

“Ohh!” “Here it comes!” A thug suddenly shouted from among the crowd.

“Boss's finishing move has finally appeared.”

“Everyone, kill with him! We'll kill these guys here and take their women in Ning Province!”

Bang!

Wu Hai's palm landed heavily on Li Hang's chest.

Crack!

The sounds of bones cracking could be heard.

“Ohhh!” “As expected of our Boss's finishing move!” “Look at that punk just standing there. He'll be spitting blood any time soon now.”

“Ugh!”

Suddenly, Wu Hai's body twitched as blood came spewing out of his mouth.

A powerful energy unleashed from within Li

Hang.

Wu Hai staggered backwards.

His arms swung around like two ragged cloths dipped in water; there was no more strength in them!

That was when everyone realized: it wasn't Li Hang's bones that broke.

It was Wu Hai's hands!

“Li Erniu.”

“Here!”

“Leave no one alive.”

Saying that, he turned and walked towards his Mercedes Benz.

Then came Wu Hai's voice from behind, “Wait!” “Our fight hasn't ended!”

Once those words fell, Wu Hai could be heard running up to Li Hang.

Li Hang didn't turn.

Chapter 273 Leave No One Alive

He merely stretched out his right hand.

He did the same beginning move as Wu Hai.

Then, Li Hang's hand suddenly shot outwards!

Bang!

He punched a fist into the air!

Wu Hai was still over 10 meters away from Li Hang.

But suddenly, he flipped backwards as if he had been hit by a heavy truck.

In the air, Wu Hai sprayed out a long trail of blood!

Finally, he landed on the ground like a ragbag.

One by one, his henchmen looked over.

Their jaws dropped!

Wu Hai, Gu Su City's underground ruler.

His bones completely shattered!

Dead!

Gu Su City, Wu family mansion.

For some reason, Wu Zhengde looked extremely restless.

He felt as if his heart had been clogged by something.

As if someone was strangling him, making it difficult for him to breathe.

“Zhengde, among all my sons, I favored you the most. But now, I’m extremely disappointed in you.”

Wu Zhirong sat in an upright position, looking solemn and condescending.

“A small place like Ning Province is enough to put you in this much fear.” “If you’re this cowardly, how can I be assured enough to leave the entire Wu family in your hands?”

“Dad!” “Ning Province may have a great location.”

“And it really is rising very quickly. But don’t you find it strange?”

Chapter 273 Leave No One Alive

“Why are people calling a small place like Ning Province a forbidden territory?”

Wu Zhirong laughed, “What the hell, forbidden territory? That's what you cowards think!”

“Then how do you explain the Song family and Shanghai's Qian family?”

“Hmph!” “It means that their time had simply come!” Wu Zhirong's eyes shone with confidence. “Our family being able to rule over Gu Su City isn't by sheer caution.”

“It also took great power like your father's, as well as unprecedented courage!”

“But Dad...”

“Say no more. I'm annoyed just from looking at you.” “After we capture Ning Province, you will give up your current position!”

Wu Zhengde was shocked. He stared at his father in disbelief.
