

Chapter 143

As Sophia made her way to the bedroom, she was filled with apprehension. The moment she entered the room, she noticed Bryan smoking while standing close to the window.

"Mate."

Slowly, Sophia shut the door behind her, her gaze remaining fixed on Bryan's back as she did so.

As Bryan turned around, Sophia's eyes fell on his shirt. The first three buttons were opened on his shirt. His chest was visible in her eyes.

It seemed like he was feeling heated for some reason. That was why he unbuttoned his shirt.

"You can sleep without any worries. I was just going to take a shower."

His voice was calm. He took the last puff of the cigarette and then threw it on the floor.

Sophia's eyes were focused on his every action. The way his lips moved when he talked, the way his eyes closed when he inhaled the smoke deeply—everything was mesmerizing to her.

Bryan turned in the direction of the bathroom and started to walk.

When he was halfway there, Sophia rushed toward him and hugged him from behind.

Bryan's steps halted when he felt her touch.

"Mate."

"What happened?" he asked.

His voice was raspy, not calm anymore.

She gulped as she felt the warmth of his body. She broke the hug. He turned around to face her.

She looked at him and bit her bottom lip in nervousness.

He lifted his hand and placed it on her cheek. "Why are you testing my patience? Do you even know what I can do if you keep coming in front of me like this?"

His deep voice rang in her ears. When she finally understood what he meant, her cheeks turned a shocking shade of red.

"Mate, I-I..."

She paused as she tried to find words to explain to him.

"You what?"

She closed her eyes and took a deep breath, then replied,

"I am ready."

He frowned at her. "What do you mean?"

She raised her hands and cupped his cheeks with her soft palms. "I am ready to give myself to you."

Bryan's eyes paused on her face when he heard her.

She could not be more nervous. His eyes stared into hers without replying to her.

"Mat—"

She was interrupted when she found her back pressed against the wall next to them.

In the blink of an eye, Bryan's lips locked onto hers, causing her to let out a gasp. She could not resist the urge to kiss him in return.

The temperature of the room seemed to have changed from cold to heated.

Bryan kissed her hungrily, as if he had been keeping himself under control all along.

His hands ran all over her body. She moaned during the kiss.

When he let go of her lips, he looked at her. His eyes glowed with lust as he shifted his gaze to her dress.

"Are you sure about it?" he asked, running his thumb over her lips.

Her lips trembled against his thumb. "Y-Yes."

He reached behind her back and ran his fingers along the chain. He leaned in close to her ears and inquired,

"What caused you to change your mind?"

She moaned when his fingers pulled the chain down while caressing her skin.

"I-I want to give you my whole self as a birthday present."

A smirk appeared on his lips. "I'm impressed."

When the chain reached her lower back, the dress slipped from her body to the floor.

Sophia's eyes widened as she quickly crossed her hands over her chest.

Bryan chuckled at her reaction. He grabbed her hands and pulled them away from her chest.

He pinned her hands over her head with one hand. His smirk faded as his eyes focused on her alluring body. She was in red lingerie. The sight of her flawless body throbbed his member down there.

The sight of his eyes wandering around her body caused Sophia to experience feelings of shyness.

She started to feel self-conscious. Did he like her body?

She lowered her head in embarrassment.

However, she froze when she heard him.

"Fucking hot!"

His words caused her to feel a clench between her thighs as she began to feel butterflies in her stomach.

She parted her lips to take a shaky breath when he moved closer to her.

His body pressed against hers. He ran his hand on her bare thighs until he reached to grab her back. She immediately hugged him to avoid looking at him.

It was all new to her. She had never let any other men see her body like this. She was almost naked in front of Bryan. Just thinking about it made her feel flushed.

Bryan gently stroked her upper back. "If you are already so shy, how will you feel when I fuck you hard?"

She fisted her hands against his shirt. She did not respond as her cheeks heated up.

Bryan lifted her into his arms and looked at her. With her eyes closed, she wrapped her arms around his neck. She was too shy to look at him.

Bryan laid her down on the bed. With deep eyes, he studied her body. His eyes scrutinized her entire body as if she were prey.

Sophia opened her eyes when she no longer felt any of his touch.

However, as soon as she opened her eyes, Bryan leaned down over her. He was shirtless. His body pressed down on hers.

Sophia's heart started to beat fast. He could hear her heartbeats in the silent room.

He released her lips and began to kiss her body.

He ripped off her bra and attacked her beautiful bosoms.

She tried to cover her breasts but he pinned her hands on both sides. Sophia could not stop moaning as he kissed her breasts. As he nibbled on her delicate pink buds, his gaze remained fixed on hers.

"Aahh!"

For Sophia, the sensation of pleasure was a complete surprise. The shyness and feelings she was experiencing right now were blissful to her.

She could only move her body slightly in response and moan in pleasure.

Bryan released her hands, which surprised Sophia. She looked at him to know the reason behind it.

However, she blushed when she saw Bryan staring at her. His hands were on his pants' belt. He removed his belt and asked with a smirk,

"Baby girl, are you ready for me to ruin you?"
