Once those words came out, the sounds of the woman flirting could be heard from inside the study room.

After all, she was young and full of energy.

For the next few hours, Lei Yiming and this woman had their fun in every corner of Lei Yiming's manor.

The bedroom, study room, kitchen, and even the corners of the garden - no area was left untouched.

To make the Young Master happy, Miao Xiaodong had offered his most prized possession to him.

The woman sounded rather happy.

Miao Le walked over to Miao Xiaodong and comforted him. "Dad, we've managed to board the Lei ship."

"From today onwards, our family business will certainly do well."

"And in no time, we'll be able to surpass the Su Family."

Chapter 151 Sis We Are In Trouble

With this much progress achieved, Miao Xiaodong said nothing more.

Then, he noticed a car entering their driveway.

Miao Le became excited upon seeing the car.

It's here!

Under Lei Yiming's orders, Six must have come here with Li Hang's limbs!

He could now finally take a breather!

Blood! Crimson blood!

That was what Miao Le's eyes first came into contact with.

At the same time, Six was indeed holding a broken arm.

It didn't belong to Li Hang; rather, it was Six's own arm.

The man stumbled into the house and shouted.

Chapter 151 Sis We Are In Trouble

"Young Master!" "Help me, Young Master!"

Lei Yiming suddenly stopped playing around with the woman.

He put his clothes on and rushed to the courtyard.

He saw Six lying in a pool of his own blood, with his right hand chopped off.

Not only that, the dozen men that Six had brought with him had had their arms broken.

Lei Yiming was dumbfounded for a moment. "Who was it!?" he roared. "Who did this!?"

Six hurriedly said, "It was Li Hang!" "That guy Li Hang - he's a monster!"

"He has a message for you."

"He said, 'Chief Lei and son: No matter how much fun you're having in Sheng City, you'd better not go to Ning Province. Or else...'"

"Or else what!?"

"Or else they'll finish us off."

"They'll turn us into Ning Province specialties and throw us back out."

Six was trembling as he relayed the message.

"Bastard!" Lei Yiming yelled, "Uncle Wuyi, gather all our men. We're heading to Ning Province!"

He was furious! Outraged!

He had already been mad about being interrupted in his fun earlier.

But after seeing everything Li Hang just did, he felt like his face had been trampled on and scraped across the floor by the man in Ning Province!

He couldn't take it anymore. He needed revenge.

He wanted the limbs of Li Hang's entire family broken.

No - it could no longer be something so simple as breaking their limbs.

He would play with Li Hang's family to their

deaths!

Taking Lei Wuyi and the others with him, Lei Yiming left in a fit of rage.

Having observed the entire spectacle, Miao Le was exceptionally excited.

He would've love to seeing Li Hang's entire family being pummeled to death.

Unfortunately, he had more important things to do.

This was the chance for the Miao family to rise up.

They'll over take the Su Family to become Jiang Province's most prominent family!

.....

"Sis, we're in trouble!"

Xu Haoran rushed into Xu Muqing's office.

The woman had already gotten used to her brother's chirping.

Xu Haoran hurried over to his sister's side, putting his hands on her desk.

"Sister! My beloved, kind, sister."

"Your brother here just risked his life to tell you this."

"You're in a very dangerous situation now."

Xu Muqing continued to glance at her files without batting her eyelids.

"Then tell me, what is it?"

"Sis, let me ask you. Have you and brother-in-law still never slept in the same bed?"

"Have you both never taken a shower together? Have you both never...you know--"

Xu Muqing didn't let him finish.

She lifted her head and glared at him. "What the hell are you talking about?"

"Sis, are you not aware that you have a very tough opponent now?"

"If you keep taking your time, brother-in-law's going to get snatched away!"

Chapter 152 Take Things To The Next Level

As he spoke, Xu Haoran pulled out his phone and showed his sister a picture.

The screen displayed a short-haired woman.

She had a delicate face, porcelain skin and an exceptional figure.

Upon seeing that photo, Xu Muqing felt a sense of crisis.

She had met that woman once. She was Yao Ruonan.

At that time, the woman had left a deep impression on her, but she had no idea who she was.

Xu Haoran said, "This woman is Yao Ruonan."

"She's the granddaughter of the Golden Knife Club's Master Dao.

"Compared to us, her family history is way better."

"Ever since brother-in-law defeated her, she's wanted to marry him."

"Sis, can you imagine?"

"Her thin shirt being drenched in her sweat."

"Those two looming mountains and long, slender thighs. Ahhhh..."

"If this goes on, I don't think brother-in-law can resist."

Xu Muqing started to worry.

She was usually so focused on her career that she didn't realize such a problem existed.

"Then what do you propose I do?"

"What else can you do?" Xu Haoran raised a brow. "Of course you gotta take things to the next level!"

"We could start from there and slowly lure in brother-in-law!"

At this moment, Li Hang's phone rang.

It was Xu Muqing.

Answering the call, he teased her as usual.

"Darling, are you calling me now to ask me for hugs and kisses?"

Normally, Xu Muqing would grumble at him.

But this time, she responded in a high-pitched voice, "Mhm."

Li Hang couldn't help but be stunned for a moment. "I've been working non-stop for the past few days and I'm feeling quite tired. There's a new sauna next to the company. Do you want to go there with me?"

"Yes!" Li Hang suddenly stood up.

There was a fire burning in his eyes.

sweat.

Those pearls of sweat would roll down Xu Muqing's delicate cheeks...

Down her beautiful chin...

Down her slender neck...

Down the center of her bosom...

And further down.....

Woooooh!

Li Hang let out a howl inside.

He turned to leave without a word.

Just then, more than a dozen cars sped over.

Without a word, Li Hang walked straight towards Lei Yiming.

Because his car wasn't parked very far from the man.

Seeing him walk over, Lei Yiming smirked, "So you're Li Hang."

"If you kneel and kowtow to me, I'll forgive..."

Before he could finish, Li Hang sped past him.

"Trying to run?" "You're too late!"

Lei Yiming reached out to grab Li Hang's arm.

Instead, without even turning, Li Hang pulled onto the man's arm and gave it a strong twist!

"Arghh!"

A scream.

Before Lei Yiming could even do anything, his right arm had been rendered useless by Li Hang!

Chapter 153 Pack Them Up As Souvenirs

Seeing what just happened, Lei Wuyi let out a roar. A knife slipped out of his sleeve.

The ferocious blade flashed in the air.

In full confidence, Lei Wuyi swung the blade towards the back of Li Hang's head.

It was almost there!

Nearly there!

Seeing how Li Hang was about to die by his knife, Lei Wuyi could picture the man's head falling off his body with blood spewing out.

However!

The blade was stopped.

Two fingers!

Two fingers vividly appeared within Lei Wuyi's sight.

Li Hang had used two fingers to catch a knife that could even cut through a steel pipe!

The fingers flicked slightly.

Clang!

The knife instantly broke!

But the two fingers were still there!

Holding on to the broken blades, they moved as if drawing a half-moon in the air.

"Ugh!"

Lei Wuyi suddenly became still.

Then he felt something on his throat!

Fsshhh!

Scarlet blood sprayed out of his throat!

It spewed as far as 3 to 4 meters - like a garden hose!

Li Hang continued to walk without turning.

His wife was waiting for him in the spa; nobody was going to stop him!

He'd kill anyone who got in his way!

"My dad won't let you go. You're dead!"

"I'll kill you! I'll kill your whole family!"

"I'll rip out all your fingers and toes, then feed them to the fishes..."

Li Hang had already walked to the side of the car. He lightly flicked a finger.

The broken blade flew through the air like a shadow.

Chapter 154 Does It Hurt

Xu Muqing was very nervous. It was her first time visiting a spa.

But what made her nervous wasn't the environment; rather, it was what Xu Haoran had said to her earlier.

While Xu Muqing was distracted by her own thoughts, a pair of large hands held her by the wrists, leading her into a private lounge.

The room was humongous.

It was the size of 4 to 5 classrooms.

The lounge was beautifully decorated, and equipped with many entertainment facilities. There was even a TV.

Li Hang led Xu Muqing over to a table. They both sat down.

The room was especially warm.

Xu Muqing had only walked a short distance, but she was already sweating.

The pearls of sweat made her fair, delicate skin look even more charming.

Chapter 154 Does It Hurt

With a tint of red on her white skin, her face looked like a ripe peach.

Any man who saw her would want to kiss her.

Li Hang was the only other person in the room.

He was resting his chin on both his hands, glancing at Xu Muqing with a smile.

The woman's heartbeat accelerated.

The clothes she was wearing were especially thin.

After being drenched in sweat, her exquisite figure was made visible to Li Hang.

"Let's soak over there," she suggested. She couldn't stand the way Li Hang looked at her.

"Sure!"

According to Xu Muqing's logic, her body shape wouldn't be easily seen if they were in the water.

But she was wrong.

Because they'd have to remove their clothes.

Although she had already prepared swimwear.

But for some reason--it could have been planned by that brat Xu Haoran--it wasn't in the size she had asked for.

The swimsuit was especially tight.

While Xu Muqing was still contemplating whether to take off her clothes, Li Hang had already started to remove his.

Upon seeing his back, Xu Muqing was shocked.

Scars!

Horrifying scars covered his back like a bunch of snakes.

Among them, there was one that was over 10 centimeters long!

At that moment, Xu Muqing's heart shook.

She approached slowly, gently resting her slender hand on Li Hang's back.

Chapter 154 Does It Hurt

She had never seen scars like these.

It was even harder to imagine how he even received those injuries.

