

## My Mate's Affair With My Best Friend

### Four

Arianna staggered in disbelief seeing her father's lifeless body.

She did not know what to do and her brain had turned into mush.

In the next second, she heard a loud scream and her head snapped to the side.

"Mother!" She yelled and immediately she ran down the hallway, with a frantic look.

Soon, she was before her mother's bedroom.

Pushing the door open, the sight before her was jarring.

Her mother was in the pool of her own blood, laying lifeless.

However, she was not dead!

Zora hovered over her and was about to stab her mother in the heart!

"Stop right there!" Arianna yelled, with red eyes.

On the other hand, Zora froze and then looked at Arianna. A look of surprise flashed in her eyes.

"What are you doing here? You are supposed to be asleep! Drugged!" She said, with an angry look in her eyes.

At this point, Arianna realized she had been drugged in her past life as well as this life.

It was Lucas' doing.

Taking the image of her dead father out of her head, she smirked and then said, "Well, I'm here now." Arianna said and then started to step toward Zora.

Her mother who lay on the floor looked at her, with worrisome eyes but then she could not say anything.

She wanted Arianna to leave and never come back. To run away from the danger that surrounded the Pack.

Suddenly, Zora let out a peal of mocking laughter.

"Then what are you going to do? Kill me? I killed your damned father, do you know that?" She said, in a sinister tone. She did not think there was anything to hide at all.

Arianna was pained and she could see her mother squirming on the ground, as soon as she heard Zora's words.

"You will regret this, Zora!" Arianna said and immediately she charged forward. Deep down in her heart, she prayed to the Moon Goddess for strength!

Strength to overcome Zora!

On the other hand, Zora looked at Arianna as she charged forward. She did not think the young girl could do anything to her.

Immediately, as Arianna got to her, she stretched her hand and made to catch hold of her neck.

However, she did not expect what was going to happen next.

Arianna suddenly pulled out a dagger and stabbed it directly, into Zora's chest, piercing her heart.

"You..." She said, with wide eyes, in disbelief that Arianna had conquered her that easily.

Without remorse, she twisted the dagger in her chest, as blood splashed out, staining her face.

In the next second, she dragged it out and stabbed it into Zora's stomach, twisting it in relish.

No amount of stabs could equate to what Zora and her son had done to her, in her past life.

Slowly, Zora fell to the ground as blood gushed out uncontrollably.

"Die! Die! You bitch!" Arianna cursed with a look filled with hatred. The scenes from her past life flashed in her head. Immediately she stepped forward and stepped on Zora's hand, just like she had done in her previous life.

Soon, Zora gasped for breath, and in the next second, she was out.

Her eyes which were wide open, were filled with hatred and it was directed at her mother.

"Mother!" Arianna called out, with a panicked look.

She rushed toward her and took her in her arms.

"I'm sorry! Mother!" She said, in a remorseful tone.

"I could not save Father!" Arianna said and then burst into tears.

She could feel her mother's body shake against her and tears fell from her eyes.

Her mate was dead! The one she had loved.

Minutes passed and the mother and daughter duo stayed like that. However, Arianna knew time was running out.

Swiftly, she stood up and then carried her mother with all her strength.

"I'm sorry she beat you up, like this!" She said to her mother as she placed her in the bathtub.

Slowly and carefully, she cleaned up her mother.

"Arianna..." Her mother suddenly called out, with a pained look.

There was a mysterious look in her eyes. Today she was ready to give everything up for her daughter!

She was ready to let go of all that she had been hiding to save her daughter.

"Yes, Mother..." Arianna said as tears leaked out from her eyes.

"My child!" She said in a low tone as she tried to touch her daughter. However, she could not as she passed out, too weak to stay awake.

As Arianna continued to clean her mother's body, tears streamed down her eyes as she could remember how she had died.

Her heart had been gorged out and it lay by her side!

Soon, Arianna was done and she laid her mother on the bed.

However, Zora's bloodied body still lay on the floor.

She needed to dispose of the body!

Swiftly, she dragged Zora's body out of the bedroom. Thankfully, the Pack's mansion, was quiet as the guards were out.

The workers had been given a day off.

At this point, she realized it was all Zora's doing as she had planned this all along, with her son and Alice.

She had planned for everyone to be out of the house and it was successful.

Soon, she dragged Zora down the hallway and into the garden.

There was a large ditch which had been dug up beforehand. She never realized that it would be Zora's grave.

Throwing Zora's body into the ditch, she still had to cover it up.

For hours, she covered up the ditch.

By the time she was done, she was sweating buckets and her hands shook, visibly.

She collapsed to the ground in tiredness, however, her heart was full.

She killed Zora and she felt no remorse!

A few minutes later, she stood up to her feet and then walked into the house.

Cleaning every trace of blood on the floor.

Her father's death would be announced and he would be buried accordingly.

At this point, Arianna vowed to take revenge on Alice and Lucas.

However, it wouldn't be easy as Alice possessed the witch's powers.

As she stood before her mother's bedroom, she heard Lucas' voice from behind.

"Arianna, why are you up?" He asked, thinking she should still be drugged as he had expected.

"Same reason why you are up!" She turned to him and answered, with a sinister tone and he was spooked beyond imaginations.

She had become deadly and full of vicious thinking!
