

The phone rang rapidly.

Having just arrived home, Li Hang took his phone out of his pocket.

It was a call from Liu Delun.

Over the phone, Liu Delun sounded very grave.

There was also a chilly feeling to it. "Brother, something's happened!"

Li Hang frowned, "Go on."

"Over 20 people have just been attacked by strangers."

"The thing is all the victims have been ordinary people."

"They have no background, nor have they ever had any conflict with others."

"Moreover, some of them are Lingxiao Group employees."

Li Hang held his phone as he walked to the courtyard.

The koi fish, upon seeing Li Hang, would normally rise to the surface of the water and open their mouths, waiting to be fed.

But this time, they plunged deep into the waters.

They hid underneath the bridge.

Or between the rocks.

Not daring to come out.

At this moment, Li Hang was like a blood-stained knife, bursting with murderous intent!

“Did anyone die?”

Hearing Li Hang's question, Liu Delun's voice became even more solemn.

“Yes. Five of them.”

“They had nothing to do with Lingxiao Group.”

“But I just heard from one of the brothers that a woman from Lingxiao Group has gone missing.”

Suddenly, the courtyard door not far from Li Hang slammed open.

Xu Haoran ran over. “Brother-in-law! Brother-in-law!”

"I don't know what's going on, but I can't reach Miaomiao on the phone."

"Maybe there's something wrong with my phone. Let me borrow yours."

Xu Haoran's words made Li Hang's heart sink even more.

Ouyang Miaomiao was Xu Muqing's junior back in college.

They had formed a good relationship since then.

Even after all these years, they remained in contact.

She was also an employee Xu Muqing valued a lot.

At the same time, Li Hang had never seen Xu Haoran so infatuated with a girl.

It was clear that Xu Haoran really liked Ouyang Miaomiao.

Li Hang lightly placed his hand on Xu Haoran's shoulder. "Don't panic yet. I'll find her soon enough."

Xu Haoran was stunned for moment. "Brother-in-law, what do you mean?" "Are you

saying Miaomiao's been kidnapped?"

Immediately after Xu Haoran's words fell, he received a short video clip on his phone.

It was from a stranger.

He opened the video.

Immediately, Li Hang's eyes widened.

Whereas Xu Haoran went into a fit of rage.

The video had no sound, but the image was very clear.

A man.

A man dressed in black.

He stood behind Ouyang Miaomiao, grabbed her by the hair and slammed her into a wall!

Ouyang Miaomiao fell to the floor.

The man then held her by the hair and slowly lifted her up.

Then, he shifted her face to the direction of the camera.

It was full of blood.

A shocking amount of blood covered Ouyang Miaomiao's beautiful face.

“Arghh! I'll kill him! I'm gonna kill him!”

Xu Haoran roared as he turned to rush out of the villa.

Li Hang proceeded to grab him by the collar and quickly knocked him to the ground.

The elder man stared at Xu Haoran coldly, “Before you try to save someone, think about your capability.”

Saying that, Li Hang turned and headed towards the carpark.

Without looking back, he added, “Tell Mom to save half of the sweet and sour pork for me.”

Outside the training grounds, inside Liu Delun's Rolls-Royce.

After seeing the video in Li Hang's phone, Liu Delun's hand couldn't stop trembling.

Not out of fear, but out of rage.

He was so angry that his face convulsed slightly.

“These bastards!” “Who the hell are they, and why would they attack these innocent people!?”

Li Hang blankly stretched a hand out towards Liu Delun. “Give me a cigarette.”

Liu Delun was shocked.

Because as far as he knew, he had never seen Li Hang smoking.

Liu Delun had always thought Li Hang didn't smoke.

So he never dared to smoke when Li Hang was around.

Liu Delun took out a pack of limited edition Yellow Crane Tower.

When he took out a cigarette from the shiny

golden box, Li Hang shook his head.

“They don't deserve this kind of cigarette.”

Liu Delun couldn't really understand what Li Hang said.

Instead, Li Hang wound down the window and beckoned Wang Xiaoqi over. He took a Fu Rong Wang cigarette from the young man and lit it.

The time Liu Delun and his gang spent with Li Hang wasn't very long.

What they didn't know was that Li Hang normally wouldn't smoke.

But whenever he did, it meant someone was going to die!

The kind of cigarette Li Hang smoked would depend on what kind of people were about to die!

He asked Wang Xiaoqi, “Can you confirm their locations?”

Wang Xiaoqi replied solemnly, “We've already sent people out to scour the entire Ning Province.” “We'll know where they're hiding very soon.”

“No. The longer we take, the more injuries this woman will receive. Take me to where she is now.”

A few minutes later, Li Hang stood at the spot where Ouyang Miaomiao was attacked.

The blood on the wall had already dried up and turned brown.

But in the air, there was still an irremovable scent of blood.

After standing there for a few seconds, Li Hang turned and walked to the left.

As he walked, he reached a wall.

Just as Wang Xiaoqi was about to say something from behind, Li Hang suddenly bounced off the ground and leaped over the wall.

“Everyone, follow me!”

North of Ning Province.

In a gloomy space within a dark freezer warehouse, the sounds of clapping were heard.

“Not bad, not bad. I didn't think you could last this long. This is beyond my

imagination.”

On top of the warehouse, a light flickered slightly.

Ouyang Miaomiao was in a corner where the light could reach.

Her hands had been tied with chains, and her entire body hung up in the air.

The man in front of her couldn't stop clapping his hands.

He was You Genshui, leader of Han Shan's Shadow Unit.

You Genshui circled Ouyang Miaomiao and smiled, “I've toyed with many women in the past, but you're the first to catch so much of my interest.”

“It's too bad you're from Ning Province.”

“If you were born in Gu Su, I'd surely spill my seed in you and make you bear me a child.”

Ptooi!

Ouyang Miaomiao spat directly in You Genshui's face.

But You Genshui wasn't angry.

He lifted his hand and wiped the spit off his face, then gave his hand a lick.

“Yup, even the spit from a beautiful woman tastes good.”

Saying that, You Genshui stretched out his hand and shifted Ouyang Miaomiao's face. “You have quite a pretty face.”

“It's just that your forehead's a little scraped. But that's fine; you're going to die anyway, so it doesn't matter whether you look good or not.”

At this moment, Ouyang Miaomiao didn't show any fear on her face.

She fiercely glared at You Genshui, “I want to know - who did I offend?” “Why are you doing this to me?”

You Genshui looked very carefree as he broke into laughter. “That's a good question.”

“I thought you'd start begging for mercy the moment you heard that we are going to kill you.”

“But instead, you asked me this question. How interesting.”

Saying that, You Genshui reached out and

opened Ouyang Miaomiao's mouth.