"Does it hurt?"

Xu Muqing asked broodingly.

Li Hang froze for a moment, then replied coolly, "It doesn't."

Xu Muqing only just realized how much suffering Li Hang had gone through after they had parted years ago.

She stretched out her arm and tightly embraced Li Hang's broad, strong back.

The steam in the room caused a thick haze.

In the midst of this daze, Li Hang said, "Darling, the button on your shirt is digging into my skin. You mind taking it off?"

"OK." Xu Muqing responded.

The sounds of rustling followed as she took off her shirt.

Chapter 154 Does It Hurt

Li Hang added, "Darling, I'm suddenly feeling a bit cold. Can you hug me tighter?"

Without a word, she shortened the distance between their bodies even more.

"Darling, my lips are a bit dry."

"I'll get you some water." Xu Muqing replied.

"The water's too far away. I need some right now. Why don't you just use your lips?"

Li Hang turned to look down at Xu Muqing, whose eyes were already in a daze.

Using his two hands to cup his wife's exquisite face, he slowly lowered his head.

Bang!

The door had been flung open.

"Brother-in-law, Sis, I'm here!"

Chapter 155 Glory To The Family

Xu Haoran yelled as he rushed in.

Xu Muqing was so shocked that her first instinct was to shove Li Hang away.

Causing him to stumble and fall into the water.

Not long after, the sounds of Xu Haoran screaming in pain could be heard from the lounge.

"Brother-in-law, I'm sorry!"

"Brother-in-law, please stop hitting me!" "Not the face! It's swelling up!"

All that frolicking caused the fogginess to intensify.

Meanwhile, Xu Muqing's gaze towards Li Hang also became increasingly dreamy.

Miao Family house, Sheng City.

Just over an hour ago, Miao Le had annexed a small clan by force.

Chapter 155 Glory To The Family

To celebrate his gains, he had called some of his immediate family members over to the manor.

Tonight, they were going to have a grand party.

Firstly, to celebrate their family's soon-to-be status as Jiang Province's top clan.

Secondly, to butter up Lei Yiming.

Very soon after, the Miao relatives had taken their seats and began chattering away.

The family's younger generation was full of energy.

All they talked about was how to earn money. How to buy sports cars, how to hit on celebrities, and how to sleep with models.

As Miao Le came downstairs, all the guests showered him with compliments.

"Brother Le, you're our clan's hero!"

"If we keep up this momentum, we won't just be Sheng City's top clan; even becoming the

"Brother Le, you're a genius. We younger ones are so envious of you."

"From now on, whether our clan flourishes or not will depend on Brother Le."

"I propose we all stand and give a toast to Brother Le."

Just as the guests began to cheer, the housekeeper ran in.

"Master, Chief Lei is here."

Hearing of Chief Lei's arrival, Miao Le was excited beyond anything.

This was the best opportunity to butter the Chief up!

Miao Le knew Lei Wujia was just like his son; they both enjoyed women who were slightly older.

The Miao Family was not short of such women.

Chapter 155 Glory To The Family

There were many charming women attending tonight's banquet.

Miao Le excitedly welcomed Lei Wujia in.

Such vigor!

Such smugness!

That man was Lei Wujia!

The man looked at everything around him with contempt and spoke to Miao Le.

"Someone told me that my son is here."
"Where is he?" "Get him out here now."

Hearing that, Miao Le smiled inside.

Having Lei Wujia show up here had increased the prestige of the Miao Family. Many people were now starting to pay more attention to them.

At the same time, Miao Le also secretly decided that he would wait for an opportunity to ask who it was that mentioned this to Lei Wujia.

He would take the initiative to thank them,

Chapter 155 Glory To The Family

exchange some polite greetings, then befriend them.

Miao Le smiled, "Young Master Lei and Mr. Lei Wuyi are currently in Ning Province settling some matters. Looking at the time, I suppose they'll be back very soon."

"What did they go to Ning Province for?"

Before Miao Le could answer, someone rushed in.

"Master, we've received two large items via express delivery."

Oh, someone even took the initiative to send a gift?

What a great day!

Someone must have known there was going to be a huge celebration tonight, so they had decided to send some gifts over.

To show off his status to Lei Wujia, Miao Le quickly ordered, "Bring the gifts in."

Two long, wide wooden boxes were carried into the area by quite a few men.

Chapter 155 Glory To The Family

Many guests were surprised to see gifts of such a size.

"Two huge boxes? They look really heavy. Are they filled with banknotes?"

"I'm guessing its gold."

Everyone discussed among themselves as the courier men placed the items on the ground.

They handed the housekeeper a delivery receipt.

She noticed what the receipt said: 'Ning Province Local Specialty'.

Chapter 156 Gifts Inside The Coffin

Before waiting for the housekeeper to speak, Miao Le had his men open up the boxes.

The guests watched in anticipation as the covers were slowly lifted.

Yet, inside the boxes were neither cash nor gold.

They were two coffins!

"W-w-w-what is this!?"

Miao Xiaodong jumped in shock while next to Miao Le.

Miao Le was nervous inside, but he immediately let out a laugh and explained to everyone.

"My friend sure loves playing sick jokes, sending me coffins like this. But you know the saying: there's no land without stones, no meat without bones. Maybe that's what he's trying to say."

Hearing that, the guests clapped. "He's right - no good will comes without suffering first!"

"In that case, the coffins must be filled with

Chapter 156 Gifts Inside The Coffin

things like cash and gold!"

"Brother Le, hurry up and open them!" "Let us have a look too!"

With a smile, Miao Le ordered his subordinates to open up one of the coffins.

Money?

Gold?

None of them!

When everybody saw what was inside the coffin, they were frightened beyond belief!

Because in there was a dead body!

Upon seeing the corpse, Lei Wujia let out deafening roar.

"Brother!!"

He rushed towards the coffin and touched Lei Wuyi's body. It was already ice cold.

A deadly aura exuviated from Lei Wujia's body - one that no one had ever felt.

Chapter 156 Gifts Inside The Coffin

The guests who were just then full of smiles and laughter now felt like they had just been trapped in a freezer.

They felt chills down their spines, and their feet felt icy.

What was once a noisy banquet became completely cooled in an instant!

Everybody shut their mouths and said nothing.

"You! Get over here!" Lei Wujia pointed at Miao Le.

It was just one finger, but Miao Le felt like both his legs had given out. He couldn't even stand properly.

Then appeared Lei Wujia's second brother, Lei Wubing - the third son in their family.

He grabbed Miao Le by the throat and pressed him onto the other coffin.

"Open up this coffin."

Lei Wujia sounded completely solemn.

The atmosphere felt even chillier.

Lei Wuyi, who was in charge of looking after his son, laid in the coffin behind him.

So, who was inside the next coffin?

Despite being scared to death, Miao Le slowly opened it up.

The moment he lifted the cover, he immediately shut it.

Bang!

Miao Le was so terrified that he plopped to the ground and a puddle formed at the upper area of his pants.

I'm screwed! I'm finished!

The person inside that coffin wasn't just anybody.

It was Lei Yiming!

Lei Wujia picked Miao Le up from the ground and grabbed him by the throat.

"Who did it?" "Who killed my son and

brother?"

Miao Le had never expected that someone as powerful as Lei Wuyi would end up getting killed by Li Hang.

Nor did he expect that Li Hang would be this daring.

Lei Yiming was Lei Wujia's son.

In the whole of Jiang Province, anyone who dared touch Lei Wujia's son had but one consequence.

And that was death!

In this frantic situation, Miao Le cried in a panic, "It was Li Hang!" "It has to be Li Hang!"

"Who is Li Hang?" "Tell me!" "Who is he!?"

Lei Wujia's rage had completely let loose.

Each word he said exploded out of his mouth.

"If it weren't for you, why would my son ever go to Ning Province?"

"How would he ever know of this man called Li Hang?"

"If you had nothing to do with all this, why would Li Hang send two coffins over to your place?"

The sounds of bones breaking.

Chapter 157 Digging Your Own Grave

Lei Wujia had snapped Miao Le's neck.

At that moment, he was like a beast that had gone mad.

His eyes were filled with pure rage.

Miao Xiaodong, who was at the side, stepped back in shock.

As he saw Lei Wujia's gaze turn to him, he immediately shouted, "It has nothing to do with me! All of this really has nothing to do with me!"

Lei Wujia eyes scanned the entire room. He let out a cold smile, then turned to walk out the door.

Seeing the man leave, everyone including Miao Xiaodong breathed a long sigh of relief.

They rejoiced because the only one who died was Miao Le; they had nothing to do with him.

But suddenly, Lei Wujia's voice was heard from outside the door.

Then came a knock on the door.

Xu Haoran's voluntary reflex caused him to stand up. He thought of answering the door.

Instead, Li Hang slowly got up.

Then, he closed the door and walked out.

Xu Haoran was tongue-tied. "Sis, look. He left once she showed up. Surely there must be..."

Yao Ruonan was afraid!

Clenching her fists, her entire body was as tense as a bowstring.

Yao Ruonan and Tian Mingqiang dumbfoundedly shook their heads.

Yao Ruonan and Tian Mingqiang were even more stunned.

The blast caused Li Hang's sleeves and hair to curl up.

Yet, he maintained a calm composure.

The explosion of the car in front caused the entire convoy to stop simultaneously.

At once, the men inside the vehicles swarmed outside like ants!

They looked like beasts that had been starved for days. Each of them had a bloodthirsty look in their eyes!

They were Lei Wujia's immediate subordinates - a terrifying pack of wolves!

