

## Chapter 382

Ryan stopped his steps and turned his head to Luna Ella. He avoided Allison totally.

"Darling, let's go there. My mom is calling me."

Ryan spoke in a seductive tone to the woman. The woman was his age and older than Alison

Allison stared at the woman rather than Ryan. They walked to them. Allison looked at the woman's clothes.

She was wearing a black slutty dress that stopped at her upper thighs, almost revealing her panties. However, her thin legs saved her.

Allison felt disgusted, but she did not hear anything wrong. Ryan did undoubtedly hook up with beautiful girls with hot bodies. The woman beside him was hot. She could not deny the fact.

When they stood in front of her and Luna Ella, Ryan spoke out,

"You called me, Mom?"

"How many times do I have to tell you not to come back home with girls?" Luna Ella said to him and glared at the woman.

The young woman lowered her head in fear. Her body was trembling. Ryan gripped tightly in her waist, which Allison had clearly noticed.

"Why are you scaring her, Mom?" Ryan asked and frowned at his mother.

"Stop all of this nonsense, Ryan. Your father is at home. He went to discuss something in the garden. In no time, he will be here. Just tell his girl to go back from where she had come."

"Sorry, I can't. She came here with me. I am going to my bedroom with her. And about Alpha Neil, I don't think I need to explain anything to anyone."

Ryan pulled the young woman along with him and headed to the staircase.

"This is too much, Ryan. Today is our get-together party." Luna Ella warned him.

Ryan turned his head towards her. This time, his eyes fell on Allison.

Allison stared at him with a disgusting look.

"If Ethan's babysitter is allowed here. Then why can't one of my girls?"

"Ryan-"

Before Luna Ella could say anything, Ryan went upstairs with the woman.

Allison felt a pain in her heart. Her eyes were unmoved from him when he was going upstairs.

"I don't know what will happen to him. He is a spoiled brat. I am so sorry, dear. Please don't mind his words. You know that he does not even talk to us properly." Luna Ella apologized to her.

She shook her head. "I know how he is. So you don't have to apologize for his behavior."

Joey came out of the kitchen and said,

"I am waiting for you here. What are you doing there?"

"I am coming." Luna Ella said and went to the kitchen.

Allison sat on the couch. She was not feeling well. Her heart and her wolf were both disturbing her sanity.

She saw Ethan entering the living room. She stood up.

"Why are you alone?"

"Mom and Luna went to the kitchen." She replied. Her eyes kept glancing upstairs.

Ethan frowned and grabbed her hand.

"Let's go upstairs since you are looking there."

"What? No. I was just-"

"Come on. Let's go. I need to give you something." He said and dragged her upstairs.

"What will you give me?"

"Something I wanted to give you for a long time but could not get the chance."

Ethan walked to his room. Allison's eyes shifted to Ryan's room. The door was closed.

"What are they doing inside?" She thought and shook her head.

'I should not think about anyone other than Ethan.' She told herself.

Ethan took her to his bedroom and closed the door.

He did not let go of her hand, and walked to the closet.

He released her hand and opened the closet. He pulled out a small red velvet box and gave it to Allison.

"This is just for you."

"What exactly is this?" She inquired.

"You may open and examine. It's only yours."

She was shocked when she cautiously opened the box.

She focused her attention on the two chained bracelets with the flower petal dangling from them.

It was the same bracelet she had admired in the jewelry store. But, at the moment, Ethan told her that he would take that for his mother.

She remembered him just giving his mother the necklace and not this bracelet.

She looked at him and asked,

"This bracelet-"

"Yeah, this bracelet. I bought it that day for you. I wanted to give it to you if you accepted my heart."

"But I can't accept this."

"Why?"

"This is very expensive, Ethan. I can't take expensive gifts from you. I don't want it." She gave the box to him. She headed to the door when he grabbed her wrist and made her turn to him.

"What are you doing?" She said and stepped back. Her back was pressed against the wall.

Her innocent look made him chuckle. He took out the bracelet and slowly wrapped it around her wrist.

"I am your boyfriend. I have the right to give you any expensive present, and you are bound to accept it, okay?" He said and came close to her.

She was stunned by their closeness. He lifted her hand and kissed the back of her hand.

"It means a lot to me. Because it's the first present I'm giving you."

She stared at him and could not let out a word.

She could feel his face leaning into hers.

They had been dating for one month but they had not yet kissed. He gave her some time to adjust with him.

Today, he wanted to take one step forward. He desired to kiss her.

She could feel his breath close to her lips. She did not refuse him. She closed her eyes and let him do what he wanted. He was her boyfriend. He had a right to her.

However, Ryan's face appeared to her mind. She felt that Ryan had kissed her before. But they did not kiss on Luna Ella's birthday night. So, what gave her the feeling that Ryan had kissed her?

She was having an internal dilemma. But when Ethan's lips touched hers, she flung open her eyes and shoved him away.

"I-I can't."
