

The billionaire and his son want me back novel

Chapter 129

Chapter 129 Lauren was organizing the simised rooms in Vanderbils Manor with the butler and servants , as Paul would soon be discharged from the hospital .

and return home to recuperate . Ar that time , two family doctors would be living there long term , and the famousalocior , Charles Hansen , would also anime to V anime to Vanderbilt Manor periodically to check on Paol .

As they fusily worked inside and outside the house , Lauren saw Kaylas car drive in through the openi and park Before long .

Kayla and Marissa got out of the car one after the other .

Kayla was holding a paleting , which she handed to the servant who came to greet her What happened ? Why do you both look gloomy ! Once Kayla and Marissa approached ,

Lauren noticed the unusual expressions on their faces , especially Marissa , who looked like she had just lieen crying Didnt you go to meet your idol ? Why do you look unhappy !

Lauren asked , thinking .

They seemed so happy when they left .

Why do they look so down now ! Marissa remained as gentle as ever .

Nothing .

Were just tired .

Kayla didnt speak , silently walking into the house , clearly preoccupied .

At that moment , the servant had already opened the outer packaging of the painting , as Lauren had requested .

When Lauren saw the painting , her eyes lit up .

It really is beautiful .

No wonder you were so obsessed with it , she exclaimed to Kayla , then instructed the butler to hang the painting in the most prominent position .

Even Reginald , who was used to seeing various famous paintings , had to admit that this one was indeed stunning .

He thought , No wonder Kayla admires its creator so much .

Now I want to meet Nion , tou Before the butler could act , Kayla , who had been silent , nally spoke up , Do you know who Nion is ? Kaylas voice was muted , and Lauren and

Reginald keenly noticed the change in how Kayla referred to her idol .

Previously , she always called Nion Mr.

Vaire , but now she simply referred to her as Nion Who is it ? Lauren asked Kayla became excited .

Even now , she had to control herself when mentioning it .

Trs Paisley .

What i did you say ? Laurens voice suddenly rose , as she thought she must have misheard .

Paisley ? Yes , thats right .

Its her Kayla nodded emphatically , her voice rm .

I saw her at the auction .

She was invited by Crown & Culture Lauren thought .

Since she was invited by Crown & Culture , it must be right She was greatly shocked standing there in a daze for a long time .

Reginald , who was drinking water , almost choked .

Whats wrong with Paisley ? She knows medicine and is also a painter .

How many more identities has she hidden from us ? Lauren said , agitated .

Hearing this , Reginald became serious.

Yeah , these skills need years of training Lauren thought , Exactly , just take painting , for example .

Kayla started learning to paint at thirteen , and after more than ten years , her level is just average ! For a moment , Lauren and Reginalds feelings became exceptionally complicated Lauren frowned , Why didnt she tell us about her talents before ? After saying this , she felt awkward .

Lauren thought , But even if she had told us , what would have changed ! Would we treat Paisley better because of it ? She didnt know , as she had always believed that Marissa was the perfect choice in her heart , Maylie ..

Marissas gentle voice spoke up .

Its because M.

Sutton never regarded this place as her home and never saw you all as her family .

Otherwise , why wouldnt the tell her own family ! Lauren felt that Marissas words made a lot of sense and said angrily .

Its okay if she didnt want to tell Marissa looked at her with pity , Maylie she doesnt love Dom that much but why did she even hide it from Dom ? Right , if she truly loves Dom .

how could there be secrets between them ? Lauren thought , and looking at the painting again , she lost the desire to hang it up .

Put it away , she instructed the butler .

She wanted to take it back , but every time she met Marissas eyes , she couldnt say anything and could only watch helplessly as the painting was taken away .

Outside the door , Dominick listened to all their conversations clearly .

Filled with sarcasm , he thought , Paisley , have you never truly loved me 10:14 AM & d