Chapter 159 Battle Cries

The waves of pressure that formed when they stood together made it difficult to breathe!

Among the crowd, two rows of people made way.

And Lei Wujia appeared.

He was somber; haughty!

He stood in front of his army, coldly staring at Li Hang.

"Who are you?"

"The one you're looking for."

Li Hang looked so collected as if there wasn't a vicious tiger standing across him.

He made it seem as if the man in front of him was a mere kitten that had just learned to walk.

Lei Wujia glared at Li Hang. His eyes were on fire.

Like a powerful ripple of waves, he shouted, "You're the one who killed my son and

brother!"

A corner of Li Hang's lip curved. "They deserved to die."

"They came looking for me just after hearing others spew some nonsense."

"When they found me, they were just like how you are right now."

Hearing those words, Lei Wubing, who was right next to Lei Wujia, yelled, "You wanna die!?"

A knife was already in his hand!

As he shouted, he charged over.

"Wubing, don't kill him. I want to deal his finishing blow myself!"

"Don't worry, Brother. I'll..."

Bam!

Before Lei Wubing could finish, Li Hang flashed in front of him.

Lei Wubing flew into the air.

As he began to descend, Li Hang made a spin and landed a kick on the man's chest.

Lei Wubing flew backwards like a cannonball!

He flew past Lei Wujia!

He crashed into their car!

No signs of breathing.

Lei Wujia was dumbfounded. He's strong!
He's fast! He's insane!

The man stared at Li Hang with rage. "No wonder you're this cocky. You've got some skills."

"But, do you think you can handle my hundreds of men alone?"

"Know your own limits! Die!"

Under Lei Wujia's orders, several hundred men swiftly began their attack!

The wolf pack was on the move!

Howling and waving their weapons as they ran, the men looked extremely menacing.

They wanted to beat Li Hang to death and tear him into pieces!

In less than a blink of an eye, the men had surrounded Li Hang. They swung their weapons towards him.

"Kill!"

Battle cries!

Chapter 159 Battle Cries

Boom!

"Arghh!"

Suddenly, someone in the crowd flew out, followed by another.

The sound of explosions kept coming like firecrackers.

As the sounds continued, people continued to fly.

It was an ambush!

A knife came from a gap between two men, heading straight for Li Hang's back.

Clang!

The knife broke.

An arm broke.

A few men swung their baseball bats at the same time.

Crack! Crunch! Snap! The bats were all broken!

Chapter 159 Battle Cries

Along with their arms!

The wolves were slowly declining in number.

Initially, the battle cries of over 400
belligerent men could be heard.

But now, they were lying all over the
roadside.

Li Hang's view was no long obstructed. He
smiled as he gazed at Lei Wujia standing in
front of him.

No scorns, taunts, or disdain; none.

Li Hang merely looked at Lei Wujia with a
mundane expression.

But it was this mundaneness that made Lei
Wujia feel humiliated!

Who was he?

He was Lei Wujia!

He was king of the underground world, and a
king should never be looked down on!

Chapter 160 Untouchable

At last, Lei Wujia let out a loud roar.

All his rage spilled out.

Thud! Thud! Thud!

Lei Wujia ran like a maniac.

Every footstep he made on the ground let out a heavy sound.

He was imposing and untamed - full of murderous intent!

When the man bent his right hand, crackling noises resonated in the air.

His muscles expanded rapidly, and with extreme vigor and unshakable momentum, he threw his best punch at Li Hang!

Bam! The sound of a thump!

He flew! Lei Wujia flew!

He had charged ahead furiously at first, but now looked like a kite with a broken thread, flying backwards.

He crashed onto a car and dented half of its

body!

Then, Li Hang moved.

He took a step forward.

His toes touched the concrete floor.

In that instance, there was a light crushing sound. The cement floor cracked and sank!

It completely chapped! Just like a spider web.

Whoosh!

A shadow zoomed towards Lei Wujia.

The man had just gotten up from the dented car, and his pupils dilated instantly.

Before he could take a proper look at the figure in front of him, he felt a heavy blow on his head.

Bzzzzh...

He couldn't hear anymore!

Lei Wujia's head was filled with the sounds

of buzzing, like a swarm of bees.

While all he could see in front of him was Li Hang slowly lifting his right hand.

The hand looked like clouds rolling in a blue sky, soft and slow.

Li Hang's hand landed on Lei Wujia's chest, slowly and gently.

Bam!

Something flew!

Lei Wujia remained still.

But it was as if the SUV behind him had been hit by a heavy truck. It flew sideways, flipped continuously and landed in a field tens of meters away!

"Cough, cough cough!"

After a couple more coughs, Lei Wujia's two legs gradually turned into jelly. He knelt in front of Li Hang.

As he lowered his head, blood trailed out of his mouth and his eyes slowly began to

At this very moment, the entire place was dead silent!

The underground ruler--Lei Wujia--had died!

Right then, all who were still alive had but one thought.

Ning Province is forbidden territory!

Li Hang is untouchable!

"What?" "Wiped out!?"

In the Su Family villa, Su Zhengguo was so shocked that he jumped up from his couch.

"How is this possible?" "That man was Lei Wujia!"

"How could the underground ruler, who still struggled against Master Dao, lose in a small place like Ning Province?"

The housekeeper stood there not knowing what to say, because the facts had been laid

"Lei Wujia and his brothers are all dead."

"He had brought 400 men - all of whom ended up as corpses on the road."

"Those who survived would shudder and turn pale at the mention of Ning Province."

Hearing that, Su Zhengguo grabbed his teacup and hurled it onto the floor. "I can't accept this! I want Li Hang dead!"

Su Zhengguo's face turned increasingly dark.

He couldn't wait to tear Li Hang's body into pieces.

He immediately ordered his housekeeper, "Go to Huang Hai Province at once, and look for the family of Lei Wujia."

"Tell them that Lei Wujia had died in Ning Province."

"If they are brought in, Sheng City will be turned upside down."

"When that happens, the Su Family business will be affected too."

Su Zhengguo replied solemnly, "That is nothing compared to having lost my grandson to Li Hang. I must have my vengeance!"

Ning Province, Li Hang's training ground.

Ever since they had experienced how well Li Hang could fight, Yao Ruonan and Tian Mingqiang had decided to join Li Erniu's training team.

The two women, Yao Ruonan and Chen Guo, became a pretty sight to see among those rough men.

But Li Hang never treated them as women during their training.

The difficulty of their training was the same as everyone else.

After Yao Ruonan and Tian Mingqiang had started to train under Li Hang, they began to understand why Li Hang's subordinates were all so good in fighting!

They kept pushing their limits on the training ground for five continuous days.

Until the news came from Sheng City that Master Dao had awoken.

Yao Ruonan was hoping that Li Hang could return to Sheng City with her.

But he refused.

Li Hang wanted to be like Xu Haoran now- a hopeless person without any ambition. He just wanted to stay beside his wife everyday.

Since the day Xu Haoran found out what had happened in the sauna, few days had passed by yet Xu Muqing still couldn't find the courage to face Li Hang.

Li Hang was like a "Hanhao bird" every night. He shrank his body at the corner and kept complaining that the cold wind was killing him.

But Xu Muqing just ignored him no matter what he said.

These two days, Li Hang had been cracking his head thinking about how to win his wife back.

That's the reason why he didn't have the mood to settle the trivial matters in Sheng City.

Li Hang met Xu Haoran at the lobby of the Lingxiao Group building.

The idiot brother-in-law Xu Haoran waved his hand and yelled at Li Hang from afar, "Brother-in-law!"

Li Hang was lazy to entertain him and simply turned to enter the lift instead.

Xu Haoran quickly ran towards him and pulled his hand, "Brother-in-law, I noticed that my sis was ignoring you these two days."

"You must be feeling lonely now."

"Do you feel like a stray dog or cat that was abandoned?" "Are you...."

Before Xu Haoran could finish, Li Hang immediately turned to look at him and said, "Let me ask you this. When a man and a woman are enjoying themselves on the bed, it is called getting laid."

"What about two men enjoying themselves on the bed, what is it called?"

Xu Haoran paused for awhile.

But suddenly Li Hang scolded him, "Begone!"

As soon as he finished talking, the elevator door opened.

Li Hang walked into the lift immediately while Xu Haoran followed him with a cheeky smile.

"Brother-in-law, Brother-in-law, let me tell you- a woman must be coaxed."

"If you do it right, not only you can get laid."

"You can even get all kinds of other 'benefits!'"

Before Li Hang opened his mouth, Xu Haoran moved closer to his ear and whispered.

"My sister is a sentimental person. If you want to make her happy, the best way is to write her a love letter."

While he was talking, Xu Haoran took out a paper from his pocket.

"Brother-in-law, I've prepared the love letter for you. Let me read it out loud for you."

Xu Haoran started to read the love letter in

an affectionate manner.

"Ever since I have met you for the first time, I couldn't control myself but fall for you....."

"Slap!"

Li Hang gave him a slap on his mouth.

"Brother-in-law, why did you slap me?"

Li Hang said lightly, "There was a mosquito."

Xu Muqing came out from her own office.

When she passed the small office where Li Hang used to goof about, she found out that he was not in. She couldn't help but frown her beautiful brows.

Xu Muqing went to ask Zhang Xiaoping if she had seen Li Hang but Zhang Xiaoping shook her head.

Speaking of Li Hang, it had been three days since Xu Muqing last spoke to him.

First of all, she was always busy at the office.

Chapter 161 Girls Are Meant To Be Coaxed

On the other hand, she felt shy to face Li Hang as Xu Haoran had ruined her plans the other day.

