? What was her status? Do C brand's VVIP customers actually not have any objections?"

“The brand ambassador position of C brand should have been mine!” Youlan said angrily. “I shouldn’t have taken the role of C.U.’s spokesperson.”

Sister Ran thought to herself, what’s the use of saying this now?

Back then, C.U. didn’t look for you in the first place. Wasn’t it you who gave up competing for C brand’s ambassador position and contacted C.U. on your own initiative because you wanted to cause trouble for Jiang Xun?

Sister Ran sighed and said, “No one would have expected this. How did Jiang Xun end up with C brand? I don’t know what method she used.”

These words reminded Youlan, and her face was immediately filled with jealousy. Her facial features were squeezed by jealousy until they were ferocious.

Her original pure temperament was gone, and her eyes were so fierce and vicious that they seemed to be able to excrete poison.

“If Qin Mufeng was the one who pulled the strings, of course it would be easy for her to become C brand’s ambassador,” Su Youlan said coldly. “C brand opened the biggest boutique in Asia in Qin Yang department store. If Qin Mufeng can let Jiang Xun participate in the celebration, he can also make her the ambassador of C brand.”

Youlan picked up her phone again and stared at Weibo.

“We must find a way to get rid of Jiang Xun,” Youlan said to Sister Ran. “I’m not the one who’s keeping her at bay. She’s the one who’s stepping on me. She’s snatching my role. She’s also keeping an eye on my endorsement. C.U. came to me and she immediately went to get the ambassador position of C brand, putting me on the spot again.”

“Sister Ran, Sister Youlan, something happened at C.U.” Xiaoxiao looked at her phone and suddenly said, “I’ll send it to you.”

Xiaoxiao sent it to the group.

Youlan’s and Sister Ran’s phones beeped with the WeChat message.

Youlan opened the Weibo link sent by Xiaoxiao.

Entertainment Eight Skin: [[#C.U. shop assistant discriminated against customer, not expecting the customer to be Jiang Xun.] Today, the fashion blogger @Ada’s Lawnmower updated her new episode of the fitting room theme video. After the video was released, netizens found that the shop assistant had discriminated against the customer in the video. Taking a closer look, the customer who was discriminated against was Jiang Xun. Jiang Xun’s clip is 13 minutes and 29 seconds.]

Ada’s Lawnmower V: [This episode is one of the themes of my video. It’s about going to the store to try on clothes. There’s one brand in each episode. I’ll gather the styles that my fans want me to try on in advance, and then go to the fitting room to try on the clothes, so that the fans who don’t have a local brand store can use it as a reference. At the same time, I’ll also buy pretty clothes if I see any. I don’t have the intention of taking other people’s resources for free.]
