

Chapter 287 All Down

Li Hang's shadow flickered for a quick moment.

All the nails flew through the air and landed on the door behind him.

“Oh?”

Surprised.

You Genshui was surprised.

“I didn't think you could evade that.”

While saying that, he clapped his hands.

Out of the darkness slowly walked out several men.

They looked imposing!

The vigor coming from them felt murderous!

The men were like ferocious weapons; they all had stains of blood on them and looked extremely dangerous.

Immediately, Li Erniu, Wang Xiaoqi and the rest stood by Li Hang's side.

“Boss, leave these guys to us.”

The eyes of Li Erniu and his gang had been set ablaze.

The moment Li Erniu finished speaking, he charged towards one of the men.

Li Erniu specialized in leg martial arts.

He bounced off the ground, made two flips in the air and viciously swiped at the man.

Bam!

Li Erniu had just pounced at the man, but ended up instantly flying backwards, landing heavily next to Li Hang.

The man who had kicked Li Erniu spat out two words: “Such trash.”

Li Erniu immediately got up and charged at the man again.

But he was kicked back the moment he tried to attack.

Standing beside, Yang Shanqi tried to help but was held back by Li Hang.

Chapter 287 All Down

Li Hang said to Stray Dog, Wang Xiaoqi, Yang Shanqi and the others next to him, "Pick your opponent. One each."

Hearing Li Hang's words, You Genshui laughed aloud.

When he finally stopped laughing, his eyes were filled with rage. "Such arrogance."

"Among you pieces of trash here, it seems like only Li Hang can be considered decent."

"What are the rest of you here?"

"Garbage like you dare to show up here in front of me?"

"How humiliating!"

Li Erniu and his gang glanced at each other. Without a word, they let out a murderous roar.

Battle ensued.

The sounds of fists clashing!

The sounds of screaming!

Chapter 287 All Down

Li Hang's men had abnormally high levels of endurance and weren't afraid of death.

But their opponents were just too strong.

The two sides were simply too disparate.

Especially Wang Xiaoqi.

His enemy had two daggers in his hands.

Wang Xiaoqi was already wounded all over.

His clothes were all soaked in his own blood.

But he stubbornly gritted his teeth.

Like a wild animal, his eyes continued to look like those of a killer's despite being injured.

He refused to lose!

He couldn't lose!

Bam!

Pow!

Chapter 287 All Down

Wham!

Bang!

An intense battle!

Clashing fists. Blistering kicks!

Grunts escaped from the mouths of Wang Xiaoqi and the others.

It didn't matter how much they persevered or how brave they were.

In the face of unconquerable suppression, they fell.