She could feel her face become warmer as she thought about that incident.

Suddenly Zhang Xiaoping shouted, "Mr. Li!"

Xu Muqing turned her head and saw Li Hang coming from not far away.

She wanted to greet him but Li Hang ignored her like she was not there. Instead, he asked for a few pieces of paper and a pen from Zhao Xiaoping.

After that, Li Hang went inside his small office room and started to write something attentively.

Chapter 162 A Deep Kiss

Xu Muqing stood in front of the door in confusion. Every now and then, she would tip her toes and look inside his room.

But she couldn't read what Li Hang was writing because it was too far.

Zhang Xiaoping whispered to Xu Muqing in a smiley face, "Ms. Xu, if you are really curious, why don't you just go to Mr. Li and ask him directly?"

Xu Muqing hesitated for a while and walked to Li Hang, "What are you doing?"

Li Hang didn't look at her, "I'm writing a love letter."

Love letter? Xu Muqing was shocked!

Who was the love letter for?

Was it the pretty woman from Sheng City?

Xu Muqing asked softly, "Who is the love letter for?"

"I'm writing it on behalf of Haoran."

"I see." Xu Muqing felt relieved instantly.

Chapter 162 A Deep Kiss

Soon, Li Hang finished the love letter.

The paper was filled with Li Hang's brawny but neat and pretty handwriting.

Li Hang passed the love letter to Xu Muqing, "You read the letter for me."

Xu Muqing started reading without a second thought since it was just a love letter written on behalf of Xu Haoran.

"Our hearts are like a circle."

"Because the eccentricity value is always a zero."

"I miss you like the repeating numbers."

"Which keep repeating again and again, with no regrets."

"We are like the parabola. You are the focus and I'm the directrix."

"The more you miss me, the more intense my thoughts about you....."

Xu Muqing was lightly touched by what she had read.

She didn't expect that Li Hang could write so well.

Even though they were just ordinary words, but when they were combined together, it brought a deeper layer to it.

Xu Muqing continued to read the letter and let out a sudden laugh.

"Fine. Actually I copied the poem from somewhere else"

"And that is exactly why my heart and mind are tangled now."

"All kinds of big promises are meaningless if they are just words without action."

"Actually, I envy those couples who stay together for their whole lives."

"Wherever one goes, another follows. Year in and year out."

Her eyes were teary as she looked at Li Hang when she reached this part.

Because she was touched.

Chapter 162 A Deep Kiss

Xu Muqing even imagined how nice would it be if the love poem was for her!

She continued to read the letter while her heart was still touched by the words.

"There are three words I find difficult to say out loud. Not because I am weak, but it is because the most beautiful things should be kept in the heart."

"Hold it nicely, feel the warmth and think of it from time to time."

"Spring- I travelled into your dreams following the wind."

"Summer- lightning fell from the sky and scared away all the surrounding ghosts."

"Autumn- the rain started to moisturize your heart."

"Winter- weaved a plain world for you."

"Li Hang, I love you....."

Xu Muqing read the letter until this part and she was instantly choked.

Chapter 162 A Deep Kiss

It was then she finally realized that she had fallen for Li Hang's scheme!

When she lifted her head to look at Li Hang, he had already opened up his arms and pulled her soft body into his embrace.

He then lowered his head to look at her. There was great affection in his eyes.

"Xu Muqing, I love you too." said Li Hang in a deep, magnetic voice.

The love letter slowly fell away from Xu Muqing's grasp as Li Hang held her tightly in his arms.

There was no place for even a thin paper between them.

Li Hang lowered his head.

His thick lips slowly got closer to hers.

Finally, they reached her moisten lips.

It was a deep kiss.

So deep that Xu Muqing felt a little dizzy.

Xu Muqing felt like she almost melted and merged with Li Hang's body so that they could no longer be separated.

Zhang Xiaoping, who was standing at the entrance all this while, closed the door quietly.

Her eyes were filled with heart shapes.

That was so touching!

But Zhang Xiaoping was shocked when she turned her head around.

She didn't notice that Xu Haoran was standing behind her all this time with a notepad and a pen in his hands.

When Zhang Xiaoping wanted to say something, Xu Haoran immediately stopped her by covering her mouth.

He whispered, "Sssshhhh... Don't scream, don't scream. If we disturbed my brother-in-law's plan again this time, I'm afraid he would turn us into bacon."

Zhang Xiaoping was curious about what Xu Haoran was writing in his notepad, so she

He laughed, "Xiaoping, how about you and I....."

"No way. You are not my type."

Zhang Xiaoping walked away instantly.

Xu Haoran leaned against the wall helplessly and began to sing as he looked at Zhang Xiaoping's leaving shadows.

As soon as he saw Tian Yidao, Tian Mingqiang immediately shouted, "How presumptuous!"

"Tian Yidao, what makes you think that you can sit on that chair? Remove yourself from the sofa now!"

Tian Yidao smiled coldly, not moving an inch.

He then looked at Tian Mingqiang and said lightly, "Many years ago, when I was just starting to follow Master Dao, he told me something."

"Even if something has really happened to Master Dao, the Golden Knife Club will belong to Ms. Yao, not you."

"What does it has to do with an outsider like you?"

"Don't blame me for being rude if you insist on sitting on the sofa."

Tian Yidao put his knife on the coffee table and then looked at Tian Mingqiang with a cold smile.

"You want to be rude to me? Who do you think you are?"

"You think that you are really one of the Four Kings of the Sheng City? You are nothing without Master Dao's protection."

Upon hearing this, Tian Mingqiang couldn't tolerate anymore.

He roared and ran towards Tian Yidao with his fists ready.

Chapter 163 Die Here

When Tian Mingqiang waved his fists towards Tian Yidao, he was slightly surprised.

He found that Tian Mingqiang's speed was faster than before.

But even so, Tian Mingqiang was no match for him.

When Tian Yidao slightly moved his body to avoid Tian Mingqiang's punch, he simultaneously pulled out his knife with his right hand.

The knife swished and cut towards Tian Mingqiang's neck in the blink of an eye.

However, the result Tian Yidao had expected didn't occur.

There was no solid feeling coming from the edge of the knife.

Tian Mingqiang had successfully avoided his attack.

Tian Yidao looked at Tian Mingqiang in surprise.

Chapter 163 Die Here

He wondered what had happened to Tian Mingqiang.

"It is only a few days since we last met, but the time length of your response has improved a great deal."

But Tian Yidao was not the only person who felt that way. Even Tian Mingqiang was surprised by his improvement.

He didn't expect that the attack would have missed him.

But his body had avoided the knife automatically.

In Tian Mingqiang's mind, he knew that he was saved by Li Hang!

Chapter 164 Extend Right Hand

As he was talking, Tian Yidao held his knife and walked towards Tian Mingqiang step by step.

Tian Yidao looked like the Grim Reaper from hell whose job was to collect souls.

His knife was full of a deathly breath.

The closer he was, the more Tian Mingqiang could feel it.

"Don't worry. You know my knife is always quick to kill."

"You will only feel pain for about one or two seconds when it cuts open your throat."

"After that, all you can feel is numbness in your whole body, blurry eye vision, and you will be sleeping in your own blood very soon."

Tian Yidao's strength made him feel extremely confident with himself.

Yao Ruonan and Tian Mingqiang were just two tamed sheeps in front of him. He could treat them in whatever ways he wanted.

Tian Yidao stared straight at Yao Ruonan.

His greedy eyes made her uncomfortable.

"I have always wanted to sleep with you since you were seven or eight years old. Do you know how long I have waited for this day?"

The smile on Tian Yidao's face was getting filthier as he continued, "I've placed the rose petals on my bed and sprayed some perfume as well. I'll give you a memorable first experience, hehehe....."

"Dream on! I will rather die than to be with you!"

"Hahaha!" "Your attitude is exactly what makes me like you so much. It must be really exciting when I press you on the bed and have fun with you later!"

"Look at your small waist and slender legs, as well as your breasts; they are perfect."

"I can't wait any longer!" Tian Yidao licked his own lips.

"Go to hell!"

Yao Ruonan was someone with a strong and stout character. As soon as her temper was provoked by Tian Yidao this way, she immediately held her fists and wanted to fight him.

Tian Mingqiang's phone rang.

If it was just a normal call, there's no way that Tian Mingqiang would pick it up at this moment.

But the ringtone indicated that it was a video call.

He immediately took out his phone and answered.

It was Li Hang's voice from the other side of the phone.

"Have you reached home?"

Tian Yidao's body trembled as soon as he heard Li Hang's voice coming from the phone.

Tian Yidao was Sheng City's second best master. But he was simply rubbish in Li Hang's eyes.

Yao Ruonan was already at the edge of eruption and Li Hang's encouragements had greatly increased her courage and confidence.

Suddenly, she yelled and ran towards Tian Yidao with her fists held tightly.

Tian Yidao gave out a cold laugh and his

"Lower your head. Squat your right leg."

As soon as she heard Li Hang's voice, Yao Ruonan followed his instructions immediately.

"Shoosh."

A swift and fierce gush of air passed by Yao Ruonan's face.

"Extend your right hand." said Li Hang when Yao Ruonan squatted down.

She immediately followed and grabbed Tian Yidao's wrist.

"Break it." Yao Ruonan was stunned the moment she heard these two simple words.

But Tian Yidao laughed loudly, "Her? She doesn't even.....ahhhh!!"

Something strange happened!

Yao Ruonan really broke his hand!

What had happened?

For the past few days, Yao Ruonan and Chen Guo had been tugging the two huge tires as part of their training.

At the same time, she was given a special training for increasing her arms' strength.

That was the reason why her strength had increased so much.

At last, Yao Ruonan understood that Li Hang had predicted there will be a fight between her and Tian Yidao.

Is he God?

He has predicted the fight for the coming days!

"Pull."

"Lift your leg."

"Kick."

Yao Ruonan successfully followed all the instructions given continuously by Li Hang.

And the parts that she kicked? It was a part that every man would feel pain by only

"Ah!!!"

What a loud scream!

Even Tian Mingqiang had to cover his own groin after hearing the scream.

A complete fiasco!

All Tian Yidao's reproductive abilities were basically damaged.

"Brother-in-law, time for dinner!"

Xu Haoran's voice was heard on the phone.

"Alright, it's time for my dinner. You guys can settle this piece of shit by yourself."

Yao Ruonan continued to attack after her first victory!

She punched him continuously!

Tian Yidao was punched like a sand bag. The only difference was it was his blood that splashed out instead of sand.

Chapter 165 Are You Asleep

"Woah, what are you watching, Brother-in-law? It's so bloody."

Xu Haoran sneaked up from behind Li Hang and wanted to have a closer look, but the video call had ended.

Li Hang clapped his hands, "It's not suitable for children." He then left to get his dinner.

As usual, Li Hang laid down at his corner after showering.

Xu Muqing had completed her work for the day and was ready to get some sleep.

Li Hang had taken quite an advantage of her at the company today.

Hence, he was well-behaved tonight.

The room went silent again after the light was switched off.

So quiet that even the sound of a dropping needle could be heard.

"Do you feel...cold?"

In the dark, Li Hang heard a voice as soft as

"If...if you feel cold, why dont you....." "Sleep on the bed?"

It was as though Xu Muqing was trembling when she spoke in her soft voice.

But as soon as she finished her words, she could see a shadow moving.

Soon enough, the blanket on the side was lifted up.

Someone rolled onto the bed and slept beside her.

Before Xu Muqing could react, Li Hang whispered beside her ear.

"Darling, you are so good to me."

The warm breath was on Xu Muqing's earlobe.

Chapter 165 Are You Asleep

Suddenly, she felt a wave of electricity that went through her whole body. She tingled.

Xu Muqing immediately buried herself in the blanket and rolled herself up like a spring roll. She even hid her head into the blanket.

"Don't you come closer. I only allowed you to sleep on the bed." "There will be a line between us. You can't cross the line without my permission."

"Oh, no problem!"

Li Hang answered her straightaway. There was a chuckle in his voice.

The room was silent again.

Xu Muqing suddenly noticed that her bed was very small.

She used to feel that her bed was quite big so that she could turn from side to side. She could even stretch her body on the bed.

But now, she felt that the bed had become so small that she would touch Li Hang's body if she turned over.

Chapter 165 Are You Asleep

Moreover, she could feel Li Hang's breath so close like he was just breathing beside her ear. She was quite nervous and her heart was beating like an excited deer.

A few moments later, Xu Muqing asked, "Are you asleep?"

There was no answer.

Xu Muqing felt relieved.

When she was about to relax her body and sleep, Li Hang suddenly replied.

"Are you having difficulties falling asleep? Do you want me to sing you a lullaby?"

Before Xu Muqing could answer, Li Hang had already started to sing in his gentle voice. And the song he sang made her face turns red.

"Darling be good. Fall asleep soon. I'll pat your back for you."

"Touch your legs and kiss your lips. We will fly together wing to wing."

But no one in the underground world of Sheng City felt relieved because of this.

This was because of the Wei Family!

The Wei Family was an extensive family from the North.

They had great influence in many provinces.

Other than that, the Wei Family was also the manipulator behind the Lei Brothers.

The housekeeper sent by Su Zhengguo had completed his tasks perfectly.

Wei Family had sent their family's rising star Wei Hanchao and his subordinates, together with a few family's top masters, to the Sheng City.

The situation would not be so overwhelming if the men they sent were merely ordinary masters.

But among the masters, there was one who was really strong!

Wei Jiaoyang!

He was the top three in the Wei Family's top ten masters list.

Chapter 166 Impossible To Find Even With Lanterns

When Wei Jiaoyang was younger, he had been trained professionally in the military.

He fought wolves and other beasts for food when he was in the Siberian Plateau.

He even survived the harsh environment that was tens of degrees below zero!

There were only two men who could match up with him in the whole of Jiang Province.

One of them was Boss Tiger who had already left the underground world. And another man was Master Dao who had just recovered!

Sheng City, Su Family's old mansion.

Wei Hanchao was sitting on a sofa.

On his left and right were two pretty women from the family who were now cuddling on him.

Other than the confident smile on his face, there was also a sense of madness originating from a huge family!

He stared at Su Zhengguo, "Master Su,

there's only four families left among the Six Prominent Families."

"All the Miao Family's and Huang Family's properties will belong to me."

Su Zhengguo nodded and said, "No problem. As long as Young Master Wei could help me kill Li Hang."

"Then the two family's properties will be fully under your name."

Wei Hanchao smirked, "Your villa seems nice. I like it. Give it to me as well."

Su Zhengguo's expression changed a little, "The villa was given by my grandfather. It is quite an old building. If you don't mind, I have another villa....."

"Boom!"

The sudden loud noise scared Su Zhengguo greatly.

With just one step, the marble floor was broken into pieces under Wei Hanchao's foot.

Chapter 166 Impossible To Find Even With Lanterns

He was like an angry wolf staring at Su Zhengguo with his greedy eyes.

"Master Su, I don't like to repeat myself."

"You either give me the keys now, or I'll take it from your dead body."

Barbaric!

Domineering!

Greedy!

This was Wei Hanchao!

At the same time, Boss Tiger was in a high class restaurant.

Li Hang and Xu Muqing had already become the restaurant's regular.

Not only because the restaurant was closer to their office, more importantly, they always got a 40% off for their bill.

Li Hang looked at Xu Muqing with a smile.

"Why are you looking at me like this?" Xu Muqing became embarrassed from Li Hang's

staring.

Whenever the naughty Li Hang looked at her with his non-concealed gaze, it always reminded her about the intimate moment between them.

"My wife is not only pretty, gentle and kind; she is also hardworking at work and leads a good family life. Where else can I find such a virtuous wife? I can't find one even when using lanterns."

Xu Muqing tried to ignore him, "Eat your food now otherwise they will turn cold soon."

Li Hang grabbed a few bites but all of a sudden, nature called so he went to the toilet.

As soon as he had left, another man walked up from the side and sat on Li Hang's seat.

Xu Muqing paused for a while when she saw someone seating on his chair. She then greeted the person politely.

"Good afternoon, Boss Tiger!"

Boss Tiger looked at Xu Muqing and smiled kindly.

"Ms. Xu, sorry to interrupt."

"Mr. Li had helped me a great deal previously."

"As a token of my appreciation, I would like give you a film and entertainment company from the Sheng City as a gift."

Xu Muqing immediately waved her hands, "No, no, no, Boss Tiger. You don't have to!" "It

is too valuable, we can't accept it."

"Ms. Xu, I have given away most of my properties in Sheng City."

"I was thinking to lease the company as well until I found out that Lingxiao Group is planning to involve in the entertainment business."

"I want to give the company to you."

"But I don't think it is a good idea to just take it from you." Xu Muqing paused and continued, "How about you give me a price and I'll discuss it with my father?"

"Ms. Xu, I don't need any more money." "Plus, I was hoping to improve our family's relationship with yours. This company will be a witness to our friendship."

"But....."

While Xu Muqing was still hesitating, Li Hang spoke from behind.

"Since Boss Tiger wants to give it to you sincerely, why don't you just accept it?"

Chapter 167 What If I Call You Darling

Boss Tiger's heart pounded when he heard Li Hang's voice.

Nervousness!

He never expected that Li Hang would return so soon!

Boss Tiger immediately stood up and returned the seat to Li Hang.

"Tiger, just cut to the chase next time. I don't like people who beat around the bush."

"Sure, sure."

Cold sweat started to appear on Boss Tiger's forehead.

Even though Li Hang spoke in normal pitch, Boss Tiger could feel the intention to kill behind his words.

He knew very well that all he needed to do was to convince Xu Muqing. As long as Xu Muqing had agreed, Li Hang wouldn't say no.

But at the same time, Xu Muqing was Li Hang's only concern.

Li Hang asked, "Where is the company located?"

Boss Tiger quickly told him the address and Li Hang started to smile upon hearing it.

"The Golden Knife Club must be just beside the address you mentioned just now, isn't it?"

Boss Tiger lowered his head immediately. His sweat dropped from his forehead to the ground.

"Clack."

"Clack."

Li Hang lifted his finger and knocked twice on the table lightly, "Only this once. Never do this again. Off you go."

Boss Tiger felt like he had just received amnesty and quickly walked away.

Xu Muqing looked at the back of Boss Tiger who left in such a hurry and talked softly to Li Hang, "Can't you be nicer to the elderly?"

Chapter 167 What If I Call You Darling

"Yes, my darling."

She pursed her lips, "Don't call me darling."

"Then.....Let me call you in another way?"

The corner of his mouth raised.

He purposely moved his face closer to Xu Muqing and said intimately, "How about I call you pumpkin?"

Yucks!

Xu Muqing's body was covered in goose bumps when she heard the word!

"I..... I think 'darling' is better."

"Yes, my darling."

"No problem, my darling."

.....

Wei Hanchao had just finished enjoying the two pretty women on Su Zhengguo's huge bed.

He then snuggled into his pants and buckled

his belt. When he walked down from the staircase, he waved at Wei Jiaoyang and said, "Let's go!" "Let's take down the Golden Knife Club!"

At the moment, everyone in the Golden Knife Club was preparing to be faced with a great enemy.

Although Master Dao's injuries from the sneak attack of Tian Yidao were recovered, he was still too weak to fight.

Chapter 168 Save It For Tonight

And now, he was sitting on his sofa like an old injured lion.

Even though his face looked tired and his body had lost some weight, his eyes were still sharp.

The beast might have grown old, but a king's spirit would always be within him.

There was a knife on the coffee table in front of Master Dao.

It was a Pudao knife.

On the outside, it was just normal and simple-looking.

It had a dimmed color from its blade to the handle and to the scabbard.

However, it had a name that terrified everyone in the Jiang Province's underground world. It was called "The Golden Knife".

Yao Ruonan and Tian Mingqiang stood at each side of Master Dao.

There were several elites of the Golden Knife

Club standing in the hall now.

Everyone was holding up their weapons while waiting for the enemy to arrive.

The main door was kicked open, which followed with a loud noise.

Wei Hanchao led Wei Jiaoyang and a group of masters and swaggered into the hall.

"Where's Master Dao?" "Ask him to show himself."

The moment Wei Hanchao appeared, the whole hall was instantly filled with his arrogant voice.

Tian Mingqiang immediately yelled, "Are you blind?" "Can't you see that Master Dao is sitting right here?"

Wei Hanchao looked at Master Dao and laughed.

"I imagined somebody mightier than him. After all, Master Dao is the King of the Jiang Province's underground world. I didn't expect an old man who is already half-dead."

Chapter 168 Save It For Tonight

"You are asking for death!" Tian Mingqiang roared and charged towards Wei Hanchao.

His fists were like a strong wind that blew directly at Wei Hanchao's face.

However, before his fist could reach Wei Hanchao, Tian Mingqiang was stopped half way by a strong punch.

His body flew backwards and hit on the wall.

The punch was from a man beside Wei Hanchao.

He looked at Tian Mingqiang in disdain and remarked, "Such weak rubbish."

"I'll fight it out with you!"

Following Tian Mingqiang's roars, all the elites in the Golden Knife Club screamed and rushed out together with their weapons.

Both parties started to fight in the hall.

There were loud noises and blood could be seen everywhere.

But Master Dao sat quietly.

His gaze was fixed on Wei Hanchao and Wei Jiaoyang from the moment they came in.

The resplendent Golden Knife Club hall was dyed in fresh blood.

Both sides were in full swing.

At first, Wei Hanchao's side was losing until the three masters behind him started to fight together which resulted in Tian Mingqiang and Yao Ruonan getting injured.

One of the masters who had a knife in his hand almost cut through Yao Ruonan's throat.

"Wait!" "Save the pretty girl for me to enjoy tonight."

At the moment when Wei Hanchao finished his sentence, Master Dao suddenly stood up from his silence.

No one noticed when Master Dao picked up the Pudaο.

He moved.

Chapter 168 Save It For Tonight

The pressuring atmosphere caused everyone in the hall to suddenly stop their fights.

Both the enemy and the men from the Golden Knife Club felt the solidification of air that they breathed in.

Everyone turned to look at Master Dao.

He was already standing in the middle of the hall.

The three masters were surrounding him.

But it was as though they were transparent in front of him. Master Dao's gaze was still fixed on Wei Jiaoyang.

"Are you not joining?"

Master Dao asked in a hoarse and rough voice.

But every word he spoke was full of strength that was enough to pressurize everyone else.

Wei Jiaoyang smiled coldly, "I have heard of your Golden Knife from many years ago."

Chapter 168 Save It For Tonight

"But I have never had the chance to witness it until today. Why don't you show me what it is capable of first?"

As soon as he finished speaking, the three masters began to move simultaneously!

They attacked Master Dao from three different angles in three different ways.

It was at that moment, the knife was drawn out from its sheath.

"Clink--"

A deafening sound echoed across the hall.

And suddenly there was a golden light flashing in the air!

Although the three masters' bodies were still moving, their heads fell off from their shoulders.

They were dead!

Wei Hanchao was shocked that the three masters from his family were so easily killed in an instant.

"Not too bad, old man!"

"I guess 'treasured knife does not age' was referring to for someone like you."

Then, Wei Jiaoyang who was behind Wei Hanchao walked up to the front slowly.

With his hands clasped behind his back, he looked at Master Dao and said, "Now I

understand why it is called the Golden Knife."

"Unfortunately, you were exhausted by the fight just now."

"In addition of the injuries earlier, I guess both of your feet are stepping into the coffin now."

"All you need is my help to cover the coffin for you."

"Cut the crap! Come and fight!" Master Dao yelled.

They both started the fight simultaneously and suddenly there were flashes everywhere!

No one could see their movements clearly.

All they could feel was the deathly aura from the knives and the sound of their banging fists!

Before anyone could respond, both of them had already stopped.

Originally, Wei Jiaoyang's hands were behind

his back. But now they were both hanging aside.

He was facing Wei Hanchao while Master Dao was behind him.

All of sudden, Wei Jiaoyang rushed to Wei Hanchao and shouted, "Let's go!"

He immediately pulled Wei Hanchao away and left the hall.

But Wei Hanchao didn't understand what had happened, and he asked, "Why are we leaving?" "Hurry and kill the old man now!"

Yao Ruonan noticed that there was a pool of blood where Wei Jiaoyang had been standing.

The blood must be his!

He was hurt by Master Dao!

Before anyone could celebrate what had just happened, Master Dao suddenly swaggered and fell onto the ground.

"Grandpa!" In the hall, Yao Ruonan screamed in panic.

Master Dao was down.

He laid on the floor with his face pale and held Yao Ruonan's arm tightly. His hands were shaking.

"Ruonan, leave Sheng City immediately."

"Grandpa, I'm not leaving. This is my home. I won't leave no matter what. I won't leave you behind!"

Master Dao called Tian Mingqiang from his side, "Qiang, leave now with Ruonan. Go to Ning Province. Go to Li Hang."

"Master Dao, Wei Jiaoyang was hurt by you and he was gone. Why are we leaving now?"
"And you are still with us....."

Master Dao coughed severely before Tian Mingqiang could finish.

Patches of dark blood were coughed out.

Seeing that, Yao Ruonan and Tian Mingqiang were both shocked.

"What happened, grandpa?"

"I was pretending all these while so that Wei Jiaoyang couldn't notice my weakness. But I can't hold it anymore."

"Although he was hurt by me, his injury is not serious. He will recover very soon."

"When they return, it will be too late for you to leave."

"Go! Go now!!"

But no matter what Master Dao said, Yao Ruonan and Tian Mingqiang were still there beside him.

Even the whole Golden Knife Club's elites were standing there like a stake on the floor.

Everyone's focus was on Master Dao.

His body was straight and his eyes were firm!

Yao Ruonan led Master Dao to rest on the sofa and kneeled, "Grandpa, my life was given by you."

"If you didn't save me from the fire back then, I would have gone with my parents."

Chapter 170 You Are Not The Only Dog I Kept

The loud roar of determination was heard resounding in the room.

Streams of hot tears flowed down Master Dao's face as he stared at Yao Ruonan.

The man wiped off the darkish blood from the corner of his lips and said, "Great, as expected of my descendants!"

"We shall fight to all the very last breath!!"

As soon as Master Dao said that, Wei Jiaoyang's voice was heard from outside.

"I did not expect the respected Master Dao to play dirty!"

"Had I not reacted fast enough, I would have fallen to your dirty tricks!"

Wei Jiaoyang returned with his men.

Upon hearing that, Yao Ruonan stood up and yelled at Wei Jiaoyang, "If Sheng City's underground world is all you want, we will give it to you. Why must you go to the extreme to exterminate us?!"

Wei Jiaoyang replied coldly, "Young lady,

Chapter 170 You Are Not The Only Dog I Kept

don't you understand that there can only be one ruler in a kingdom?"

"As long as your grandfather is alive, Sheng City's underground world will never know peace. That is why everyone here must die!"

The second he finished his sentence, the elites from both sides stepped forward, ready to fight the inevitable battle.

In the car park outside Golden Knife Club, Wei Hanchao was sitting in his car feeling annoyed.

Two experts were standing beside to safeguard him.

Wei Hanchao wished he could enter the club to watch the battle. He wanted to see Master Dao got trampled by Wei Jiaoyang with his own eyes.

And Yao Ruonan running to him like a helpless puppy and knelt before him, begging for his forgiveness.

Right that moment, a white Benz drove up and parked across the street.

Chapter 170 You Are Not The Only Dog I Kept

Three people got out of the car.

The mere sight of these people turned Wei Hanchao's mood around and got him excited.

He was practically leaning on the window as he stared at Xu Muqing who had just gotten out of the car.

Wei Hanchao was so excited to see the three of them walking towards his direction that he reached for the door.

"Young master, you can't get out of the car." One of the security guards reminded Wei Hanchao quickly.

In one quick swing, Wei Hanchao slapped the guy's face hard.

"Yang Shanqi, you are just a dog I hired! How dare you give me orders like that!"

Yang Shanqi remained calm as he said, "Young master, you are not allowed to leave the car."

"Are you fu*king courting for death?!" Wei Hanchao was going crazy because he was

A naturally graceful and beautiful woman like that was rare, and Wei Hanchao was not going to let her go just like that.

"Fine. If I can't get out of the car, then the two of you must bring that woman over to me right now. I will have her right here in the car!" Ordered Wei Hanchao.

Unfortunately, the man who was in Wei Hanchao's way, Yang Shanqi, continued to shake his head.

"Young master, it's still early. Please keep it together for a little while longer. I'll get you the most beautiful consort from the club at nightfall."

"You have a death wish, don't you?! I am your master, and you are nothing but my dog! How dare you disobey me! I'm warning you, grab that woman over right now or I'll kill you!"

As he shouted, Wei Hanchao took out a dagger and pushed it against Yang Shanqi's throat.

Chapter 170 You Are Not The Only Dog I Kept

Crimson red blood dripped from the blade of the dagger.

The other security guard couldn't bear watching so he quickly got out of the car and walked towards Xu Muqing and the others.

Wei Hanchao took his dagger away from Yang Shanqi's throat upon seeing that.

He licked the blood off the dagger and sneered.

"You are not the only dog under my employment! If you disobey me just once more, I will kill you! Get out of the car now! I need space for my next 'activity'."

Wei Hanchao had just finished barking his order when all of a sudden; Yang Shanqi pushed him onto the seat of the car.

Then, a loud 'boom' resonated in the car.

The car window beside Wei Hanchao was shattered, and the broken glass was blocked by Yang Shanqi's back.

Wei Hanchao backed away; terrified when he

The security had a couple of broken bones and was lying on the floor like a pile of mud.

Li Hang was slowly approaching the car.

The tempo of Li Hang's steps was weird, and Wei Hanchao felt like the air was becoming thinner with each step Li Hang took.

In fact, merely meeting Li Hang's eyes made Wei Hanchao feel like he was targeted by a terrifying monster.

Wei Hanchao was so scared that he got out of the car and ran into the Golden Knife Club.

Inside the Golden Knife Club, both parties were on the verge of battling for their lives when a terrified Wei Hanchao dashed in and shouted for Wei Jiaoyang. "Wei Jiaoyang! Get over here now and protect me!"

"Kill the man behind those doors!" Ordered Wei Hanchao, "And bring me the woman he is with. I want her right now!"

"What happened?" Asked Wei Jiaoyang as he frowned.

"Ignore that mutt!" Said Wei Hanchao, "Hurry up and kill that man. I want the woman he's with!"

Stomp, stomp.

The sound of a man walking in a pair of leather shoes could be heard from a distance, getting closer and closer.

Li Hang appeared in front of everyone.

Yao Ruonan was ecstatic the moment she saw Li Hang walking in!

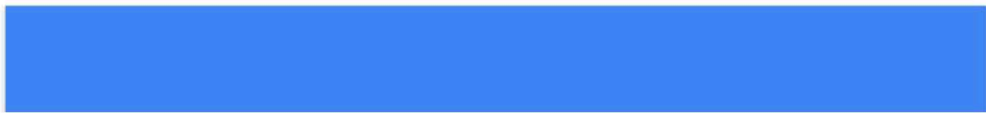

What's he doing here? Did he come to my rescue because he found out that I am in trouble?

"I won't show any mercy if you take another step forward, punk!" Said Wei Jiaoyang with his arms behind his back and his head held high while he looked down on Li Hang.

Wei Jiaoyang scoffed before making his move. His punch was strong and heavy, and his speed was ridiculous...

Bang!

A loud noise rang.

Everyone watched as Wei Jiaoyang flew backward at a speed even faster than his punch.

Wei Jiaoyang's body flew past his subordinate's head, then Tian Mingqiang's and his comrades' line of sight, and boom! He was stopped short by the wall.

It was pin-drop silence in the club after that.

No one, not even Master Dao, saw when or how Li Hang retaliated, and everyone was flabbergasted.

That was fast!

How powerful!

"Quit blabbering nonsense." Said Li Hang as

Yang Shanqi, who was standing beside Wei Hanchao, quickly stepped forward with his arms up and was prepared to fight a powerful enemy.

"Don't come near me." Wei Hanchao warned, "If you hurt me, my dad will make you pay for it!"

Slap!

Yang Shanqi hadn't even noticed what was going on before the sound of a slap came up from behind him.

Li Hang's hand landed on Wei Hanchao's face.

As that happened, three bloody teeth flew out, making a bloody 'rainbow' in the air.

"One of your 'dogs' came up and frightened my wife! How do you intend to repay that?"

The sound of two 'eggs' breaking and Wei Hanchao's devastating screams rang simultaneously.

"Young master!" Said Yang Shanqi as he quickly helped Wei Hanchao up.

Li Hang stared at Yang Shanqi and muttered, "Not bad. You have a good heart. If you ever need anything, you may come to look for me."

After saying his bit, Li Hang turned to leave.

Yang Shanqi called after Li Hang and asked, "Who are you?"

"Me?" Said Li Hang as he paused to reply, "Li Hang."

Li Hang? So that's the Li Hang who took care of the Lei Wujia siblings!

Yang Shanqi's face turned pale as he watched Li Hang walked away.

Yang Shanqi didn't even dare to ambush Li Hang from the back.

That man was too powerful. He was like the

The Wei Family was defeated within a day and the underground world of the Jiang Province rejoiced.

Soon after, the name 'Li Hang' was spread all over the underground world of the Jiang Province.

Following the good news about Li Hang's appearance was a bad news - Master Dao was on the verge of death.

This time round, it was severe.

He was so sick that he had given up the treatment and was resting peacefully on the top floor of the Golden Knife Club.

Everyone who was anyone in the underground world of Jiang Province had gathered.

All standing in the corridor and waiting for Master Dao's orders.

While waiting, a number of people started

whispering and gossiping.

"Master Dao may not make it this time. Who do you think will take over his role in the underground world of Sheng City?"

"Obviously, it's going to be Li Hang. No one else could compare to him."

"Rumors have that the underground world in the Ning Province had their guard up. Not even a mosquito could get in."

"You haven't heard the news, have you?" Said one of them, "Li Hang and Ms. Yao fought before, and the latter lost. According to the rules, Ms. Yao now belongs to Li Hang!"

Everyone looked jealous.

"One would have to be extremely lucky to marry Ms. Yao!"

"I heard this Li Hang has broad shoulders and is over 2m tall."

"Bullshit! My comrades told me that Li Hang looks just like a hero with divine poise and sage-like features."

"What are you talking about? My man met Li Hang before and he said that Li Hang looks so ordinary that no one would ever notice him."

Just as everyone was about to fight over how Li Hang looked like, the sound of approaching footsteps started echoing from the other end of the corridor.

Everyone turned at the same time to look at the man walking toward them.

The man on the other end of the corridor was walking while licking a rainbow-colored lollipop.

He was wearing a plain t-shirt that no one would take a second look at.

He was tall, but definitely not over 2m; His stance wasn't god-like, but it held an otherworldly temperament.

But all that was just a description of his physical appearance. On the inside, he had something that no one else had, something called...

"Pretentious." Said Xu Haoran who was

following closely behind Li Hang. He inched toward his sister and said, "Hey sis, have you noticed that my brother-in-law has become more and more pretentious lately?"

Li Hang's ears twitched before he turned to Xu Haoran and said, "I just had a conversation with the manager in the entertainment company. They'll start shooting a show called The One from The Gorilla's Land tomorrow, and we'll be bringing in a 200kg real-life gorilla to play the role of your girlfriend."

"I'm wrong, my dear brother-in-law." Said Xu Haoran, "I am so lucky to have a handsome, strong, amazing, and god-like brother-in-law like you."

Li Hang walked into Master Dao's room with Xu Muqing and Xu Haoran as everyone watched.

Li Hang didn't want to come, but Master Dao had Tian Mingqiang to deliver a document to Xu Muqing personally.

Only Li Hang and Master Dao were left in the room.

"Mr. Li, I know you are a busy man so I'll keep it short. I want you to take over my position..."

"Not interested." Rejected Li Hang impatiently before Master Dao even got to finish his sentence.

"Mr. Li," Said Master Dao in a hurry, "If you refuse to take over the underground world of the Jiang Province, those in the North would invade us, and that would affect the Ning Province as well."

"I was worried that they'd keep their distance," Said Li Hang as he grinned cruelly, "They won't be able to leave once they step in."

Surprised, Master Dao stared at Li Hang and asked, "Mr. Li, what are you planning?"

"You don't need to worry about that. All you need to know is that, with me around, you will not die anytime soon." Said Li Hang before he made a move.

Chapter 173 | Am Afraid

Li Hang's finger tapped on a couple of acupoints on Master Dao's chest before he dragged the old man up by the collar and patted his back.

Gah!

Master Dao immediately vomited dark brown blood.

The strange thing was that, after vomiting the blood, colors returned to Master Dao's previously pale face.

"You practice medical?" Said Master Dao surprisingly as he stared at Li Hang.

"Just a little," Said Li Hang, "I may have saved your life, old man. But you'll still have to 'die' for a while. Otherwise, the 'lure' I spent so much time preparing would not be able to attract those Northern scums."

Master Dao was an experienced and knowledgeable man so he immediately understood what Li Hang meant.

Ah, so Li Hang was using the underground world of the Jiang Province to lure the Northern folks over so he could finish them

off one by one.

Master Dao had no idea which Northern monster Li Hang wanted to deal with, but he knew this man before him was a force to be reckoned with.

Master Dao had lived a long life, but he had never seen someone as ambitious as Li Hang.

Just a few words of his stunned Master Dao. The old man would be in shock and fall ill once more if Li Hang were to tell him that his intended target was the most prominent family in the capital.

Two days later, Master Dao 'passed away'.

Xu Haoran stayed in Sheng City to realize his dream of becoming a renowned actor.

Li Hang and Xu Muqing, on the other hand, returned to the Ning Province while being accompanied by Yao Ruonan and Tian Mingqiang.

Women were 'mystical creatures'. In two short days, Yao Ruonan and Xu Muqing had become so close that they were sharing the

same bed and even went to the toilet holding hands.

What more was that, Yao Ruonan wanted to move into Xu Muqing's house and shared a bed with her.

Oh. My. God.

After spending so much time and effort to be welcomed in his wife's bedroom, the poor lad, Li Hang, had once again been 'demoted' to that cold, distant corner of the house.

Yao Ruonan was straightforward and sweet so her friendship with Xu Muqing kept growing.

The two of them often hid in the room to plan something sneaky.

Every time Li Hang entered the room, the two ladies would jump away from one another so Li Hang had no idea what they were up to.

Li Hang had just gotten home that day when he noticed that no one was in the living room.

Chapter 173 | Am Afraid

Just as he was about to walk into his bedroom, he heard Xu Muqing and Yao Ruonan's voice coming from inside.

Li Hang tiptoed then pushed his ear against the door and heard Xu Muqing saying, "Do you think he'd fall out of love with me if he finds out about it?"

"Don't worry," Said Yao Ruonan, "He won't."

Xu Muqing was nervous, "But this is my first, I'm a little nervous and scared."

"Don't worry," said Yao Ruonan, "Just leave it to me. I won't let you get hurt."

"Ah, that's hot!"

"It's supposed to be hot," said Yao Ruonan as she laughed, "You have to relax your body and wrap your arms around my waist. I'll start now."

"I... I'm scared."

What the f*ck?

Li Hang jumped upon hearing that.

Li Hang barged in all angrily after kicking the door down.

That was when he saw the 2 women standing side by side, and from their stance, it seemed that Yao Ruonan was teaching Xu Muqing some self-defense tactics.

Silence.

The whole room suddenly turned absolutely quiet.

"Er, uhm," Said Li Hang before he cleared his throat and asked, "Would you two like a glass of warm water?"

.....

"That is outrageous! Who is that Li Hang? How dare he hurt my son!"

Inside a mansion's living room in Huanghai Province, the furious Wei Family Leader - Wei Hong - was roaring.

Everyone in front of Wei Hong had their heads down when his eyes swept past them.

Wei Hanchao was lying in the hospital at

that moment.

He was fine, just that he was no longer a 'real' man.

In the end, Wei Hong's line of sight stopped at Yang Shanqi.

He pointed his finger at Yang Shanqi and ordered, "You! Look at me!"

Yang Shanqi had just looked up when Wei Hong slapped him hard on the face.

That slap wasn't enough to pacify Wei Hong so he continued kicking Yang Shanqi, aiming at the man's important part.

Yang Shanqi kept it together as his legs shivered in pain.

After kicking dozens of times, Wei Hong became tired and stopped.

"Do you know the difference between a man and a dog?" Ssked Wei Hong.

Yang Shanqi dared not reply.

"The biggest difference between them is

that a dog would only be loyal to their own master."

"And you... I had you under my wings for so many years, yet you aren't loyal to me!"

"Master, that's not true," Explained Yang Shanqi as he shook his head, "Listen to me..."

Slap! Wei Hong slapped Yang Shanqi again.

"Did I say you could talk?" Asked Wei Hong as he pointed his finger at Yang Shanqi's forehead, "On your knees!"

Yang Shanqi kneeled obediently at Wei Hong's request.

Then, Wei Hong lifted his leg and stepped on Yang Shanqi's head as he slapped the kneeling man.

Slap! Slap! Slap!

"What is the point of taking care of a disloyal dog?!"

"Master, I have always been loyal to the Wei Family and have never betrayed you."

"Is that so?" Sneered Wei Hong, "Then grab a knife and go to the Ning Province; Kill every single one of Li Hang's friend and family. The more the better!"

Even Yang Shanqi's irises were trembling when he lifted his head to look at Wei Hong with disbelief in his eyes.

Was that still the powerful and intelligent master he knew?

His master looked more like a crazy old dog with nothing but insanity shining from his eyes.

"Yang Shanqi. You and your comrades were all orphans when I took you in. I fed you, clothed you, and gave you a legal identity! Now's the time to repay my kindness!" Said Wei Hong as he grabbed a dagger from someone. He handed the dagger to Yang Shanqi and ordered, "Go to the Ning Province and kill every one of Li Hang's family!"

With trembling hands, Yang Shanqi accepted the dagger.

He stood up slowly and bowed to Wei Hong

before taking his leave.

He knew that this was his final goodbye.

Wei Hong sneered as he saw the tearful Yang Shanqi leaving.

Bandaged and healing, Wei Jiaoyang was lying at the side when he said, "Master, Yang Shanqi is no match against Li Hang. He'll die if he goes."

"So what? He's nothing but a dog!" Said Wei Hong before turning to Wei Jiaoyang, "How are you feeling?"

"A little sore, but I'll be back on my feet in a few days."

"I've called and ordered your younger brothers to return to the country," Said Wei Hong in a low voice, "The three of you will take an army to the Jiang Province."

"Now that Master Dao had passed away, the Song Family who has been supporting him all this while will not stand by idly."

"They will definitely send someone to take over everything in the Jiang Province, and

Chapter 175 Lollipop

Just as Wei Hong had predicted, the Song Family was here.

The second son of the Song Family had personally led an army of elites to the City of Jiang Province with the best fighter of the Song Family - Song Yuan.

Su Zhengguo, the head of the Su Family, welcomed the troop in person.

Song Tingjie entered Su Zhengguo's villa and immediately cut to the chase by saying, "Master Dao had passed away, Master Su."

"The underground world of the Jiang Province is supposed to be in a mess, but why do I get the feeling that everything is fine?"

Su Zhengguo grinned politely at Song Tingjie.

People who knew Song Tingjie well had always claimed that the guy was intelligent.

Song Tingjie was not like the typical rich brats who only knew how to drive sports cars and flirt around.

Chapter 175 Lollipop

He was an extremely capable man who held two ivy league doctorates and was responsible for managing half of the Song Family's estate.

"We are legitimate businessmen so we're not in tune with how things are in the underground world." Replied Su Zhengguo with a smile.

"However, I do know that all the booses from the underground have sent out the same notice at the same time."

Song Tingjie was intrigued and asked, "What is it about?"

"Everyone in the underground world is forbidden from disrupting any of the properties owned by the Lingxiao group." Answered Su Zhengguo.

"Anyone who disobeys will have their arms and legs cut off or killed."

"Who would've thought that an enterprise in a small place like the Ning Province would have that big of an influence?" Commented Song Tingjie.

Chapter 175 Lollipop

"You have no idea, young master. Lingxiao Group has been growing exponentially."

"Their business has spread all over the Ning Province."

"They are even planning to expand their business into our city so the local business organizations have been worried sick."

"The Lingxiao Group is unstoppable, and everyone is worried that they'd break the distribution of power in the city or worse, take over everything."

Song Tingjie tapped the table with his finger before he grinned and said, "Well, I was in a hurry, so I didn't have time to prepare any gift for you."

"How about I destroy the Lingxiao Group for you as a gift?"

"Thank you, young master," Said Su Zhengguo who was absolutely delighted.

With the help of the young master from the Song Family, their problem was as good as solved.

Chapter 175 Lollipop

The housekeeper came in at this time and said, "Master, there's a problem with the mountain villa in the Ning Province."

Su Zhengguo frowned and asked, "What's wrong?"

"There is a cemetery at the building site. Most of the deceased's family members have signed the document and agreed to move the grave to a different location, but the Liu Family refused to do so."

"Who was buried there and was he a powerful man?"

"No, he was just a local citizen. His son is a teacher in a private secondary school whereas his daughter is married to an idiot whose family has little to no power."

Su Zhengguo sneered, "If that is the case, then just destroy the grave."

The housekeeper seemed a little uneasy as he explained, "But, there's an old lady in her 80s from the family. She has been hugging the gravestone all day and refuses to move. We're afraid of any possible accident, so no one dares to make a move."

Chapter 175 Lollipop

Song Tingjie, who had been listening in, decided to chime in and said, "When dealing with old idiots who do not have much time left, the easiest way to convince them is by threatening the life of their grandchildren."

Su Zhengguo slapped his own lap in agreement, "That's right! Do as the young master had suggested."

Lingxiao Group Headquarters.

Li Hang entered the elevator. The elevator doors were about to close when a man shouted, "Hold the elevator!"

Then, a young man in a tuxedo ran into the elevator while sweating from head to toe.

Li Hang knew this man. He was He Liangsheng, one of the elites in the sales department.

Lingxiao Group had a transparent management style and offered good salaries along with excellent benefits.

Moreover, the company's employers were friendly.

Chapter 175 Lollipop

That was why the employees were united and that attracted a lot of honest hardworking new blood to join the company.

Similarly, their management style allowed a lot of disappointed employees from other companies to find their place in Lingxiao Group.

Those employees were there to realize their dreams, and He Liangsheng was one of them.

One of the main reasons why Li Hang had remembered He Liangsheng was, the lollipop that Li Hang had used to woo Xu Muqing was prepared by He Liangsheng.

Li Hang not asking for a lollipop that day was a relief for He Liangsheng because he actually had one hidden in his briefcase.
